Subpart 809.2—[Reserved]

Subpart 809.4—Debarment, Suspension, and Ineligibility

809.400 Scope of subpart.

This subpart implements [FAR subpart 9.4](#) and prescribes VA's procedures and related actions for the suspension and debarment of contractors.

809.402 Policy.

(b) Statutory debarments pursuant to the authority of 38 U.S.C. 8127(g), Enforcement Penalties for Misrepresentation, are mandatory when the determination is made that a business concern has willfully and intentionally misrepresented its status as a service-disabled, veteran-owned small business (SDVOSB) or veteran-owned small business (VOSB).

809.403 Definitions.

Suspension & Debarment (S&D) Committee means a committee authorized by the SDO to assist the SDO with suspension and debarment related matters.

Suspending and Debarring Official (SDO) means the individual responsible for final decisions regarding suspension and debarment, as appointed by the agency.

809.405 Effect of listing.

The authority under [FAR 9.405\(a\)](#), [9.405\(d\)\(2\)](#), and [9.405\(d\)\(3\)](#) to determine whether to solicit from, evaluate bids or proposals from, or award contracts to contractors with active exclusions in the System for Award Management (SAM) is delegated to the Suspending and Debaring Official (SDO). This authority is further delegated to the HCAs, who may delegate this authority, in writing, to a designee.

809.405-1 Continuation of current contracts.

(a) Notwithstanding the suspension, proposed debarment, or debarment of a contractor, VA may continue contracts or subcontracts in existence at the time the contractor was suspended, proposed for debarment, or debarred, unless the cognizant head of the contracting activity (HCA) directs otherwise. Examples of factors to be considered include, but are not limited to, potential costs associated with a termination, possible disruption to VA program objectives, and integrity of VA acquisition programs.

(b) Authority to make the determinations under [FAR 9.405-1\(b\)](#) is delegated to the SDO and is further delegated to the HCA, who may delegate this authority, in writing, to a designee. The HCA or their designee must make a written determination of the compelling reasons in accordance with [FAR 9.405-1\(b\)](#). Compelling reasons for the purposes of [FAR 9.405-1\(b\)](#) include, but are not limited to, urgency of the need for new or continued work, lengthy time period to acquire the new work from other sources and meeting estimated quantity for requirements contracts.

809.405-2 Restrictions on subcontracting.

Authority to make the written determination required under [FAR 9.405-2](#) consenting to a contractor's use of a subcontractor who is suspended, proposed for debarment, or debarred is delegated to the SDO. This authority is further delegated to the HCA, who may delegate this authority, in writing, to a designee.

809.406 Debarment.**809.406-1 General.**

(a) For the purposes of [FAR 9.406-1](#), the SDO's authority includes debarments pursuant to the Federal Management Regulation at 41 CFR 102-117.295. In addition to the factors listed in [FAR 9.406-1](#), the SDO may consider the following examples before arriving at a debarment decision:

(1) Whether the contractor had a mechanism, such as a hotline, by which employees could have reported suspected instances of improper conduct, and instructions in place that encouraged employees to make such reports; or

(2) Whether the contractor conducted periodic reviews of company business

practices, procedures, policies, and internal controls for compliance with standards of conduct and the special requirements of Government contracting.

(c) As provided in [FAR 9.406-1\(c\)](#), authority to determine whether to continue business dealings between VA and a contractor suspended, proposed for debarment, or debarred is delegated to the SDO.

809.406-2 Causes for debarment.

809.406-270 Additional causes for debarment.

(a) Discretionary Causes. (1) In addition to the causes listed in [FAR 9.406-2 \(a\)](#) through (c), the SDO may debar contractors, based upon a preponderance of the evidence (as defined at [FAR 2.101](#)), for the Government's protection, for—

(i) Any deliberate violation of the limitation on subcontracting clause requirements for acquisitions under [subpart 819.70](#); or

(ii) Failure to observe the material provisions of a voluntary exclusion or an administrative agreement.

(2) The period of debarment shall be commensurate with the seriousness of the action.

(b) Statutory Cause. (1) Pursuant to 38 U.S.C. 8127(g), Enforcement Penalties for Misrepresentation, the SDO shall debar, from contracting with VA, for a period of not less than five years, any business concern that has willfully and intentionally misrepresented the status of that concern as a small business concern owned and controlled by Veterans or as a small business concern owned and controlled by service-disabled Veterans.

(2) Debarment of a business concern pursuant to 38 U.S.C. 8127(g) shall include the debarment of all principals in the business concern. Debarment shall be for a period of not less than five years.

(3) "Willful and intentional" misrepresentations, for the purpose of debarment actions taken pursuant to 38 U.S.C. 8127(g), are defined as deliberate misrepresentations concerning the status of the concern as a small business concern owned and controlled by Veterans or as a small business concern owned and controlled by service-disabled Veterans as supported by the preponderance of evidence. Examples of a preponderance of evidence for deliberate misrepresentation of SDVOSB and/or VOSB status include but are not limited to: Criminal convictions, plea agreements, deferred prosecution agreements, Board of Contract Appeals decisions, and admissions of guilt must be supported by a preponderance of evidence. Examples of a preponderance of evidence for deliberate misrepresentation of SDVOSB and/or

VOSB status include but are not limited to: criminal convictions, plea agreements, deferred prosecution agreements, Board of Contract Appeals decisions, and admissions of guilt.

809.406-3 Procedures.

(a) Any individual may submit a referral to debar an individual or contractor to the SDO or to the S&D Committee. The referral for debarment shall be supported with evidence of a cause for debarment listed in [FAR 9.406-2](#), or [809.406-2](#). The SDO shall forward referrals for debarment to the S&D Committee. If the referring individual is a VA employee and the referral for debarment is based on possible criminal or fraudulent activities, the VA employee shall also refer the matter to the VA Office of Inspector General.

(b) When the S&D Committee finds preponderance of the evidence for a cause for debarment, as listed in [FAR 9.406-2](#) or [809.406-2](#), it shall prepare a recommendation and draft notice of proposed debarment for the SDO's consideration.

(c) VA shall send the notice of proposed debarment to the last known address of the individual or contractor, the individual or contractor's counsel, or agent for service of process, by certified mail, return receipt requested, or any other means that allows for confirmation of delivery. In the case of a contractor, VA may send the notice of proposed debarment to any partner, principal, officer, director, owner or co-owner, or joint venture. The S&D Committee concurrently shall list the appropriate parties as excluded in the SAM in accordance with [FAR 9.404](#).

(d) If VA does not receive a reply from the contractor within 30 days after sending the notice of proposed debarment, the S&D Committee shall prepare a recommendation and refer the case to the SDO for a decision on whether or not to debar based on the information available.

(e) If VA receives a reply from the contractor within 30 days after sending the notice of proposed debarment, the S&D Committee shall consider the information in the reply before the S&D Committee makes its recommendation to the SDO.

(f) The S&D Committee, upon the request of the contractor proposed for debarment, shall, as soon as practicable, allow the contractor an opportunity to appear before the S&D Committee to present information or argument personally or through a representative. The contractor may supplement the oral presentation with written information and argument. VA shall conduct the proceeding in an informal manner and without requirement for a transcript.

(g) If the S&D Committee finds the contractor's or individual's submission in opposition to the proposed debarment raises a genuine dispute over facts material to the proposed debarment and the debarment action is not based on a conviction or civil

judgment, the S&D Committee shall submit to the SDO the information establishing the dispute of material facts. If the SDO agrees there is a genuine dispute of material facts, the SDO shall refer the dispute to a designee for a resolution pursuant to [809.470](#), Fact-finding procedures. The S&D Committee shall provide the contractor or individual the disputed material fact(s). Decisions and determinations of VA's Center for Verification and Evaluation (CVE) or Office of Small and Disadvantaged Business Utilization (OSDBU), such as status protest decisions, and size determinations of the SBA shall not be subject to dispute or fact-finding in proposed debarment actions. The S&D Committee and SDO shall accept these decisions and determinations as resolved facts.

