Agency Financial Report
Fiscal Year 2017
The Department of Veterans Affairs (VA or the Department) Fiscal Year (FY) 2017 Agency Financial Report (AFR) provides fiscal and summary performance results that enable the president, Congress, and the American people to assess our accomplishments for the reporting period October 1, 2016, through September 30, 2017. The AFR consists of three primary sections:

- Management’s Discussion and Analysis
- Financial Section
- Other Information.

Pursuant to the Office of Management and Budget (OMB) Circular No. A-136, the Department has chosen to produce an AFR and an Annual Performance Plan and Report. The FY 2017 Annual Performance Plan and Report will be provided along with the Congressional Budget Justification in February 2018 and will be available on the Department’s Web site at http://www.va.gov/budget/report/.
