Program of Comprehensive Assistance for Family Caregivers to provide an additional year for eligibility and reassessment of certain participants

WASHINGTON — The Department of Veterans Affairs [Caregiver Support Program](#) is extending eligibility through Sept. 30, 2022 for Veterans who are [legacy participants](#), [legacy applicants](#) and their family caregivers, participating in the [Program of Comprehensive Assistance for Family Caregivers](#).

This [extension](#) applies to Veterans who were participating in PCAFC before Oct. 1, 2020, individuals who applied for PCAFC before Oct. 1, 2020 and those who were accepted into the program after Oct. 1, 2020.

The extension will provide VA an additional year to conduct required reassessments of this cohort.

PCAFC offers enhanced clinical support for family caregivers of eligible Veterans who incurred or aggravated a serious injury in the line of duty and meet other eligibility criteria. Benefits under PCAFC include education and training, enhanced respite care, counseling, a monthly stipend, CHAMPVA (if eligible) and certain travel expenses, among others.

All legacy participants, legacy applicants and their family caregivers will be reassessed based upon the new [eligibility criteria](#) resulting from the [Final Rule](#) which became effective Oct. 1, 2020.

“During this one-year period, approximately 19,800 legacy participants, legacy applicants and their family caregivers will be reassessed,” said VA Caregiver Support Program Executive Director Colleen M. Richardson, Psy.D.

The department will initiate a large-scale effort to complete reassessments for this cohort. This effort will begin within the next several weeks.

The earlier VA conducts reassessments, the sooner it will be able to assist with discharge planning for PCAFC participants who do not qualify under the new eligibility criteria. Discharge planning may include engaging the Veteran and family caregiver in other services to include participation in the [Program of General Caregiver Support Services](#), which provides caregivers with education, training, peer support mentoring, coaching and self-care courses.
