Compensation and Pension Record Interchange (CAPRI)

CAPRI Compensation and Pension Worksheet Module (CPWM) Templates and AMIE Worksheet Disability Benefits Questionnaires (DBQs)

Release Notes
Patch: DVBA*2.7*163

April 2011

Department of Veterans Affairs
Office of Enterprise Development
Management & Financial Systems
Preface

Purpose of the Release Notes
The Release Notes document describes the new features and functionality of patch DVBA*2.7*163 (CAPRI CPWM TEMPLATES AND AMIE WORKSHEET DBQs).

The information contained in this document is not intended to replace the CAPRI User Manual. The CAPRI User Manual should be used to obtain detailed information regarding specific functionality.
# Table of Contents

1. Purpose ................................................................................................................................. 1

2. Overview .................................................................................................................................. 1

3. Associated Remedy Tickets & New Service Requests ......................................................... 1

4. Defects Fixes .......................................................................................................................... 1

   4.1. DBQ Report Word Wrapping Issue ..................................................................................... 1

5. Enhancements ......................................................................................................................... 2

   5.1 CAPRI – DBQ Template Additions ......................................................................................... 2

   5.2 CAPRI – DBQ Template Modifications ................................................................................. 2

   5.2.1. DBQ HEMATOLOGIC AND LYMPHATIC CONDITIONS, INCLUDING LEUKEMIA: ..... 2

   5.2.2. DBQ PROSTATE CANCER: ............................................................................................... 3

   5.3 AMIE–DBQ Worksheet Additions ......................................................................................... 7

   5.4 AMIE–DBQ Worksheet Modifications ..................................................................................... 7

6. Disability Benefits Questionnaires (DBQs) .......................................................................... 8

   6.1. Kidney Conditions (Nephrology) Disability Benefits Questionnaire ................................... 8

   6.2. Male Reproductive Systems Conditions Disability Benefits Questionnaire ......................... 13

   6.3. Hematologic and Lymphatic Conditions, including Leukemia Disability Benefits Questionnaire 20

   6.4. Prostate Cancer Disability Benefits Questionnaire ............................................................. 25

7. Software and Documentation Retrieval .................................................................................. 30

   7.1 Software ............................................................................................................................... 30

   7.2 User Documentation ............................................................................................................. 30

   7.3 Related Documents ............................................................................................................. 30
1. **Purpose**

The purpose of this document is to provide a high-level overview of user and technical information of the enhancements specifically designed for Patch DVBA*2.7*163.

Patch DVBA *2.7*163 (CAPRI CPWM TEMPLATES AND AMIE WORKSHEET DBQs) introduces enhancements and updates made to the AUTOMATED MED INFO EXCHANGE (AMIE) V 2.7 package and the Compensation & Pension Record Interchange (CAPRI) application in support of the new Compensation and Pension (C&P) Disability Benefits Questionnaires (DBQs).

2. **Overview**

Veterans Benefits Administration Veterans Affairs Central Office (VBAVACO) has approved implementation and modification of the following Disability Benefits Questionnaires:

- DBQ Kidney Conditions (Nephrology)
- DBQ Male Reproductive Systems Conditions
- DBQ Hematologic and Lymphatic Conditions, Including Leukemia
- DBQ Prostate Cancer

3. **Associated Remedy Tickets & New Service Requests**

There are no Remedy tickets or New Service Requests associated with patch DVBA*2.7*163.

4. **Defects Fixes**

4.1. **DBQ Report Word Wrapping Issue**

The word-wrapping issues that appeared on report preview and output has been addressed. Please note the following:

- If the users display is set to “Windows XP Style”, the user will initially see the word wrapping issue, so we are instructing the user to click “Preview” prior to clicking “Done” to clear the wrapping issue.
- If the users display is set to “Windows Classic Style” they will “not” experience the word wrapping issues.

**Please Note:** The word-wrapping issue has only been addressed on DBQs contained in this patch. We will fix previously released DBQs in future patches.
5. Enhancements

This section provides an overview of the modifications and primary functionality that will be delivered in Patch DVBA*2.7*163.

5.1 CAPRI – DBQ Template Additions

This patch includes adding two new CAPRI DBQ Templates that are accessible through the Compensation and Pension Worksheet Module (CPWM) of the CAPRI GUI application.

- DBQ KIDNEY CONDITIONS (NEPHROLOGY)
- DBQ MALE REPRODUCTIVE SYSTEMS CONDITIONS

5.2 CAPRI – DBQ Template Modifications

This patch includes updates made to the following CAPRI DBQ templates approved by the Veterans Benefits Administration Veterans Affairs Central Office (VBAVACO).

Modifications implemented with this patch include updating the following two DBQs listed below. Each DBQ lists the changes that were made with this patch.

5.2.1. DBQ HEMATOLOGIC AND LYMPHATIC CONDITIONS, INCLUDING LEUKEMIA:

5.2.1.1. Section 3. Treatment has two new options (i) and (ii) for Anemia:

b. Does the Veteran have anemia, including anemia caused by treatment for a hematologic or lymphatic condition?  
   Yes  No  (if "yes", answer both question 3.b.i and 3.b.ii)

i. Is the anemia caused secondary to treatment of another hematologic or lymphatic condition?  
   Yes  No
      If yes, provide the name of the other condition: _______________________

ii. Is continuous medication required for control of the anemia?  
   Yes  No
      If yes, list medication(s): _________________________

5.2.1.2. Section 3. Treatment has two new options (i) and (ii) for Thrombocytopenia:

c. Does the Veteran have thrombocytopenia, including thrombocytopenia caused by treatment for a hematologic or lymphatic condition?  
   Yes  No  (if "yes", answer both question 3.c.i and 3.c.ii)

i. Is the thrombocytopenia caused secondary to treatment of another hematologic or lymphatic condition?  
   Yes  No
      If yes, provide the name of the other condition: _______________________

ii. Is continuous medication required for control of the thrombocytopenia?  
   Yes  No
      If yes, list medication(s): _________________________
5.2.1.3. **Section 9. Other pertinent physical findings, complications, conditions signs and/or symptoms has a new option (a) for Scars:**

a. Does the Veteran have any other pertinent physical findings, complications, conditions, signs and/or symptoms?  
   Yes  No  
   If yes, describe (brief summary): _________________________

b. Does the Veteran have any scars (surgical or otherwise) related to any conditions or to the treatment of any conditions listed in the Diagnosis section above?  
   Yes  No  
   If yes, also complete a Scars Questionnaire for each scar.

5.2.1.4. **Section 10. Diagnostic testing has new option (a) for CBC:**

If testing has been performed and reflects Veteran's current condition, no further testing is required. Provide most recent CBC, hemoglobin level or platelet count appropriate to the Veteran's condition:

a. CBC: ________________  Date: ________________

b. Hemoglobin level (gm/100ml): ________  Date: ________________

c. Platelet count: _______________  Date: ________________

d. Are there any other significant diagnostic test findings and/or results?  
   Yes  No  
   If yes, provide type of test or procedure, date and results (brief summary): ________________

5.2.2. **DBQ PROSTATE CANCER:**

5.2.2.1. The header was changed to “Prostate Cancer Disability Benefits Questionnaire”

5.2.2.2. **Section 3. Treatment (Surgery) has been changed to contain the following options:**

[ ] Surgery  
[ ] Prostatectomy  
[ ] Radical prostatectomy  
[ ] Transurethral resection prostatectomy  
[ ] Other (describe):

5.2.2.3. **Section 3. Treatment (Antineoplastic chemotherapy)**

- Date of most recent treatment has been removed

5.2.2.4. **Section 4. Residual conditions and/or complications has been changed to Section 4. Voiding dysfunction and contains the following:**

Does the Veteran have a voiding dysfunction?  
[ ] Yes  [ ] No  

If yes, provide etiology of voiding dysfunction:

If the Veteran has a voiding dysfunction, complete the following questions:
a. Does the voiding dysfunction cause urine leakage?
   [ ] Yes  [ ] No

   Indicate severity (check one):
   [ ] Does not require the wearing of absorbent material
   [ ] Requires absorbent material which must be changed less than 2 times per day
   [ ] Requires absorbent material which must be changed 2 to 4 times per day
   [ ] Requires absorbent material which must be changed more than 4 times per day
   [ ] Other, describe:

b. Does the voiding dysfunction require the use of an appliance?
   [ ] Yes  [ ] No

   If yes, describe the appliance:

c. Does the voiding dysfunction cause increased urinary frequency?
   [ ] Yes  [ ] No

   If yes, check all that apply:
   [ ] Daytime voiding interval between 2 and 3 hours
   [ ] Daytime voiding interval between 1 and 2 hours
   [ ] Daytime voiding interval less than 1 hour
   [ ] Nighttime awakening to void 2 times
   [ ] Nighttime awakening to void 3 to 4 times
   [ ] Nighttime awakening to void 5 or more times

d. Does the voiding dysfunction cause signs or symptoms of obstructed voiding?
   [ ] Yes  [ ] No

   If yes, check all that apply:
   [ ] Hesitancy
       If checked, is hesitancy marked?
       [ ] Yes  [ ] No
   [ ] Slow or weak stream
       If checked, is stream markedly slow or weak?
       [ ] Yes  [ ] No
   [ ] Decreased force of stream
       If checked, is force of stream markedly decreased?
       [ ] Yes  [ ] No
   [ ] Stricture disease requiring dilatation 1 to 2 times per year
   [ ] Stricture disease requiring periodic dilatation every 2 to 3 months
   [ ] Recurrent urinary tract infections secondary to obstruction
   [ ] Uroflowmetry peak flow rate less than 10 cc/sec
   [ ] Post void residuals greater than 150 cc
   [ ] Urinary retention requiring intermittent catheterization
   [ ] Urinary retention requiring continuous catheterization
   [ ] Other, describe:

5.2.2.5. Section 5. Other pertinent physical findings, complications, conditions, signs and/or symptoms has been changed to Section 5. Urinary tract/kidney infection and contains the following:

Does the Veteran have a history of recurrent symptomatic urinary tract or kidney infections?
   [ ] Yes  [ ] No

   If yes, provide etiology:

   If the Veteran has had recurrent symptomatic urinary tract or kidney infections, indicate all treatment modalities that apply:
[ ] No treatment
[ ] Long-term drug therapy
  If checked, list medications used and indicate dates for courses of treatment over the past 12 months:
[ ] Hospitalization
  If checked, indicate frequency of hospitalization:
    [ ] 1 or 2 per year
    [ ] > 2 per year
[ ] Drainage
  If checked, indicate dates when drainage performed over past 12 months:
[ ] Continuous intensive management
  If checked, indicate types of treatment and medications used over past 12 months:
[ ] Other, describe:

5.2.2.6. **Section 6. Diagnostic testing** has been changed to **Section 6. Erectile dysfunction** and contains the following:

a. Does the Veteran have erectile dysfunction?
   [ ] Yes [ ] No
   If yes, provide etiology:

b. If the Veteran has erectile dysfunction, is it as likely as not (at least a 50% probability) attributable to one of the diagnoses in Section 1, including residuals of treatment for this diagnosis?
   [ ] Yes [ ] No
   If yes, specify the diagnosis to which the erectile dysfunction is as likely as not attributable:

c. If the Veteran has erectile dysfunction, is he able to achieve an erection sufficient for penetration and ejaculation (without medication)?
   [ ] Yes [ ] No
   If no, is the Veteran able to achieve an erection sufficient for penetration and ejaculation (with medication)?
     [ ] Yes [ ] No

5.2.2.7. **Section 7. Functional impact** has been changed to **Section 7. Retrograde ejaculation** and contains the following:

a. Does the Veteran have retrograde ejaculation?
   [ ] Yes [ ] No
   If yes, provide etiology of the retrograde ejaculation:

b. If the Veteran has retrograde ejaculation, is it as likely as not (at least a 50% probability) attributable to one of the diagnoses in Section 1, including residuals of treatment for this diagnosis?
   [ ] Yes [ ] No
   If yes, specify the diagnosis to which the retrograde ejaculation is as likely as not attributable:
5.2.2.8. **Section 8. Remarks, if any has been changed to Section 8. Residual conditions and/or complications and contains the following:**

a. Does the Veteran have any other residual conditions and/or complications due to prostate cancer or treatment for prostate cancer?
   [ ] Yes  [ ] No

   If yes, describe:

5.2.2.9. **Section 9. Other pertinent physical findings, complications, conditions signs and/or symptoms has been added to the DBQ and contains the following:**

a. Does the Veteran have any scars (surgical or otherwise) related to any conditions or to the treatment of any conditions listed in the Diagnosis section above?
   [ ] Yes  [ ] No

   If yes, are any of the scars painful and/or unstable, or is the total area of all related scars greater than 39 square cm (6 square inches)?
   [ ] Yes  [ ] No

   If yes, also complete a Scars Questionnaire.

b. Does the Veteran have any other pertinent physical findings, complications, conditions, signs or symptoms?
   [ ] Yes  [ ] No

   If yes, describe (brief summary):

5.2.3.0. **Section 10. Diagnostic testing has been added to the DBQ and contains the following:**

   NOTE: If laboratory test results are in the medical record and reflect the Veteran's current condition, repeat testing is not required.

   Are there any significant diagnostic test findings and/or results?
   [ ] Yes  [ ] No

   If yes, provide type of test or procedure, date and results (brief summary):

5.2.3.1. New **Section 11. Functional impact, was previously Section 7. Functional impact**

5.2.3.2. New **Section 12. Remarks, if any was previously Section 8. Remarks, if any**
5.3 AMIE–DBQ Worksheet Additions

VBAVACO has approved the following new AMIE–DBQ Worksheets that are accessible through the Veterans Health Information Systems and Technology Architecture (VistA) AMIE software package.

- DBQ KIDNEY CONDITIONS (NEPHROLOGY)
- DBQ MALE REPRODUCTIVE SYSTEMS CONDITIONS

5.4 AMIE–DBQ Worksheet Modifications

VBAVACO has approved modifications for the following AMIE–DBQ Worksheets.

- DBQ HEMIC AND LYMPHATIC CONDITIONS, INCLUDING LEUKEMIA
- DBQ PROSTATE CANCER
6. Disability Benefits Questionnaires (DBQs)

The following section illustrates the content of the new questionnaires included in Patch DVBA*2.7*163.

6.1. Kidney Conditions (Nephrology) Disability Benefits Questionnaire

Name of patient/Veteran: _____________________________________ SSN: _____________

Your patient is applying to the U. S. Department of Veterans Affairs (VA) for disability benefits. VA will consider the information you provide on this questionnaire as part of their evaluation in processing the Veteran’s claim.

