1 Introduction

1.1 Purpose
This document provides a high level overview of the contents found on the PARKINSON’S DISEASE Disability Benefits Questionnaire (DBQ). The DBQ can be populated via an online template within the CAPRI C&P Worksheets tab and then printed OR it can be printed via AMIE (AUTOMATED MEDICAL INFORMATION EXCHANGE) and then manually populated. This document contains the edit rules for the template as well as examples of how the template will look online in CAPRI or printed from CAPRI. It also contains the layout for the AMIE worksheet to depict how it will look when printed from AMIE.

For more detailed information on standard template functionality not covered in this document, please refer to the C&P Worksheet Tab Functionalities section of the CAPRI GUI User Guide.

1.2 Overview
The PARKINSON’S DISEASE DBQ provides the ability to capture information related to Parkinson’s disease and its treatment.

Each DBQ template contains a standard footer containing a note stating that the “VA may request additional medical information, including additional examinations if necessary to complete VA’s review of Veteran’s application”. (see Figure 1 and 2).

Figure 1: Template Example: DBQ – Standard VA Note

NOTE: VA may request additional medical information, including additional examinations if necessary to complete VA’s review of the Veteran’s application.

Figure 2: Print Example: DBQ – Standard VA Note

NOTE: VA may request additional medical information, including additional examinations if necessary to complete VA's review of the Veteran’s application.

A number of fields on the PARKINSON’S DISEASE template are mandatory and require a response (value) prior to the exam being marked as completed. Some questions may activate a Pop-up window displaying information as to each question that needs to be answered before the template can be completed.
2 Parkinson’s Disease DBQ – History Tab

2.1 Name of patient/Veteran
All questions in this section must be answered as described by the rules below. If all mandatory questions are not answered, the error message(s) will appear in a popup window displaying the error message depicted below.

Table 1: Rules: DBQ – Parkinson’s Disease – Name of patient/Veteran

</tbody>
</table>

Your patient is applying to the U. S. Department of Veterans Affairs (VA) for disability benefits. VA will consider the information you provide on this questionnaire as part of their evaluation in processing the Veteran’s claim.

2.2 Section 1. Diagnosis
The question “Does the patient/Veteran now have or has he/she ever been diagnosed with Parkinson’s disease?” must be answered before the template can be completed.

- If it is answered with Yes, all other questions requiring an answer as described by the rules in this document must be answered before the template can be completed.
- If it is answered with No, the template may be completed without answering any additional
questions or the user may input answers to any of the optional questions as indicated by the rules described in this document.

Note: Some questions will activate secondary question(s) when answered. If a secondary question is answered and the primary question that triggered the secondary question is unanswered or if answered in a way where this information is no longer required, the previously entered data will be removed and the question may become disabled if it is no longer relevant.

All questions will be printed even if they have not been answered.

If all mandatory questions are not answered, the error message(s) will appear in a popup window as depicted below and must be answered before this template can be completed.

3 Parkinson’s Disease AMIE Worksheet

The AMIE worksheets are accessed via the [DVBA C PRINT BLANK C&P WORKSHE] Print Blank C&P Worksheet DBQ PARKINSONS menu option.

Disability Benefits Questionnaire
Parkinson's Disease

Name of patient/Veteran: _______________________   SSN: ________________

Your patient is applying to the U. S. Department of Veterans Affairs (VA) for disability benefits. VA will consider the information you provide on this questionnaire as part of their evaluation in processing the Veteran's claim.

1. Diagnosis

Does the Veteran now have or has he/she ever been diagnosed with Parkinson's disease? ___Yes  ___No

ICD code: _____________________________

Date of diagnosis: ____________________

2. Dominant hand

___Right    ___Left    ___Ambidextrous

3. Motor manifestations due to Parkinson's or its treatment (check all that apply)

Stooped posture
___None   ___Mild   ___Moderate   ___Severe

Balance impairment
___None   ___Mild   ___Moderate   ___Severe

Bradykinesia or slowed motion (difficulty initiating movement, "freezing", short shuffling steps)
___None   ___Mild   ___Moderate   ___Severe

Loss of automatic movements (such as blinking, leading to fixed gaze; typical Parkinson's facies)
___None   ___Mild   ___Moderate   ___Severe

Speech changes (monotone, slurring words, soft or rapid speech)
___None   ___Mild   ___Moderate   ___Severe
Disability Benefits Questionnaire for Parkinson's Disease

Tremor (characteristic hand shaking, "pill-rolling")

__Yes __No

Extremities affected:

__Right upper
  ____Not affected __Mild __Moderate ___Severe

__Left upper
  ____Not affected __Mild __Moderate ___Severe

__Right lower
  ____Not affected __Mild __Moderate ___Severe

__Left lower
  ____Not affected __Mild __Moderate ___Severe

Muscle rigidity and stiffness

__Yes __No

Extremities affected:

__Right upper
  ____Not affected __Mild __Moderate ___Severe

__Left upper
  ____Not affected __Mild __Moderate ___Severe

__Right lower
  ____Not affected __Mild __Moderate ___Severe

__Left lower
  ____Not affected __Mild __Moderate ___Severe

4. Mental manifestations due to Parkinson's or its treatment

Depression
  ____None ___Mild __Moderate ___Severe

Cognitive impairment or dementia
  ____None ___Mild __Moderate ___Severe
Disability Benefits Questionnaire for Parkinson's Disease

5. Additional manifestations/complications due to Parkinson's or its treatment

Loss of sense of smell

  _None  _Partial  _Complete

Sleep disturbance (insomnia or daytime "sleep attacks")

  _None  _Mild  _Moderate  _Severe

Difficulty chewing/swallowing

  _None  _Mild  _Moderate  _Severe

Urinary problems

  _None  _Incontinence  _Urinary retention

Absorbent material required, specify pads/day:

  _0  _1  _2-4  _> 4

Use of an appliance required?

  _Yes  _No

Constipation (due to slowing of GI tract or secondary to Parkinson's medications)

  _None  _Mild  _Moderate  _Severe

Sexual dysfunction

  _None  _Mild  _Moderate  _Severe (precludes intercourse)

  _Erectile dysfunction precludes intercourse

Other manifestations/complications: ____________________________________________

6. Financial responsibility

In your judgment, is the Veteran able to manage his/her benefit payments in his/her own best interest, or able to direct someone else to do so? _Yes  _No
Disability Benefits Questionnaire for Parkinson's Disease

7. Functional impact

Does the Veteran's Parkinson's disease impact his or her ability to work?

___Yes     ___No

If yes, describe impact, providing one or more examples:

________________________________________________________________________

8. Remarks, if any __________________________________________________________

____________________________________________________________________

Physician signature: ___________________________ Date: ____________

Physician printed name: ___________________________ Phone: ____________

Medical license #: ____________________________

Physician address: ______________________________

NOTE: VA may request additional medical information, including additional examinations if necessary to complete VA's review of the Veteran's application.
