• The KY-500 CoC definition of ending Veteran homelessness is "to provide permanent housing to all veterans living on the streets and in emergency shelters that could be located and would accept permanent housing with emphasis on chronically homeless veterans. Our goal is for all Veterans identified to have access to permanent housing within in 30 days." SSVF grantees are aware of homeless Veterans via a bi-weekly list distributed by the Kentucky Housing Corporation. As no SSVF grantee overlaps another SSVF grantee's service region in the CoC, each grantee is responsible for reaching out to that homeless Veteran, determining eligibility, creating a housing stability plan, and assist them obtain housing dependent upon the county the homeless Veteran is currently residing (on street, shelter, transitional housing, etc.).