(h) If the proposed debarment action is based on a conviction or civil judgment, or if there are no disputes over material facts, or if any disputes over material facts have been resolved pursuant to [809.470](#), Fact-finding procedures, the SDO shall make a decision on the basis of all information available including any written findings of fact submitted by the designated fact finder, and oral or written agreements presented or submitted to the S&D Committee by the contractor.

(i) In actions processed under [FAR 9.406](#) where no suspension is in place and where fact finding is not required, the VA shall make the final decision on the proposed debarment within 30 working days after receipt of any information and argument submitted by the contractor, unless the SDO extends this period for a good cause.

(j) In actions processed under [809.406-270\(b\)](#), the SDO notifies the individuals and/or contractors of the determination of willful and intentional misrepresentation in the notice of proposed debarment. VA shall issue the final decision, removing or upholding the determination, within 90 days after SDO's determination of willful and intentional misrepresentation.

809.406-4 Period of debarment.

(a) The SDO will base the period of debarment on the circumstances surrounding the cause(s) for debarment.

(b) The SDO may remove a debarment imposed under [FAR 9.406](#), amend its scope, or reduce the period of debarment based on a S&D Committee recommendation if—

(1) VA has debarred the contractor; and

(2) The debarring official concurs with documentary evidence submitted by or on behalf of the contractor setting forth the appropriate grounds for granting relief. Appropriate grounds include newly discovered material evidence, reversal of a conviction, bona fide change of ownership or management, elimination of the cause for which debarment was imposed, or any other appropriate grounds.

(c) The period of debarment for willful and intentional misrepresentations of SDVOSB or VOSB status pursuant to [809.406-270\(b\)](#) shall not be less than 5 years.

809.407 Suspension.

809.407-1 General.

(a) As provided in [FAR 9.407-1\(d\)](#), authority to determine whether to continue business dealings between VA and a suspended contractor is delegated to the HCAs. Compelling reasons include, but are not limited to, urgency of the need for new or continued work, lengthy time period to acquire the new work from other sources, and meeting estimated quantities for requirements contracts.

(b) For the purposes of [FAR 9.407-1](#), the SDO is the suspending official under the Federal Management Regulation at 41 CFR 102-117.295.

809.407-3 Procedures.

(a) Any individual may submit a referral to suspend an individual or contractor to the SDO or to the S&D Committee. Referrals shall include supporting evidence of a cause for suspension listed in [FAR 9.407-2](#). The SDO shall forward the referral to the S&D Committee. If the referring individual is a VA employee and the referral for suspension is based on possible criminal or fraudulent activities, the VA employee shall also refer the matter to the VA Office of Inspector General.

(b) When the S&D Committee finds adequate evidence of a cause for suspension, as listed in [FAR 9.407-2](#), it shall prepare a recommendation and draft notice of suspension for the SDO's consideration.

(c) VA shall send the notice of suspension to the last known address of the individual or contractor, the individual or contractor's counsel, or agent for service of process, by certified mail, return receipt requested, or any other means that allows for confirmation of delivery. In the case of a contractor, VA may send the notice of suspension to any partner, principal, officer, director, owner or co-owner, or joint venture. The S&D Committee concurrently shall list the appropriate parties as excluded in SAM in accordance with [FAR 9.404](#).

(d) If VA receives a reply from the contractor within 30 days after receipt of the notice of suspension, the S&D Committee shall consider the information in the reply before the Committee makes further recommendations to the SDO. The S&D Committee, upon the request of a suspended contractor, shall, as soon as practicable, allow the contractor an opportunity to appear before the S&D Committee to present information or argument personally or through a representative. The contractor may supplement the oral presentation with written information and argument. The

proceeding will be conducted in an informal manner and without requirement for a transcript.

(e) For the purposes of [FAR 9.407-3\(b\)\(2\)](#), Decision making process, in actions not based on an indictment, if the S&D Committee finds that the contractor's submission in opposition to the suspension raises a genuine dispute over facts material to the suspension, the S&D Committee shall submit to the SDO the information establishing the dispute of material facts. However, the S&D Committee may first coordinate any further proceeding regarding the material facts in dispute with the Department of Justice or with a State prosecuting authority in a case involving a State jurisdiction. VA shall take no further action to determine disputed material facts pursuant to this section or [809.470](#) if the Department of Justice or a State prosecuting authority advises VA in writing that additional proceedings to make such a determination would prejudice Federal or State legal proceedings.

(f) If the SDO agrees that there is a genuine dispute of material facts, the SDO shall refer the dispute to the designee for resolution pursuant to [809.470](#).

809.470 Fact-finding procedures.

The provisions of this section constitute the procedures to be used to resolve genuine disputes of material fact pursuant to [809.406-3](#) and [809.407-3](#) of this subpart. The SDO shall appoint a designee to conduct the fact-finding. OGC shall represent VA at any fact-finding hearing and may present witnesses for VA and question any witnesses presented by the contractor. The proceedings before the fact-finder will be limited to a finding of the facts in dispute, as determined by the SDO. The fact-finder shall establish the date for the fact-finding hearing, normally to be held within 30 days after the S&D Committee notifies the contractor or individual that the SDO has established a genuine dispute of material fact(s) exists.

852.216-71 Economic Price Adjustment of Contract Price(s) Based on a Price Index.

As prescribed in [816.203-4\(e\)\(1\)](#), insert the following clause:

ECONOMIC PRICE ADJUSTMENT OF CONTRACT PRICE(S) BASED ON A PRICE INDEX (MAR 2018)

(a) To the extent that contract cost increases are provided for by this economic price adjustment clause, the Contractor warrants that the prices in this contract for the base period and any option periods do not include any amount to protect against such contingent cost increases.

(b) The Base and Adjusting Indexes, for the purpose of price adjustment under this clause, shall be _____,¹ as contained in _____,² as

Notes:

¹ The contracting officer shall conduct market research to determine a suitable Consumer Price Index or other independent broad-based index to use for the solicitation. For example, for medical services, an appropriate index may be the Consumer Price Index that tracks medical services.

² Specify where the Index can be found, such as in a solicitation for laboratory services, the Contracting Officer might enter "Table 1, CPI-U: U.S. City Average, by expenditure category and commodity and service group, found at <http://www.bls.gov/news.release/cpi.t01.htm>".

Part 852—Solicitation Provisions and Contract Clauses

published by_____.³ All adjustments authorized under this clause shall be made by using the Base Index and Adjusting Indexes, which are published _____.⁴

(1) The Base Index, for the purposes of price adjustment under this clause, shall be the most recent Index published prior to the date for receipt of offers, or the due date for receipt of best and final offers if discussions were held whichever is later. The Base Index shall remain constant for the entire term of the contract, including all option periods.

(2) The Adjusting Index shall be the most recent Index published prior to the date of contract adjustment, as specified in paragraph (d) of this clause.

(c) The percentage difference between the Base Index and the Adjusting Index, rounded to the nearest .01 percent (e.g., 4.57%), will be used in calculating all adjustments to the following line items: _____.⁵ The prices for these line items will be multiplied by the percentage increase or decrease and the resulting amount will be added to or deducted from the original line item price for that contract period (e.g., Base Year) to arrive at the new contract price for those line items from the effective date of the adjustment to the beginning of the next contract adjustment period, rounded to the same number of decimal points as the prices originally bid. Calculations for option year contract terms will be based on the prices in the schedule for those option years.

(d) The dates of contract adjustment shall be _____⁶ and the starting dates of each option year, if not already included in these dates. The Contracting Officer shall retain a copy of the Base Index in the contract file and, on each date of adjustment specified in this paragraph (d), shall obtain a copy of the Adjusting Index. The Contracting Officer shall calculate the adjustment due and shall, within 5 business days, issue a modification to the contract adjusting

³ Provide the information on who publishes the applicable Index used e.g., in the example for laboratory services, "the U.S. Department of Labor".

⁴ State how often the Index is published, such as "monthly, around the middle of the month". Note that some Consumer Price Indexes are not published monthly. Ensure that the correct information is provided for the specific Index used.

⁵ Enter the line items that will be subject to adjustment or revise this paragraph to otherwise state what prices are subject to adjustment under this clause.

⁶ Establish time periods for when the Contracting Officer will process adjustments. This could be "the first day of every quarter, January, April, July, and October" or "Annually on October 1st". or some other similar time periods. Since the Contracting Officer is responsible for initiating the change, the Contracting Officer must establish a reminder mechanism to ensure that the adjustments are accomplished within the time period specified.

Part 852—Solicitation Provisions and Contract Clauses

the unit or contract prices, as specified in paragraph (c). The adjusted unit or contract prices shall be effective for all orders placed or services provided after the date of contract adjustment as specified in this paragraph (d) until the beginning of the next contract adjustment period. If the Contracting Officer fails to act, the Contractor shall request in writing a contract adjustment and any subsequent adjustment shall be retroactive to the applicable date of contract adjustment specified in this paragraph (d). The Contractor's entitlement to price increases for a prior contract period (base year or option year) is waived unless the Contractor's written request for an adjustment under this clause is received by the Contracting Officer no later than 30 days following the end of the base year for changes applicable to the base year, or 30 days following the end of each option year for changes applicable to that option year. The Government's right to contract decreases for prior contract periods (base year or option year) is waived unless the Contracting Officer processes a contract modification no later than 30 days following the end of the base year for changes applicable to the base year, or 30 days following the end of each option year for changes applicable to that option year.

(e) An example of an adjustment calculation is provided herein for informational purposes only.

(1) The original contract price or line item prices for that contract term (e.g., base year) shall be used for all calculations during that particular contract term and new calculations shall be made for each and every contract adjustment period specified in paragraph (d) during that contract term.

(2) For purposes of this example, the contract prices for the line items as specified in paragraph (c) will be adjusted by the percentage calculated as follows:

Adjusting Index for the current period	196.6
Minus the Base Index	-188.0
Equals the Index Point Change	8.6
Index Point Change Divided by the Base Index	$8.6 / 188.0 = .0457^*$
Result Multiplied by 100 Equals the Percentage Change (The Index Point Change Percentage)	4.57%

*This figure shall be rounded to the fourth decimal place. When the fifth decimal is 1 to 4, the figure shall be rounded down, 5 to 9, rounded up.

(3) For a line item with an original bid price of \$25.00 and a 4.57 percent Index Point Change increase as of the first contract adjustment period, as shown above, the calculations for a new contract price for the first contract adjustment period would be as follows: $\$25.00 \times .0457 = \1.14 , $\$25 + \$1.14 = \$26.14^{**}$. The new contract price for this line item from the beginning of that first contract adjustment period until the start of the next contract adjustment period would be \$26.14 and the contracting officer would issue a contract modification reflecting this price change.

******The unit price adjustment shall be rounded up or down, as in paragraph (e)(1) above, to match the number of decimal places in the original bid.

(4) If the Adjusting Index went down for the second adjustment period, reflecting only a 3 percent Index Point Change increase over the Base Index, the new price for this sample line item would be reduced for the second contract adjustment period from \$26.14 to \$25.75 as follows: $\$25 \times .03 = \0.75 , $\$25 + \$0.75 = \$25.75$. Note that the calculations for the second contract adjustment period are based on the original contract price for that contract term of \$25.00. The contract price for this line item is modified to reflect this new price for the second contract adjustment period.

(5) At the start of the first option year and each subsequent option year period (as well as for each contract adjustment period specified in paragraph (d) during that option year, if different), the Contracting Officer shall recalculate the contract or unit prices for that first option year based on any changes between the Adjusting Index and the Base Index, from the original contract award date to the start of the first option period, and based on the Contractor's new option year prices. Assume the Contractor's bid price for the first option year for the above sample line item was \$25.50 and the calculations shown in paragraph (e)(1) of this clause at the start of the first option period reflected a 6 percent Index Point Change. The new contract price for this sample line item at the start of the first option period would be calculated as follows: $\$25.50 \times .06 = \1.53 , $\$25.50 + \$1.53 = \$27.03$. The Contracting Officer would process a contract modification reflecting a revised contract price of \$27.03 for the first contract adjustment period in the first option year.

(f) Price adjustments pursuant to this clause, shall be documented by a contract modification issued by the Contracting Officer, show the Base Index (see paragraph (b)(1)), the Adjusting Index, the adjusted contract prices (see paragraph (c)), the mathematical calculations used to arrive at the adjusted contract prices, and the effective date of the adjustment (see paragraph (d)).

(g) At the start of each option year, the Contracting Officer shall, within 5 days of the start of the option year period, process a contract modification adjusting the option year prices by the then current Index Point Change percentage, if any,

Part 852—Solicitation Provisions and Contract Clauses

reflecting the new adjusted prices for that first contract adjustment period in that option year.

(h) In the event that _____⁷ discontinues, or alters substantially, its method of calculating the Index cited herein, the parties shall mutually agree upon an appropriate substitute for determining the price adjustment described herein. If the Contracting Officer determines that the Index consistently and substantially fails to reflect market conditions, the Contracting Officer may modify the contract to specify the use of an appropriate substitute index, effective on the date the Index specified herein begins to consistently and substantially fail to reflect market conditions.

(i) Any dispute arising under this clause shall be resolved subject to the "Disputes" clause of the contract.

(End of clause)

Notes:

⁷ Enter in the name of the entity whose index is used in the clause. In most cases when using this clause format, the index used would be a CPI-U Index and the Contracting Officer would enter "the U.S. Department of Labor".

852.216-72 Proportional Economic Price Adjustment of Contract Price(s) Based on a Price Index.

As prescribed in [816.203-4\(e\)\(2\)](#), insert the following clause:

**PROPORTIONAL ECONOMIC PRICE ADJUSTMENT OF CONTRACT PRICE(S)
BASED ON A PRICE INDEX (MAR 2018)**

(a) To the extent that contract cost increases are provided for by this economic price adjustment clause, the Contractor warrants that the prices in this contract for any option periods do not include any amount to protect against such contingent cost increases.

(b) The cost index, for the purpose of price adjustment under this clause, shall be _____⁸ as contained in _____⁹ as published by _____¹⁰. All adjustments authorized under this clause shall be made by using the Base Index and Adjusting Indexes, which are published _____¹¹.

(1) The Base Index, for the purposes of price adjustment under this clause, shall be the most recent Index published prior to the closing date for receipt of offers, or the due date for receipt of best and final offers if discussions are held. This Base Index shall remain constant throughout the life of the contract, including all options.

(2) The Adjusting Index shall be the most recent Index published prior to the date of contract adjustment, as specified in paragraph (f)

Notes:

⁸ The Contracting Officer shall conduct market research to determine a suitable cost index for use in the solicitation. The index used is directly related to the type of commodity or service most likely to impact the Contractor and must approximately track the economic changes affecting the Contractor's costs. For transportation services, an appropriate index might be one that tracks the price of gasoline or diesel fuel. For example, in a solicitation for ambulance services, the Contracting Officer might enter into this block "the "Weekly U.S. Retail Gasoline Prices, Regular Grade" Index for New England" (or California or whichever index is the most appropriate).

