# Introduction

## DESCRIPTION:

Per the VA guidance that all patients be screened for possible Coronavirus Disease 2019 (COVID-19), the following template is designed for use in asking patients about symptoms, travel to a community impacted by COVID-19 within the prior 14 days, or close contact with someone having COVID-19.

This reminder dialog group will update the national reminder dialog VA-EMERGENCY DEPARTMENT TRIAGE to include the new COVID-19 screen.

This is what the dialog will look like after installation:

To reduce install time, we are updating only one reminder dialog group, VA-GP ED TRIAGE TRAVEL SCREEN to add the new content. This means that any local modifications you may have made to the reminder dialog VA-EMERGENCY DEPARTMENT TRIAGE will not be impacted.

UPDATE\_2\_0\_118 contains 1 Reminder Exchange entry:  
**UPDATE\_2\_0\_118 VA-ED TRIAGE COVID 19**

## Post Installation

---

1. Open the ED Triage template and confirm that the COVID-19 screen now displays above the suicide screen and replaces the Travel Screen.
2. Add local reminder dialog groups and elements if needed - OPTIONAL
  - a. This template was built with the standard items needed for screening included. If a site would like to add guidance or information specific to that site, you can add text to the local reminder dialog group **VAL-COVID LOCAL GROUP ED** using the reminder dialog editor. This group is at the end of the dialog. This dialog group will install disabled and you will need to remove the disable flag for it to be used.

**NOTE:** If there are any questions or problems during the installation, please notify your local IT support to log a national help desk ticket or contact the VA Service Desk and have them submit a national ticket to:
