

ABOUT THE AGENCY FINANCIAL REPORT

The VA Fiscal Year (FY) 2022 Agency Financial Report (AFR) provides fiscal and summary performance results that enable the President, Congress and the American people to assess our accomplishments for the reporting period October 1, 2021 through September 30, 2022. The AFR consists of three primary sections, as presented below.

- *Management's Discussion and Analysis:* showcasing VA's mission, organizational structure and the dedicated work of VA employees in support of our Nation's Veterans. It provides an overview of financial results, summary-level performance information, management assurance regarding internal controls and forward-looking information.
- *Financial Section:* detailing the VA's financial position as of the fiscal year ended September 30, 2022. VA's FY 2022 audited financial statements and footnote disclosures are presented in this section, along with the results of the independent auditors' report.
- *Other Information:* containing the Office of Inspector General's (OIG) VA Management and Performance Challenges, a summary of financial statement audit and management assurances and Payment Integrity Information Act Reporting, among other requirements.

Pursuant to the Office of Management and Budget (OMB) Circular No. A-136, the Department chose to produce an AFR and an Annual Performance Plan and Report (APP&R). The FY 2022 APP&R will be provided along with the Congressional Budget Justification in February 2023. The AFR, APP&R and Congressional Budget Justification are available on VA's website at www.va.gov/performance/.

CERTIFICATE OF EXCELLENCE IN ACCOUNTABILITY REPORTING

VA is proud to announce that its FY 2021 AFR was awarded the Association of Government Accountants' (AGA) [Certificate of Excellence in Accountability Reporting](#) (CEAR) at a ceremony held on June 2, 2022. The CEAR is the highest form of recognition in Federal Government management reporting, and FY 2021 is the third consecutive year in which VA received this distinguished award. VA also won a Best-in-Class award for visual presentation of information including graphic display. The AGA, in conjunction with the Chief Financial Officers Council and OMB, established the CEAR Program to improve accountability through streamlined, effective reporting that clearly shows agency accomplishments with taxpayer dollars and the challenges that remain.