⁹ Specify where the index can be found, such as in an example for gasoline, "the Energy Information Administration Web site (see [VAAM M816.203-70](#)).

¹⁰ Provide the information on who publishes the index, such as, in an example for gasoline, "the U.S. Department of Energy."

¹¹ State how often the index used is published, such as, in an example for an index for gasoline, "weekly each Monday at 5:00 p.m. (Eastern time)," or "Tuesday if Monday is a holiday."

Part 852—Solicitation Provisions and Contract Clauses

(c) For purposes of this clause, it will be conclusively presumed that _____¹³ percent (%)¹² of the price of _____¹³ represents the Base Cost of _____¹⁴ and the resulting Base Cost will be the basis upon which adjustment will be made under this clause. This Base Cost will be used in calculating all adjustments to the following line items: _____.¹⁵ A new Base Cost will be calculated for each option year period based on the new option year prices.

(d) The percentage of the price of the indexed commodity (see paragraph (c)) remains fixed throughout the life of the contract and is not subject to modification under this clause. Any pricing actions pursuant to the "Changes" clause or other clause or provision of the contract, except for this clause, will be priced as though there were no provisions for economic price adjustment.

(e) All price adjustments shall be applicable only to the specific contract adjustment period to which the calculations are made. For every contract adjustment period, new calculations shall be made and new prices determined. Every adjustment during the Base Year shall be based on the original contract prices for that contract year and every adjustment during an option year shall be based on the original contract prices for that option year. The Contracting Officer must make new calculations for each and every contract adjustment period specified in paragraph (f) and at the beginning of each new option year, if different.

(f) The dates of contract adjustment shall be _____¹⁶ and the starting dates of each option year, if not already included in these dates. The Contracting

Notes:

¹² Prior to issuing the solicitation, the Contracting Officer must conduct market research to determine an appropriate percentage to include in this paragraph. The percentage should reflect that portion of the unit price for the services or supplies being acquired that is applicable to the indexed commodity. For instance, in the case of an ambulance contract, research might indicate that, at the time the solicitation is being drafted and based on prior per-mile bid prices, the cost of gasoline accounts for 10% of the per mile cost of operating an ambulance. For example, if the prior bid price had been \$1.60 per mile, ambulances average 10 miles per gallon, and the cost of gasoline had been \$1.559 per gallon, 1 mile's worth of gasoline (\$.16) would be approximately ten (10) percent of the prior per mile bid price of \$1.60 per mile. This percent must be stated in the solicitation so that the same figure applies to all bidders. This figure remains constant throughout the life of the contract.

¹³ Enter in this block the portion of the contract that will be subject to price adjustment, e.g., "each one-way mile of ambulance services," or the line items that will be subject to price adjustment.

¹⁴ Enter in this block the commodity applicable to the index being used, as in an example for an ambulance contract, "regular grade gasoline".

¹⁵ Enter the line items that will be subject to adjustment, as in an example for an ambulance contract, the line items that reflect the one-way cost per mile for ambulance services for the base year and for each option year.

¹⁶ Establish time periods for when the Contracting Officer will process adjustments. This could be "the January 2008 Edition

Officer shall retain a copy of the Base Index in the contract file and, on each date of adjustment specified herein, obtain a copy of the Adjusting Index. The Contracting Officer shall calculate the adjustment due and shall, within 5 business days, issue a modification to the contract adjusting the contract or unit price(s). The adjusted contract or unit price(s) shall be effective for all orders placed or services provided after the date of contract adjustment, as specified in this paragraph (f), until the date of the next contract adjustment. If the Contracting Officer fails to act, the Contractor shall request a contract adjustment in writing and any subsequent adjustment shall be retroactive to the applicable date of contract adjustment. The Contractor's entitlement to price increases for a prior contract period (base year or option year) shall be waived unless the Contractor's written request for an adjustment under this clause is received by the Contracting Officer no later than 30 days following the end of the base year for changes applicable to the base year, or 30 days following the end of each option year for changes applicable to that option year. The Government's right to contract decreases for prior contract periods (base year or option year) shall be waived unless the Contracting Officer processes a contract modification no later than 30 days following the end of the base year for changes applicable to the base year, or 30 days following the end of each option year for changes applicable to that option year.

(g) An example of an adjustment calculation is provided herein for informational purposes only.

(1) For purposes of this example, assume that a contract is for ambulance services, that the contract price is \$2.10 per mile one way, that price adjustments will be made on the basis of the cost of gasoline, that the cost of gasoline represents 10% of the total cost per mile (the Base Cost is 10% of \$2.10 (the per mile one way price in Line Item X), or \$0.21), and that contract adjustments will be made quarterly. If the Base Index (the price of gasoline the week prior to receipt of bids) is \$1.559 per gallon and the price of gasoline at the first date of contract adjustment is \$2.129 per gallon, the calculations for contract price adjustment would be as follows:

Adjusting Index (most recent Index cost of gasoline as of the date of the first adjustment period)	\$2.129 per gallon
Minus the Base Index (Index cost of gasoline as of the date of receipt of offers)	-\$1.559 per gallon

first day of each month" or "the first day of every quarter, January, April, July, and October" or "annually on October 1st" or some other similar time periods. Since the Contracting Officer is responsible for initiating the change, the Contracting Officer must establish a reminder mechanism to ensure that the adjustments are accomplished on time.

Equals increase (or decrease) to the Base Index	\$0.570
--	---------

Divide increase (or decrease) to the Base Index by the Base Index	$\$0.570 \div \$1.559 = .3656^*$ (36.56% increase)
--	---

Base Cost of \$0.21 (10% of \$2.10) multiplied by .3656 = \$0.0768 unit price increase.

New Unit price following the adjustment is \$2.10 plus \$0.0768 = \$2.1768 per mile (rounded to \$2.18)**

*This figure shall be rounded to the fourth decimal place. When the fifth decimal is 1 to 4, the figure shall be rounded down, 5 to 9, rounded up.

**The unit price adjustment shall be rounded up or down, as above, to match the number of decimal places in the original bid.

(2) For the second contract adjustment period, all calculations would be based on the original contract bid price for that contract year, \$2.10 per mile in this example. If the price of gasoline goes down during the second adjustment period to the original Base Index price of \$1.559 per gallon, the adjusted contract price for that second period would return to \$2.10 per mile (there would be a zero percent increase or decrease to the Base Cost and thus no change to the original bid price for that contract adjustment period). The Contracting Officer would then issue a contract modification returning the contract price from \$2.18 to \$2.10 per mile for that contract adjustment period. If, on the other hand, the price of gasoline actually went below the Base Index price, say to \$1.449 per gallon, the calculations for the second economic price adjustment period would be as follows:

Adjusting Index (most recent Index cost of gasoline as of the date of the second adjustment period)	\$1.449 per gallon
Minus the Base Index (Index cost of gasoline as of the date of receipt of offers)	-\$1.559 per gallon
Equals increase (or decrease) to Base Index	(\$0.110) (a negative \$.11)

Part 852—Solicitation Provisions and Contract Clauses

Divide increase (or decrease) to the Base Index by the Base Index	$(\$0.11) + \$1.559 = (.0706)$ (7.06% decrease)
--	--

Base Cost of \$0.21 (10% of \$2.10) multiplied by (.0706) = (\$0.0148) unit price decrease.

New Unit price following the second economic price adjustment is \$2.10 minus \$0.0148 = \$2.0852 per mile (rounded to \$2.09).

