What are people who are interested in veterans' issues reading these days? Last year the VA OIG's Internet site registered over 1 million hits, with most visitors reading and downloading our audit, health care, and investigative reports. We issued 299 reports in 2012 on VA's delivery of health care and benefits to America's veterans covering a broad range of subjects—from issues of special interest to Congress, the VA Secretary, and veterans such as mental health and disability benefits to our ongoing inspections of VA medical centers, clinics, and regional offices. Last year our reports made over 1,500 recommendations to VA on how to improve services to veterans and can help VA achieve \$3.5 billion in efficiencies.
