This CFM sponsored engagement is for women entrepreneurs interested in doing business with the Department of Veterans Affairs Major Construction Program. The event will provide participants with the following opportunities:

- Ask important questions relative to WOSB/WVOSB.
- Interactive discussion and communication with decision makers.
- Sharing women small business perspectives on VA's Major Construction Program.
- Input into acquisition strategies for CFM's programs.
- Overview of available resources to Women Owned and Women Veteran Owned Small Businesses.
- Forecast of Contracting Opportunities.
