#VetCert

Join the SBA Baltimore District Office as we commemorate National Military Appreciation Month. The SBA BDO is hosting a **FREE webinar** that will review SBA's new **Veteran Small Business Certification (VetCert)** program.

The VetCert program authorizes service-disabled veteran-owned small businesses (SDVOSBs) to compete for set-aside contracts and receive sole-source awards across the federal government. Certified veteran-owned small businesses (VOSBs) have the opportunity to pursue set-aside contracts and receive sole-source awards from the VA under the VA's Vets First program.

The SBA BDO's Veterans Business Development Officer will be discussing how to apply for certification, benefits, eligibility requirements and program changes due to the program transfer from the VA to the SBA at the start of 2023. There will be time at the end of the webinar for Q&A.
