

NASA/JPL and the City of Pasadena Service-Disabled Veteran-Owned

Small Business Industry Day

Tuesday, March 1, 2016 7 a.m.

**Pasadena Convention Center
300 East Green Street
Pasadena, CA 91101**

Registration is Free

[REGISTER NOW](#)

The Jet Propulsion Laboratory (JPL) and the City of Pasadena are pleased to host the NASA Service-Disabled Veteran-Owned Small Business (SDVOSB) Industry Day. The Industry Day will provide attendees with information on doing business with the City of Pasadena, NASA Centers, large prime contractors and government agencies. Although this event will highlight programs and serves for the SDVOSB community, all businesses are welcome to attend. This event is free.

The Industry Day will feature match making sessions with JPL, NASA, and the City of Pasadena; workshops on resources for SDVOSBs and Small Businesses; and networking with JPL and NASA procurement and small business specialists, large prime contractors, small businesses and resource organizations. Participants will also have an opportunity to host a table to discuss their products and services with other attendees. Please note that exhibit tables for small businesses are available in limited quantity and will be assigned on a first-come first-served basis.

For more information about the event, please see the Tentative Agenda and list of exhibiting agencies and prime contractors.

To register visit: <http://bit.ly/1MfaL63>
