About the Games

Join fellow Veterans at the 34th National Veterans Wheelchair Games (NVWG) August 12–17 in Philadelphia. These Games will be hosted by the Philadelphia VA Medical Center and the National Office of Paralyzed Veterans of America. Official events are air pistols, air rifle, archery, basketball, boccia, bowling, field, handcycling, motor rally, nine ball, power soccer, quad rugby, slalom, softball, swimming, table tennis, track, trapshooting, and weightlifting.

Eligibility

Participation in the NVWG is open to Veterans having spinal cord injuries, amputations, multiple sclerosis, or other neurological conditions who require a wheelchair for athletic competition, and who are eligible to receive care at a VA medical facility. When a Veteran’s diagnosis and eligibility to compete is in question, we will refer to the eligibility criteria appropriate for that person to participate in other community wheelchair sports organizations.

New for 2014

• Events with rule changes have an asterisk by their name in Events & Rules booklet.
• Participants in power soccer who need to borrow a guard must come to the guard assembly area during early registration, registration, or power soccer clinic.
• Air Pistol is a new medal sport (limit 50).
• Registration is required for VA caregivers who are using VA travel funds to support their travel/per diem to the NVWG.

Registration

Deadline: April 15, 2014

All athletes, coaches, and caregivers who are VA employees must register by submitting the enclosed registration forms, postmarked on or before April 15, 2014. All forms, including a copy of a VA ID card must be completed and submitted to 34th NVWG Registration, c/o Paralyzed Veterans of America, 801 18th Street, NW, Washington, DC 20006-3517. Incomplete forms will automatically be returned if any of the following is missing:
• VA ID Card (Form C)
• Physician Clearance (Form D)
• Damage Provisions Signature Page (Form F)
• Waiver and Release of Liability (Form H)

Registration is limited to 550 athletes. Completed registration forms are accepted in the order they are received, with priority given to novice athletes after the first 500 entries.

One coach per five athletes may register by completing all the appropriate information on the registration forms. The coach must submit a complete list of athletes with the registration forms. All registration deadlines apply to coaches and athletes.

Athlete and coach registration information will be stored in the Games database for purposes of historical information.

For VA employees using VA travel to attend the NVWG, one VA coach may register for up to 5 novice and/or experienced athletes with established rehabilitation goals relevant to their participation at the NVWG. One additional VA coach may be added for every additional Veteran meeting this criteria up to 10 and then in increments of 5.

VA caregivers, such as VA nurses, are permitted to support only those Veterans meeting this criteria. We recognize that the level of care determines the staffing ratio and leave that determination to the individual teams, although this may be reviewed and justification required. Registration is required for both VA caregivers and coaches.

Athletes needing a caregiver must arrange that support on their own. NVWG Medical Staff is not available to provide attendant support.

Competitive Divisions

Athletes may select only one division for all events. Athletes must choose either the manual or powerchair event in slalom. Participation in both will not be allowed.

Novice: First-time competitors only, regardless of age (those who have never competed in any organized wheelchair sporting event). This includes the National Disabled Veterans Winter Sports Clinic and National Veterans Golden Age Games and the National Veterans Summer Sports Clinic.

Open: All competitors who have competed in sanctioned wheelchair sports competition or past NVWG.

Masters: Competitors who are 40–59 years old may compete in the Masters Division, or they may choose to compete in the Open Division.

DO NOT SCHEDULE CONFLICTING EVENTS!

Athlete Classification

Athletes who require classification will be given a medical exam and classified to ensure fair competition among those with similar degrees of disability.

Quadriplegics will be classified into three classes (IA, IB, IC) and paraplegics into four (II, III, IV, V). Amputees will be classified based on the level of amputation. Disabilities arising from stroke, multiple sclerosis, or other conditions will be classified based on level of impairment.

A physician must complete the Physical Exam Forms (C & D) for an athlete to be eligible to register and compete. Any application without the required completed forms will be returned and must be resubmitted by the registration deadline.

Classification will be completed during the Early Classification on August 11 from 11 a.m. to 4 p.m. at the Pennsylvania Convention Center and at the Disabled Sports, Recreation & Fitness Expo August 12 from 9 a.m. to 4 p.m. at the same location. Air Rifle/Pistol Classification will be held on both days. Only competitors with a NVWG classification that is permanent or less than three years old will be exempt from on-site classification. Reexamination and reclassification may be performed at the discretion of the NVWG Athlete Classification Team.