(3) At the start of the first option year, the Contracting Officer shall recalculate the price per mile based on any changes in the price of gasoline from the original contract award date and based on the Contractor's new first option year price per mile. Assuming the Contractor's bid price per mile for the first option year was \$2.25 per mile, the new Base Cost for gasoline would be 10% of \$2.25, or \$0.225 (note that the original percent figure from paragraph (c) (10% in this sample) stays constant throughout the life of the contract), but the Base Cost would change if the option year contract price changes. If the Adjusting Index for gasoline at the start of the first option year was now up to \$1.899 per gallon, the new first option year price for the first contract adjustment period would be calculated as follows:

Adjusting Index (most recent Index cost of gasoline as of the first day of the first option period)	\$1.899 per gallon
---	--------------------

Minus the Base Index (Index cost of gasoline as of the date of receipt of offers)	\$1.559 per gallon
---	--------------------

Equals increase (or decrease) to the Base Index	\$0.340
--	---------

Divide the increase (or decrease) to the Base Index by the Base Index	$\$0.34 + \$1.559 = .2181$ (21.81% increase)
--	---

Base Cost of \$0.225 (10%* of \$2.25) multiplied by .2181 = \$0.0491 unit price increase.

New Unit price for the first contract adjustment period in the first option year is \$2.25 plus \$0.0491 = \$2.2991 per mile (rounded to \$2.30 per mile).

*Note that the percentage remains constant (10%) but that the Base Cost has been increased for the first contract adjustment period in the first option year, since the Base Cost is a percentage of the first option year unit cost per mile (in this sample),

Part 852—Solicitation Provisions and Contract Clauses

and the unit cost per mile has increased in this sample for the first option year from \$2.10 to \$2.25.

Although the new unit price for the first contract adjustment period of the first option year following application of the economic price adjustment in this sample would be \$2.30 per mile, all economic price adjustment calculations made during that first option year would be based on the original first option year bid price (\$2.25 in this sample). If in the second contract adjustment period of the first option year, the calculations resulted in a unit price increase for gasoline of \$0.0332, the adjusted price for that period would be $\$2.25 + \$0.0332 = \$2.2832$, rounded to \$2.28 per mile.

(h) Price adjustments pursuant to this clause, which shall be made by contract modification issued by the Contracting Officer, shall show the Base Index (see paragraph (b)(1)), the Adjusting Index, the Base Cost (see paragraph (c)), the mathematical calculations used to arrive at the adjusted contract unit price, and the effective date of the adjustment.

(i) In the event that _____¹⁷ discontinues, or alters substantially, its method of calculating the Index cited herein, the parties shall mutually agree upon an appropriate substitute for determining the price adjustment described herein. If the Contracting Officer determines that the Index consistently and substantially fails to reflect market conditions, the Contracting Officer may modify the contract to specify use of an appropriate substitute index, effective on the date the Index specified herein begins to consistently and substantially fail to reflect market conditions.

(j) Any dispute arising under this clause shall subject to the "Disputes" clause of the contract.

(End of clause)

Notes:

¹⁷ Enter in the name of the entity whose index is used in the clause. In the example for ambulance services using the "Weekly U.S. Retail Gasoline Prices, Regular Grade" index; the Contracting Officer would enter the "Energy Information Administration, Department of Energy".

852.216-73 Economic Price Adjustment—State Nursing Home Care for Veterans.

As prescribed in [816.203-4\(e\)\(3\)](#), insert the following clause:

ECONOMIC PRICE ADJUSTMENT—STATE NURSING HOME CARE FOR VETERANS (MAR 2018)

This clause does not apply to rates for non-Medicaid nursing homes.

(a) *Rate Determination.* The per diem rate is established by the current Medicaid rate for Medicaid approved nursing home care plus a fair market amount (percentage) to cover the costs of supplies, services, and equipment above that provided under Medicaid established by the local State Medicaid Agency (SMA). Rates established after the effective date of this contract will require a modification to the contract by the Contracting Officer.

(1) The Medicaid rate covers room, board, and routine nursing care services.

(2) For all levels of nursing care a percentage is added for routine ancillary services/supplies, such as drugs, nursing supplies, oxygen (occasional use), x-ray, laboratory, physician visits, and rental equipment.

(3) Special equipment, e.g. Clinitron bed, is not considered routine ancillary services (and may not be provided by the VA).

(4) Drug costs which comprise more than eight and one-half percent (8.5%) of the per diem rate are generally not considered routine ancillary supplies (and may not be provided by the VA).

(5) Rehabilitation therapies will be provided as distinct levels of care, i.e., skilled, intermediate, and custodial care. Hospice Care and Dialysis are not included in the rate. Payment for Hospices and Dialysis services is provided by the VA or other payers as determined by the Veteran with the VA's Approval.

(b) *Economic Price Adjustment.* This clause does not apply to ancillary services that may be added or deleted from the agreement.

(1) The per diem rate(s) will apply throughout the term of this contract, including extension period(s). The rate(s) may be adjusted only to reflect a change in a Medicaid rate as authorized by the SMA. Normally, this will be on an annual basis. The negotiated percentage above the Medicaid rate, to cover the all-inclusive nature of the contract, will not be renegotiated; but will be applied and added to the new Medicaid rate for the adjusted per diem rate for each level of care item. In this regard, new rates will be negotiated requiring a modification to the contract. Each per diem price adjustment under this clause is subject to the following limitations:

(2) Any adjustment shall be limited to the effect of increases or decreases in the approved SMA's patient care components within the affected Medicaid groups.

(3) Adjustments will occur no more frequently than those issued by the SMA.

(4) No adjustments are made until the Contracting Officer receives from the SMA an authenticated copy of the new rates signed and dated at the top right of the document by the authorized nursing home official. Within ten days after this occurs, the Contracting Officer will execute an approval signature and date at the approximate locations of the nursing home official's signature, the action of which will serve as the effective date of the adjusted rate. A copy of the fully executed document will be sent to the nursing home official for record keeping purposes.

(End of clause)

852.216-74 Economic Price Adjustment—Medicaid Labor Rates.

As prescribed in [816.203-4\(e\)\(4\)](#), insert the following clause:

ECONOMIC PRICE ADJUSTMENT—MEDICAID LABOR RATES (MAR 2018)

This clause does not apply to rates for non-Medicaid nursing homes.

(a) The Contractor shall notify the Contracting Officer if, at any time during contract performance, the Medicaid rate set by the State Medical Agency (SMA) for contract line item increases or decreases in the Schedule. The Contractor shall furnish this notice within 60 days after the increase or decrease, or within any additional period that the Contracting Officer may approve in writing, but not later than the date of final payment under this contract. The notice shall include the Contractor's proposal for an adjustment in the contract unit prices to be negotiated under paragraph (b) of this clause, and shall include, in the form required by the Contracting Officer, supporting data explaining the cause, effective date, and the amount of the increase or decrease and the amount of the Contractor's adjustment proposal.

(b) The Contracting Officer and the Contractor shall negotiate a price adjustment to the contract's unit prices and its effective date upon receipt of the notice and data under paragraph (a) of this clause. However, the Contracting Officer may postpone the negotiations until an accumulation of increases and decreases of the Medicaid labor rates (including fringe benefits) shown in the Schedule results in an adjustment allowable under paragraph (c)(3) of this clause. The Contracting Officer shall modify this contract as follows:

(1) Include the price adjustment and its effective date;

(2) Revise the Medicaid labor rates (including fringe benefits) as shown in the Schedule to reflect the increases or decreases resulting from the SMA adjustment. The Contractor shall continue performance pending agreement on, or determination of, any adjustment and its effective date.

(c) Any price adjustment under this clause is subject to the following limitations:

(1) Adjustment shall be limited to the effect on unit prices of the increases or decreases of the Medicaid rates of pay for labor (including fringe benefits) shown in the Schedule. There shall be no adjustment for changes in rates or unit prices other than those shown in the Schedule.

