Update to Reminder Dialog Group VA-WH GP MAMMOGRAM FREQ REVIEW >74

Prior to this update, the reminder dialog text for element VA-WH GP MAMMOGRAM FREQ REVIEW >74 was:

This patient is older than age 74. Screening past age 74 is generally not indicated unless there was a prior abnormal result within a specified time (see links to VHA Guidelines at top of screen).

This patient's Pap smear frequency is set at: |MAMMOGRAM FREQUENCY|

The updated reminder dialog text:

This patient is older than age 74. Screening past age 74 is generally not indicated unless there was a prior abnormal result within a specified time (see links to VHA Guidelines at top of screen).

This patient's mammogram frequency is set at: |MAMMOGRAM FREQUENCY|

Updates to Veteran’s Choice Reminder Dialog

Clinical Reminder Update 2_0_4 contains a major update to the VA-VETERANS CHOICE NOTE reminder dialog template. The Pre-Visit section has been updated to enable the note to be used for Veterans Choice, Choice-First and Choice Unusual/Excessive Burden. All the sections of the Pre-Visit section are now selectable, which allows the user to select only what they need to document. The Pre-Visit section now contains the following sections: Choice Preference Opt-In/Out, Eligibility, Approved Services, Choice Appointment Information, Declined Choice Appointment, Clinical Information and Additional Information. New Health Factors have been added: CHOICE OPT-OUT, CHOICE OPT-IN, CHOICE APPT DECLINED, CHOICE FIRST SERVICES UA, and CHOICE UN/EX BURDEN. The latter two are associated with two new Eligibility Types; Services Unavailable At VA (Choice-First) and Choice Unusual/Excessive Burden.

VETERANS CHOICE NOTE Template Modifications.
Broke out each section of the Pre-Visit section into an optional section to allow flexibility in documentation. Added New Opt-In/Out and Declined Choice Appt sections.

Health Factors added for Opt-In and Opt-Out
Added “Services Unavailable” and Unusual/Excessive Burden Eligibility Types each has new Health Factor.

New section. Added Health Factor for Declined Choice Appt.
Update of Reminder Dialog Group VA-GP TBI SCREEN DONE AT OTHER VA

Changed Multiple Selection prompt from ONE SELECTION ONLY to ONE OR MORE SELECTIONS.

Update of Reminder Dialog Element VA-GP PRIOR TBI SCREEN COMPLETED ELSEWHERE

The following template fields have been made required: VA-DATE COMBO Y/M, VA-VAMC LOCATIONS and VA-TBI PRIOR SCREEN RESULT

Update of Reminder Dialog VA-TBI URLS.

On Element VA-TBI URLS, added a link to view prior TBI screening results to the Web Resources Available section to make it easier for providers to find:
Install Details

This update is being distributed as a web host file. The address for the host file is:
http://vista.med.va.gov/reminders/UPDATE_2_0_4.PRD

The file will be installed using Reminder Exchange, programmer access is not required.

Installation:
=============
This update can be loaded with users on the system. Installation will take less than five minutes.

***Please make sure you have installed Clinical reminder Update_2_0_3 prior to the installation of this update.
Install Example

To Load the Web Host File. Navigate to Reminder exchange in Vista

At the **Select Action** prompt, enter **LWH** for Load Web Host File.

At the **Input the url for the .prd file** prompt, type the following web address:

```
http://vista.med.va.gov/reminders/UPDATE_2_0_4.PRD
```

You should see a message at the top of your screen that the file successfully loaded.
Search and locate an entry titled UPDATE_2_0_4 VA-VETERANS CHOICE/MAMMOGRAM/TBI UPDATE in reminder exchange

At the **Select Action** prompt, enter **IFE** for Install Exchange File Entry

Enter the number that corresponds with your entry titled **UPDATE_2_0_4 VA-VETERANS CHOICE/MAMMOGRAM/TBI UPDATE** (in this example it is entry 201, it will vary by site)

At the **Select Action** prompt, type **IA** for Install all Components and hit enter.

Here is the detail on the installation including the prompts you COULD see during installation and how you should answer them  (NOTE: You may not see every Install/Override option depending on what has already been installed or modified in your system)

Select Action: Next Screen// IA Install all Components

TIU TEMPLATE FIELD entry named WORD PROCESSING 68 LENGTH 10 LINES already exists and the packed component is identical, skipping.

TIU TEMPLATE FIELD entry named VA-VETERANS CHOICE CLINICAL INFORMATION DISPLAY TEXT already exists and the packed component is identical, skipping.
TIU TEMPLATE FIELD entry VA-CHOICE WORD REQ 70-5 is NEW, what do you want to do?

TIU DOCUMENT DEFINITION entry named MAMMOGRAM FREQUENCY already exists and the packed component is identical, skipping.
When the installation is complete, you will be returned to this screen. At the Select Action prompt, type Q to quit.

Install Completed

If there are any questions regarding the installation of the clinical reminder update, please call the national help desk and have them submit a national CA ticket to the Incident Area: NTL.APP.VISTA.CLINICAL REMINDERS 2_0.
Post Installation

1. Open up the TBI clinical reminder in CPRS,
   a. Make sure the link to see prior TBI screenings is viewable in the URL section:
   b. Make sure that the Date/Location and Screening results show a * to indicate they are required fields if the answer “No, TBI Screening completed at another VA since most recent deployment” is chosen:

Complete this section and confirm that progress note includes Date/Location and Screening results.
2. Navigate to Reminder Dialogs and change your view to GROUPS. Search for “VA-WH GP MAMMOGRAM FREQ REVIEW >74”. Check to make sure that the dialog/progress note text has changed doing an INQ.

Dialog text should look like this:

```
This patient's mammogram frequency is set at: [MAMMOGRAM FREQUENCY]

Please provide a rationale and frequency for continued screening or select screening no longer indicated.
```

Alternate P/N text:
```
Excl from PN: YES
Suppress Check: SUPPRESS
```
3. Open the Veteran Choice note in CPRS and make sure that the changes described in the introduction section are viewable.

For guidance on the use of the new Veteran’s Choice dialog, you can access the User Instructions at this link:
