Submission Format & Logistics
Electronic Acceptance of Offers/Proposals

• **File Format** - Word, .pdf, Excel

• **Documents Requiring Signature** - SF-1449, Signatory Authority, letters of supply, etc.

• **eMail Logistics** - vafssoffers@va.gov

• **Attachments / Size Limits** - No .zip files; 10MB limit
Best Practices
Read the solicitation in its entirety.

Ensure all information is current, accurate, and complete.

Provide proof of registration requirements.

Make sure your company meets the minimum requirements of the solicitation.

Use the Proposal Submission Checklist (located in Document 02).
• Understand the review process and anticipated timelines.

• Provide **timely, accurate** and **complete** responses/documents to all requests for information and clarification requests.

• **Ask questions!** If you are not sure what information to provide contact the FSS Help Desk or your assigned contracting officer.

• Be ready to negotiate your **best offer.**
Proposal Return Issues
Proposal (Offer) Review Phases

• **Offer Intake** – Initial receipt of proposal

• **Offer Triage** - Initial, cursory proposal review (prior to assignment to a Contract Specialist)

• **Offer Evaluation** - Full review by assigned Contract Specialist
Initial Offer Acceptance Issues – Offer Intake

1) Offer is missing any one of the following:

- Document 02 – Vendor Response Section
- Document 02 - Commercial Sales Practices Section
- Document 03 – Price Proposal (CSP) excel format
2) SF1449 Issues:

• Missing signature

• Not signed by an individual properly identified on the Signatory Authority Form

• Not signed within 10 calendar days of eOffer submission
3) Pathways to Success training certificate Issues

• Completion certificate not included (required for new offerors only)

• Course not completed by an individual who is both an officer of the company (listed on the Signatory Authority Form) and an Authorized Negotiator (listed in Document 02).

• Course not completed within one year of offer submission.
4) Offer submitted with no proof of Insurance (Certificate of Liability) (applies to 621 I only)

5) SAM record matching the DUNS number of the offeror not active.

6) Offer proposed against obsolete solicitation (and outside of 60-day grace period listed on website, if applicable)
Reasons for No-Award

Lack of Nation-wide Coverage (except for Schedule 621 I):
The offeror cannot commit to nation-wide coverage; offeror is a dealer/distributor/reseller and is limited to a specific territory/region for selling a manufacturer’s products.
FDA Approval Issues

- **Medical Devices:** None of the offered items have FDA 510k approval or a medical device class exemption from this requirement.

- **Pharmaceuticals:** None of the offered items have the required FDA approvals (e.g. NDAs or an ANDAs, approved OTC monographs, etc.)
Custom Items

All offered items do not meet the definition of a commercial item at FAR 2.101 or are considered custom “mold” items or “custom packs” that are Government or patient specific.
Scope Issues

• **Schedule/SIN:** All offered items fall under a different VA FSS schedule **OR** do not fall within the scope of any VA FSS schedule. Items must fall within one of the predesignated SIN categories.

• **High Tech Medical Equipment (HTME):** All offered items are considered HTME, including, but not limited to: Ultrasound, MRI, CT, Mammography, IR, Nuclear Medicine, etc.
Trade Agreements Non-Compliance

None of the items included in the offer comply with the requirements of solicitation clause 52.225-5 Trade Agreements.
No Manufacturer Letter of Supply

Inability to obtain letter of supply (or other such evidence) from manufacturer (if dealer/reseller). Letter cannot come from third party.
• Offeror is listed as debarred on the Excluded Parties List or FDA Debarment List.

• Firm undergoes a change in ownership during the proposal review & evaluation process.

• Government unable to make a successful responsibility determination.

• Majority of Vendor Response/CSP/Excel spreadsheet is incorrect or incomplete.
• Inability to offer competitive pricing/terms.

• Offeror unwilling to accept solicitation terms/conditions.

• Offeror’s potential sales under an FSS contract are not expected to reach the required minimum ($25K within the first 24 months following contract award and $25K each year thereafter, per solicitation clause I-FSS-639).
