Our Coc has defined ending homelessness as the following:

0 unsheltered Veterans on a given night, less than 30 in emergency shelters and transitional housing all with a housing plan within 5 business days. Also to house veterans within 60 days of entering the homeless system.

Our strategies include weekly meetings with case conferences on every veteran identified on our 'by name' list. Coordination with ALL VA programs/resources to identify the best housing option available. We also have larger strategic meetings as a CoC as we work with USICH in meeting all benchmarks required to reach a functional zero status.

LA-505 CoC defined ending Veteran homelessness as achieving monthly permanent housing placements of homeless Vets equal to 75% of the number of homeless Vets on the 2015 Point in Time Count or 6 per month. The Board of Directors for the CoC meets quarterly to review progress on action steps to achieve this goal, which were developed and adopted by the Board during a 2013 planning process. Action steps are updated annually. Progress on each action step is reviewed at each quarterly meeting. Information reviewed during these meetings includes the status of the CoC's SSVF and GPD programs' progress toward CoC plan goals including increasing bed capacity to targeted CoC levels. Continuation of ongoing outreach is also reviewed throughout the project period. The CoC has one SSVF program serving the entire CoC area. That program provides leadership and monitoring of the day-to-day efforts to end Vet homelessness including conducting outreach, identifying homeless Vets/Vet families by name, and seeing a Housing Plan for each is created or providing referrals to appropriate programs that will do so.
