How to Apply

To apply for benefits, send the following information to CHAMPVA-Eligibility, PO Box 469028, Denver, CO 80246-9028.

- VA Form 10-10d, Application for CHAMPVA Benefits
- VA Form 10-7959c, CHAMPVA Other Health Insurance Certification
- A copy of your Medicare card if you are also eligible for Medicare
- A copy of the veteran's DD 214 Form, Certificate of Release or Discharge from Active Duty (or Report of Separation for WWII and Korean era veterans). If you cannot find this form, send in your application without it. We will obtain one from the VA Regional Office.

Forms are available from the voice mail menu at 1-800-733-8387, 24 hours a day, 7 days per week. Please consider placing calls for an application form during evening or weekend hours. You may also obtain the necessary forms from our website at WWW.VA.GOV/HAC by selecting FORMS from the left panel. To reduce the time it takes to process your application, we recommend you also send a copy (never the original) of the following documents that are applicable to you with your application. These documents do not need to be notarized. If the documents are included with your application and the forms are filled out correctly, it normally takes 45 days to process your application from the date it is received.

What is the Civilian Health and Medical Program of the Department of Veterans Affairs (CHAMPVA)?

CHAMPVA is a health benefits program in which the Department of Veterans Affairs (VA) shares the cost of certain health care services and supplies with eligible beneficiaries (see *Who is Eligible*). CHAMPVA is managed by the VA's Health Administration Center (HAC) in Denver, Colorado. We process CHAMPVA applications, determine eligibility, authorize benefits, and process medical claims. We strongly recommend that all your inquiries about CHAMPVA be made directly to us.

What is the relationship between CHAMPVA and TRICARE?

Both are federal programs, however, an individual who is eligible for TRICARE is not eligible for CHAMPVA. Although similar, TRICARE (which is administered by the Department of Defense) should not be confused with CHAMPVA.

Benefits

In general, CHAMPVA covers most health care services and supplies that are medically necessary. Special rules and/or limitations do apply to certain services. Some services (even when prescribed by a physician) are not covered under CHAMPVA. Clarification of covered/noncovered services, as well as

limitations, can be obtained by calling us at 1-800-733-8387. You may also e-mail us at HAC.INQ@MED.VA.GOV or visit our website at WWW.VA.GOV/HAC.

Who is Eligible?

CHAMPVA provides coverage to the spouse or widow(er) and to the children of a veteran who:

- is rated permanently and totally disabled due to a service-connected disability, or
- was rated permanently and totally disabled due to a service-connected condition at the time of death, or
- died of a service-connected disability, or
- died on active duty and the dependents are not otherwise eligible for DoD TRICARE benefits.

Spouse: Eligibility ends if the marriage to the veteran is terminated by divorce or annulment.

Widow(er): Eligibility ends if the widow(er) remarries prior to age 55.

Termination of Remarriage: A widow(er) of a veteran who remarries and the remarriage is later terminated by death, divorce, or annulment may establish CHAMPVA eligibility. The beginning date of eligibility is the first day of the month after termination of the remarriage or December 1, 1999, whichever date is later.

Child: Eligibility for CHAMPVA ends when:

- a child turns 18 unless enrolled in an accredited school as a full-time student,
- a child, who has been a full-time student, turns 23,
- a child marries (as of midnight on the date of marriage), or
- a stepchild no longer lives in the household of the veteran.
