SUBPART 815.4 – CONTRACT PRICING

815.404 Proposal analysis.

815.404-1 Proposal analysis techniques.

(a) Contracting officers are responsible for the technical and administrative sufficiency of the contracts they enter into. Contracting officers must ensure that contracts undergo all applicable legal and technical reviews. (See 801.602-70.)

(b) Contracting officers determine the level of technical analyses necessary for initial and revised pricing of all negotiated prime contracts, including subcontract pricing under them, and contract modifications. Contracting officers must request technical analyses of the proposals from the appropriate technical personnel. The technical analyses must address, as a minimum, the items set forth in FAR 15.404-1(e)(2).

(c) The contracting officer must document the results of such analyses in the contract file and make the results available to the auditor performing the pre-award audit.
815.404-2 Information to support proposal analysis.

In evaluating start-up and other non-recurring costs, the contracting officer must determine the extent to which these costs are included in the proposed price and the intent to absorb or recover the costs in any future noncompetitive procurement or other pricing action. The contracting officer must ensure, with the assistance of the Assistant Inspector General for Policy, Planning, and Resources, as required or considered necessary, that VA will not pay the costs twice. For example, the cost of equipment that the Government pays for through a setup or connection agreement must not be included in depreciation cost of a subsequently negotiated agreement.

815.606 Department procedures.

(a) The VA contact point will do the following:

(1) Determine the nature of the potential proposal and which technical/professional disciplines within VA to consult to determine the need for the proposal and the likelihood that a formal proposal would earn favorable review.

(2) In consultation with such technical/ professional offices, the VA contact point will furnish the potential offeror the information specified in FAR 15.604 and any other information that might be of assistance to the potential offeror.

(b) The contact point will maintain a record of advance guidance provided and the disposition/recommendation regarding the potential offer.
(c) The contact point will review the unsolicited proposal and ensure that it is complete as prescribed in FAR 15.605. If required information is not submitted, the contact point will:

   (1) Determine if FAR 15.604 requires advance guidance;

   (2) Determine whether a comprehensive evaluation prescribed by FAR 15.606-2 is appropriate and, if so, request that the offeror provide the necessary information; and,

   (3) Establish an estimated due date for completion of the review process.

815.606-1 Receipt and initial review.

(a) When the VA contact point determines a proposal warrants a comprehensive evaluation (i.e., the proposal complies with the requirements in FAR 15.606-1(a) and is related to VA’s mission), the contact point must contact the offeror to ensure that all data that should be restricted in accordance with FAR 15.609 has been identified.

   (b) The contact point must maintain a log of all unsolicited proposals to be evaluated. The log must indicate the following:

      (1) The date the proposal was received.

      (2) The date that the unsolicited proposal was determined to warrant a comprehensive evaluation.

      (3) A description of the proposal.

      (4) The offices requested to evaluate the proposal and the date the offices are requested to return their evaluations.

      (5) The date the reviewing offices finalize their respective evaluations.

      (6) The final disposition of the proposal.

   (c) The contact point must advise each office assigned responsibility for reviewing an unsolicited proposal of the need to evaluate the proposal against the criteria set forth in FAR 15.607(a)(1) through (4). If the reviewers determine that the proposal fails to meet any of the criteria, the contact point must be advised. The contact point must return the proposal to the offeror, citing the reasons therefore.
(d) The contact point must obtain approval of the DSPE (049A5) before the contact point, if warranted as a contracting officer, or an appropriate contracting officer begins negotiation on proposals. The contact point must provide the DSPE (049A5) all necessary documentation supporting the noncompetitive negotiation, including any justification and approval required by FAR Subpart 6.3 and the results of any synopsis required by FAR Subpart 5.2. The DSPE (049A5) will consult the appropriate VA Central Office program official(s) and return the final decision to the contact point.
