**0901 Overview**

This chapter establishes the Department of Veterans Affairs’ (VA) financial policies relating to donated travel from non-federal funding sources. Section 41, Code of Federal Regulations (41 C.F.R.), Chapters 300 through 304, and Federal Travel Regulation (FTR) Chapters 300 through 304, implement the statutory requirements and Executive Branch policies for travel by federal civilian employees and others authorized to travel at Government expense. These policies apply equally to both domestic and international travel.

Key points covered in this chapter:

- VA may accept non-federal sourced donated funds for travel, subsistence, and other expenses incident to attendance at meetings per 5 U.S.C. § 4111 and 31 U.S.C. § 1353;
- Employees may be penalized for accepting payments from non-federal sources in violation of applicable laws;
- Authorization to accept non-federal source funded travel requires advance approval via VA Form 0893, Advance Review of Offer to Donate Support for Official Travel;
- Approved non-federal source funded travel still requires the creation and approval of a travel authorization (TA) and completion of Travel Claim in VA’s travel system;
- Manual TAs will not be used for non-federal source travel;
- Non-federal source funded travel may not be accepted for attendance at meetings or other events that are required to carry out a function that is essential to the Agency’s statutory or regulatory duties;
- VA employees will not solicit non-federal source funded travel for themselves; and
- The Executive Director, Financial Services Center (FSC) is responsible for the 31 U.S.C. § 1353 requirement to submit semi-annual reports to the United States Office of Government Ethics (OGE).

### 0903 Definitions

**Actual Expense** – The cost paid for lodging or meals incurred.

**Approving Official (AO)** – A VA employee designated the authority to approve travel requests.

**Donor** – Reference definition of Non-Federal Source.

**Conference** – A meeting, retreat, seminar, symposium, or event involving travel for attendees either locally or on Temporary Duty (TDY) travel. The term “conference” also applies to training activities that are considered to be conferences under FTR Part 300-3, § 300-3.1. See VA Financial Policy Volume XIV Chapter 10, Conference Planning, Oversight, and Reporting for more detail.

**Federal Travel Regulation (FTR)** – FTR Chapter 304 are the regulations for non-federal sourced travel contained in 31 U.S.C § 1353 and 5 U.S.C § 5707 that implement statutory requirements and Executive branch policies for travel by federal civilian employees.

**Non-Federal Source** – Any person or entity other than the Government of the United States.

**Official Station** – An area defined by VA as the employee’s official duty station (as established in an employee’s SF 50) which is the location where the employee regularly performs his or her duties, or an invitational traveler’s home or regular place of business (FTR Part 300-3, § 300-3.1). Reference VA Financial Policy Volume XIV Chapter 7, Local Travel, for local area guidance.

**Official Travel** – Travel under an official Travel Authorization (TA) to and from an employee’s official station or other authorized points of departure and a temporary duty

location, travel between two temporary duty locations, or relocation at the direction of a Federal agency.

**Payment In-Kind** – Transportation, food, lodging, or other travel-related services provided by a non-federal source instead of monetary payments to the Federal Agency for these goods and services. “In-kind” payment also includes a waiver of any fees that a non-federal source normally collects from meeting attendees (e.g., registration fees) but does not include waivers or discounts of an employee's fees on the day(s) they are participating in the meeting or similar function as a speaker, panelist, or presenter.

**Per Diem Allowance** – A subsistence allowance for lodging, meals, and related incidental expenses incurred while on authorized (TDY), when eligible (FTR Part 300-3, § 300-3.1). Subsistence expenses are generally reimbursed using the Lodgings-Plus method, but a Reduced Per Diem or Actual Expense method may be authorized when warranted. The per diem allowance is separate from transportation expenses and other miscellaneous expenses. In foreign area locations, lodging taxes are part of the per diem allowance and are not a miscellaneous expense. Maximum per diem rates for temporary duty travel locations are established by GSA, and available at the GSA Per Diem Rates website.

**Temporary Duty Travel (TDY)** – Travel by an employee on official business to a designated location(s) away from their local area, as authorized by an employee's AO through a TA.

**Travel Authorization (TA)** – A written or electronic authorization to incur expenses while on authorized official business for the Government, and is required to include specific purpose, itinerary, and estimated costs (FTR Part 300-3, § 300-3.1).

## 0904 Roles and Responsibilities

**The Assistant Secretary for Management and Chief Financial Officer (ASM/CFO)** has been delegated the authority to submit to the Director of Office of General Ethics (OGE) a semi-annual report on payments received from non-Federal sources that are more than \$250 per event for an employee and accompanying spouse, with authority to re-delegate.

The ASM/CFO re-delegates this authority to the Executive Director, FSC, with no further re-delegation authority.

**Approving Officials (AO)** have the authority to approve TAs and claims associated with TDY and local travel and are responsible for:

- Being knowledgeable of the employee's travel plans;
- Ensuring all travel is approved consistent with FTR, VA travel policy, and any other Department-specific guidance (e.g., travel notices);

- Ensuring non-federally sourced donated travel is not approved without proper documentation;
- Ensuring split disbursement is utilized when the traveler has a travel card; and
- Monitoring timely processing of travel claims;

**Travelers** will be knowledgeable of FTR, VA travel policy, and any other agency-specific guidance (e.g., travel notices); minimize costs; arrange travel using VA's travel system; ensure travel is approved in advance; comply with VA's travel charge card program guidance; ensure the balance owed of undisputed charges on their travel card is split for payment to the extent reimbursable funds are available; submit all travel claims timely; and de-obligate invalid travel documents. Travelers will complete their travel training requirements.

**VA Financial Services Center (FSC)** is responsible for TDY Travel Service Division operations and will initiate a data call semi-annually to VA organizations for reporting non-federal sourced donated travel. The Executive Director, FSC has been designated with the responsibility to submit to the Director of OGE a semi-annual report on payments received from non-Federal sources that are more than \$250 per event for an employee and accompanying spouse.

**VA Office of General Counsel (OGC) Deputy Ethics Officials** will review VA Form 0893, Advance Review of Offer to Donate Support for Official Travel, to determine under the facts presented, whether accepting the offered travel support complies with ethics laws, VA travel policies, and gift acceptance authorities.

## **0905 Policies**

### **090501 Acceptance of Non-Federal Funding for Travel**

- A. VA employees will not solicit non-federal source funds.
- B. The following statutory authorities allow VA, under certain conditions, to accept donations from non-federal sources for travel:
  - Accepting non-federal funds for travel per 5 U.S.C. § 4111 authorizes employees to accept payment of travel, subsistence, and other expenses incident to attendance at meetings. The acceptance of payments under section 4111 is contingent upon the recognition of the donor as a 501(c)(3) tax-exempt organization by the Secretary of Treasury; and
  - Accepting travel per 31 U.S.C. § 1353 authorizes federal agencies to accept, on behalf of their employees, payments associated with training, meetings, or similar functions that an employee may attend in an official duty status.

- C. In addition to 5 U.S.C. § 4111 and 31 U.S.C. § 1353, rules and policies for non-federal sourced donated travel are also found in FTR Chapter 304-1 through 304-9, Payment of Travel Expenses from a Non-Federal Source.
- D. Non-federal source travel funding offered directly to an employee, may be accepted per 5 U.S.C. § 4111 provided the following conditions are met:
- Approval is required to be obtained in advance on a VA Form 0893 for an employee to accept the funding under this authority;
  - The cost of travel, subsistence, or other expense payable by the government for the employee's event will be reduced by the amount of the contribution/gift which is made by the private organization. As required by 5 U.S.C. § 4111(b), the employee is required to disclose all that was donated;
  - If it is a training event it must qualify under the authority of the Government Employees Training Act (5 U.S.C., Chapter 41 § 4104 – 4121, and 5 U.S.C. § 4111); and
  - The donating organization is private/non-profit as described in 26 U.S.C. § 501(c)(3) and obtained tax-exempt status under 26 U.S.C. § 501. They may pay the travel expenses (i.e., travel and subsistence) associated with non-government sponsored training or attendance at meetings.
- E. Per, 5 C.F.R. § 2635.201, in general, VA employees may not accept personal gifts from outside sources. However, non-federal source travel funding is permissible under 31 U.S.C. § 1353, as it authorizes federal agencies to accept gifts/donations in support of official travel.
- F. VA Form 0893, Advance Review of Offer to Donate Support for Official Travel will be used to authorize, in advance of the travel episode, the acceptance of non-federal funds to pay for travel expenses (FTR Part 304–6, § 304-3.3).
- G. VA may accept payments from multiple non-federal sources including non-profit VA Research and Education entities.
- H. Non-federal funds must be in check form as accepting cash is forbidden (FTR Part 304–6, § 304-6.1).
- I. If VA accepts the payment rather than the traveler, the approved donated funding will be credited to the appropriation applicable to such expenses, except as specifically provided for by law.
- J. Payments from non-federal sources will be by check or similar instrument made payable to "Department of Veterans Affairs". Payments that are "in-kind" (services or other benefits for travel provided directly by non-federal sources, for example, meals, lodging, transportation, or event tickets.) will be given directly to the employee (FTR Part 304–4, § 304-3.10).

- K. VA (or the traveler on behalf of VA) may accept payment from non-federal sources for accompanying spouses when it is determined that the presence of spouses at the meeting or similar function is in the interest of VA. A spouse's presence at an event may be determined to be in the interest of VA if the spouse will:
- Support the mission of VA or substantially assist the VA employee in carrying out his/her official duties;
  - Attend a ceremony at which the employee will receive an award or honorary degree;
  - Due to medical necessity serve as an attendant to the VA employee;
  - Participate in substantive programs related to VA programs or operations, per FTR Part 304–4, § 304-3.14; and/or
  - Non-federal funds must be in check form and accepting cash is forbidden) (FTR Part 304–6, § 304-6.1).

The accompanying spouse's travel will be processed as an invitational traveler eligible for payment of travel, subsistence, and related expenses.

- L. VA employees will not accept non-federal source funds for attendance at meetings or other events that are required to carry out a function that is essential to the Agency's statutory or regulatory duties, such as an inspection, a hearing, or a negotiation.
- M. VA employees will not accept non-federal source funds in connection with promotional vendor training or other meetings held for the primary purpose of marketing the non-federal source's products or services.
- N. In situations where travel is provided by a vendor under contract and the full cost of the travel was included in the contract (e.g., travel for audiologists to learn fitting techniques for the vendor hearing aid brand), VA OGC Ethics Specialty Team review on VA Form 0893 is not required.

### **090502 Review and Approval of Donated Travel**

- A. Travelers should submit VA Form 0893, Advance Review of Offer to Donate Support for Official Travel to the OGC Ethics Specialty Team ([GovernmentEthics@va.gov](mailto:GovernmentEthics@va.gov)) at least two weeks in advance of the travel episode. This form will be utilized to obtain and document approval of the acceptance of non-federal source travel funding.
- B. AO's will ensure VA Form 0893 (signed by OGC Ethics Specialty Team) is uploaded into the travel system prior to approving travel.
- C. The Office of General Counsel Ethics Specialty Team will review VA Form 0893. Incomplete forms and untimely forms will be returned for corrections. If approved, they will return the signed form to the traveler to be uploaded into the travel system. All travel arrangements will be completed early and well in advance of the travel

date. The traveler should maintain contact with the travel clerk and/or AO throughout the process.

- D. Per 5 C.F.R § 2635, VA will ensure ethical standards have been followed and consider the below factors in determining whether to accept the gift from the non-federal source for travel expenses:
- The non-federal source being considered;
  - Purpose of the meeting;
  - Other participants being considered;
  - Nature and sensitivity of other matters pending at the Agency that may affect the non-federal source;
  - Significance of the employee's role in any such matter;
  - Amount and nature of the travel benefits offered;
  - Acceptance of the payment under the circumstances would not cause a reasonable person with knowledge of all the facts to question the integrity of VA programs or operations; and/or
  - The travel is in the best interest of the Government and relates to an employee's official duties.

After considering these items, VA may accept or decline the offered payment or may qualify its acceptance by limiting the extent of the employee's participation or the type of benefits that may be accepted.

- E. VA may accept or authorize employees to accept payments from non-federal sources for official travel to a meeting, or other similar functions only when:
- The traveler is in an official duty status (Authorized Absence is not an official duty status) on a domestic or foreign travel trip;
  - The TA is established in VA's travel system before the travel begins; and
  - A VA OGC Deputy Ethics Official has reviewed VA Form 0893, determined acceptance of the gift of travel to be lawful, and has signed the form and returned it to the employee.
- F. If it is determined in advance of the employee's travel that payment from the non-federal source will cover some but not all of the employee's allowable transportation and per diem expenses, the employee's TA will state that the employee will receive reimbursement for the difference between the authorized travel allowances and the payment received from a non-federal source.

### **090503 Post Travel Acceptance or Modification of Funding**

- A. If a non-federal source offers to pay for travel expenses after travel has begun, an employee may accept payment (either check or payment in kind for a nonprofit but never cash) on behalf of VA for donated travel expenses as follows:
1. In a case where VA approval was obtained on a VA Form 0893 to accept non-federal funding from an entity prior to commencing travel and the same entity has offered additional funding for travel expenses occurring after travel has commenced, then the traveler may accept the payment on behalf of VA if the offer is in accordance with FTR Part 304–4, § 304-3.13(a). Upon completion of the travel, the employee has seven (7) business days to update VA Form 0893 with the new amount and route for approval. An amended TA is required with appropriate comments explaining the reason for the amendment; the recently accepted donated expenses will be adjusted accordingly.
  2. In a case where VA did not authorize acceptance of any payment from a non-federal source before the employee commencing travel, an employee may accept on behalf of VA the payment from the non-federal source if the offer is in accordance with FTR Part 304–4, § 304-3.13(b).
- B. If the additional or modified funds offered on a VA Form 0893 are accepted, an amended TA is required with appropriate comments explaining the reason for the amendment; the “Type Code” (in the drop-down menu) is required to be changed from “Regular TDY” to “Sponsored – Non-Fed”; the post-travel accepted donated expenses will be adjusted accordingly, and the approved VA Form 0893 will be attached for the approving official (AO) to authorize the amended TA.
- C. If VA does not subsequently authorize acceptance of any or all payment(s) from a non-federal source on the post-travel VA Form 0893, and the employee accepted the offered payment during their travel, the resolution will be consistent with FTR Part 304–4, § 304-3.13(b)(3). The funding will need to be returned to the non-federal donor and the TA will need to be amended in accordance with the resolution as applicable.

### **090504 Disciplinary Actions and Penalties**

- A. If an employee improperly accepts non-federal source travel funds, VA may require the employee to pay an amount equal to the amount of the payment accepted, to the General Fund of the Treasury. In addition, the employee will not be entitled to any reimbursement from the Government for travel expenses that the non-federal source payment was intended to cover.
- B. The most common mistakes made when accepting funds from non-federal sources are:

- Not getting approval prior to accepting non-federal source funds; and/or
- Employees receiving checks directly from donors who are not 501(c)(3) non-profit organizations.

#### **090505 Reimbursement for Official Travel**

- A. All approved non-federal sponsored travel (i.e., temporary duty and local travel) requires the entry and approval of a TA in VA's travel system. When entering the TA into VA's travel system a dropdown menu will appear and "SPONSORED – NON-FED" should be selected from the available choices. Refer to the FSC Direct – Sponsor/Non-Fed Sponsor (Donated) Travel guide. Approved VA Form 0893 must be attached to the TA.
- B. Employees may not use manual VA Form 3036, Travel Authority for Temporary Duty Travel, when non-federal source funds are used to pay for employee travel expenses.
- C. Employees (and the accompanying spouse or attendant, when applicable) will submit a travel claim in VA's travel system within five (5) business days after the completion of official travel for all travel expense reimbursement claims which were not paid "in-kind" by non-federal sources.
- D. Employees may not claim reimbursement for travel expenses that were provided in-kind by a non-federal source whether given to the Agency or directly to the employee. For example, if the non-federal source provided a meal, the employee's travel reimbursement will be decreased by the amount that would otherwise be payable for the meal. Employees are not required to submit receipts for any travel expenses provided in-kind by the non-federal source; however, the expenses will be reported on VA Form 0893 (FTR Part 304–4, § 304-3.16).