(2) No upward adjustment shall apply to supplies or services that are required to be delivered or performed before the effective date of the adjustment, unless the Contractor's failure to deliver or perform according to the delivery schedule results from causes beyond the Contractor's control and without its fault or negligence, within the meaning of the Default clause.

(3) There shall be no adjustment for any change in rates of pay for labor (including fringe benefits) or unit prices for material which would not result in a net change of at least three percent of the then-current total contract price. This limitation shall not apply, however, if, after final delivery of all contract line items, either party requests an adjustment under paragraph (b) of this clause.

(4) The aggregate of the increases in any contract unit price made under this clause shall not exceed 10 percent of the original unit price. There is no percentage limitation on the amount of decreases made under this clause.

(d) The Contracting Officer, precluding certified cost and pricing data may examine the Contractor's books, records, and other supporting data relevant to the cost of labor (including fringe benefits) and material during all reasonable times until the end of 3 years after the date of final payment under this contract or the time periods specified in [Subpart 4.7](#) of the [Federal Acquisition Regulation \(FAR\)](#), whichever is earlier.

(End of clause)

852.216-75 Economic Price Adjustment Clause—Fuel Surcharge.

As prescribed in [816.203-4\(e\)\(5\)](#), insert the following clause:

ECONOMIC PRICE ADJUSTMENT CLAUSE—FUEL SURCHARGE (MAR 2018)

(a) To the extent that contract fuel cost increases are provided for by this economic price adjustment clause, the Contractor warrants that the prices in this

Part 852—Solicitation Provisions and Contract Clauses

contract for any option periods do not include any amount to protect against such contingent fuel cost increases.

(b) The fuel cost index, for the purpose of price adjustment under this clause, shall be the "Weekly Retail On-Highway Diesel Prices Index." The Base Fuel Cost, for the purpose of price adjustments under this clause, shall be the most recent Index Weekly Average Diesel Fuel Price per gallon published prior to the closing date for receipt of offers, or the due date for receipt of final proposal revisions if discussions are held.

(c) For purposes of this clause, it will be conclusively presumed that x% increase or decrease of the Base Fuel Cost represents a reasonable fluctuation of diesel fuel prices. The Base Fuel Cost (+ / -) x% price range will be determined for the base contract year and will remain constant throughout the life of the contract, including option years. Base Fuel Cost price range is documented at time of contract award.

(d) Increases (or decreases) in the diesel fuel costs (Base Fuel Cost x%) as listed on the Index two weeks prior to the end of each calendar quarter can trigger a request from the Contractor to the Government (or from the Government to the Contractor) for cost adjustments. Notice must be in writing to the Subsistence Prime Vendor (SPV) Contracting Officer (or Contracting Officer's Representative) no less than ten days prior to the beginning of the next quarter.

(e) Since fuel cost is only a part of the SPV Contracted distribution cost, the adjustment will be made as a penny per delivered case for every ten cent fuel price per gallon increase or decrease to the Base Fuel Cost x%. The difference is rounded down to the nearest whole cent and will be added to last line of each invoice noted as "Fuel Adjustment".

Example calculation of fuel price change:	Price \$2.50 Base (+ or -) 15% Average National Diesel Fuel \$2.88 - \$2.13
3rd QTR (3rd week June) first year	\$3.05 - 2.88 = \$.17 (rounded down to 10 cents) Add one cent per delivered case to each invoice,
Fuel Price \$3.05 Calculation:	starting first Monday of July.
3rd QTR Diesel Fuel Price decrease	\$2.13 - 1.80 = \$.33 (rounded down to \$.30 cents) Credit each invoice
\$1.80 Calculation:	\$.03 cents per delivered case.

(f) Once approved, the date for contract fuel price adjustment will be the first Monday of the first month of each quarter unless otherwise designated at time of contract award.

(g) The Contracting Officer shall retain a copy of the Base Fuel Index establishing the Base Fuel Cost and the calculation of the price range incorporating the (+/-) x% adjustment in the contract file. All subsequent changes will be documented within the contract file and communicated to the Contractor and VA SPV customers via email one week prior to the fuel price adjustment implementation.

(h) Any adjustments for fuel price changes will only be implemented if requested in writing, reviewed by both parties, and provided within the designated time frames. No retroactive cost adjustments will be made. A contract modification will be issued at inception of first increase or decrease detailing Base Fuel Cost, price range, and calculation of first fuel adjustment charge. Adjustment will remain in effect with quarterly calculation changes as needed until price falls within Base Fuel Cost price range. A contract modification will be issued to terminate the adjustment when price returns to Base Fuel Cost (+/-) % price range.

(i) In the event that "the Energy Information Administration, Department of Energy" discontinues, or substantially alters its method of calculating the national average diesel fuel prices cited herein, the parties shall mutually agree upon an appropriate substitute for determining the price adjustment described herein. If the Contracting Officer determines the Index consistently and substantially fails to reflect market conditions, the Contracting Officer may modify the contract to specify use of an appropriate substitute Index, effective on the date the Index specified herein begins to consistently and substantially fail to reflect market conditions.

(j) Any dispute arising under this clause shall be determined in accordance with and subject to the "Disputes" clause of the contract.

(End of clause)

852.216-76 Requirements—Supplement for Mortuary Services.

As prescribed in [816.506-70](#), use the following clause:

(d) In an epidemic or other emergency, the contracting activity may obtain services beyond the capacity of the Contractor's facilities from other sources.

(e) Contracting Officers of the following activities may order services and supplies under this contract:

(End of clause)

In any event, the Contractor shall proceed with completion of the contract, subject only to [FAR 52.216-24](#), Limitation of Government Liability.

(1) After the Contracting Officer's determination of price or fee, the contract shall be governed by—

(i) All clauses required by the FAR on the date of execution of this undefinitized contract action for either fixed-price or cost-reimbursement contracts, as determined by the Contracting Officer under this paragraph (c);

(d) The definitive contract action resulting from this undefinitized contract action will include a negotiated _____ [*Insert "cost/price ceiling" or "firm-fixed-price"*] in no event to exceed _____ [*Insert the not-to-exceed amount*].

(v) The business will comply with [VAAR subpart 819.70](#) and Small Business Administration (SBA) regulations regarding small business size and government contracting programs at 13 CFR part 121 and 125, including the nonmanufacturer rule and limitations on subcontracting requirements in 13 CFR

121.406 and 125.6, provided that any reference therein to a service-disabled veteran-owned small business concern (SDVO SBC), is to be construed to apply to a VA verified and VIP-listed SDVOSB. The nonmanufacturer rule and the limitations on subcontracting apply to all SDVOSB and VOSB set-asides and sole source contracts.

(2) “Service-disabled veteran” means a veteran, as defined in 38 U.S.C. 101(2), with a disability that is service-connected, as defined in 38 U.S.C. 101(16).

(b) *General.*

(1) Offers are solicited only from eligible service-disabled veteran-owned small business concerns. Only VIP-listed service-disabled veteran-owned small business concerns (SDVOSBs) may submit offers in response to this solicitation. Offers received from concerns that are not VIP-listed service-disabled veteran-owned small business concerns shall not be considered.

(2) Any award resulting from this solicitation shall be made to a VIP-listed service-disabled veteran-owned small business concern that meets the size standard for the applicable NAICS code.

(c) *Representation.* By submitting an offer, the prospective contractor represents that it is an eligible SDVOSB as defined in this clause, 38 CFR part 74, and [VAAR subpart 819.70](#). Pursuant to 38 U.S.C. 8127(e), only VIP-listed SDVOSBs are considered eligible. Therefore, any reference in 13 CFR part 121 and 125 to a service-disabled veteran-owned small business concern (SDVO SBC), is to be construed to apply to a VA verified and VIP-listed SDVOSB and only such concern(s) qualify as similarly situated. The offeror must also be eligible at the time of award.

