Q18: How often do you meet to review and update the by name list? *Respondent skipped this question*

Q19: What is your community's definition of ending Veteran homelessness? Please tell us about the strategies included in your plan. Please provide a succinct response. For example, ZZ-400 CoC defined ending Veteran homelessness by 0 unsheltered Veterans on a given night, less than 50 in emergency shelters and transitional housing all with a housing plan within 5 business days, and to house Veterans within 60 days of entering the homeless system.

The SD is currently TA provider from Luken Solutions. The TA is called Vets@Home and they are helping us with information so we can find homeless veterans and try to get them housed as quickly as possible. HUD had a goal to end veteran's homelessness by 2015, while South Dakota will not make this deadline, we are hoping to make great strides in 2016. For the Homeless Count today you will notice there is an additional form needing to be completed. The VA created this form to get additional information from homeless vets we encounter. We will use this information to work with the VA in Sioux Falls, Rapid City and SSVF to create a list of homeless veterans and then work to get them housed.
