NC 511 has reached the end of homelessness but continues to remain there. The definition used to define the end of Veteran homelessness submitted to USICH is as follows:

No Veteran in Cumberland County is forced to sleep on our streets. We will reach out to every unsheltered Veteran and offer a shelter or safe haven bed within 72 hours. On any given night, there will be no more than 8 unsheltered homeless Veterans sleeping on our streets.

When a Veteran becomes homeless in Cumberland County, it is brief. Within 30 days of interacting with outreach workers, shelter system, transitional housing, and other services, every homeless Veteran will have a housing/service plan to transition to permanent housing. The median length of stay for Veterans in shelters or transitional housing averages 30 days or less.

All homeless Veterans will be housed or on a pathway to stable. By the end of 2015, at least 216 homeless Veterans will have been housed (Cumberland County has housed over 290 homeless Veterans). The January 2016 Point in Time count will show:

- No more than 8 Veterans unsheltered on the street
- No more than 6 Veterans in shelter

No Veteran is forced to sleep on the street.

When a Veteran does become homeless and is not enrolled in GPD, homelessness is rare and brief. Within 30 days of entering the service system, all homeless Veterans will have a housing plan. Veterans enrolled in SSVF or HUD-VASH will be housed within 45 days.

Because our community has 184 GPD beds, our Veteran count will reflect only 184 homeless Veterans in our community.