(d) *Agreement.* When awarded a contract (see [FAR 2.101](#), Definitions), including orders under multiple-award contracts, or a subcontract, an SDVOSB agrees that in the performance of the contract, the SDVOSB shall comply with requirements in [VAAR subpart 819.70](#) and SBA regulations on small business size and government contracting programs at 13 CFR part 121 and 125, including the nonmanufacturer rule and limitations on subcontracting requirements in 13 CFR part 121.406 and 125.6, provided that for purposes of the limitations on subcontracting, only VIP-listed SDVOSBs shall be considered eligible and/or “similarly situated” (i.e., a firm that has the same small business program status as the prime contractor). An independent contractor shall be considered a subcontractor. An otherwise eligible firm further agrees to the following:

(1) *Services.* In the case of a contract for services (except construction), it will not pay more than 50% of the amount paid by the government to it to firms that are not VIP-listed SDVOSBs.

(2) *Supplies or products.*

(i) In the case of a contract for supplies or products (other than from a nonmanufacturer of such supplies), it will not pay more than 50% of the amount paid by the government to it to firms that are not VIP-listed SDVOSBs.

(ii) In the case of a contract for supplies from a nonmanufacturer, it will supply the product of a domestic small business manufacturer or processor, unless a waiver as described in 13 CFR 121.406(b)(5) is granted.

(3) *General construction.* In the case of a contract for general construction, it will not pay more than 85% of the amount paid by the government to it to firms that are not VIP-listed SDVOSBs.

(4) *Special trade contractors.* In the case of a contract for special trade contractors, it will not pay more than 75% of the amount paid by the government to it to firms that are not VIP-listed SDVOSBs.

(5) *Subcontracting.* Any work that a VIP-listed SDVOSB subcontractor further subcontracts will count towards the percent of subcontract amount that cannot be exceeded. For supply or construction contracts, cost of materials is excluded and not considered to be subcontracted. For mixed contracts and additional limitations, refer to 13 CFR 125.6.

(e) *Joint ventures.* A joint venture may be considered an SDVOSB if the joint venture is listed in VIP and complies with the requirements in 13 CFR 125.18(b), provided that any reference therein to service-disabled veteran-owned small business concern or SDVO SBC, is to be construed to mean a VIP-listed SDVOSB. A joint venture agrees that, in the performance of the contract, the applicable percentage specified in paragraph (d) of this clause will be performed by the aggregate of the joint venture participants.

(f) *Precedence.* For any inconsistencies between the requirements of the SBA program for service-disabled veteran-owned small business concerns and the VA Veterans First Contracting Program, as defined in [VAAR subpart 819.70](#) and this clause, the VA Veterans First Contracting Program requirements have precedence.

Separate drawings shall depict identical building areas or sections and shall be capable of being overlaid in any combination. The submitted drawings for a given area of the project shall show the work of all trades that will be involved in that particular area. Six complete composite drawings or six complete sets of separate reproducible drawings shall be received by the Government not less than 20 days prior to the scheduled start of the work in the area illustrated by the drawings, for the purpose of showing the Contractor's planned methods of installation. The objectives of such drawings are to promote carefully planned work sequence and proper trade coordination, in order to assure the expeditious solutions of problems and the installation of lines and equipment as contemplated by the contract documents while avoiding or minimizing additional costs to the Contractor and to the Government. In the event the Contractor, in coordinating the various installations and in planning the method of installation, finds a conflict in location or elevation of any of the utilities with themselves, with structural items or with other construction items, he/she shall bring this conflict to the attention of the Contracting Officer immediately. In doing so, the Contractor shall explain the proposed method of solving the problem or shall request instructions as to how to proceed if adjustments beyond those of usual trades'

852.236-92 Notice to Bidders—Additive or Deductive Bid Line Items.

As prescribed in [836.580](#), insert the following provision:

**NOTICE TO BIDDERS—ADDITIVE OR DEDUCTIVE BID LINE ITEMS
(APR 2019)**

(a) Additive or deductive line items in the bid schedule shall be evaluated to determine the low offeror and the items to be awarded. The evaluation shall be made as follows—

(1) Prior to the opening of bids, the Government will determine the amount of funds available for the project.

(2) The low bid shall be the Bidder that—

(i) Is otherwise eligible for award; and

(ii) Offers the lowest aggregate amount for the first or base line item, plus or minus (in the order stated in the list of priorities in the bid schedule) those additive or deductive line items that provide the most features within the funds determined available.

(3) All bids shall be evaluated on the basis of the same additive or deductive line items.

(i) If adding another item from the bid schedule list of priorities would make the award exceed the available funds for all offerors, the Contracting Officer will skip that item and go to the next item from the bid schedule of priorities; and

(ii) Add that next item if an award may be made that includes that line item and is within the available funds.

(b) The Contracting Officer will use the list of priorities in the bid schedule only to determine the low offeror. After determining the low offeror, an award may be made on any combination of items if—

(1) It is in the best interest of the Government;

(2) Funds are available at the time of award; and

(3) The low offeror's price for the combination to be awarded is less than the price offered by any other responsive, responsible offeror.

(c) Example: "The amount available is \$100,000. Offeror A's base bid and four additives (in the order stated in the list of priorities in the bid Schedule) are \$85,000,

\$10,000, \$8,000, \$6,000, and \$4,000. Offeror B's base bid and four additives are \$80,000, \$16,000, \$9,000, \$7,000, and \$4,000. Offeror A is the low offeror. The aggregate amount of offeror A's bid for purposes of award would be \$99,000, which includes a base bid plus the first and fourth additives. The second and third additives were skipped because each of them would cause the aggregate bid to exceed \$100,000."

(End of provision)

852.237-70 Indemnification and Medical Liability Insurance.

As prescribed in [837.403-70\(a\)](#), insert the following clause:

INDEMNIFICATION AND MEDICAL LIABILITY INSURANCE (OCT 2019)

(a) It is expressly agreed and understood that this is a non-personal services contract, as defined in Federal Acquisition Regulation (FAR) [37.101](#), under which the professional services rendered by the Contractor or its health-care providers are rendered in its capacity as an independent contractor. The Government may evaluate the quality of professional and administrative services provided but retains no control over professional aspects of the services rendered, including by example, the Contractor's or its health-care providers' professional medical judgment, diagnosis, or specific medical treatments. The Contractor and its health-care providers shall be liable for their liability-producing acts or omissions. The Contractor shall maintain or require all health-care providers performing under this contract to maintain, during the term of this contract, professional liability insurance issued by a responsible insurance carrier of not less than the following amount(s) per specialty per occurrence: [Contracting Officer's Note: Insert the dollar amount value(s) of standard coverage(s) prevailing within the local community as to the specific medical specialty, or specialties, concerned, or such higher amount as the Contracting Officer deems necessary to protect the Government's interests.] However, if the Contractor is an entity or a subdivision of a State that either provides for self-insurance or limits the liability or the amount of insurance purchased by State entities, then the insurance requirement of this contract shall be fulfilled by incorporating the provisions of the applicable State law.

(b) An apparently successful offeror, upon request of the Contracting Officer, shall, prior to contract award, furnish evidence of the insurability of the offeror and/or of all health-care providers who will perform under this contract. The submission shall provide evidence of insurability concerning the medical liability insurance required by paragraph (a) of this clause or the provisions of State law as to self-insurance, or limitations on liability or insurance.

(c) The Contractor shall, prior to commencement of services under the contract, provide to the Contracting Officer Certificates of Insurance or insurance policies evidencing the required insurance coverage and an endorsement stating that any

cancellation or material change adversely affecting the Government's interest shall not be effective until 30 days after the insurer or the Contractor gives written notice to the Contracting Officer. Certificates or policies shall be provided for the Contractor and/or each health-care provider who will perform under this contract.

