This is to inform you that your request for waiver has been approved by the Committee on Waivers and Compromises. The debt has been cleared and no further action is required by you. Any amount collected which was waived will be refunded in the near future.

The granting of a waiver results in the loss of entitlement to future benefits in the amount waived. Entitlement will be charged only in the program in which the debt originated (Education, Loan Guaranty and Direct Loan programs only.) To reestablish the entitlement charged as a result of waiver, the debt will have to be paid in full.
