NEW BILL (ENTER)

This option is used to create all bills except patient, reimbursable health insurance bills and pharmacy bills. Reimbursable Health Insurance and Pharmacy bills are created by the Integrated Billing (IB) software.

The questions and prompts that the computer displays vary depending on what type of bill you are creating.

A summary of the types of forms and their associated categories is shown by this illustration.

When a bill gets created using this option, the bill status changes from New Bill to Pending Approval. Next, the service who created the bill must audit and approve it; hence the status name, Pending Approval (See the Approve/Print Pending Bill option). Only when the bill has been approved by the service is it released to the Accounts Receivable section; specifically, the bill is sent to the AR Clerk for another audit. At this point, the bill status becomes Active and charges can now be applied to this bill.

VETERANS BENEFICIARY TRAVEL

If the Bill pertains to Veterans beneficiary travel, then the question:

IS THIS FOR VETERANS BENEFICIARY TRAVEL? NO/<ret>

Should be answered yes. If so, a statement, including the Veterans’ appeal rights and responsibilities will be included in that bill as follows:

NOTICE OF RIGHTS AND RESPONSIBILITIES

COLLECTION: The U.S. Department of Veterans Affairs (VA) is required to collect debts owed to the government. Action must be taken within sixty (60) days from the initial billing statement to pay your debt in full or establish a payment plan or your account may be referred for further collection action. You have the right to inspect and copy the records related to the debt. You also have the right to establish a payment plan. You have the right to submit a compromise offer. You have the right to request a waiver and a hearing on the waiver request. Collection action includes referring your delinquent balance to the Department of Treasury's Treasury Offset Program, which will include offset of any federal and state payments to which you are entitled. This includes tax refunds, social security benefits and salary or retirement benefits.

PAY YOUR BILL: Pay the debt in full by the balance due date on the initial billing statement to avoid late charges and collection action:

- In Person: At your local Veteran Affairs Medical Center's Agent Cashier's Office
- By Phone: (see below for local information)
- By Mail: (see below for local information)

LATE CHARGES: The VA is required to assess late charges on balances which remain unpaid thirty (30) days after the statement date. These charges consist of interest and administrative fees at rates established each year. Interest will be charged from the date charges first appear on the statement. You can avoid these charges by making timely payments by the balance due date on the statement. A monthly administrative cost or collection fee will be added to your debt if, within thirty (30) days of the date of the statement on which charges first appear, full payment of the debt is not received or a repayment plan agreement is not approved. If an installment repayment plan is established and any installment is not received by the due date, the monthly administrative cost or collection fee will thereafter be charged until the debt is paid. Other collection costs may be added to the debt if additional collection actions become necessary.

WAIVER: You have the right to request a waiver of part or all of your debt. If the waiver is granted you will not be required to pay the amount waived. To do so, submit an explanation and a completed Financial Status Report (VA Form 5655) found at: www.va.gov/vaforms/va/pdf/VA5655.pdf. Your explanation should include why you are not responsible for the debt and any undue hardship the payment of the debt would cause you. You have the right to request a hearing in connection with your request for a waiver. To do so, submit a written request for hearing with your waiver request. VA will notify you of the date, time and place where the hearing will be held. Refer to the "Customer Service" and "Submitting Your Request" sections below for more information.
COMPROMISE OFFER: You have the right to request a compromise. A compromise means you may propose a lesser amount as full settlement of the debt. To request a compromise, submit your request in writing to VA, specifying the dollar amount you are proposing VA should accept as payment in full, and a completed Financial Status Report (VA Form 5655) found at: www.va.gov/vaforms/va/pdf/VA5655.pdf. Refer to the "Customer Service" and "Submitting Your Request" sections below for more information.

REPAYMENT PLAN: You have the right to establish a monthly repayment plan at any time during your enrollment in VA health care if you cannot pay your debt in full. To do so, submit a completed Agreement to Pay Indebtedness (VA Form 1100) found at: www.va.gov/vaforms/va/pdf/VA1100.pdf. Indicate your proposed monthly payment amount in paragraph 1A. Refer to the "Customer Service" and "Submitting Your Request" sections below for more information.

DISPUTE THE EXISTENCE OR AMOUNT OF THE DEBT: You have the right to dispute the existence or amount of the debt. To do so, submit a letter explaining why you question the validity or amount of the debt. To avoid late charges, you must submit a dispute by the balance due date on the statement. VA will not initiate collection if your dispute is received within sixty (60) days from the initial billing statement. If VA receives your notice later than sixty (60) days and collection has been initiated, it will continue while the dispute is being reviewed. If the dispute is resolved in your favor, all late charges will be removed from your account, and any amounts withheld from your VA benefits, federal payments, or wages will be refunded to you. Refer to the "Customer Service" and "Submitting Your Request" sections below for more information.

CUSTOMER SERVICE: For additional information or assistance:
In Person: At your local Veteran Affairs Medical Center's Agent Cashier's Office
By Phone: (see below for local information)
Online: Visit www.va.gov/vaforms to retrieve VA forms

SUBMITTING YOUR REQUEST: Submit the required VA forms or documents to apply for one of VA's Financial Hardship Programs:
In Person: At your local Veteran Affairs Medical Center's Agent Cashier's Office
By Mail: Send completed forms and/or other required documentation to the VA address at the top right of your statement to the attention of the Fiscal Office/Bill of Collection Manager
For additional information, to request necessary forms or assistance in accessing forms online, contact VA at 1-866-400-1238.

REPRESENTATION: An accredited representative of a Veteran Service Organization or other service organization recognized by the Secretary of Veterans Affairs may represent you without charge. You may employ an attorney or VA accredited agent to assist you. The services of an attorney or accredited agent representing you in adjudicative proceedings before VA are subject to a fee limitation as set forth in 38 U.S.C. 5904. If you desire representation and have not already designated a representative, contact VA at 1-866-400-1238 to request the necessary forms. If an attorney or accredited agent represents you before VA, a copy of any agreement between you and the attorney or accredited agent about the payment of the attorney's or agent's fees must be filed at the following address: Counsel to the Chairman (01C3), Board of Veterans Appeals, 810 Vermont Avenue N.W., Washington D.C. 20420.

NOTICE TO CUSTOMERS MAKING PAYMENT BY CHECK: When you provide a check as payment, you authorize VA to either use information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When VA uses information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the day we process your payment, and you will not receive your check back from the financial institution. A Privacy Act
Statement required by 5 U.S.C. & 552a(e)(3) stating our authority for soliciting and collecting the information from your check, and explaining the purposes and routine uses which will be made of your check information, VA Notice of Privacy Practices, IB 10-163 is available online at www.va.gov/vhapublications or call toll free at 1-866-400-1238 to obtain a copy by mail. Furnishing the check information is voluntary, but a decision not to do so may require you to make payment by some other method.

QUESTIONS ABOUT PAYMENTS: Payments made in the past ten (10) days may not have been applied to your account by the time your statement was prepared. If so, this payment will be reflected in your account on the next statement. For assistance in understanding your statement and assessed charges contact VA at (see below for local information).

VA PRIVACY: The VA Notice of Privacy Practices, IB 10-163, which outlines your privacy rights, is available online at www.va.gov/vhapublications, or you may obtain a copy by writing the VHA Privacy Office (10P2C1) at 810 Vermont Avenue NW, Washington, DC 20420.

DISPLAY PENDING BILL

This option displays a new bill with the status Pending Approval for purposes of review. The approving official of a new bill would use this option to review a bill before they approve it for release to the Accounts Receivable Section. If errors are found in the bill, use the Edit Bill option to correct them.

APPROVE/PRINT PENDING BILL

This option allows an authorized individual to approve and print all new bills within their service and release them to the Accounts Receivable section; you will not be able to print 1114 bills. Once a new bill has been created using the New Bill (Enter) option, the bill will automatically be passed to the person within the service/section who is authorized to approve it and release it to Fiscal Service. This approving official will be reminded by the system when they logon to review the bill; if necessary, they may send the bill back to the billing clerk for further editing.

This option requires an Electronic Signature Code, which means only the holders of the PRCASVC security key will have access to this option. The computer uses the signature code to verify that you are authorized to approve bills and will show you only those bills that you are authorized to see. You will not be able to take action on any bill from any other service/section.

NOTE: Once a bill has been released to the AR Section, you will no longer have any access to it. If you discover that further corrections are required, the Accounts Receivable Section must return the bill to you. This action removes your electronic signature (and your authorization) and allows you to either cancel or amend the bill.

EDIT BILL

This option allows information for a new or incomplete bill to be edited. This is the mechanism that allows correction of erroneous bills before they are released to Fiscal Service. If the bill has previously been approved and sent to Fiscal Service and returned, you cannot use this option to correct it; you must use the Amend Bill Returned from AR option. Entering the bill number invokes the system to display the current bill information and provides the opportunity to change it.

CANCEL BILL

This option allows the cancellation of a new or incomplete bill that has not been approved. This is often used when an erroneous bill has been discovered and it would be more efficient to start over with a new one. At that point, cancel the erroneous bill and create a new one to replace it. However, you will not be able to cancel a bill once it has been approved and released to Fiscal. If this situation should occur, you should contact the Accounts Receivable Section and request that the bill be returned to you for cancellation.

AMEND BILL RETURNED FROM AR

This is used to make changes to bills that have a Returned For Amendment status. It allows editing of bills that have been returned from Fiscal Service.

Once a bill is released to Fiscal Service, you will no longer have the ability to make changes to it unless it has been returned to you. Often times a bill is returned from Fiscal because it doesn't meet certain criteria. Use this option to correct the bill. You may not use the Edit Bill option on bills returned from AR because only the Amend Bill Returned From AR option leaves an audit trail.

BILL STATUS LISTING

This option lists all bills with a given status. This report will contain the bill's number, date, category, debtor, and balance. In addition, a summary will appear at the end of the report which will show the total number of bills with this status and the total balance of all bills with this status. To view this report, enter the status name at the system prompt.

Common statuses searched for by Billers are Pending Approval, Returned For Amendment, and Canceled Bill; however, billers have the ability to get any status listing that would fulfill their needs. The following table shows a list of all valid bill statuses.

### LIST ALL BILLS

This option lists all bills within a given range. The report contains all pertinent information such as bill number, date, debtor, form type, status, original amount, and current balance.

This is often used to facilitate searching for an unknown bill number or debtor. It doesn't require you to go through every bill in your system, because all you need to know is a range where you think this unknown bill would appear.
VIEW A BILL

This option allows viewing of any bill and any activity or event that has happened to it. It is very similar to the Profile of Accounts Receivable, except this option appends a description of the charges to the end of the report. A printout of the bill can also be obtained by selecting the appropriate device.

This will most often be used to acquire any information about a debtor's bill, which is generally helpful for debtor inquiries.
