3. Installation Instructions

Fee Basis and Fee Basis Claims System (FBCS) users should not be on the system during installation due to the changes to the data dictionary for the FEE BASIS PAYMENT file.

It is recommended that it be installed during non-peak hours to minimize potential disruption to users. This patch should take less than 5 minutes to install. If installed during the normal workday, it is recommended that the following selection(s) in the OPTION (#19) file, and all of their descendants be disabled to prevent possible conflicts while running the KIDS Install. Other VISTA users will not be affected.