1. Diagnosis:
   Does the Veteran now have or has he/she ever been diagnosed with a kidney condition?
   □ Yes □ No
   If no, provide rationale (e.g., Veteran has never had any known kidney condition(s)):
   __________________________________________________________________________

   If yes, indicate diagnoses: (check all that apply)
   □ Diabetic nephropathy ICD Code: ______ Date of Diagnosis: _____________
   □ Glomerulonephritis ICD Code: ______ Date of Diagnosis: _____________
   □ Hydronephrosis ICD Code: ______ Date of Diagnosis: _____________
   □ Interstitial nephritis ICD Code: ______ Date of Diagnosis: _____________
   □ Kidney transplant ICD Code: ______ Date of Diagnosis: _____________
   □ Nephrosclerosis ICD Code: ______ Date of Diagnosis: _____________
   □ Nephrolithiasis ICD Code: ______ Date of Diagnosis: _____________
   □ Renal artery stenosis ICD Code: ______ Date of Diagnosis: _____________
   □ Ureterolithiasis ICD Code: ______ Date of Diagnosis: _____________
   □ Neoplasm of the kidney ICD Code: ______ Date of Diagnosis: _____________

   □ Other kidney condition (specify diagnosis, providing only diagnoses that pertain to kidney conditions.)
   Other diagnosis #1: __________________
   ICD code: __________________
   Date of diagnosis: _____________

   Other diagnosis #2: __________________
   ICD code: __________________
   Date of diagnosis: _____________

   If there are additional diagnoses that pertain to kidney conditions, list using above format: _______

2. Medical history
   Describe the history (including cause, onset and course) of the Veteran’s kidney condition: _______

3. Renal dysfunction
   a. Does the Veteran have renal dysfunction?
      □ Yes □ No
      If yes, does the Veteran require regular dialysis?
      □ Yes □ No
b. Does the Veteran have any signs or symptoms due to renal dysfunction?
   [ ] Yes  [ ] No
   If yes, check all that apply:
   - Proteinuria (albuminuria)
     If checked, indicate frequency: (check all that apply)
       [ ] Recurring  [ ] Constant  [ ] Persistent
   - Edema (due to renal dysfunction)
     If checked, indicate frequency: (check all that apply)
       [ ] Some  [ ] Transient  [ ] Slight  [ ] Persistent
   - Anorexia (due to renal dysfunction)
   - Weight loss (due to renal dysfunction)
     If checked, provide baseline weight (average weight for 2-year period preceding onset of disease):
     [__________________________]

   If checked, provide current weight: ________________________
   - Generalized poor health due to renal dysfunction
   - Lethargy due to renal dysfunction
   - Weakness due to renal dysfunction
   - Limitation of exertion due to renal dysfunction
   - Able to perform only sedentary activity, due to persistent edema caused by renal dysfunction
   - Markedly decreased function other organ systems, especially the cardiovascular system, caused by renal dysfunction
     If checked, describe: ______________________________________

c. Does the Veteran have hypertension and/or heart disease due to renal dysfunction or caused by any kidney condition?
   [ ] Yes  [ ] No
   If yes, also complete the Hypertension and/or Heart Disease Questionnaire as appropriate.

4. Urolithiasis
a. Does the Veteran have kidney, ureteral or bladder calculi?
   [ ] Yes  [ ] No
   If yes, indicate location (check all that apply)
     - Kidney  - Ureter  - Bladder
   If the Veteran has urolithiasis, complete the following:

   b. Has the Veteran had treatment for recurrent stone formation in the kidney, ureter or bladder?
      [ ] Yes  [ ] No
      If yes, indicate treatment: (check all that apply)
      - Diet therapy
        If checked, specify diet and dates of use: ______________
      - Drug therapy
        If checked, list medication and dates of use: ______________
      - Invasive or non-invasive procedures
        If checked, indicate average number of times per year invasive or non-invasive procedures were required:
        [ ] 0 to 1 per year  [ ] 2 per year  [ ] > 2 per year
        Date and facility of most recent invasive or non-invasive procedure: ______________

c. Does the Veteran have signs or symptoms due to urolithiasis?
   [ ] Yes  [ ] No
   If yes, indicate severity (check all that apply):
   - No symptoms or attacks of colic
   - Occasional attacks of colic
   - Frequent attacks of colic
   - Causing voiding dysfunction
   - Requires catheter drainage
Causing infection (pyonephrosis)
Causing hydronephrosis
Causing impaired kidney function
Other, describe: ______________________

5. Urinary tract/kidney infection
Does the Veteran have a history of recurrent symptomatic urinary tract or kidney infections?
☐ Yes  ☐ No
If yes, provide etiology: ______________________________

If the Veteran has had recurrent symptomatic urinary tract or kidney infections, indicate all treatment modalities that apply:
☐ No treatment
☐ Long-term drug therapy
  If checked, list medications used and indicate dates for courses of treatment over the past 12 months: ______________________________
☐ Hospitalization
  If checked, indicate frequency of hospitalization:
    ☐ 1 or 2 per year
    ☐ > 2 per year
☐ Drainage
  If checked, indicate dates when drainage performed over past 12 months: __________________
☐ Continuous intensive management
  If checked, indicate types of treatment and medications used over past 12 months: ______
☐ Intermittent intensive management
  If checked, indicate types of treatment and medications used over past 12 months: ______
☐ Other, describe: ______________________

6. Kidney transplant or removal
a. Has the Veteran had a kidney removed?
☐ Yes  ☐ No
If yes, provide reason:
  ☐ Kidney donation
  ☐ Due to disease
  ☐ Due to trauma or injury
  ☐ Other, describe: ______________________

b. Has the Veteran had a kidney transplant?
☐ Yes  ☐ No
If yes, date of admission: __________________
  Date of discharge: ______________________

7. Tumors and neoplasms
a. Does the Veteran have a benign or malignant neoplasm or metastases related to any of the diagnoses in the Diagnosis section?
☐ Yes  ☐ No
If yes, complete the following:

b. Is the neoplasm
  ☐ Benign  ☐ Malignant

c. Has the Veteran completed treatment or is the Veteran currently undergoing treatment for a benign or malignant neoplasm or metastases?
☐ Yes  ☐ No; watchful waiting
  If yes, indicate type of treatment the Veteran is currently undergoing or has completed (check all that apply):
Treatment completed; currently in watchful waiting status
☐ Surgery  
    If checked, describe: ____________________________  
    Date(s) of surgery: __________
☐ Radiation therapy  
    Date of most recent treatment: ____________  
    Date of completion of treatment or anticipated date of completion: ____________
☐ Antineoplastic chemotherapy  
    Date of most recent treatment: ____________  
    Date of completion of treatment or anticipated date of completion: ____________ ____________
☐ Other therapeutic procedure  
    If checked, describe procedure: ____________________________  
    Date of most recent procedure: ____________
☐ Other therapeutic treatment  
    If checked, describe treatment:  
    Date of completion of treatment or anticipated date of completion: ____________

D. Does the Veteran currently have any residual conditions or complications due to the neoplasm  
   (including metastases) or its treatment, other than those already documented in the report above?  
   ☐ Yes  ☐ No  
   If yes, list residual conditions and complications (brief summary): ____________________________

E. If there are additional benign or malignant neoplasms or metastases related to any of the diagnoses in  
   the Diagnosis section, describe using the above format:  
   ______________________________________________

8. Other pertinent physical findings, complications, conditions, signs and/or symptoms
   a. Does the Veteran have any scars (surgical or otherwise) related to any conditions or to the treatment of  
      any conditions listed in the Diagnosis section above?  
      ☐ Yes  ☐ No  
      If yes, are any of the scars painful and/or unstable, or is the total area of all related scars greater than  
      39 square cm (6 square inches)?  
      ☐ Yes  ☐ No  
      If yes, also complete a Scars Questionnaire.

   b. Does the Veteran have any other pertinent physical findings, complications, conditions, signs or  
      symptoms?  
      ☐ Yes  ☐ No  
      If yes, describe (brief summary): ____________________________

9. Diagnostic testing  
   NOTE: If laboratory test results are in the medical record and reflect the Veteran’s current renal function,  
   repeat testing is not required.
   
   a. Has the Veteran had laboratory or other diagnostic studies performed?  
      ☐ Yes  ☐ No  
      If yes, provide most recent results, if available:

   b. Laboratory studies  
      ☐ BUN:  
              Date: ____________  
              Result: ______________
      ☐ Creatinine:  
              Date: ____________  
              Result: ______________
      ☐ EGFR:  
              Date: ____________  
              Result: ______________

   c. Urinalysis:  
      ☐ Hyaline casts:  
              Date: ____________  
              Result: ______________
Granular casts: Date: ___________ Result: ______________
RBC's/HPF: Date: ___________ Result: ______________
Protein (albumin): Date: ___________ Result: ______________
Spot urine for protein/creatinine ratio: Date: ___________ Result: ______________
24 hour protein (albumin): Date: ___________ Result: ______________
d. Urine microalbumin: Date: ___________ Result: ______________
e. Are there any other significant diagnostic test findings and/or results?
☐ Yes  ☐ No
If yes, provide type of test or procedure, date and results (brief summary): ______________

10. Functional impact
Does the Veteran’s kidney condition(s), including neoplasms, if any, impact his or her ability to work?
☐ Yes  ☐ No
If yes, describe impact of each of the Veteran’s kidney conditions, providing one or more examples: ____

11. Remarks, if any: ________________________________________________________________

Physician signature: __________________________________________ Date: __
Physician printed name: ___________________________________________
Medical license #: _____________ Physician address: __________________________
Phone: ____________________ Fax: _____________________________

NOTE: VA may request additional medical information, including additional examinations if necessary to complete VA’s review of the Veteran’s application.

Privacy Act Notice: VA will not disclose information collected on this form to any source other than what has been authorized under the Privacy Act of 1974 or Title 38, Code of Federal Regulations 1.576 for routine uses (i.e., civil or criminal law enforcement, congressional communications, epidemiological or research studies, the collection of money owed to the United States, litigation in which the United States is a party or has an interest, the administration of VA programs and delivery of VA benefits, verification of identity and status, and personnel administration) as identified in the VA system of records, 58/VA21/22/28, Compensation, Pension, Education and Vocational Rehabilitation and Employment Records – VA, published in the Federal Register. Your obligation to respond is required to obtain or retain benefits. VA uses your SSN to identify your claim file. Providing your SSN will help ensure that your records are properly associated with your claim file. Giving us your SSN account information is voluntary. Refusal to provide your SSN by itself will not result in the denial of benefits. VA will not deny an individual benefits for refusing to provide his or her SSN unless the disclosure of the SSN is required by a Federal Statute of law in effect prior to January 1, 1975, and still in effect. The requested information is considered relevant and necessary to determine maximum benefits under the law. The responses you submit are considered confidential (38 U.S.C. 5701). Information submitted is subject to verification through computer matching programs with other agencies.

Respondent Burden: We need this information to determine entitlement to benefits (38 U.S.C. 501). Title 38, United States Code, allows us to ask for this information. We estimate that you will need an average of 30 minutes to review the instructions, find the information, and complete the form. VA cannot conduct or sponsor a collection of information unless a valid OMB control number is displayed. You are not required to respond to a collection of information if this number is not displayed. Valid OMB control numbers can be located on the OMB Internet Page at www.reginfo.gov/public/do/PRAMain. If desired, you can call 1-800-827-1000 to get information on where to send comments or suggestions about this form.
6.2. Male Reproductive Systems Conditions Disability Benefits Questionnaire

Name of patient/Veteran: ___________________________________________ SSN: ____________________

Your patient is applying to the U. S. Department of Veterans Affairs (VA) for disability benefits. VA will consider the information you provide on this questionnaire as part of their evaluation in processing the Veteran’s claim.

1. Diagnosis:
Does the Veteran now have or has he ever been diagnosed with any conditions of the male reproductive system? ☐ Yes ☐ No
If no, provide rationale (e.g., Veteran has never had any known male reproductive organ conditions):
______________________________________________________________

If yes, indicate diagnoses: (check all that apply)
☐ Erectile dysfunction ICD Code: _____ Date of Diagnosis: ____________
☐ Penis, deformity (e.g., Peyronie’s) ICD Code: _____ Date of Diagnosis: ____________
☐ Testis, atrophy, one or both ICD Code: _____ Date of Diagnosis: ____________
☐ Testis, removal, one or both ICD Code: _____ Date of Diagnosis: ____________
☐ Epididymitis, chronic ICD Code: _____ Date of Diagnosis: ____________
☐ Epididymo-orchitis, chronic ICD Code: _____ Date of Diagnosis: ____________
☐ Prostate injury ICD Code: _____ Date of Diagnosis: ____________
☐ Prostate hypertrophy (BPH) ICD Code: _____ Date of Diagnosis: ____________
☐ Prostatitis, chronic ICD Code: _____ Date of Diagnosis: ____________
☐ Prostate surgical residuals (as addressed in items 3-6) ICD Code: _____ Date of Diagnosis: ____________
☐ Neoplasms of the male reproductive system ICD Code: _____ Date of Diagnosis: ____________
☐ Other male reproductive system condition (specify diagnosis, providing only diagnoses that pertain to male reproductive system.) ICD Code: _____ Date of Diagnosis: ____________

Other diagnosis #1: ______________
ICD code: _____________________
Date of diagnosis: ______________

Other diagnosis #2: ______________
ICD code: _____________________
Date of diagnosis: ______________

If there are additional diagnoses that pertain to the male reproductive organ conditions, list using above format:
_______________________________________________________________________________

2. Medical history
a. Describe the history (including onset and course) of the Veteran’s male reproductive organ condition(s) (brief summary): ________________________________

b. Does the Veteran’s treatment plan include taking continuous medication for the diagnosed condition?
☐ Yes ☐ No List medications: ____________________________________________

April 2011        DVBA*2.7*163 Release Notes 13
c. Has the Veteran had an orchiectomy?
☐ Yes  ☐ No
   Indicate testicle removed:  ☐ Right  ☐ Left  ☐ Both
   Indicate reason for removal:
     ☐ Undescended
     ☐ Congenitally underdeveloped
     ☐ Other: provide reason for removal: __________________________

3. Voiding dysfunction
Does the Veteran have a voiding dysfunction?
☐ Yes  ☐ No
If yes, provide etiology of voiding dysfunction: __________________________
If the Veteran has a voiding dysfunction, complete the following questions:

a. Does the voiding dysfunction cause urine leakage?
☐ Yes  ☐ No
Indicate severity (check one):
   ☐ Does not require the wearing of absorbent material
   ☐ Requires absorbent material which must be changed less than 2 times per day
   ☐ Requires absorbent material which must be changed 2 to 4 times per day
   ☐ Requires absorbent material which must be changed more than 4 times per day
   ☐ Other, describe: __________________________

b. Does the voiding dysfunction require the use of an appliance?
☐ Yes  ☐ No
If yes, describe the appliance:
_____________________________________________________________________

   __________________________

c. Does the voiding dysfunction cause increased urinary frequency?
☐ Yes  ☐ No
If yes, check all that apply:
   ☐ Daytime voiding interval between 2 and 3 hours
   ☐ Daytime voiding interval between 1 and 2 hours
   ☐ Daytime voiding interval less than 1 hour
   ☐ Nighttime awakening to void 2 times
   ☐ Nighttime awakening to void 3 to 4 times
   ☐ Nighttime awakening to void 5 or more times

d. Does the voiding dysfunction cause signs or symptoms of obstructed voiding?
☐ Yes  ☐ No
If yes, check all that apply:
   ☐ Hesitancy
      If checked, is hesitancy marked?
         ☐ Yes  ☐ No
   ☐ Slow or weak stream
      If checked, is stream markedly slow or weak?
         ☐ Yes  ☐ No
   ☐ Decreased force of stream
      If checked, is force of stream markedly decreased?
         ☐ Yes  ☐ No
   ☐ Stricture disease requiring dilatation 1 to 2 times per year
   ☐ Stricture disease requiring periodic dilatation every 2 to 3 months
   ☐ Recurrent urinary tract infections secondary to obstruction
   ☐ Uroflowmetry peak flow rate less than 10 cc/sec
   ☐ Post void residuals greater than 150 cc
   ☐ Urinary retention requiring intermittent catheterization
4. Urinary tract/kidney infection
Does the Veteran have a history of recurrent symptomatic urinary tract or kidney infections?
☐ Yes  ☐ No
If yes, provide etiology: ____________________________

If the Veteran has had recurrent symptomatic urinary tract or kidney infections, indicate all treatment modalities that apply:
☐ No treatment
☐ Long-term drug therapy
   If checked, list medications used and indicate dates for courses of treatment over the past 12 months: ____________________________
☐ Hospitalization
   If checked, indicate frequency of hospitalization:
      ☐ 1 or 2 per year
      ☐ >2 per year
☐ Drainage
   If checked, indicate dates when drainage performed over past 12 months: ______________
☐ Continuous intensive management
   If checked, indicate types of treatment and medications used over past 12 months: ______
☐ Intermittent intensive management
   If checked, indicate types of treatment and medications used over past 12 months: ______
☐ Other, describe: ____________________________

5. Erectile dysfunction
a. Does the Veteran have erectile dysfunction?
   ☐ Yes  ☐ No
   If yes, provide etiology: ____________________________

   b. If the Veteran has erectile dysfunction, is it as likely as not (at least a 50% probability) attributable to one of the diagnoses in Section 1, including residuals of treatment for this diagnosis?
      ☐ Yes  ☐ No
      If yes, specify the diagnosis to which the erectile dysfunction is as likely as not attributable:
         ____________________________

   c. If the Veteran has erectile dysfunction, is he able to achieve an erection sufficient for penetration and ejaculation (without medication)?
      ☐ Yes  ☐ No
      If no, is the Veteran able to achieve an erection sufficient for penetration and ejaculation (with medication)?
      ☐ Yes  ☐ No

6. Retrograde ejaculation
a. Does the Veteran have retrograde ejaculation?
   ☐ Yes  ☐ No
   If yes, provide etiology of the retrograde ejaculation: ____________________________

   b. If the Veteran has retrograde ejaculation, is it as likely as not (at least a 50% probability) attributable to one of the diagnoses in Section 1, including residuals of treatment for this diagnosis?
      ☐ Yes  ☐ No
      If yes, specify the diagnosis to which the retrograde ejaculation is as likely as not attributable:
         ____________________________
7. Male reproductive organ infections
Does the Veteran have a history of chronic epididymitis, epididymo-orchitis or prostatitis?
☐ Yes  ☐ No

If yes, indicate all treatment modalities that apply:
☐ No treatment
☐ Long-term drug therapy
   If checked, list medications used and indicate dates for courses of treatment over the past 12 months:
☐ Hospitalization
   If checked, indicate frequency of hospitalization:
      ☐ 1 or 2 per year
      ☐ > 2 per year
☐ Continuous intensive management
   If checked, indicate types of treatment and medications used over past 12 months: ______
☐ Intermittent intensive management
   If checked, indicate types of treatment and medications used over past 12 months: ______
☐ Other, describe: ___________________

8. Physical exam
a. Penis
   ☐ Normal
   ☐ Not examined per Veteran’s request
   ☐ Not examined; penis exam not relevant to condition
   ☐ Abnormal
   If abnormal, indicate severity:
      ☐ Loss/removal of half or more of penis
      ☐ Loss/removal of glans penis
      ☐ Penis deformity (such as Peyronie’s disease)
      If checked, describe: ______________

b. Testes
   ☐ Normal
   ☐ Not examined per Veteran’s request
   ☐ Not examined; testicular exam not relevant to condition
   ☐ Abnormal

   If abnormal, check all that apply:
   Right testicle
      ☐ Size 1/3 or less of normal
      ☐ Size 1/2 to 1/3 of normal
      ☐ Considerably harder than normal
      ☐ Considerably softer than normal
      ☐ Absent
      ☐ Other abnormality,
         Describe: ___________________

   Left testicle
      ☐ Size 1/3 or less of normal
      ☐ Size 1/2 to 1/3 of normal
      ☐ Considerably harder than normal
      ☐ Considerably softer than normal
      ☐ Absent
      ☐ Other abnormality,
         Describe: ___________________
9. Tumors and neoplasms
a. Does the Veteran have a benign or malignant neoplasm or metastases related to any of the diagnoses in the Diagnosis section? □ Yes □ No
If yes, complete the following:

b. Is the neoplasm □ Benign □ Malignant

c. Has the Veteran completed treatment or is the Veteran currently undergoing treatment for a benign or malignant neoplasm or metastases?
□ Yes □ No; watchful waiting
If yes, indicate type of treatment the Veteran is currently undergoing or has completed (check all that apply):
□ Treatment completed; currently in watchful waiting status
□ Surgery
   If checked, describe: ____________________
   Date(s) of surgery: __________
□ Radiation therapy
   Date of most recent treatment: __________
   Date of completion of treatment or anticipated date of completion: __________
□ Antineoplastic chemotherapy
   Date of most recent treatment: __________
   Date of completion of treatment or anticipated date of completion: __________
□ Other therapeutic procedure
   If checked, describe procedure: ____________________
   Date of most recent procedure: __________
□ Other therapeutic treatment
   If checked, describe treatment:
   Date of completion of treatment or anticipated date of completion: __________
d. Does the Veteran currently have any residual conditions or complications due to the neoplasm (including metastases) or its treatment, other than those already documented in the report above?
   □ Yes  □ No
   If yes, list residual conditions and complications (brief summary): ________________

e. If there are additional benign or malignant neoplasms or metastases related to any of the diagnoses in the Diagnosis section, describe using the above format: ________________________________

10. Other pertinent physical findings, complications, conditions, signs and/or symptoms
   a. Does the Veteran have any scars (surgical or otherwise) related to any conditions or to the treatment of any conditions listed in the Diagnosis section above?
      □ Yes  □ No
      If yes, are any of the scars painful and/or unstable, or is the total area of all related scars greater than 39 square cm (6 square inches)?
         □ Yes  □ No
         If yes, also complete a Scars Questionnaire.

b. Does the Veteran have any other pertinent physical findings, complications, conditions, signs or symptoms?
   □ Yes  □ No
   If yes, describe (brief summary): ________________________________

11. Diagnostic testing
   NOTE: If imaging studies, diagnostic procedures or laboratory testing has been performed and reflects the Veteran’s current condition, provide most recent results; no further studies or testing are required for this examination.

   a. Has the Veteran had a testicular biopsy to determine the presence of spermatozoa?
      □ Yes  □ No
      If yes, were spermatozoa present?
         □ Yes  □ No
         Date of biopsy: ________________

   b. Have any other imaging studies, diagnostic procedures or laboratory testing been performed and are the results available?
      □ Yes  □ No
      If yes, provide type of test or procedure, date and results (brief summary): ________________________________

12. Functional impact
   Does the Veteran’s male reproductive system condition(s), including neoplasms, if any, impact his ability to work?
   □ Yes  □ No
   If yes, describe the impact of each of the Veteran’s male reproductive system condition(s), providing one or more examples: ________________________________

13. Remarks, if any: ____________________________________________________________________________________

Physician signature: __________________________ Date: ___
Physician printed name: __________________________
Medical license #: ____________ Physician address: __________________________
Phone: __________________________ Fax: __________________________
NOTE: VA may request additional medical information, including additional examinations if necessary to complete VA’s review of the Veteran’s application.

Privacy Act Notice: VA will not disclose information collected on this form to any source other than what has been authorized under the Privacy Act of 1974 or Title 38, Code of Federal Regulations 1.576 for routine uses (i.e., civil or criminal law enforcement, congressional communications, epidemiological or research studies, the collection of money owed to the United States, litigation in which the United States is a party or has an interest, the administration of VA programs and delivery of VA benefits, verification of identity and status, and personnel administration) as identified in the VA system of records, 58/VA21/22/28, Compensation, Pension, Education and Vocational Rehabilitation and Employment Records – VA, published in the Federal Register. Your obligation to respond is required to obtain or retain benefits. VA uses your SSN to identify your claim file. Providing your SSN will help ensure that your records are properly associated with your claim file. Giving us your SSN account information is voluntary. Refusal to provide your SSN by itself will not result in the denial of benefits. VA will not deny an individual benefits for refusing to provide his or her SSN unless the disclosure of the SSN is required by a Federal Statute of law in effect prior to January 1, 1975, and still in effect. The requested information is considered relevant and necessary to determine maximum benefits under the law. The responses you submit are considered confidential (38 U.S.C. 5701). Information submitted is subject to verification through computer matching programs with other agencies.

Respondent Burden: We need this information to determine entitlement to benefits (38 U.S.C. 501). Title 38, United States Code, allows us to ask for this information. We estimate that you will need an average of 15 minutes to review the instructions, find the information, and complete the form. VA cannot conduct or sponsor a collection of information unless a valid OMB control number is displayed. You are not required to respond to a collection of information if this number is not displayed. Valid OMB control numbers can be located on the OMB Internet Page at www.reginfo.gov/public/do/PRAMain. If desired, you can call 1-800-827-1000 to get information on where to send comments or suggestions about this form.
6.3. Hematologic and Lymphatic Conditions, including Leukemia Disability Benefits Questionnaire

Name of patient/Veteran: _____________________________________ SSN: ______________

Your patient is applying to the U. S. Department of Veterans Affairs (VA) for disability benefits. VA will consider the information you provide on this questionnaire as part of their evaluation in processing the Veteran’s claim.

1. Diagnosis

Does the Veteran now have or has he/she ever been diagnosed with a hematologic and/or lymphatic condition?

☐ Yes ☐ No

If no, provide rationale (e.g., Veteran does not currently have any known hematologic or lymphatic condition(s)): _________________

If yes, select the Veteran’s condition:

☐ Acute lymphocytic leukemia (ALL)    ICD code: ________    Date of diagnosis: _____________
☐ Acute myelogenous leukemia (AML)    ICD code: ________    Date of diagnosis: _____________
☐ Chronic myelogenous leukemia (CML) ICD code: ________    Date of diagnosis: _____________
☐ Hodgkin’s disease                  ICD code: ________    Date of diagnosis: _____________
☐ Non-Hodgkin’s lymphoma             ICD code: ________    Date of diagnosis: _____________
☐ Anemia                            ICD code: ________    Date of diagnosis: _____________
☐ Thrombocytopenia                  ICD code: ________    Date of diagnosis: _____________
☐ Polycythemia vera                 ICD code: ________    Date of diagnosis: _____________
☐ Sickle cell anemia                ICD code: ________    Date of diagnosis: _____________
☐ Splenectomy                       ICD code: ________    Date of diagnosis: _____________
☐ Hairy cell or other B-cell leukemia: If checked, complete Hairy cell and other B-cell leukemias Questionnaire.

☐ Other hematologic or lymphatic condition(s):

Other diagnosis #1: __________________ ICD code: __________________ Date of diagnosis: ______________

Other diagnosis #2: __________________ ICD code: __________________ Date of diagnosis: ______________

Other diagnosis #3: __________________ ICD code: __________________ Date of diagnosis: ______________

If there are additional diagnoses that pertain to hematologic or lymphatic condition(s), list using above format: __________________________________________

2. Medical history

a. Describe the history (including onset, course and status) of the Veteran’s current condition(s) (brief summary): __________________
b. Indicate the status of the primary condition:
- Active
- Remission
- Not applicable

3. Treatment
a. Has the Veteran completed any treatment or is the Veteran currently undergoing any treatment for any lymphatic or hematologic condition, including leukemia?
- Yes
- No; watchful waiting

   If yes, indicate treatment type(s) (check all that apply):
   - Treatment completed; currently in watchful waiting status
   - Bone marrow transplant
     - If checked, provide:
       - Date of hospital admission and location: __________________________
       - Date of hospital discharge after transplant: __________________________
   - Surgery
     - If checked, describe: __________________________
     - Date(s) of surgery: __________________________
   - Radiation therapy
     - Date of most recent treatment: __________________________
     - Date of completion of treatment or anticipated date of completion: ______
   - Antineoplastic chemotherapy
     - Date of most recent treatment: __________________________
     - Date of completion of treatment or anticipated date of completion: ______
   - Other therapeutic procedure and/or treatment (describe): _____________________________
     - Date of procedure: __________
     - Date of completion of treatment or anticipated date of completion: ______

b. Does the Veteran have anemia, including anemia caused by treatment for a hematologic or lymphatic condition?
- Yes
- No   (if “yes”, answer both question 3.b.i and 3.b.ii)

   i. Is the anemia caused secondary to treatment of another hematologic or lymphatic condition?
   - Yes
   - No
   - If yes, provide the name of the other condition: __________________________

   ii. Is continuous medication required for control of the anemia?
   - Yes
   - No
   - If yes, list medication(s): __________________________

c. Does the Veteran have thrombocytopenia, including thrombocytopenia caused by treatment for a hematologic or lymphatic condition?
- Yes
- No   (if “yes”, answer both question 3.c.i and 3.c.ii)

   i. Is the thrombocytopenia caused secondary to treatment of another hematologic or lymphatic condition?
   - Yes
   - No
   - If yes, provide the name of the other condition: __________________________

   ii. Is continuous medication required for control of the thrombocytopenia?
   - Yes
   - No
   - If yes, list medication(s): __________________________

4. Conditions, complications and/or residuals
a. Does the Veteran currently have any conditions, complications and/or residuals due to a hematologic or lymphatic disorder or due to treatment for a hematologic or lymphatic disorder?
- Yes
- No

   If yes, check all that apply:
Weakness
Easy fatigability
Light-headedness
Shortness of breath
Headaches
Dyspnea on mild exertion
Dyspnea at rest
Tachycardia
Syncope
Cardiomegaly
High output congestive heart failure
Complications or residuals of treatment requiring transfusion of platelets or red blood cells

If checked, indicate frequency:
- At least once per year but less than once every 3 months
- At least once every 3 months
- At least once every 6 weeks

c. Does the Veteran currently have any other conditions, complications and/or residuals of treatment from a hematologic or lymphatic disorder?
- Yes
- No

If yes, describe (brief summary): _______________________

5. Recurring infections
Does the Veteran currently have any conditions, complications and/or residuals of treatment for a hematologic or lymphatic disorder that result in recurring infections?
- Yes
- No

If yes, indicate frequency of infections:
- Less than once per year
- At least once per year but less than once every 3 months
- At least once every 3 months
- At least once every 6 weeks

6. Thrombocytopenia (primary, idiopathic or immune)
Does the Veteran have thrombocytopenia?
- Yes
- No

If yes, check all that apply:
- Stable platelet count of 100,000 or more
- Stable platelet count between 70,000 and 100,000
- Platelet count between 20,000 and 70,000
- Platelet count of less than 20,000
- With active bleeding
- Requiring treatment with medication
- Requiring treatment with transfusions

7. Polycythemia vera
Does the Veteran have polycythemia vera?
- Yes
- No

If yes, check all that apply:
- Stable, with or without continuous medication
- Requiring phlebotomy
- Requiring myelosuppressant treatment

NOTE: If there are complications due to polycythemia vera such as hypertension, gout, stroke or thrombotic disease, also complete appropriate Questionnaire(s).
8. Sickle cell anemia
Does the Veteran have sickle cell anemia?
☐ Yes ☐ No
If yes, check all that apply:
☐ Asymptomatic
☐ In remission
☐ With identifiable organ impairment
☐ Following repeated hemolytic sickling crises with continuing impairment of health
☐ Painful crises several times a year
☐ Repeated painful crises, occurring in skin, joints, bones or any major organs
☐ With anemia, thrombosis and infarction
☐ Symptoms preclude other than light manual labor
☐ Symptoms preclude even light manual labor

9. Other pertinent physical findings, complications, conditions, signs and/or symptoms
a. Does the Veteran have any other pertinent physical findings, complications, conditions, signs and/or symptoms?
☐ Yes ☐ No
If yes, describe (brief summary): _______________________________

b. Does the Veteran have any scars (surgical or otherwise) related to any conditions or to the treatment of any conditions listed in the Diagnosis section above?
☐ Yes ☐ No
If yes, also complete a Scars Questionnaire for each scar.

10. Diagnostic testing
If testing has been performed and reflects Veteran’s current condition, no further testing is required.
Provide most recent CBC, hemoglobin level or platelet count appropriate to the Veteran’s condition:
a. CBC: __________________ Date: _________________
b. Hemoglobin level (gm/100ml):_________ Date: _________________
c. Platelet count: _______________ Date: _________________
d. Are there any other significant diagnostic test findings and/or results?
☐ Yes ☐ No
If yes, provide type of test or procedure, date and results (brief summary): _______________________________

11. Functional impact
Does the Veteran’s hematologic and/or lymphatic condition(s) impact his or her ability to work?
☐ Yes ☐ No
If yes, describe impact of each of the Veteran’s hematologic and/or lymphatic conditions, providing one or more examples: _______________________________

12. Remarks, if any: __________________________________________________________

Physician signature: ___________________________ Date: __
Physician printed name: ___________________________
Medical license #: _____________ Physician address: ________________________________
Phone: ______________________ Fax: __________________________
NOTE: VA may request additional medical information, including additional examinations if necessary to complete VA’s review of the Veteran’s application.

Privacy Act Notice: VA will not disclose information collected on this form to any source other than what has been authorized under the Privacy Act of 1974 or Title 38, Code of Federal Regulations 1.576 for routine uses (i.e., civil or criminal law enforcement, congressional communications, epidemiological or research studies, the collection of money owed to the United States, litigation in which the United States is a party or has an interest, the administration of VA programs and delivery of VA benefits, verification of identity and status, and personnel administration) as identified in the VA system of records, 58/VA21/22/28, Compensation, Pension, Education and Vocational Rehabilitation and Employment Records – VA, published in the Federal Register. Your obligation to respond is required to obtain or retain benefits. VA uses your SSN to identify your claim file. Providing your SSN will help ensure that your records are properly associated with your claim file. Giving us your SSN account information is voluntary. Refusal to provide your SSN by itself will not result in the denial of benefits. VA will not deny an individual benefits for refusing to provide his or her SSN unless the disclosure of the SSN is required by a Federal Statute of law in effect prior to January 1, 1975, and still in effect. The requested information is considered relevant and necessary to determine maximum benefits under the law. The responses you submit are considered confidential (38 U.S.C. 5701). Information submitted is subject to verification through computer matching programs with other agencies.

Respondent Burden: We need this information to determine entitlement to benefits (38 U.S.C. 501). Title 38, United States Code, allows us to ask for this information. We estimate that you will need an average of 15 minutes to review the instructions, find the information, and complete the form. VA cannot conduct or sponsor a collection of information unless a valid OMB control number is displayed. If desired, you can call 1-800-827-1000 to get information on where to send comments or suggestions about this form.
6.4. Prostate Cancer Disability Benefits Questionnaire

Name of patient/Veteran: __________________________________ SSN: _____________

Your patient is applying to the U. S. Department of Veterans Affairs (VA) for disability benefits. VA will consider the information you provide on this questionnaire as part of their evaluation in processing the Veteran’s claim.

1. Diagnosis

Does the Veteran now have or has he ever been diagnosed with prostate cancer?
☐ Yes  ☐ No

If no, provide rationale (e.g. Veteran has never had prostate cancer): ________________

If yes, provide only diagnoses that pertain to prostate cancer.

Diagnosis #1: __________________
ICD code: ___________________
Date of diagnosis: ______________

Diagnosis #2: __________________
ICD code: ___________________
Date of diagnosis: ______________

Diagnosis #3: __________________
ICD code: ___________________
Date of diagnosis: ______________

If there are additional diagnoses that pertain to prostate cancer, list using above format: ____________

2. Medical history

a. Describe the history (including onset and course) of the Veteran’s prostate cancer condition (brief summary): ________________

b. Indicate status of disease:
☐ Active
☐ Remission

3. Treatment

Has the Veteran completed any treatment for prostate cancer or is the Veteran currently undergoing any treatment for prostate cancer?
☐ Yes  ☐ No; watchful waiting

If yes, indicate treatment type(s) (check all that apply):
☐ Treatment completed; currently in watchful waiting status
☐ Surgery
☐ Prostatectomy
☐ Radical prostatectomy
☐ Transurethral resection prostatectomy
☐ Other (describe): __________________
☐ Other surgical procedure (describe): __________________
Date of surgery: ______________

☐ Radiation therapy
Date of completion of treatment or anticipated date of completion: __________
☐ Brachytherapy
   Date of treatment: __________
☐ Antineoplastic chemotherapy
   Date of completion of treatment or anticipated date of completion: __________
☐ Androgen deprivation therapy (hormonal therapy)
   Date of completion of treatment or anticipated date of completion: __________
☐ Other therapeutic procedure and/or treatment (describe): _____________________________
   Date of procedure: __________
   Date of completion of treatment or anticipated date of completion: __________

4. Voiding dysfunction
Does the Veteran have a voiding dysfunction?
☐ Yes ☐ No
If yes, provide etiology of voiding dysfunction: ______________________
If the Veteran has a voiding dysfunction, complete the following questions:

a. Does the voiding dysfunction cause urine leakage?
☐ Yes ☐ No
   Indicate severity (check one):
     ☐ Does not require the wearing of absorbent material
     ☐ Requires absorbent material which must be changed less than 2 times per day
     ☐ Requires absorbent material which must be changed 2 to 4 times per day
     ☐ Requires absorbent material which must be changed more than 4 times per day
     ☐ Other, describe: ______________________

b. Does the voiding dysfunction require the use of an appliance?
☐ Yes ☐ No
   If yes, describe the appliance:
_________________________________________________________________

c. Does the voiding dysfunction cause increased urinary frequency?
☐ Yes ☐ No
   If yes, check all that apply:
     ☐ Daytime voiding interval between 2 and 3 hours
     ☐ Daytime voiding interval between 1 and 2 hours
     ☐ Daytime voiding interval less than 1 hour
     ☐ Nighttime awakening to void 2 times
     ☐ Nighttime awakening to void 3 to 4 times
     ☐ Nighttime awakening to void 5 or more times

d. Does the voiding dysfunction cause signs or symptoms of obstructed voiding?
☐ Yes ☐ No
   If yes, check all that apply:
     ☐ Hesitancy
       If checked, is hesitancy marked?
         ☐ Yes ☐ No
     ☐ Slow or weak stream
       If checked, is stream markedly slow or weak?
         ☐ Yes ☐ No
     ☐ Decreased force of stream
       If checked, is force of stream markedly decreased?
         ☐ Yes ☐ No
     ☐ Stricture disease requiring dilatation 1 to 2 times per year
     ☐ Stricture disease requiring periodic dilatation every 2 to 3 months
     ☐ Recurrent urinary tract infections secondary to obstruction
     ☐ Uroflowmetry peak flow rate less than 10 cc/sec
5. Urinary tract/kidney infection

