

# Community Nursing Home

## What is a Community Nursing Home?

Community Nursing Home is a place where Veterans can live full time and receive skilled nursing care any time of day or night.

VA contracts with community nursing homes to care for Veterans. The Community Nursing Home program is offered in many communities so Veterans can receive care near their homes and families.

## Am I eligible?

**Eligibility for a Community Nursing Home is based on clinical need and setting availability.** The VA will only pay for Community Nursing Home care if you meet eligibility criteria involving your service-connected status, level of disability, and income.

If you do not meet these requirements, you will need to use your own resources to pay for nursing home care, which may include Medicare benefits and/or applying

for Medicaid assistance if you cannot afford to pay.

Talk with a VA social worker about your eligibility and to figure out a plan for paying for Community Nursing Home care services.

Find out more by visiting the [Paying for Long Term Care](#) section at [www.va.gov/Geriatrics](http://www.va.gov/Geriatrics).

## What services can I get?

Community Nursing Home care always provides:

- 24-hour skilled nursing care (such as wound care or help with IV medication)
- Occupational and physical therapy
- Access to social work services
- Some Community Nursing Homes also provide:
  - Short term rehab services
  - Hospice and palliative care for the end of life
  - Special care for dementia

## How do I decide if it is right for me?

Moving into a Community Nursing Home is an important decision for you and your family.

You can use a [Veteran Decision Aid for Care at Home or in the Community](#) to help you figure out what short-term or long-term care services or settings may best meet your needs now or in the future.

# Community Nursing Home

There's also a [Caregiver Self-Assessment](#). It can help your caregiver identify their own needs and decide how much support they can offer to you. Having this information from your caregiver, along with the involvement of your care team and social worker, will help you reach good long-term care decisions.

Ask your social worker for these resources or download copies from the [Making Decisions and Advance Care Planning](#) section at [www.va.gov/Geriatrics](http://www.va.gov/Geriatrics).

If a Community Nursing Home seems right for you, your VA social worker can help you locate options in your community.
