## **VA Announces \$4 Million in Funding to Help the Homeless**

WASHINGTON – Today, Secretary of Veterans Affairs Robert A. McDonald announced the award of \$4 million in renewal funding offered through the Grant and Per Diem (GPD) Program to 21 community agencies that currently provide enhanced services for homeless Veterans with special needs.

“These important grant renewals will allow community agencies to continue to provide critical transitional housing services where they are needed,” said VA Secretary Robert A. McDonald. “As a key component of the VA’s plan to significantly reduce homelessness among Veterans, the Grant and Per Diem (GPD) Special Need grants will provide funding to community agencies that provide services to homeless Veterans.

The program promotes the development and provision of supportive housing and services with the goal of helping homeless Veterans achieve residential stability, increase their skill levels and income, and obtain greater self-determination. Specifically, GPD Special Need grant funding will assist with additional operational costs that would not otherwise be incurred but for the fact that the recipient is providing transitional housing and services for the GPD “Special Need” populations, including women, chronically mentally ill, frail elderly, terminally ill, and individuals who have the care of minor dependents.

As a result of these and other efforts, Veteran homelessness is down significantly since the launch of the Federal Strategic Plan to Prevent and End Homelessness in 2010. The state of Connecticut and cities of New Orleans, Houston, Phoenix, and Salt Lake City have all recently announced the achievement of significant milestones related to ending Veteran homelessness.

More information about VA’s homeless programs is available at [www.va.gov/homeless](http://www.va.gov/homeless). Community organizations seeking details and/or more information may visit VA’s National Grant and Per Diem Program website [www.va.gov/homeless/GPD.ASP](http://www.va.gov/homeless/GPD.ASP).