(d) The Contractor shall notify the Contracting Officer within 5 days of becoming aware of a change in insurance providers during the performance period of this contract for all health-care providers performing under this contract. The notification shall provide evidence that the Contractor and/or health-care providers will meet all the requirements of this clause, including those concerning liability insurance and endorsements. These requirements may be met either under the new policy, or a combination of old and new policies, if applicable.

(e) The Contractor shall insert the substance of this clause, including this paragraph (e), in all subcontracts for health-care services under this contract. The Contractor shall be responsible for compliance by any subcontractor or lower-tier subcontractor with the provisions set forth in paragraph (a) of this clause. At least 5 days before the commencement of work by any subcontractor, the Contractor shall furnish to the Contracting Officer evidence of such insurance.

The statutory prohibition also applies to indoor facilities that are constructed, operated, or maintained with Federal funds.

(b) By acceptance of this contract or order, the Contractor agrees to comply with the requirements of the Act. The Act also applies to all subcontracts awarded under this contract for the specified children's services. Accordingly, the Contractor shall ensure that each of its employees, and any subcontractor staff, is made aware of, understands, and complies with the provisions of the Act. Failure to comply with the Act may result in the imposition of a civil monetary penalty in an amount not to

exceed \$1,000 for each violation and/or the imposition of an administrative compliance order on the responsible entity. Each day a violation continues constitutes a separate violation.

(End of clause)

(b) The Contractor shall comply with the requirements of the Act. The Act also applies to all applicable subcontracts awarded under this contract. Accordingly, the Contractor shall ensure that each of its employees, and any subcontractor staff, is made aware of, understands, and complies with the provisions of the Act.

(b) The Contracting Officer will provide the necessary information to the Contractor regarding the process for obtaining the background check. The Contractor may hire a staff person provisionally prior to the completion of a background check, if at all times prior to the receipt of the background check during which children are in the care of the newly-hired person, the person is within the sight and under the supervision of a previously investigated staff person.

(c) The Contractor shall comply with the requirements of the Act. The Act also applies to all applicable subcontracts awarded under the contract. Accordingly, the

Contractor shall ensure that each of its employees, and any subcontractor staff, is made aware of, understands, and complies with the provisions of the Act.

(End of clause)

By acceptance of this contract, the contractor agrees to comply with this policy in supporting the program and in performing the services called for under this contract. The contractor shall include this clause in all sub-contracts awarded under this contract for supporting or performing the specified program and services. Accordingly, the contractor shall ensure that each of its employees, and any sub-contractor staff, is made aware of, understands, and complies with this policy.

(End of clause)

At least 30 days prior to the contractor voluntarily diverting any of the specified individuals to other programs or contracts the Contractor shall notify the Contracting Officer and shall submit a justification for the diversion or replacement and a request to replace the individual. The request must identify the proposed replacement and provide an explanation of how the replacement's skills, experience, and credentials meet or exceed the requirements of the contract. If the employee of the contractor is terminated for cause or separates from the contractor voluntarily with less than thirty days notice, the Contractor shall provide the maximum notice practicable under the circumstances. The Contractor shall not

divert, replace, or announce any such change to key personnel without the written consent of the Contracting Officer. The contract will be modified to add or delete key personnel as necessary to reflect the agreement of the parties.

(End of provision)

Alternate 1 (OCT 2019). As prescribed in [837.7001\(a\)\(2\)](#), insert the following paragraph (d) in lieu of paragraph (d) of the basic provision:

(c) The Contractor will not be reimbursed for transportation when both the place where the remains were located and the delivery point are within the area of performance.

(d) If remains are located outside the area of performance, the Contracting Officer may place an order with the Contractor under this contract or may obtain the services elsewhere. (b) The Government may, at no additional charge, require the Contractor to hold the remains for an additional period not to exceed 72 hours from the time the remains are casketed and final inspection is completed.

The Contracting Officer shall fill in the number of days in which a Contractor must assert its right to an equitable adjustment; however, such amount shall not exceed 60 calendar days.

CONSTRUCTION CONTRACT CHANGES—SUPPLEMENT (SEP 2019)

The FAR clauses [52.243-4](#) Changes, [52.243-5](#) Changes and Changed Conditions and [52.236-2](#) Differing Site Conditions are supplemented as follows:

(a) Submission of request for equitable adjustment proposals. When directed by the Contracting Officer or requested by the Contractor, the Contractor shall submit proposals for changes in the work in writing to the Contracting Officer or Administrative Contracting Officer (ACO).

(1) The Contractor must provide an itemized breakdown for changes exceeding the micro-purchase threshold (see [FAR 2.101](#)).

(2) The itemized breakdown shall include materials, quantities, unit prices, labor costs (separated into trades), construction equipment, etc. Labor costs shall be identified with specific material placed or operation performed.

(3) Proposals shall be submitted to the Contracting Officer or ACO as expeditiously as possible, but not later than [fill-in] calendar days, after receipt of a written change order by the Contracting Officer.

(4) Proposals shall be signed by each subcontractor participating in the change.

(5) The Contracting Officer will consider issuing a settlement by determination to the contract if the Contractor's proposal required by paragraph (a)(3) of this clause is not received within the time period specified in paragraph (a)(3), or if agreement has not been reached.

(b) Paragraphs (a)(1) through (5) of this clause and the following paragraphs (b)(1) and (2) apply to proposals for changes in the work costing \$500,000 or less:

(1) As a basis for negotiation, allowances not to exceed 10 percent each for overhead and profit for the party performing the work will be based on the value of labor, material, and equipment required to accomplish the change. As the value of the change increases, a declining scale will be used in negotiating the percentage of overhead and profit. This declining scale will also be used to negotiate the prime Contractor's or upper-tier subcontractor's fee when work is performed by lower-tier subcontractors and will be based on the net increased cost to the prime or upper-tier subcontractor, as applicable. Profit (fee) shall be computed by multiplying the profit percentage by the sum of the direct costs and computed overhead costs. Allowable percentages on changes will not exceed the following;

(i) 10 percent overhead and/or 10 percent profit (fee) on the first \$20,000;

(ii) 7-1/2 percent overhead and/or 7-1/2 percent profit (fee) on the next \$30,000;

(iii) 5 percent overhead and/or 5 percent profit (fee) on a balance over \$50,000.

(2) The Contracting Officer will consider issuing a settlement by determination to the contract if the Contractor's proposal required by paragraph (3) is not received within 30 calendar days, or if agreement has not been reached.

(c)(1) Overhead and Contractor's fee percentages shall be considered to include insurance other than mentioned herein, field and office supervisors and assistants, security policy, use of small tools, incidental job burdens, and general

home office expenses and no separate allowance will be made. Assistants to office supervisors include all clerical, stenographic and general office help. Incidental job burdens include, but are not necessarily limited to, office equipment and supplies, temporary toilets, telephone and conformance to OSHA requirements. Items such as, but not necessarily limited to, review and coordination, estimating and expediting relative to contract changes are associated with field and office supervision and are considered to be included in the Contractor's overhead and/or fee percentage.

(2) Where the Contractor's or subcontractor's portion of a change involves credit items, such items must be deducted prior to adding overhead and profit for the party performing the work. The Contractor's fee is limited to the net increase to Contractor or subcontractors' portions of cost computed in accordance with this clause.

(3) Where a change involves credit items only, a proper measure of the amount of downward adjustment in the contract price is the reasonable cost to the Contractor if it had performed the deleted work. A reasonable allowance for overhead and profit are properly includable as part of the downward adjustment for a deductive change. The amount of such allowance is subject to negotiation.
