ANNUAL REPORT OF THE BOARD OF MANAGERS  
OF  
THE NATIONAL HOME  
FOR DISABLED VOLUNTEER SOLDIERS  
FOR FISCAL YEAR ENDING JUNE 30, 1906.

---

*To the honorable the Senate and House of Representatives of the Congress of the United States.*

GENTLEMEN: The Board of Managers of the National Home for Disabled Volunteer Soldiers, in obedience to law, presents the following report of the institution under its charge for the year ending June 30, 1906:

Gen. Martin T. McMahon, president of the Board, died in New York City, after a very brief illness, April 21, 1906. General McMahon was appointed a member of the Board in 1880, was reappointed for four successive terms, serving continuously to the date of his death. He was secretary of the Board from 1880 to 1898 and president from 1900 until his death. The Board in its proceedings, the minutes of which are included in the secretary's report and transmitted herewith, has placed on record its sense of the great loss suffered by the Home in his death and its appreciation of his noble and lovable character.

By joint resolution of Congress approved May 7, 1906, Charles M. Anderson, William Warner, and Franklin Murphy were appointed members of the Board of Managers, in each case to succeed themselves; and James W. Wadsworth, of New York, was appointed to fill the vacancy caused by the death of Gen. Martin T. McMahon.

The Board has performed its duties as required by law, visiting and inspecting the several Branch Homes, attending to the care and discipline of the members, supervising contracts for the construction of new buildings, for repairs, for materials and supplies, and arranging for their proper distribution.

The several Branches have been carefully inspected by the inspecting officers of the Home at stated intervals, and irregularities and defects of a minor character have been pointed out and corrections made.

Under the provisions of the act approved August 18, 1894, the Home has also been inspected by Col. John L. Chamberlain, inspector-general, United States Army, the officer designated by the Secretary of War.

During the year which ended June 30, 1906, 34,810 members were cared for. Of this number 21,105 were maintained throughout the

year. The gains in membership during the year by admissions, readmissions, etc., were 6,733; the losses during the same period from various causes were 6,141, a net gain of 592. In the State Homes, 30 in number, 19,783 disabled soldiers and sailors were cared for, 11,709 being maintained throughout the year. The whole number cared for in the National Home and in the State Homes was 54,593, an increase over the preceding year of 863.

The following table shows the comparative statistics for the years ending, respectively, June 30, 1905, and June 30, 1906:

α Decrease.

The cost of maintenance per capita was \$154.55, a decrease of \$3.21.

The only loss by fire during the year was at the Southern Branch. In the early morning of August 21, 1906, a fire broke out in the kitchen adjoining the general mess hall. The kitchen and a large portion of its equipment was entirely destroyed, but by the exertions of

the members and employees of the Home, efficiently aided by the fire departments of the neighboring towns of Hampton and Phoebus, the mess hall building was saved. The total loss is estimated at \$10,570.

The general health of the members has been good, and no epidemic disease has prevailed. The number of deaths was 2,148, a decrease of 15 from the preceding year.

An entirely new problem in connection with the care of the sick has developed as the result of the admission of a leper, who served in the Provisional Army and acquired the disease in the Philippine Islands, to one of the Branch Homes. His presence is such a menace to the welfare of others that efforts have been made to provide for him elsewhere. Unexpected and insurmountable difficulties have been encountered in the pursuit of this object, and the fact has been revealed that the various leper colonies in this country are all under local control and not open to patients at large. The number of soldiers and others who have returned from residence in the Philippine Islands is large enough to constitute a possible source of the future development of this insidious and loathsome disease in this country, and suggests the necessity for action by Congress that will secure the admission of lepers that may have a claim upon the Government for maintenance to one of the existing colonies or provide for them in a colony established for the purpose.

The moneys appropriated by Congress for aid to State Homes under the provisions of the act of Congress approved August 27, 1888, have been apportioned and paid to the several States in accordance with the requirements of the act referred to and the further conditions imposed by the act approved April 28, 1904. The several State Homes, 30 in number, have each been twice inspected during the year by officers of the inspection department of the Home.

BATTLE MOUNTAIN SANITARIUM.

The following is a statement of the condition of the appropriations for the construction of the Sanitarium, December 1, 1906:

*Battle Mountain Sanitarium—Construction.*

	Liabilities and expenditures.	Appropriations to date.
Appropriations by Congress:		
Act approved May 29, 1902.....		\$150,000.00
Act approved March 3, 1903.....		350,000.00
Act approved April 28, 1904.....		75,000.00
Liabilities and expenditures:		
Existing contracts for construction and equipment, including architect's fees.....	\$557,243.47	
Incidental expenditures, including services.....	10,734.50	
Total liabilities and expenditures.....	567,977.97	
Available for future expenditures.....	7,022.03	
Total.....	575,000.00	575,000.00

The work of constructing this Sanitarium has been carried on with difficulty on account of the remoteness of its location from business centers. The labor question has been a serious one for the contractors, and difficulties incident to the transportation of materials by the railroads have added to their troubles. The hopes that the institution

would be open for the reception of patients in time to be recorded in this report have not been realized, and while the buildings of the main group are practically completed and patients might be received by the 1st of January, 1907, it may be deemed unwise to subject the sick members who are to be treated there to the discomforts of a long journey in the winter season, and for this reason the question of deferring the opening of the institution until the early spring is under consideration.

In view of the condition attached to the appropriation for the support of the Home for the fiscal year 1907 (act approved June 30, 1906), "That no part of this appropriation shall be available after March fourth, nineteen hundred and seven, except on condition that no bar or canteen shall be maintained at said Homes for the sale of beer, wine, or other intoxicating liquors after said date," a brief statement in relation to the subject appears to be called for.

The sale of intoxicating liquors, in the general meaning of the term, has never been permitted on the grounds of any Branch of the National Home. In the early days of the Home, when the governors were allowed a wider exercise of discretion, the practice of selling beer at the Home store to members grew up at one or two of the older Homes, and it being stated that such sale was in the interests of good discipline, was permitted. In 1886 Gen. M. R. Patrick, governor of the Central Branch, established a beer hall for the benefit of the members, and on August 1, 1887, rendered a report on the subject. As General Patrick had been an active temperance man all his life, and was known to possess sound sense and excellent judgment, his report was considered of great value and was accepted as showing conclusively that the opening of the beer hall had produced a very marked effect in reducing drunkenness among the members at the Central Branch, and that it was a valuable aid in the maintenance of good order and discipline. The report is transmitted herewith.

In 1890 the governors of the several Branches were required to state in their annual reports whether, in their opinion, the sale of beer tended to the advantage of the members. The opinions expressed in the reports were in all cases favorable to the sale of beer as conducing to temperance by keeping the members from frequenting the saloons and low dives, which in many instances surrounded the Homes, and satisfying the desire for stimulants, which in many cases was incident to their disabilities and feeble condition of health.

In view of evidence from all sources that the sale of beer was to the great advantage of the members, both physically and morally, the beer hall became a recognized feature of all of the Branches, except the Marion Branch, which was established in 1890. In deference to the wishes of one of the Managers no beer hall was opened at that Branch until January 6, 1906, when the experiment was discontinued the result showing that its absence was an injury rather than a benefit to the members.

The regulations of the Home, which have been in force for some years, governing the operation of the beer halls, are as follows:

194. When beer is sold at a Branch under post-fund management the utmost care must be exercised to prevent any member from drinking to excess. The place of sale will be under the direct charge of a discreet noncommissioned officer, assisted by a sufficient number of suitable members selected from the guard force. They will be present at all times when the place is open for sales, and will have power to

make arrests or expel from the place any persons showing evidences of intoxication or a disposition to create disorder.

195. In the management and conduct of the beer hall or building used for such purpose, the following rules will be strictly observed and enforced:

1. Temperance is to be taught and encouraged at all times.
2. No member visibly under the influence of intoxicants shall be admitted to the hall.
3. The hall shall not be opened before breakfast. It shall be closed between 12 and 1 o'clock, noon, and closed for the day one-half hour before supper.
4. But one ticket shall be sold to any member at any one time.
5. Governors of Branches may limit the amount of beer to be sold to any member and may make special arrangements for members employed in the shops.

The beer which is purchased for sale is required to be the best that the market affords. It is subjected to rigid analysis by a disinterested chemist, and beer showing a small percentage of alcohol, from 3 to 4 per cent, is preferred.

