

What is the Foreign Medical Program (FMP)

The FMP is a program for veterans who live or travel overseas. Under the FMP, Veterans Affairs will pay 100% of the charges for any health care the veteran needs that is associated with a service connected disability.

What is the impact of other insurance?

If you have another insurance plan that pays for some of your care, include the explanation of benefits from that insurance company with your claim. Under most circumstances, the FMP is the primary payer for any service-connected or Title 31 services.

Will the VA pay for costs associated with obtaining these documents?

If it is customary for the provider to charge for any of the required documents, the FMP will reimburse you for these costs. Be sure the provider identifies these costs separately and clearly.

The FMP will not pay for translation services. The FMP contractor will translate any documents that require this service.

Where do I send my claim?

Send your claim to the Health Administration Center, Foreign Medical Program, P.O. Box 65021, Denver, CO 80206-9021.