#### **090506 Valuation Gifts In-kind**

- A. FTR Part 304–6, Subpart B, § 304-6.6, describes how VA will value travel gifts in kind (other than a check).
- B. VA will use the guidelines established in Appendix C when determining the value of payments "in-kind" for reporting on OGE Form-1353, Report of Payments Accepted from a Non-Federal Source.

#### **090507 Reporting Requirements**

- A. Per 31 U.S.C § 1353, the head of each agency of the executive branch shall submit reports of payments of more than \$250 accepted with respect to employees of the

agency to the Director of OGE. The Director shall make these reports available to the public.

The SECVA has delegated to the ASM/CFO the authority to report semi-annually on payments received from non-Federal sources that are more than \$250 per event for an employee and accompanying spouse to the Director of OGE. The Executive Director, FSC is designated with the authority for submitting the OGE Form-1353, Report of Payments Accepted from a Non-Federal Source to the Director of OGE. Refer to VA Financial Policy Volume XIV Chapter 1, Travel Administration, for the Secretary of Veterans Affairs (SECVA) Memorandum, “Delegation of Authority for Travel and Conferences”.

- B. The FSC TDY Travel Services Division submits a data call to VA Travel organizations and provides a form to complete and submit back to FSC. FSC then collects the data from all VA Organizations and combines the individual items more than \$250 per event, per 31 U.S.C. § 1353, and enters them into the OGE Form 1353, Semiannual Report of Payments Accepted From a Non-Federal Source.
- C. Negative responses are required and indicate there are no donated travel items to report.
- D. Reports are based on the actual date the travel is performed per 31 U.S.C. § 1353.
- E. The Executive Director, FSC is required to submit the OGE Form 1353 report on a semi-annual basis to the Director of OGE by May 31st and November 30th. The May 31st report contains non-federal source travel funding received from October 1 through March 31, and the November 30th report contains non-federal source travel funding received from April 1 through September 30.

The FSC will send the OGE Form 1353 to the Director of OGE via email to [1353Travel@OGE.gov](mailto:1353Travel@OGE.gov).

CERTIFICATION: I certify that I am traveling in official duty status and representing the Department of Veterans Affairs. I certify that the answers above are truthful and correct. I further certify that if I directly receive a cash or check payment from the donor, I will use these funds only for the listed travel expenses and I will refund any unused portion of these funds to the donor. CERTIFICATION OF HEAD OF EMPLOYEE-TRAVELER'S OFFICE		
CERTIFICATION: I certify that the employee will have authorized official travel orders in VA's electronic travel system, and that the travel is in furtherance of the Agency's mission. I have determined that the requested lodging and meal rates are equal to or below GSA, DoD, or Department of State approved per diem rates. If rates are above the previously stated rates for domestic and foreign travel, I certify that VA approval for the required actual expenses will be obtained. GENERAL COUNSEL REVIEW		
REVIEW FINDINGS: Program is responsible for compliance with VA conference policy. OGC review is limited to gift acceptance. Traveler must be on official duty and have a travel authorization. Authorized Absence (AA) is not an official duty status. Based upon facts above, VA could lawfully determine that accepting the gift of travel would be proper.	SIGNATURE OF OGC DEPUTY ETHICS OFFICIAL  	DATE SIGNED  
ACCEPTANCE OF GIFT BY AUTHORIZED OFFICIAL		
I approve acceptance of the gift of travel support based on the facts provided above. I determine that the employee is attending this event in official duty capacity, that the travel is in furtherance of the Agency's mission, and that the gift is not a reward for services to the donor prior to the event. I further determine that acceptance of the offered travel support would not cause a reasonable person with knowledge of all the relevant facts to question the integrity of VA's programs, operations, or employee's. I have considered any impact the performance or nonperformance of the traveling employee's official duties might have on the donor.