The profits from the sale of beer have been expended exclusively for the benefit of the members of the Home, chiefly for amusements. Theatrical and other entertainments have been provided; assembly halls, club houses, and chapels have been built and equipped and out-of-door amusements provided; and the appropriations of Congress for the support of bands have been largely supplemented by expenditures from the post fund, which has chiefly accrued from profits on the sale of beer.

The conditions of admission to the Home are such that all of the members must be disabled and without means of support. To enjoy its benefits they must separate themselves from their families and kindred; 96 per cent of the total membership fought in the civil war; their average age is nearly 67 years, and many of them are the victims of misfortune. They are thrown together as comparative strangers at an age when new friendships are not readily formed, and their tendency is to brood over their life failures. Unless they are afforded some diversions they swell the hospital rolls and the death rate. The social influences of the beer hall and the diversions and entertainments incident to its operation have contributed in no small degree to the health and contentment of the members of the Home.

In July last the governors of all the Branches were required to report in relation to the operation of the beer hall at their respective Branch Homes, as to its effect upon discipline and the sobriety of the members, and to furnish statistics from the records bearing upon the subject. These reports without exception furnish positive evidence as to the value of the beer hall in the promotion of temperance, sobriety and moral conduct. The chaplains of all the Branch Homes were also requested to report on the same subject. Of the eighteen chaplains, all but two report strongly in favor of the beer hall as an influence for good in the life of the disabled soldiers. The reports of the governors and chaplains referred to accompany this report.

The members of this Board have given diligent and faithful consideration to the subject of the sale of beer to members of the Home; their knowledge of the needs of the disabled soldiers whose welfare is intrusted to them is based upon actual contact with the conditions which prevail; their opinions on the subject are the result of careful investigation, and it is the unanimous opinion of the Board that the discontinuance of the sale of beer will be a distinct detriment to the moral and physical interests of the members of the Home, tending, as

it surely will, to drive the members into the low saloons and dives of the vilest character, which unfortunately are found adjacent to nearly all of the Branch Homes.

The report of the secretary of the Board, with which he transmits the journal of the proceedings of the Board of Managers, the record of membership and the reports of the governors of the several Branches; the report of the general treasurer showing the financial transactions of the Home from its organization and for the fiscal year 1906, estimates for the fiscal year 1908, etc.; the report of the inspector-general and chief surgeon giving statistics as to membership and health, and his report of the inspection of State Homes under authority given to the Board of Managers by the act approved August 27, 1888, all accompany this report, the table of contents showing in detail the tabulated statements and other papers which relate to each report.

## GOVERNORS' REPORTS ON BEER HALL.

---

[From annual report of Central Branch, National Home for Disabled Volunteer Soldiers for the year ending June 30, 1887.]

CENTRAL BRANCH,  
NATIONAL HOME FOR DISABLED VOLUNTEER SOLDIERS,  
*August 1, 1887.*

GENERAL: I have the honor to submit the following report of this Branch for the year ending June 30, 1887:

\* \* \* \* \*

Soon after the commencement of this last financial year (July 12) a beer hall was opened here in the Home for the benefit of its members.

As is well known to the Board, it was a matter that had been under discussion for years. In the Army it has been the usage to sell beer certainly for more than half a century, and for several years (I know not how many) at the other Branches of the National Home.

For some reason, I know not what, a terrible outcry was made through the press, through the mails, and by personal appeals to the governor, for the redress of this outrage upon the members of the Central Branch and upon the interests of good order, good morals, and religion generally.

Possibly the fact that the governor had been known for more than fifty years as an active temperance man, both in military and in civil life, may have had something to do with this onslaught upon him as a renegade. It is very true that the governor would gladly close every saloon in the land if it were in his power, but inasmuch as this Central Branch is hedged in on all sides by saloons, dives, and hells of the vilest character to entrap our men the moment they are outside of the gates, it seemed wise to choose the less of the two evils, either to furnish them with the best article of beer that can be purchased in the Home at a cheap rate, and retain our men under our own control, or suffer them to go outside, get drunk on the vilest drinks of every kind, get robbed of their money and kicked into the street, or secreted in the infamous dives that surround us until their money is exhausted and they are turned out penniless.

The statistics and records of this Branch for the past year speak for themselves:

The official report of Hon. Ira Crawford, mayor of Dayton, gives the number of arrests of our members from July 12, 1885, to July 1, 1886, as 486, while for the same length of time after the beer hall was opened (July 12, 1886, to July 1, 1887), as 274, a difference of 212.

The surgeon reports that the small number treated for alcoholism this year (14) as compared with 38 in 1886 and 35 in 1885, is, without doubt, in his opinion, to be credited to the less number of members who are given to protracted debauches and bad liquor since the opening of the beer hall. Only such cases as can not with safety be treated out of the hospital are brought to hospital for treatment after a spree, and those

treated in camp, especially at the guardhouse, are not one-fifth as many this year as in former years.

That a large number of our men will drink to excess when they have the opportunity is true, and notwithstanding the watchfulness of our employees at the beer hall these shrewd old toppers will manage to get tight; but on leaving the beer hall, if they show intoxication they are at once sent up to the guardhouse to remain until the next morning, without having had an opportunity to kick up a row in town or on their way home, or along the avenues of the Home.

Still another result: The beer we furnish is of the very best, and the man who gets intoxicated on it to-day is fit to be turned out to-morrow morning at 8 o'clock with a clear head and ready for duty, whereas a town drunk renders a man unfit for duty two, three, and four days.

Once more: The cry that less money would be sent by pensioners and employees to their families is disposed of by the showing of the treasurer's report and that of the postmaster.

The discipline and good order of the Home have never been as good as now within the last six or seven years at least, nor have the men been as contented.

I am happy to say that candid men and women of the most intense prohibition proclivities, who have been here at the Home and in Dayton making investigations fairly on the spot, have decided that under the circumstances it is best to leave the Home authorities to the exercise of their own judgment in this matter.

It is only theorists and fanatics at a distance, who know nothing of the circumstances, who keep up the cry, "Down with the beer saloon at the Soldiers' Home." There are those who for their own purposes make statements to the effect that the men of the Home are induced to patronize the beer hall for the pecuniary benefit of somebody, presumably the Home authorities. It is true that the Home authorities and all connected with the Home are benefited by the expenditure of money inside of the Home instead of outside, the profits accruing from the sale of beer within the Home going to the post fund, which, as seen by the treasurer's report, has been very largely increased, thereby enabling the council of administration, of which the governor is chairman, to greatly increase the band, to afford more frequent amusements and of a higher class; to replenish library, reading room, etc.; and, in general terms, to expend a large sum of money during the last year with the sole object of giving pleasure, comfort, and enjoyment to the men beyond what is provided for by Congressional appropriations.

It is not to be supposed that it is our object to make money, even for these purposes, at the expense of the health or morals of the men.

As we find it necessary we place restrictions upon hundreds of our men, some being entirely debarred from the beer hall and others being limited to one or two glasses, according to their physical, mental, or moral condition.

It is the opinion of every officer of this Home, whether prohibitionist or otherwise, that under existing circumstances the beer hall has reduced vice, crime, debauchery, sickness, and the waste of money that should go to the families of members, in a very marked degree.

Very respectfully, yours,

(Signed)

## CENTRAL BRANCH.

OCTOBER 6, 1906.

SIR: Referring to letter of 17th July last from president's office, requesting a report as to the operations of the beer hall at Central Branch and its effect upon discipline and the sobriety of the members since the establishment of the Branch, so far as statistics may be available, I would respectfully submit the accompanying statement, which gives certain data relating to discipline, etc., based on the average number of members present each year. Most of the statistics for this statement were secured from the annual reports of the Central Branch.

The earliest annual report of the Central Branch on file is for the year 1875, but not until the report for 1884 is reached are the statistics in relation to discipline at all complete. In order to secure information for an earlier year the offenders' docket for 1877 was unearthed, and the record of offenses, under the heads of "Drunkenness," "Absence without leave," "Bringing in whisky," and "Station house in Dayton," were secured; but the classification of offenses in those early days was so different from the present that it is difficult to secure the desired information.

While it was not possible to secure statistics relating to discipline from the date of the establishment of the Branch they date back in most cases to cover at least two or three years before the establishment of the beer hall, July 12, 1886. The per cent of offenses to the average number present varies greatly under most of the heads shown in the statement.

At the time the beer hall was established in the Central Branch in 1886, with the advice and the authority of the president of the honorable Board of Managers, Gen. W. B. Franklin was president of the Board and Gen. M. R. Patrick was governor of the Branch. Both gentlemen were life-long temperance believers, and in their lives practiced temperance in all things. The latter was all his life, as is well known, a "total abstainer." I mention these facts to show that the sale of beer in the Home to members began at a time when broad-minded, capable men were at the helm—men who knew best how to regulate and control the habits of the old soldiers. Twenty years' use has, I believe, satisfied every one familiar with all the facts, that the beer hall here has been of very great benefit to the members who require stimulants in prolonging their lives, promoting their comfort and contentment in the Home and in helping them to avoid baneful influences outside of the Home, and to other members by securing many comforts and conveniences in the Home that they could not otherwise have.

I have already submitted statements on the subject by the chaplains here, and submit herewith letter to me by Major Berlin, who has been the adjutant-general of the Branch for twenty years, whose statements I approve.

Very respectfully,

(Signed)

J. B. THOMAS,

JULY 23, 1906.

SIR: Referring to your inquiry as to my opinion about the beer hall, whether its continuation would be to the best interest of the Home and to the advantage of the members or not, I have the honor to state that my experience proves to my satisfaction that there has been much less drunkenness in the Home and out of it since the beer hall was opened than before. There are many members of the Home, now old men, who have from their youth been used to some kind of stimulant, and to those it is difficult to stop a lifelong habit. Many of them are now satisfied with beer, whereas if the beer hall was closed they would go outside, where they would be enticed into vile dens and tempted to drink bad whisky, often drugged, and after they had become drunk they would be robbed and thrown into the street. In the beer hall the quantity allowed any one man is regulated, and should he show the effect of too much beer he is sent to his barrack. Temperance is a beautiful thing, and total abstinence might be desirable, but it can not be enforced by legislation, just as little as embezzlement or peculation can be stopped by introducing new methods of bookkeeping or by legislation. If a man wants to steal and he has the opportunity he will

do it, and it is only an innate sense of honesty and a determination to remain honest that prevents him from stealing, just as if a man is used to drink and needs it he will find a way to satisfy his appetite, notwithstanding all legislation, and only his own will power will keep him from excess. Whether the beer hall induces to sociability I can not positively say, but think it naturally ought to do so, and, living close by it, I must say I have never heard the sound of quarreling from there, but frequently a buzzing sound of many voices, as in amicable conversation. Considering the matter from all sides, I am of the opinion that the discipline of the Home is better and that the enforced life of idleness is more endurable to many of its members with the beer hall than it would be without it. The income derived from the sale of beer is used for the benefit and amusement of the members, and its closing would deprive them of many enjoyable hours.

Very respectfully,

(Signed) CARL BERLIN,  
*Assistant Adjutant-General.*

**NORTHWESTERN BRANCH.**

SEPTEMBER 27, 1906.

SIR: I have the honor to acknowledge receipt of your letter of July 17, 1906, requesting report as to the operations of the beer hall, etc., and to inclose herewith a table showing percentage of arrests for drunkenness to average number present, taken from the Branch annual reports from the year 1876 to 1906, inclusive, which are the only statistics available. I have compiled this from the offense record, including only such as were reported drunk, under the influence of liquor, assault and fighting in quarters, liquor in possession, or bringing liquor into quarters, etc.

I have not included absence without leave, for while much of this is undoubtedly attributable to drunkenness there is a large proportion that is not, and it is impossible to separate them. However, if thought proper to include this item it would amount to 96.6 per cent alone.

As to the average per cent when no beer hall was maintained there does not appear to be any available statistics, except from a letter of Gen. E. W. Hincks, then commandant of this Branch, to Gen. B. F. Butler, president Board of Managers, dated January 29, 1879, page 73, Annual Report of the Board of Managers for 1879.

As to second paragraph of your letter, members have not been prevented from obtaining liquor from the outside of the Home for any considerable period by severity of the weather, quarantine, or otherwise, regarding which there are no available statistics.

Attention may be called to the large increase in offenses reported from 1892 for some years, which is accounted for from the fact that there had been no pass system in force at the Branch until February 20 of that year, after which arrests for drunkenness and other violations of the rules were much greater than under the no-pass system, for the reason that instructions were given for the arrest of all members noticeably under the influence of liquor or liable in any way to interfere with the comfort of others.

The conditions, however, steadily improved until the Branch reached its present satisfactory condition.

After an experience of nearly fifteen years as governor of this Branch Home and responsible for the discipline and comfort of its members, having taken charge of it when at its worst, and produced results of which I am not ashamed, with the beer hall in operation all of the time, and having given the results of its operation much thought, consideration, and observation, I am satisfied that a law forbidding the sale of beer at the Homes would prove to be a very unfortunate one, and that its results would be seriously detrimental to the discipline of the Home, and to the health and comfort of its members.

These institutions are to provide homes for disabled old soldiers, and are not intended as prisons or reformatories. The members of this Branch average 70 years of age, and their habits are formed and can not well be changed. A large proportion of them have been in the habit of taking alcoholic stimulants, more or less, for the greater part of their lives, and if they are cut off from obtaining it in the Homes, they will go outside, where they are under no control and have no protection, which would prove to be a hardship upon many of the old and feeble, the crippled, and the blind.

Respectfully,

(Signed)

CORNELIUS WHEELER,

*Governor.*

HON. FRANKLIN MURPHY,

NOTE.—Beer hall established August 1, 1878.

## EASTERN BRANCH.

SEPTEMBER 28, 1906.

SIR: In reply to your letter of July 17, requesting report on the operations of the beer hall and its effect upon discipline and the sobriety of members since the establishment of the Branch so far as statistics may be available, I have the honor to inclose table showing percentage of daily arrests for drunkenness to daily average present for each of the quarters from September 30, 1903, to June 30, 1906, inclusive; also table showing percentage of total number of arrests for drunkenness to daily average present, and also percentage of daily arrests for drunkenness to daily average present for each year from July 1, 1884, to June 30, 1906.

The beer hall at this Branch was established about 1875; the records do not show the exact date. There is no record of the number of arrests for drunkenness from that time until the fiscal year beginning July 1, 1884. The records of the Branch to July 1, 1903, were not so kept that the number of arrests for drunkenness in the quarter could be shown, except the total for the year.

At no period since the establishment of the beer hall at this Branch has it been discontinued. It will be noted, however, that the smallest average percentage of arrests for drunkenness was during the fiscal year ended June 30, 1904, which period was coexistent with the restriction of the members to the limits of the Branch for a few days immediately succeeding each pension payment. The laws of the State against the sale of intoxicants also seemed more strictly enforced at that time, in the vicinity of the Home at least. The marked increase in the early summer of 1905 is coexistent with the opening of a liquor agency in the town of Chelsea, adjoining the Home. For a little time this agency ran practically "wide open," and the influence of its close proximity to the reservation is still evident, though sales to members of the Home have been somewhat curtailed. It will be noted during the last year, for instance, when practically all of the men arrested for drunkenness and found guilty have been punished, that the greater number of arrests was during the summer months, when members of the Home most generally go outside the reservation.

The experience of an officer of the Home can not fail to convince him that the presence of the beer hall where the sale of a mild type of beer is allowed, under control, is a strong aid to discipline. With a Home situated as is this one, in a State where the sale of liquor is prohibited, the beer which the men obtain is certainly much better for them than the vile compounds which are sold to them under the name of liquor by the violators of the law, who infest the vicinity of the Branch for the purpose of preying upon the members of the Home.

The average age of these members is nearly 67 years. They are men of fixed habits—those among them who have never used beer or intoxicants can not be induced to drink them, while those who have been accustomed to their use can not be changed. Nearly all the offenses committed by members of the Home are directly traceable to the vile liquor obtained in the dives outside the reservation. It is therefore reasonable that any system which tends to keep the members from these temptations and supplies to those who crave it a mild beer under rigid control must work for the betterment of the Home and the welfare and health of its members.

The reports of the chaplains of the Branch which were requested go forward under this cover.

Yours, very respectfully,  
 (Signed) JOHN T. RICHARDS,  
*Governor.*

**SOUTHERN BRANCH.**

SEPTEMBER 19, 1906.

SIR: In reply to your letter of July 17, 1906, I have the honor to state that the beer hall has a most decidedly beneficial effect on the discipline and sobriety of the members at this Branch.

The time of the beginning of its operation is not positively known but it is assumed to be from the best information obtainable about

1880. There were no arrests reported in annual reports prior to 1885. It is, therefore, not practicable to prepare a table showing the percentages of arrests for drunkenness to the average number present before and after the establishment of the beer hall, but one of the most striking comparisons of this character occurred during the quarantine period, the Branch being closed from July 31, and reopened September 7, 1899. In the thirty-nine days 2 arrests for minor offenses were made, neither one for drunkenness. In the thirty-nine days preceding the quarantine there were 136 arrests for drunkenness, and during the same number of days following the quarantine there were for drunkenness 297 arrests.

The custom at this Branch is to close the gates for about five days, for those not having privilege cards, following pension payment, for the safety of those members who can not resist temptation and would squander their pensions. A table has been prepared from March, 1901, to June, 1906. During the periods between these dates when the gates were closed, 219 arrests are shown for drunkenness, many of these occurring from the surreptitious introduction of whisky into the Branch. Covering the same time and for an equal period of five days following the opening of the gates there were 1,203 arrests for drunkenness. The beer on sale has been reported by the Bureau of Chemistry of the Agricultural Department as being pure, free from preservatives, and of less than 3 per cent alcohol. The Protestant and Catholic chaplains are both heartily in favor of the continuation of the beer hall, and so reported.

The surgeon has prepared a statement from his records for the past five years showing 149 cases of acute and 52 of chronic alcoholism, grand total 201. He states that of these 201 cases none originated from the sale of beer from the canteen, but the primary cause in all of these cases was due to beverages taken outside of the grounds, and during the quarantine period previously referred to not a single case of alcoholism was treated in the hospital. He believes that the rules governing the sale of beer in the Home prevents an injurious and harmful use of the beverage.

The town of Phoebus is just at our doors, through which it is necessary to pass to reach many places, has over thirty saloons, which are a constant temptation to the members. Many of these saloons sell whisky at 5 cents per drink. Wood alcohol is said to be used in considerable quantities, and several deaths have occurred among the old members after drinking considerable of this vile compound.

It is perhaps not generally known that the profits from the sale of beer are used entirely for the comfort and amusement of the members, for which there is no public appropriation, and without this profit they would be deprived of the comforts and amusements, such as the band, performances at the theater, library, and employees of the chapel. Under these heads there was disbursed during the fiscal year ending June 30, 1906, for the band, \$7,980; theatrical performances, \$4,040; fireworks, \$270.90; library, books, services, etc., under head of amusements, \$4,560. At the chapel there was paid from this fund one organist and five choir singers and a sexton.

There has been constructed from this fund since 1890 band quarters, \$6,626; hotel, \$6,684; chapel, \$6,418; social hall, \$4,104; a stand at the baseball park, \$398; band stand, \$1,148; propagating house, \$4,950; as well as the purchase of band instruments, \$1,500; piano,

\$200; billiard and pool tables, \$647; chess and checker tables, \$120; furniture and scenery for theater, \$2,468; motor fans, \$130; lawn settees along water-front, \$983. There is now being installed a Branch telephone system, at a cost of \$1,429.

Many of the members, owing to their advanced age, have weakened mentally as well as physically. Many of these express strong resolutions to resist temptation of drink, but often from their condition on returning to the Home grounds it shows that they have not enough mental strength to keep their resolutions. It is not practicable to treat the members as if they were under prison regulations, and there must be allowed certain freedom of movement.

Many of these old men acquire the drink habit before entering the Home, and it is not practicable now to reform them, while outside every temptation is placed before them to spend their money for drink. In many cases where they have taken the so-called whisky to excess they have been found robbed and maltreated.

The Home authorities endeavor to recognize the weakness of these old veterans, who have rendered most gallant service for their country at the most critical time of its life, and realizing that many will drink, a comfortable place has been provided for them with chairs and tables where they can drink pure beer of less than 3 per cent alcohol and at the same time eat a good sandwich. This beer hall is under the immediate control of the Branch authority, where members are allowed to purchase only one ticket, which they exchange for beer, and if, owing to their mental or physical condition, there is evidence of it affecting them, further sale is forbidden.

Some of the members are in their second childhood and it is necessary to restrain their appetites and to care for them as if they were children. If they leave the Home grounds and drink the vile compounds outside it is the greatest misfortune that can befall the old soldiers, and the Home is not doing its full duty to them by not providing a place where they can satisfy their thirst in moderation with a pure beverage of small alcoholic strength. It would be unfortunate for the law to take this authority from the Home. Many persons of strong prohibition sentiments and who are much opposed to the sale of beer in the Home, after having visited and observed the operations and benefits of the beer hall, have admitted it to be the best solution of the problem, and its continuance would be a kindness to the old veteran who will have his drink and is satisfied to take it within the Home grounds. If he can not get it here he will go outside and drink vile whisky and other compounds to excess, greatly to his injury.

Respectfully,

T. T. KNOX,  
*Governor.*

HON. FRANKLIN MURPHY,  
*President Board of Managers.*

**WESTERN BRANCH.**

SEPTEMBER 15, 1906.

SIR: I have the honor to acknowledge receipt of your letter of July 17, 1906, requesting a report as to the operations of the beer hall at this Branch and its effect upon discipline and the sobriety of members

since the establishment of the Branch, so far as statistics may be available, and in reply to state that the beer hall at this Branch was established in 1886. The reason for its establishment was that members who wished to drink beer or intoxicating liquors were obliged to go to the adjacent towns to obtain it, with the result that from excessive indulgence or from poor quality or drugged liquor a large number were daily lying along the public highway in an intoxicated and helpless condition.

There are no statistics available in support of the above statement, but citizens of Leavenworth still remember conditions, and remember that those conditions changed in a marked degree for the better immediately upon the establishment of the beer hall.

During the ten years—from 1894 to 1904—during which I was local manager of this Branch I made very frequent visits to the Branch, frequently more than once a month, and observed from time to time carefully the working of the beer hall and its effects. My conclusions were that it was an important aid in discipline and that it greatly reduced the evils of intemperance.

Since becoming governor of this Branch, in 1904, I have still more carefully observed the beer hall, its management, and its effects, and not only found no reason to change the opinion formed upon my previous observations, but found reason to believe that it is an indispensable disciplinary agent in preventing intoxication and maintaining decent conditions.

The Home members average over 67 years of age, an age at which habits are irrevocably fixed. Whatever may be the opinion of philanthropists and theorists as to the desirability of repressing the use of intoxicating liquors, it is the part of wisdom, it seems to me, to recognize unchangeable conditions in the great work of caring for these aged soldiers and, it seems to me, the height of folly to apply to them the rule of statutory prohibition, which has failed and been discredited in its application to ordinary communities wherever it has been tried. These men will not change their life habits in this respect. That must be taken as an accepted fact which can not be worn away by dashing against it the waves of prohibition fanaticism.

It seems to me the wise course is to supply their wants in this direction under the restrictions thrown around beer drinking in the Branches of the Home, enabling them to gratify their unchangeable appetites under surroundings which absolutely prevent excess.

Men who served in the civil war know that it was fought and won by boys. They left their homes and their restraining influences with habits yet unformed, and became frequently victims to the temptations surrounding them. Now in their old age, it seems to me not only unwise, but in the highest degree cruel to these defenders of the Union, victims to a habit formed in their service for their country, as stated, to turn them out for the gratification of their appetites to the tender mercies of the whisky dives and brothels, where the quality of the drinks is frequently vile and where every incentive of the thugs and prostitutes and robbers is to encourage excess or to drug them into unconsciousness.

Over 1,300 members of this Branch use the beer hall more or less. As a class they are sober men. Drunkenness is the fault of only a minority.

During the time the beer hall has been in operation there has been only one period when it was closed; that was July 2 and 3, 1906. A statement is herewith inclosed covering this period and a like period before and after when the beer hall was open, showing for each period the number of arrests for drunkenness, the average number present, and the percentage of arrests to the average present. The percentages show that for the two days the canteen was closed such arrests were more than double what they were in other periods. The statement is less favorable to my views as heretofore expressed than it would be at other times, because the knowledge that the canteen was to be closed induced a largely increased amount of drinking on the day before closing, while one of the two days of the period after it was opened was July 4, when there was a large fireworks celebration here, and an unusual amount of drinking occurred.

I also inclose a statement showing results during a period of fifteen days from January 17 to 31, 1900, inclusive, during which this branch was quarantined on account of smallpox, and during which time the beer hall was open as usual, showing the number of arrests for drunkenness for that period and for like periods before and after, together with the percentage of such arrests to the average number present. This table shows that for the fifteen days prior and the fifteen days subsequent the arrests were, respectively, four times and six times those made during the quarantine period. This table shows conclusively the fact that drunkenness at this Branch is mainly the result of drinking outside of the Home grounds.

Very respectfully,

S. G. COOKE,  
*Governor.*

HON. FRANKLIN MURPHY,  
*President Board of Managers.*

PACIFIC BRANCH.

OCTOBER 3, 1906.

SIR: Respectfully replying to the letter from headquarters dated 17th July, 1906, requesting a report as to the operations of the beer hall and its effect upon discipline and the sobriety of members, etc., I have the honor to state that, comparative statistics except for a brief period to be noticed later, are not available at this Branch.

There has been no time since its establishment when members could not procure intoxicants at numerous points outside and inside the 2-mile limit fixed by State law around the Home, and the few drunkards of the Branch procure their intoxicants from those sources.

In the absence of other data the following transcript from the records of the Branch on this subject, during the period of my administration, is hereby submitted:

Year ending—	Members.	Drunks.	Percent- age.
June 30, 1899.....	2,555	93	3.63+
June 30, 1900.....	2,622	97	3.68+
June 30, 1901.....	2,900	103	3.55+
June 30, 1902.....	2,937	48	1.60+
June 30, 1903.....	3,266	108	3.30+
June 30, 1904.....	3,550	120	3.38+
June 30, 1905.....	3,746	65	1.73+
June 30, 1906.....	3,855	163	4.22+

NOTE.—Civil authorities more active in 1902 and 1905.

Increased drunkenness during 1906 was before the district attorney succeeded by vigorous enforcement of State law in diminishing the number of illegal vendors of liquor within the 2-mile limit, who sold intoxicants of the vilest character.

The "brief period" before mentioned was the first ten days of July, 1906, when operation of beer hall was suspended under instructions from headquarters. Statistics for that period are as follows:

	Members present.	Drunks.	Percent- age.
Total for 10 days, July 1 to 10, 1906.....	1,960	15	0.7605+
For corresponding period of 1905.....	1,919	7	.3644+
For the 10 days preceding suspension.....	1,929	7	.3622+
For the 10 days succeeding resumption of sales.....	1,995	13	.651

The percentage for the two periods, first ten days of July, 1905, and the last ten days of June, 1906, when members had pension money still in hands, indicate double the number, or 100 per cent above the normal condition, showing that temperate drinkers missing their customary stimulant at the beer hall, sought it outside and were made drunk by what was furnished them:

A confirmed habit of drinking beer, in moderation, as allowed at the canteen, and honest belief that the habit is beneficial to health, makes it difficult for members to understand why they should be denied a reasonable privilege, which is allowed to other reputable citizens, and regarded as a right. They claim with apparent reason that the advocates of total abstinence and keepers of disreputable saloons, both working to abolish the canteen, would, if successful, deprive temperate drinkers

of beer of the restraint of Home police, without benefit to any except disreputable dealers in intoxicants outside the Home.

I came here thoroughly opposed to the sale of beer within the Home. It is my duty to judge and punish all members who are intoxicated within Home grounds. I have studied the question carefully for seven years, and am positively of the opinion that 95 per cent of all who are brought before the governor's court for drunkenness obtain their intoxicants outside the Home; and that depriving the Home of the canteen would give three times as many drunken men to care for, and expose beer drinkers who are now very seldom intoxicated to the temptation to buy strong and base liquors by the package and drink to gross excess, rather than throw away what they do not crave and be caught with the package inside Home grounds; this opinion is the result of observation, inquiry, and experience.

The object of illegal vendors of vile intoxicants to the veterans is less for profit on sales than for opportunity to actually rob them of their wages and their pensions while intoxicated.

Respectfully submitted.

O. H. LA GRANGE, *Governor.*

**MARION BRANCH.**

OCTOBER 1, 1906.

SIR: In compliance with your letter of July 17, 1906, directing me to "furnish report as to the operations of the beer hall and its effect upon discipline and the sobriety of members since the establishment of the Branch, together with percentage of arrests for drunkenness to average present during periods when a beer hall has been maintained compared with the percentage of such arrests when no beer hall was maintained and to state results definitely," I hand you herewith tables covering the points suggested, but particularly desire to call your attention to the fact that such statistics are only valuable when taken or made under the same conditions and by or under the same commanding officer or governor, on account of difference in temperament as well as in ideas of a proper manner of preserving the comfort and good order of the Home.

Governor Chapman, who preceded me, an unusually competent officer in all respects, was very intent upon getting along at this Home without the establishment of a canteen, in which I, as local manager, joined him, holding out against it until in the fall of 1902, when he concluded that it was to the disadvantage of the Home to longer try the experiment, and a canteen would have been established, as you are aware, early in 1903 if the legislature of the State of Indiana had not enacted a law forbidding the sale of intoxicants within a mile of the Home. He thought and I thought it fair to give the operation of the law an impartial test before establishing a canteen, and for a while it looked as though the law was to be what its promoters hoped it would be. But it became apparent that it was only fear of the wholesome operation of the law that deterred the dive keepers from carrying on the traffic without licenses (illegally) to about the same extent they had before the enactment of the law. As the months went by more men

and women engaged in the illegal traffic, the most of them only just across the streets or roads from the Home grounds. This was on account of the nonenforcement of the law.

Governor Chapman, in his regulations in regard to temperance, provided that where members were able to get into the Home and go to their quarters without creating a disturbance, they were not arrested and brought to the governor's court; and after pensions were drawn all the members were kept in the Home five to seven days, and various other restrictions of this kind which had the effect of causing the men who were in the habit of drinking to excess to be careful and avoid detection.

Since I have been governor there have been no such restrictions in regard to going out and coming in, excepting as a part of the sentence of men who have drunk to excess; they are not permitted to go out for certain periods, and I have tried the experiment, successfully, I think, of causing to be taken to the combination barrack (a place where the men may be quartered and detained) every member who has been drinking to excess, so far as we have been able to get them with a view to discouraging members from patronizing the places carrying on the illegal traffic of liquor and with the hope of bringing those engaged in the illegal traffic to trial.

Officers of the law were very slow in moving to our assistance. Many witnesses were sent before the grand jury, and, to say the least, only a half-hearted effort made on the part of the prosecutor to elicit information on which to convict. Very few arrests were made of persons engaged in the illegal traffic. Members of the city police force on duty near the Home grounds, if not in league with the persons thus engaged, winked at it, and would arrest or threaten to arrest members of the Home guard going outside of the Home gates, even to the assistance of intoxicated members; until the police board appointed a few weeks ago by the governor of the State, with Mr. Elkanah Hulley as chairman, was installed, who not only instructed the city policemen to use their best efforts in bringing those engaged in the illegal traffic of intoxicants to justice, but has granted police power to members of the Home guard and in other proper ways has come to the assistance of the Home, resulting within the last few days, after a very strenuous effort, in the elimination of all of the dives, save perhaps one or two. There has not been a single arrest for drunkenness during the last seven days. It is too much to expect that men the age of the members of this Home will be cured of the habits of intemperance entirely, but I feel sure that henceforth we will have very little trouble on account of it. This condition has been brought about after a very spirited struggle. The life of the governor of the Home has been threatened, his barn burned, and his wire fencing cut in many places, which he attributes to persons engaged in the illegal sale of liquor.

Some of the Home guards on duty with city police power on the outside have been debauched. In the month of February last, after the establishment of the canteen, members who would take bottles of whisky for the asking could have them, as many as five bottles being found on one member arrested; in a great many instances more than one bottle was found. I think it was a concentrated effort to make the establishment of the canteen unpopular, which it has utterly failed to do, so that there is no comparison between the good order and discipline and real comfort of all the members of the Home to-day

and the conditions when there was no canteen. The men stay at the Home instead of going into the city and coming back in an intoxicated condition, to their own shame and the annoyance of good citizens, and without a single case of intoxication coming from the canteen.

No other spirituous liquor than the mildest and purest beer that we can buy is sold in the canteen. I venture the assertion that, excepting the fanatical temperance people who do not stop to think that the drinking to excess by members is a habit formed over forty years ago, and that it is not harmful for old men to take a glass of beer where they do not drink to excess; every good citizen (business man) conversant with conditions, will say that since the establishment of the canteen there has been a very marked change in favor of it.

I would be very glad, indeed, to have a committee of the most radical temperance men, and especially members of Congress, visit this Home and the city of Marion with a view to investigating the above statement.

None but members and employees of the Home are permitted to buy beer at the canteen, and no one is permitted to buy to excess or when he is at all under the influence of intoxicants.

