

VA Acquisition Regulation Update

May 8, 2020

Number 2008-22

1. **Material Transmitted:** The attached pages contain interim revisions issued via approved class deviations to the Department of Veterans Affairs Acquisition Regulation (VAAR) parts 802, 812, and 852.
2. **Summary of Changes:** This VAAR update provides text revisions based on active VAAR class deviations issued from February 1, 2020 through March 26, 2020, and active until incorporated into the VAAR, or the VA Acquisition Manual (VAAM), or otherwise rescinded.

The changes are listed and summarized below:

2008 VAAR Active Class Deviation through March 26, 2020

CD Title & Date/Change	Effective Date	VAAR Parts Affected	Summary of Change(s)
Class Deviation from VAAR Parts 802, 812, and 852 Regarding Gray Market and Counterfeit Medical and Information Technology Items, dated March 26, 2020	March 26, 2020	802.101, 812.301, 852.2	The definition of gray market items is added to 802.101; clause prescriptions are added at 812.301; and new clauses are added at 852.2. The class deviation expires once incorporated into the VAAR, VAAM or is otherwise rescinded.

3. Filing Instructions:

Remove pages:	Insert Pages:
802-1 thru 802-6	802-1 thru 802-6
812-1 thru 812-4	812-1 thru 812-4
852-1 thru 852-86	852-1 thru 852-86

Effective date: As depicted in the Summary of Changes table.