### Instructions for § 1353 Travel Report

The United States Office of Government Ethics (OGE) is required by 31 U.S.C. § 1353 to collect and make publicly available the information submitted in the semiannual § 1353 travel reports. OGE's acceptance of this information does not constitute a determination that the information is adequate or concurrence with the submitting agency's conflict of interest analysis. (See 41 CFR §304-6.9).

Starting with the October 1, 2010-March 31, 2011 reporting period, OGE will only accept § 1353 Travel Reports that are submitted electronically in this OGE-approved electronic form (OGE Form-1353) or on the SF-326. To the extent possible, agencies are strongly encouraged to submit their semiannual reports using the OGE Form-1353. All submissions must be made via email to 1353Travel@oge.gov in XLS, XLSX, or PDF format.

*If your agency has not accepted payments under 31 U.S.C. § 1353 for the applicable reporting period, your agency must still submit a negative report. Negative reports are indicated by an electronic submission of the OGE Form-1353 (in excel format) or the SF-326 (in PDF Format).*

#### Completing the OGE Form-1353

##### Saving the Workbook

Name the Workbook using your agency acronym and the reporting period using this convention:

1353Report\_[AgencyAcronym]\_[Reporting Period].xls, for example 1353Report\_OGE\_OctMarch2011.xls.

- Select the Microsoft Button and choose "Save As" Excel Workbook from the menu. When typing the file name, use the naming convention: 1353Report\_[AgencyAcronym]\_[Reporting Period].xls
- Use OctMarch[Year] for the October 1- March 31st reporting cycle and AprSept[Year] for the April 1-September 30th reporting cycle.
- Note that your agency acronym can be found on the worksheet titled "Agency Acronym" (tab located at the bottom of the workbook).

##### Preparing Blank Report Forms for Each Sub-Agency (if applicable)

For each individual sub-agency report, copy the "RENAME BLANK FORM" spreadsheet (tab located at the bottom of the workbook) and rename it to describe the sub-agency.

- Ensure use of standardized acronyms where applicable.
- Spreadsheets can easily be copied by right-clicking on the sheet tab for the sheet you wish to copy. After you right click, select "Move or Copy", which will open a dialogue box. When the dialogue box appears, click the "Create a Copy" checkbox at the bottom of the dialogue box. To determine the placement of the new sheet within your workbook, left click the name of an existing sheet in the "Before Sheet" area; your new sheet will be placed before the sheet selected. Select "OK". A new sheet will appear (e.g. "RENAME BLANK FORM (2)") that you can rename.
- To rename the spreadsheet tab, simply double-click on the spreadsheet tab name and type the new name. Note that each tab must have a unique name.

##### Completing the General Information

Fill in the applicable information. Note that information to be completed by the agency always appears in white-colored cells. Information located in the colored cells should not be manipulated. The worksheet has been protected so that you can tab between the fillable cells.

##### Renaming the Spreadsheet Tabs

- Rename the spreadsheet tab with your agency name, using standardized acronyms where applicable.
- To rename the spreadsheet tab, simply double-click on the spreadsheet tab name and type the new name. Note that each tab must have a unique name.

##### Filling in Page, Of Pages and Year

- Fill in the white-colored cells found below Page, Of Pages, and Year.
- Page refers to the numerical position of the current sheet relative to the other sheets in the workbook and Of Pages refer to the total number of report pages in the entire workbook.

- For example, if the Department of Example 1353 Travel Report had submissions from its only two sub-agencies: Department ABC and Department XYZ, there would be 2 total reports (2 worksheets). On the Department ABC worksheet/report, the agency would enter 1 for Page-- referring to the Department ABC's position in the workbook-- and 2 for Of Pages-- referring to the total number of worksheets/reports. The Department XYZ report would read 2 for Page-- referring to its order as the second report-- and 2 for Of Pages-- referring to the total number of sheets in the workbook.

