

VA Acquisition Regulation Update

August 15, 2019

Number 2008-16

- 1. Material Transmitted:** The attached pages contain interim revisions issued via an approved Class Deviation from the Department of Veterans Affairs Acquisition Regulation (VAAR) parts 819 and 852.
- 2. Summary of Changes:** The class deviation effectively updates the language set forth in Class Deviation—Veterans First Contracting Programs (VFCP 2016), Attachment 9—VAAR Part 819, Small Business Programs, and Attachment 10—VAAR Part 852, Solicitation Provisions and Contract Clauses, dated July 25, 2016. The remaining text in Attachments 9 and 10 in Class Deviation VFCP 2016, continues to be in effect. The class deviation incorporates the Small Business Administration’s regulatory and legislative changes and clarifies the applicability of limitations on subcontracting and nonmanufacturer requirements to contracts awarded under the VFCP.

The changes are listed and summarized below:
