Art Division Rules

1. All CD’s containing the electronic JPEG images and forms for the 2017 National Art Competition MUST BE POSTMARKED by midnight of Friday, March 31, 2017.

2. First place ties in a category at the local competition MUST be re-judged at the local level as only one entry for each category will be accepted from each VA facility. A formal competition is not required at the local level but is strongly encouraged. All eligible Veterans should be given the opportunity to participate regardless of degree of talent.

3. All artwork entered (except for the Military Combat Experience category #7) must have been completed after April 1, 2016.

4. Each VA facility may submit only one (1) entry in each art category to the National level of the Art Competition.

5. Complete the art entry form with as much detail about the process, medium or materials used as possible. This information is shared with the judges while they are scoring each entry.

6. Artwork created by a group of Veterans (two or more Veterans) will qualify for entry into the National Art Competition. See category #35 (Group Art), page 38 in the Applied Art Division section.

7. All art entries must be created solely by the Veteran and/or Veterans submitting the art entry.

8. Reproductions of original two-dimensional artwork, photographs, or computer-generated art (including inkjet, Giclee and other types of reproduction methods) will not be accepted. The use of Giclee is only acceptable in Graphics (category 10), Black and White Photography (category 12), Color Photography (category 13) and Digital Art (category 14).

9. All paintings, drawings, watercolors, pastels, photographs, graphics, collages and digital art must be framed and ready to hang for display.

10. Sets in the fine arts and applied arts can contain no more than three pieces. The pieces must relate to one another in an obvious way to the judges in order to be classified as a set. No sets are allowed in the kit categories, unless a single kit contains a set such as a set of suncatcher Christmas ornaments or a chess set in which case, no more than 3 pieces may be submitted for judging.

11. If an entry contains a craft kit, it must go into a craft kit category unless otherwise stated in the category definitions (for example: soapstone carving kits go into the carving category).

12. It is required that if the piece is placed under a clear protective layer, that Plexiglas be used. Pieces placed under glass will be disqualified due to the risk of potential damage should the piece be shipped as a first place national competition winning piece to the Festival host site.
13. Working GUNS, KNIVES or other WEAPONS will not be accepted due to VA regulations banning these items from VA facilities.

14. **Electronic image files** in JPEG format of the art entries on a CD will be accepted as well as uploading the image(s) to the NVCA Competition SharePoint site https://vaww.visn23.portal.va.gov/stc/NVCACompetition.

23. **Artwork Size Restrictions** - Each National Art entry must be able to fit into one box. The box can be up to 150 lbs., up to 165 inches in length and girth combined. Length cannot exceed 108 inches. To measure packages use the following formula: \( \text{length} + 2 \times \text{width} + 2 \times \text{height} \)

   **Step 1.** Determining Length - Measure the longest side of the package, rounding to the nearest inch. This is your length.

   **Step 2.** Determining Girth \((2 \times \text{Width} + 2 \times \text{Height})\). Measure the width of the package, rounding to the nearest inch. Multiply this number by 2. Measure the height of the package, rounding to the nearest inch. Multiply this number by 2. Add these two numbers together. This is your girth.