#### Filling in Agency Name, Sub-Component Name, and Contact Information

- In the fillable cells below the Title, replace [Replace with Reporting Agency Name], [Replace with Sub-Agency Name], [Replace with Agency Contact Name], and [Replace with Agency Contact Email] with the appropriate information. If there is no sub-agency, then delete [Sub-Agency] from that cell.
- Once the identifying information is completed correctly, the report title should automatically read correctly at the top of the spreadsheet.

#### Indicating Reporting Period

- Indicate the reporting period by placing an X in the white cell to left of the correct reporting period.

#### Filling in Travel Specific Information

##### Indicating a Negative Report

- If there is no information to report for this reporting period, indicate the negative report by placing an X in the white cell to the left of negative report.

##### Indicating 1353 Travel

- Fill in the applicable information in the report in the same method as illustrated by the example. You must enter the information in the cell below the description of the type of information. For example, type "John Smith" in the cell below "Name."

#### Submitting the Report to OGE

Ensure the file is saved using the naming convention discussed in the instruction for saving the workbook, and email the excel file as an attachment to 1353Travel@oge.gov.

#### Printing Reports for Internal Agency Use and Record Keeping

While reports must be submitted electronically, your agency may find it useful to print its 1353 Travel Reports for record-keeping purposes. The following instructions provide guidance for printing in Excel 2003 and Excel 2007.

##### In Excel 2007

- Highlight the portion of the report on each spreadsheet you would like to print. Do this by left-clicking with the mouse and holding the button as you drag the cursor over the cells that you wish to highlight. Release the mouse button when you are finished and the area that you selected will remain highlighted. Click on the Page Layout Tab on the Microsoft Excel Ribbon.
- With the printing area highlighted, click the "Print Area" button, which should provide a drop-down menu including the option to "Set Print Area". Select "Set Print Area".
- On the Page Layout Tab, locate the "Scale to Fit" option. Use the drop-down menu to restrict the width to "1 page".
- To verify the margins are correct on your printing job, use the Print Preview option. Click on the Microsoft button in the upper right-hand corner and hover over Print. Select "Print Preview" from the right-hand menu.
- You can select Print from the Print Preview view or Print as you traditionally would.

##### In Excel 2003

- Highlight the desired print area. Do this by left-clicking with the mouse and holding the button as you drag the cursor over the cells that you wish to highlight. Release the mouse button when you are finished and the area that you selected will remain highlighted.
- Access the print properties menu. Scroll to the "File" tab on the command bar and select "Print Area."
- Set the print area. A submenu will open. Scroll to "Set Print Area" and left-click to set the print area. The print area will be outlined with a dashed border inside of the spreadsheet.
- Check the print area in the preview screen. Scroll to the "File" tab on the command bar and select "Print Preview" to see how the file will look when it is printed.
- Adjust the print area. To make any changes, just hover the mouse over a corner of the dashed border surrounding the print area. When the cursor turns to a cross-sectioned arrow, left-click and hold. Drag the print area to the desired size.

### Appendix C: Instructions on Valuation of Gift In-Kind

VA uses the following guidelines when determining the value of payments “in-kind” for reporting on OGE FORM-1353:

1. For a conference, training, or similar fees waived or paid by a non-federal source, the employee reports the amount charged to other participants.
2. For transportation or lodging, the employee reports the cost that the non-federal source paid or usually would have been charged for such an event (using GSA and VA travel system rates).
3. For meals or other benefits that are not provided as part of the transportation, lodging, or a conference, training, or similar fee, the employee reports the cost to the non-federal source or provides a reasonable approximation of the market value of the benefit on OGE Form 1353.
4. For chartered, corporate, or other private aircraft:
  - When common carrier is available, the employee reports the first-class rate that would have been charged by a commercial air carrier at the time the event took place; or
  - When a common carrier is not available, the employee reports the cost of chartering a similar aircraft using a commercially available service.
5. Where no commercial rate is available for lodging, the employee reports the maximum lodging rate as established by GSA for the Continental United States (CONUS), by the Department of Defense for non-foreign areas, and by the Secretary of the Department of State for foreign areas.