Does the Veteran have a history of recurrent symptomatic urinary tract or kidney infections?
☐ Yes ☐ No
If yes, provide etiology: _______________________

If the Veteran has had recurrent symptomatic urinary tract or kidney infections, indicate all treatment modalities that apply:
☐ No treatment
☐ Long-term drug therapy
   If checked, list medications used and indicate dates for courses of treatment over the past 12 months: _______________________
☐ Hospitalization
   If checked, indicate frequency of hospitalization:
   ☐ 1 or 2 per year
   ☐ > 2 per year
☐ Drainage
   If checked, indicate dates when drainage performed over past 12 months: _______________________
☐ Continuous intensive management
   If checked, indicate types of treatment and medications used over past 12 months: ______
☐ Intermittent intensive management
   If checked, indicate types of treatment and medications used over past 12 months: ______
☐ Other, describe: _______________________

6. Erectile dysfunction

a. Does the Veteran have erectile dysfunction?
☐ Yes ☐ No
If yes, provide etiology: _______________________

b. If the Veteran has erectile dysfunction, is it as likely as not (at least a 50% probability) attributable to one of the diagnoses in Section 1, including residuals of treatment for this diagnosis?
☐ Yes ☐ No
If yes, specify the diagnosis to which the erectile dysfunction is as likely as not attributable:
_____________________

c. If the Veteran has erectile dysfunction, is he able to achieve an erection sufficient for penetration and ejaculation (without medication)?
☐ Yes ☐ No
If no, is the Veteran able to achieve an erection sufficient for penetration and ejaculation (with medication)?
☐ Yes ☐ No

7. Retrograde ejaculation

a. Does the Veteran have retrograde ejaculation?
☐ Yes ☐ No
If yes, provide etiology of the retrograde ejaculation: _______________________

b. If the Veteran has retrograde ejaculation, is it as likely as not (at least a 50% probability) attributable to one of the diagnoses in Section 1, including residuals of treatment for this diagnosis?
☐ Yes ☐ No
If yes, specify the diagnosis to which the retrograde ejaculation is as likely as not attributable: _______________________

8. Residual conditions and/or complications
a. Does the Veteran have any other residual conditions and/or complications due to prostate cancer or treatment for prostate cancer?
   □ Yes □ No
   If yes, describe: _______________________________________

9. Other pertinent physical findings, complications, conditions, signs and/or symptoms
a. Does the Veteran have any scars (surgical or otherwise) related to any conditions or to the treatment of any conditions listed in the Diagnosis section above?
   □ Yes □ No
   If yes, are any of the scars painful and/or unstable, or is the total area of all related scars greater than 39 square cm (6 square inches)?
      □ Yes □ No
      If yes, also complete a Scars Questionnaire.

b. Does the Veteran have any other pertinent physical findings, complications, conditions, signs or symptoms?
   □ Yes □ No
   If yes, describe (brief summary): _________________________

10. Diagnostic testing
NOTE: If laboratory test results are in the medical record and reflect the Veteran’s current condition, repeat testing is not required.

   Are there any significant diagnostic test findings and/or results?
   □ Yes □ No
   If yes, provide type of test or procedure, date and results (brief summary): _________________________

11. Functional impact
   Does the Veteran’s prostate cancer impact his ability to work?
   □ Yes □ No
   If yes, describe the impact of the Veteran’s prostate cancer, providing one or more examples:
   __________________________________________________________

12. Remarks, if any:
    _______________________________________________________________________________________

   Physician signature: __________________________ Date: ___
   Physician printed name: ____________________________
   Medical license #: ________ Physician address: __________________________
   Phone: __________________ Fax: __________________________

NOTE: VA may request additional medical information, including additional examinations if necessary to complete VA’s review of the Veteran’s application.

Privacy Act Notice: VA will not disclose information collected on this form to any source other than what has been authorized under the Privacy Act of 1974 or Title 38, Code of Federal Regulations 1.576 for routine uses (i.e., civil or criminal law enforcement, congressional communications, epidemiological or research studies, the collection of money owed to the United States, litigation in which the United States is a party or has an interest, the administration of VA programs and delivery of VA benefits, verification of
identity and status, and personnel administration) as identified in the VA system of records, 58/VA21/22/28, Compensation, Pension, Education and Vocational Rehabilitation and Employment Records – VA, published in the Federal Register. Your obligation to respond is required to obtain or retain benefits. VA uses your SSN to identify your claim file. Providing your SSN will help ensure that your records are properly associated with your claim file. Giving us your SSN account information is voluntary. Refusal to provide your SSN by itself will not result in the denial of benefits. VA will not deny an individual benefits for refusing to provide his or her SSN unless the disclosure of the SSN is required by a Federal Statute of law in effect prior to January 1, 1975, and still in effect. The requested information is considered relevant and necessary to determine maximum benefits under the law. The responses you submit are considered confidential (38 U.S.C. 5701). Information submitted is subject to verification through computer matching programs with other agencies.

Respondent Burden: We need this information to determine entitlement to benefits (38 U.S.C. 501). Title 38, United States Code, allows us to ask for this information. We estimate that you will need an average of 15 minutes to review the instructions, find the information, and complete the form. VA cannot conduct or sponsor a collection of information unless a valid OMB control number is displayed. You are not required to respond to a collection of information if this number is not displayed. Valid OMB control numbers can be located on the OMB Internet Page at www.reginfo.gov/public/do/PRAMain. If desired, you can call 1-800-827-1000 to get information on where to send comments or suggestions about this form.
7. Software and Documentation Retrieval

7.1 Software

The VistA software is being distributed as a PackMan patch message through the National Patch Module (NPM). The KIDS build for this patch is DVBA*2.7*163.

7.2 User Documentation

The user documentation for this patch may be retrieved directly using FTP. The preferred method is to FTP the files from:

download.vista.med.va.gov

This transmits the files from the first available FTP server. Sites may also elect to retrieve software directly from a specific server as follows:

<table>
<thead>
<tr>
<th>OI&amp;T Field Office</th>
<th>FTP Address</th>
<th>Directory</th>
</tr>
</thead>
<tbody>
<tr>
<td>Albany</td>
<td>ftp.fo-albany.med.va.gov</td>
<td>[anonymous.software]</td>
</tr>
<tr>
<td>Hines</td>
<td>ftp.fo-hines.med.va.gov</td>
<td>[anonymous.software]</td>
</tr>
<tr>
<td>Salt Lake City</td>
<td>ftp.fo-slc.med.va.gov</td>
<td>[anonymous.software]</td>
</tr>
</tbody>
</table>

7.3 Related Documents

The following related documents are available for download from the VistA Documentation Library (VDL): http://www.va.gov/vdl/application.asp?appid=133

<table>