I desire particularly to call attention to the further fact that since I have been governor of this Home not a single man has been denied admission because of his intemperate habits, even though he has been dishonorably discharged more than once from this and other Homes on account of these habits; nor has any member been discharged from this Home on account of the disease, and it is a disease, of intemperance, believing that the Home is provided for soldiers with honorable records, and that they ought not to be turned loose upon the citizens of the country, when they are not able to care for themselves, or sent to the county houses to be provided for. There have not been in the county house of this county, situated only just across the river from the Home, six soldiers eligible for membership in the Home since the present governor has had charge, and none on account of intemperance, while formerly there were five or six a good portion of the time.

Of the 349 cases of intoxication committed by 255 members since January 9, 1906, 64 members were found guilty more than once; 10 three times; 1 eight times.

Many more members in this Home are now sending more money home to their families than they ever did before. Three-fourths of the members having wives are sending three-fourths of their pensions to their wives. Men have been cured of the disease of intemperance, remaining well longer than they ever did before, and many have had more money to their credit than they have had for years.

In conclusion, I have no doubt at all but that if our canteen may be kept, so that the members of this Home (average age, 66.32 years), who desire to do so can conveniently procure a glass of beer on the Home grounds (and only between the hours of 7 a. m. and 12, noon, and from 1 p. m. to 5 p. m., and not one of them can buy sufficient to intoxicate him), the percentage of men charged with intoxication will not, in the next nine months, be one-half so large as it has been since the canteen was established, nearly nine months ago, and that the members will not be debauched and robbed, as many of them have formerly been.

Very respectfully,

GEORGE W. STEELE,  
*Governor.*

HON. FRANKLIN MURPHY,  
*President Board of Managers.*

**DANVILLE BRANCH.**

SEPTEMBER 20, 1906.

Sir: I have the honor to acknowledge the receipt of your letter of July 17, 1906, relative to the operation of the beer hall and its effect upon discipline, and to state as follows:

This Branch was opened to receive members in the fall of 1898. For the first seven months of the year 1899, during which time there was no beer hall, the percentage of members before the governor for drunkenness and bringing in whisky was 38.5 per cent of the average present, and for the remainder of that year, the beer hall having been established September 1, 1899, the percentage of members before the governor for drunkenness and bringing in whisky was 18.8 per cent of the average present—over 100 per cent more prior to the opening of the beer hall than afterwards. The following shows the percentage of members before the governor for the above offenses to the average number present by fiscal years ending June 30, since the year in which the beer hall was put in operation: 1901, 22.1 per cent; 1902, 19.2 per cent; 1903, 18.2 per cent; 1904, 20.4 per cent; 1905, 21.7 per cent; 1906, 18.2 per cent.

From this it will be seen that at no time since the establishment of the beer hall has the number before the governor for drunkenness and bringing in whisky been as high as it was before its establishment.

On the 10th day of January, 1901, owing to the prevalence of small-pox in the city of Danville and vicinity, I issued instructions quarantining against the outside, and ordered the gates of the Home closed.

Quarterly payment of pensions was made on the 15th of January, 1901, and the quarantine was not raised until Sunday morning, January 20, 1901, at 9 o'clock. From the 10th until the 15th but one member was before the governor for drunkenness, and that was a member who had violated the quarantine order, got drunk down in Danville, and was found lying on the street-car tracks. From the 15th (pension day) until the 20th 13 members were before the governor for violating the quarantine order, coming in drunk and bringing in whisky. A comparison of the seven days following pension payment during January, 1901, during quarantine, with full privilege of the beer hall, with the seven days following pension payment during April, 1901, when the members were permitted to go outside, shows as follows:

Average present during 7 days in January .....	1,642
Average present during 7 days in April .....	1,549
Drunkness and bringing in whisky in January:	
Prior to raising quarantine .....	13
After raising quarantine .....	37
	50
Drunkness and bringing in whisky in April.....	67
Sales of beer during 7 days in January.....	\$1,505
Sales of beer during 7 days in April.....	\$1,015

It will thus be seen that during the month of January, 1901, the percentage of drunkenness was considerably lower than during April, 1901, when the members had the privilege of going outside.

A canvass of the Branch shows that over 90 per cent of the membership drink. Many of them drink light beer, as they do coffee or tea, as a part of their meals, taking their glass of beer just before going to the dining hall. More than 85 per cent of those who drink are contented with beer as furnished in the beer hall. But if the beer hall be abolished these men, too, will go into the city to obtain their liquor, where the most depraved and abandoned of both sexes are lying in wait for them, where they get into the lowest dives and dens imaginable, are given the most vile concoctions made of wood alcohol, under the influence of which they get onto the streets, make disgraceful exhibitions of themselves, get knocked down, robbed, beaten up, and land in the police station. There is also the case of the blind and crippled. Most of these members at this Branch drink, and they are now satisfied to go to the beer hall and get their glass of beer. If this privilege is taken from them these men will go down into the city for their drinks, even though it be necessary for them to hire a guide and not only pay him but buy his drinks also, and they too will fall into the clutches of the vile.

The beer hall is conducted in a very orderly manner, and since its establishment at this Branch there have been but 26 members before the governor for drunkenness and disorderly conduct in and about the beer hall, and in almost every case the disturbance was caused by the manager of the beer hall refusing to sell beer to members who came in from the outside under the influence of liquor. The total number of arrests for coming in drunk and bringing in whisky since this Branch was established amount to 2,895, and these 2,895 offenses were committed by less than 10 per cent of the members cared for.

The laws of the State of Illinois prohibit the sale or giving away of liquors within 2,000 yards of the Home, and this in a measure prevents many of the members going outside for their drinks, provided

they can get their beer on the Home grounds, but if there is no beer hall these men will take the street cars, go down into the city, and obtain the liquor.

The National Home for Disabled Volunteer Soldiers is a *home*, not a prison, for old men whose habits in life are formed; men who gave up the very best years of their life, gave up home and home ties, sacrificed health and strength that this nation might stand, and they can not be penned in. If the privilege of light beer on the Home grounds, which our records show satisfies more than 85 per cent of those who drink, is denied them they will go outside, obtain the liquor, and, as I have above stated, fall prey to the very lowest of men and women.

Respectfully, yours,

I. CLEMENTS,  
*Governor.*

Hon. FRANKLIN MURPHY,  
*President Board of Managers.*

**MOUNTAIN BRANCH.**

AUGUST 14, 1906.

SIR: In obedience to directions contained in your letter of July 17, 1906, I respectfully submit the following report as to the operations of the beer hall at the Mountain Branch, and its effect upon discipline and the sobriety of the members, with statistics relating to discipline from the time of opening the Branch until the establishment of the beer hall, and from the opening of the beer hall to August 1, 1906.

1. First period, October 15, 1903, to February 1, 1905, when beer hall was opened: Average present, 329; total arrests, 104; per cent to present, 31.6; arrests for drunk and drunk and disorderly, 35—10.6 per cent; arrests for bringing intoxicating liquors on Home grounds, 21—6.3 per cent.

2. Second period, February 1, 1905, to August 1, 1906, with beer hall in operation: Average present, 1,006; total arrests, 446; per cent to present, 44.3; arrests for drunk and drunk and disorderly, 179; per cent, 17.7; arrests for bringing intoxicating liquors on Home grounds, 52—5.1 per cent.

Of the cases of drunk and drunk and disorderly, since the establishment of the beer hall, fully 90 per cent originated from purchases on the outside of the Home grounds.

3. No table can be presented "showing percentage of arrests for drunkenness to the average number present at different periods when a beer hall was maintained, but members were prevented by the severity of the weather, quarantine, or the strict enforcement of State laws prohibiting the sale of intoxicants from obtaining liquor from outside of the Home, as compared with periods when they could easily obtain liquor near at hand," for the reason that before the opening of the Home, State legislation made it unlawful to sell intoxicating liquors within 4 miles of the Soldiers' Home, and no period of severe weather or quarantine has altered ordinary conditions.

The nearest point at which intoxicating liquors can be lawfully sold under existing State laws is 25 miles distant from the Branch. Before the beer hall was established, after pay day large numbers of the

members obtained passes and furloughs and went to this place (Bristol) and indulged in protracted debauches, and returned, in most instances, without money and generally much impaired in health. Since the beer hall has been in operation this custom has almost entirely ceased.

4. On three sides of the Home grounds are tracts of woodland, and under cover of the woods "boot leggers" ply an illicit trade in a very bad quality of intoxicants. Several small stores have engaged in the sale of a so-called cider, producing a wild intoxication, followed by a depressing, nervous illness. Careful investigation in the cases of drunk and drunk and disorderly brought in the governor's court has developed the fact that the very large majority of the cases had their origin outside the Home grounds, and were the result of either the illicit traffic of "boot leggers" or the drinking of the so-called cider. Samples of the cider were obtained and submitted to tests by the Home druggist and disclosed adulteration with wood alcohol. The active cooperation of Federal and State authorities has been invoked to break up the sales by illicit venders around the Branch, but little success has attended their efforts.

Upon my representations that orders would be made prohibiting members entering their stores unless the sales of cider were abandoned the storekeepers in the vicinity of the Branch quit selling cider; but sales continue in Johnson City, being too far away to be kept under surveillance from the Home grounds, and members frequently return to the Branch in a state of intoxication and report their condition as the result of cider drinking.

Investigation has led me to the conclusion that very few of the beer-drinking members after indulging in beer go out and seek other drinks, while, on the other hand, I have found many instances where members who patronize the illicit venders, after imbibing freely of such intoxicants, sought the beer hall as a cloak for their intoxication.

After a careful observance of the sale of beer upon the health, comfort, and discipline of the members of the Home, I am of opinion that it prevents a worse kind of indulgence in strong drink, and is to the best interests and not to the detriment of the Home.

5. I have the honor to transmit herewith the reports of Chaplains Ruble and Gottwalles.

Very respectfully,

JOHN P. SMITH,

## CHAPLAINS' REPORTS ON BEER HALL.

### CENTRAL BRANCH.

JULY 21, 1906.

SIR: I have the honor to acknowledge the receipt, through Governor J. B. Thomas, of your letter of the 17th instant, in which I am asked to report the results of my observation of the operations of the beer hall.

In reply I would respectfully report that for almost six years I have been carefully studying conditions here; and notwithstanding my known and pronounced temperance principles, which I am habitually preaching in public, and teaching to individuals, as enjoined by the "Laws and Regulations of the Home," and as urged by my own desire, I am not able to say that, in the conditions existing here, the beer hall is a "disadvantage to the members of the Home." Nor could I assert that its discontinuance would be in the interest of discipline and good order.

Many men here, I am glad to say, are abstainers; but a good many others are, and have been, habitual drinkers. The greatest number of these latter seem satisfied to take their beer under the restrictions of the beer hall where their use of the beverage can be regulated and controlled. An intoxicated man is seldom seen in that vicinity. This last statement is based upon personal knowledge, as the beer hall is in full view of the chaplain's residence.

I am forced to believe, from facts which have come under my observation, that many who now seem content with the beer hall as now conducted would, in its absence, go outside where strong liquor is sold and drink more than beer and without restraint; and, in their enfeebled condition, and, being without the care and oversight which can here be exercised over them, would suffer injury in every way. The existing arrangement, therefore, seems to me to be, on the whole, a way to deal with an unfortunate condition and a way to take care of these drinking men, with a minimum of drunkenness, and with the least discomfort to the sober men.

Referring to your third question: "What, if any, is the influence of the beer hall in promoting social acquaintance of members and relieving the tendency to depression incident to barrack life?" In my judgment it has but little of such influence, since, according to my observation, the majority of those who go thither are led simply by the desire for drink.

I never permit myself to forget that we are here to take care of these old comrades, and in the best manner possible in the existing conditions. And the more I study the peculiar conditions here from the inside—conditions which I could not understand from without—

the more I am convinced that in seeking the spiritual and physical well-being of the members of the Home, our methods must be adaptive to these exceptional conditions.

Respectfully, yours,

(Signed) H. A. McDONALD,  
*Chaplain.*

HON. FRANKLIN MURPHY,  
*President Board of Managers.*  
(Through Governor J. B. Thomas.)

AUGUST 28, 1906.

SIR: Though the undersigned can not claim so long an experience at the Home as those officers who have devoted many years to the welfare of the veterans, he would therefore prefer to keep silence on the question of the beer hall, yet, as his opinion has been requested, he respectfully submits his impression that the canteen should be retained.

It might be well if all the members were total abstainers. But we have to treat with conditions that actually confront us, not with an ideal whose possible realization lies beyond the sphere of the Government. Rightly or wrongly, most members will use alcoholic beverages, no matter who protests. It therefore behooves the management to remove, or at least, to minimize the dangers to the health and morals of the members that may attend the procuring of drinks. This is precisely the purpose of the Home canteen. Therein guards are stationed to prevent treating and excessive drinking, to eject whosoever would abuse the privileges of the hall. Surely such safeguards do not surround those places, which the members will frequent much more than now, when beer can no longer be bought at the Home.

The canteen is a protection, physical and moral; a convenience and a comfort to the men; an adjunct to the Home, which, under prevailing and ineradicable conditions, friends of temperance should encourage rather than denounce.

Respectfully,

(Signed) B. F. KUHLMAN,

#### NORTHWESTERN BRANCH.

JULY 23, 1906.

SIR: In reply to the questions in your letter of the 17th instant I beg leave, respectfully, to say, firstly, the results of my observation of the operation of the beer hall have been advantageous to the members of the Home in restraining them from overindulgence in strong drink, such as is furnished by the saloons outside of the grounds.

Secondly, the social gathering of the members in the beer hall has, no doubt, the tendency to relieve the tedium and consequent depression incident to barrack life.

Thirdly, in my judgment there would be more drunkenness and disorder among the members of the Home were they deprived of the use of the beer hall. Its discontinuance would, in my opinion, be a calamity, for the reason I have stated.

Yours, obediently,

(Signed)

E. P. WRIGHT,  
*Chaplain.*

HON. FRANKLIN MURPHY,  
*President Board of Managers.*

JULY 30, 1906.

SIR: I have the honor to acknowledge receipt of your letter of the 17th instant, and in answer thereto I respectfully submit my opinion, as follows:

*First.* Situated as this Home is, surrounded by saloons on all sides, I most emphatically say that the beer hall is one of the best means of restraining those who are accustomed to indulge more or less in liquor from going outside where they can get more than sufficient. Say what you will and do what you please, you can not do away entirely with the use of intoxicants among the soldiers. Some of them are going to have their beer, and if it is not given to them in moderation, as is the strict custom in the beer hall, they will go to those places by which the Home is surrounded, and many of which bear a doubtful reputation, and get more beer and whisky than is good for them; and when they become stupid from the effects, they are frequently relieved of whatever money they may have left, and then in the darkness of the night are thrown out into the street to die from exposure or get run over and killed by the street cars if there is not a good Samaritan at hand to pick them up and bear them to the barracks.

*Second.* In the beer hall the blind, the lame, and the feeble, as well as the strong and active, meet on friendly terms and recall the scenes and incidents of days gone by, where they fought side by side for the one common cause—our national independence—and without being interrupted and aroused to anger by taunting remarks from outsiders, sip at leisure their glass of beer. Here scarcely anyone drinks to excess, for even if some are inclined to do so, the governor has the place so scrupulously guarded by competent and trustworthy policemen, and in charge of men who are thoroughly reliable and who understand their business, that it very seldom happens that you see a man leaving the beer hall under the influence of liquor.

*Social.* So much in regard to the beer hall and those who go there. What about those who do not go to the beer hall, but who are bound to go somewhere else? They either drink or they do not drink any kind of liquor. If they do not drink, so much the better; but if they do drink, where are they going to get it? If they are denied the beer hall, they will go to one of the other of the many so-called saloons in the vicinity of the Home. Now, what about the social feature of those so-called saloons to which the old soldier is driven by, no doubt, well meaning but misguided and over-enthusiastic people, who do not thoroughly understand the situation? Note well, during pension week, or a week before and a week after, a number of those places make a

special effort to capture the old veteran. At one place their ears will be charmed by melodious music dispensed by a few colored banjo players; in another, singing and dancing is going on, while in a third they will be entertained by a few of the demimondes from the lowest of the low places in the city. Add to this the profane and filthy language indulged in, and then draw your own comparison of the social advantage between the beer hall and the saloon outside.

Third. Let the advocates of no beer hall live in one of the Homes where there are saloons near by for six months—nay, for one week before and one week after pension day—and if he or she is not convinced that the beer hall, as things stand at present, is not only a means, but an absolute necessity, to counteract the baneful influence of the saloons outside, and thereby help to keep down the standard of drunkenness among the members of the Home—that is as long as the veterans of the civil war survive—then I must confess I greatly err in my judgment of the situation.

Respectfully,

#### EASTERN BRANCH.

JULY 20, 1906.

SIR: In reply to your letter of July 17, 1906, received through the governor of this Branch, I have this to say:

I became an officer of this Branch January 1, 1905, and accordingly know only by report concerning the condition of things at Togus before the establishment of the beer hall. Those who were here in that earlier day, including Maj. A. L. Smith, treasurer of the Branch, say that there was then much more drunkenness than there has been since the beer hall was established. Not a single case of drunkenness occasioned by drinking beer has come under my notice during my connection with the Branch, while I have witnessed a large number of cases of drunkenness on the part of members of the Home who have obtained intoxicating drink in Gardiner or Augusta, or from pocket peddlers or places where liquor is sold outside of the reservation. Accordingly, although a prohibitionist in sentiment, believing our Maine prohibitory law to be the best restrictive measure yet devised, so far as our people generally are concerned, I have come during my residence here to regard the beer hall as the best restrictive measure for the men connected with the Home, mostly old men, 60, 70, 80, and 90 years of age, who have long been accustomed to the use of intoxicating liquors. It seems to me much better to provide these men with beer under the restrictions that have been established by the Home than it is practically to send them outside of the reservation to satisfy their appetites in other places and in other ways. I have not consulted with Colonel Richards in writing this letter; but I am confident from what

I have seen of drunkenness since I have been connected with the Branch, that a very large percentage of the cases of drunkenness that come before his court are the cases of men who have been made drunk not by beer in the beer hall, but by other liquors obtained from outside sources.

In my judgment, therefore, the beer hall is a restrictive measure, in so far as it provides a beverage that is very much less harmful than the strong liquors the men seek elsewhere—that is, some of them, as our court records show—and by which they are made disorderly, and in some cases even beast like.

I am not unmindful of the unfavorable influences always connected with anything of a saloon character. The beer hall is not an ideal thing, as I look upon it. It is simply a device designed to secure the best possible state of things so far as the morals of the old soldiers are concerned, taking things as we find them. I wish the old soldiers would not drink even beer. But if we can not have the ideal thing—and I am satisfied that we can not—I think we should seek to have what is the next best thing. For the reasons given above, therefore, I am of the opinion that it would be better to allow the beer hall rather than to banish it from the National Home for Disabled Volunteer Soldiers. The regulations concerning the beer hall should have in view the best interests of the men. That the establishment of the beer hall is a restrictive measure should be strongly impressed upon those who have the oversight of it, and they should be held accountable for the strictest observance of the regulations.

Very truly, yours,

(Signed)

HENRY S. BURRAGE,  
*Chaplain.*

HON. FRANKLIN MURPHY,  
*President Board of Managers.*

JULY 20, 1906.

SIR: (1) In September I shall have completed fifteen years as chaplain of the Eastern Branch, and for this reason believe that I had ample time at my command to fully test the results of the beer hall on the inmates of the Home.

I have not the slightest hesitation in asserting that its influence on the members is highly advantageous, and I can not too emphatically indorse its continuance.

(2) The beer hall has the effect of restraining the men accustomed to the use of alcoholic beverages from indulging in strong liquor, because the thirst and the hankering after intoxicants are satisfied by the substitute, which the Home supplies. The veterans must have either the one or the other, and as long as their appetites are appeased by the milder drinks the necessity for the stronger ceases to exist.

(3) The beer hall has a wonderful influence in promoting the sociability of members and relieving the tendency to depression incident to barrack life, because meeting in such a well-conducted establishment is an excellent opportunity of becoming acquainted, and while engaged in innocent conversation and harmless recreation the old soldiers soon forget the monotony of their lives.

According to the laws of nature man is a social being. Therefore, the inmates of the Home, who are absent from their families and relatives, in order to conform to the natural law must have companionship.

The best available companions are found among their fellow-associates.

In the beer hall are congregated men who rarely, if ever, leave the reservation, and had it not been for the beer hall they would visit the neighboring cities where they would imbibe poisonous liquors, be victims of robbery, and finally be left to die a miserable death.

(4) The discontinuance of the beer hall, in my judgment, would result in an increase of 100 per cent in drunkenness.

I yield to none in a desire to advocate the cause of temperance, which consists in a moderate use, not only of liquor, but also food and whatever else may prove beneficial to mankind.

Unfortunately, many well-meaning temperance workers are intemperate in their language and ideas.

Respectfully, yours,

(Signed)

#### SOUTHERN BRANCH.

JULY 31, 1906.

SIR: In response to your request through the inspector-general, under date of July 17, I beg leave to report as follows:

The beer hall seems to act as a restraint upon the members accustomed to the use of alcoholic liquors, in that it satisfies the craving by substituting a milder and less harmful article for the stronger and more baneful.

The old soldier has, for the most part, met with strong reverses in life; he has, if any, but a fragment of a home left, and is absent from this; with a troubled mind, a lonely heart, and often an aching body, depression becomes a marked feature, which calls for social intercourse—the companionship of some of his fellows. Some find this in their church life, some in the social hall, others in the billiard room, and still others find it in the beer hall. This latter, though a lower form of sociability, takes its part with the others in removing much of the pressure.

The discontinuance of the hall would, in my judgment, result in more drunkenness and tend to increase its evil effects, because the percentage of men who, above the age of 60, give up a habit is small; if the habit is drink, it is even less. With the closing of the beer hall he would simply follow his habit into the village. There he meets the young soldier, who is prone to banter him beyond both his desire and judgment, probably for no other reason than the delight of seeing the "old soldier" knocked out.

If he escapes the young soldier, he still becomes the victim of the saloon keeper, who knows that by leading off with a few treats he can get all the old man has. Thus, having started for his beer, he

ends in the sorry spectacle of a common drunk, with many and probable chances of being injured, robbed, and, in any event, of suffering from the baneful effects of the liquors consumed, having brought public disgrace upon himself and upon the noble institution of the Soldiers' Home.

Considering, then, that the operation of the beer hall is neither a temptation nor a detriment to the member free from the drink habit, is the source of a considerable amount of sociability to the moderate drinker; and controls the member enslaved by the drink habit; restraining and protecting him, minimizing both the temptation to and the bad effects of drink, and sparing the Home from open shame, the beer hall is, in my judgment, under the exceptional condition here, an advantage, rather than a disadvantage, to the members of the Home.

Very respectfully,

J. MARTYN NEIFERT, *Chaplain.*

Hon. FRANKLIN MURPHY,  
*President Board of Managers.*

JULY 19, 1906.

SIR: In reply to your request for my judgment of the beer hall I wish to say that its operation is a decided benefit to the members of the Home.

It restrains those accustomed to the use of alcoholic liquors from indulging in strong drinks and limits drunkenness to a marked degree. It promotes a sociability very essential to men living under conditions such as are found in Soldiers' Homes.

The discontinuance of the beer hall would be, I know, a misfortune resulting in drunkenness and worse.

These statements are based upon an intimate experience with men of the Regular Army and Soldiers' Homes for many years.

Respectfully, yours,

W. A. FALLON, *Chaplain.*

Hon. FRANKLIN MURPHY,

**WESTERN BRANCH.**

JULY 24, 1906.

SIR: Replying to the letter of Col. W. E. Elwell, inspector-general, dated July 17, 1906, requesting me, by your direction, to report the results of my observations of the operations of the beer hall at this Branch, and whether or not "its influence has, on the whole, been to the advantage or disadvantage of members of the Home," I have the honor to say:

Question. What, if any, effect has it had in restraining members accustomed to the use of alcoholic beverages from indulging in strong liquors?

Answer. Disadvantageous.

Question. What, if any, is the influence of the beer hall in promoting social acquaintance of members and relieving the tendency to depression incident to barrack life?

Answer. I can not answer.

Question. Would the discontinuance of the beer hall, in your judgment, result in more or less drunkenness among members of the Home?

Answer. Less.

Very respectfully,

JAMES M. PAYNE,  
*Chaplain.*

FRANKLIN MURPHY, Esq.,  
*President Board of Managers,*  
*National Home for D. V. S., New York City, N. Y.*

JULY 28, 1906.

SIR: In reply to your letter of the 17th instant making inquiry as to my observations in regard to the beer hall at the Western Branch, "Whether or not its influence has, on the whole, been to the advantage or disadvantage of members of the Home," I beg to state that my observations, extending over a period of nearly twelve years as chaplain of this Home, lead me to the conviction that the beer hall at this Branch has been an advantage to the members and an indirect help to discipline.

During the past nineteen years I have lived among soldiers, young and old, and have been in close touch with them all that time, so that I feel I can speak with some assurance on this question.

I am not a defender of the liquor interests by any means; my speeches and labor in behalf of true temperance will show that I am strongly opposed to the liquor traffic as commonly carried on, as well as to the intemperate use of alcoholic beverage of every kind; nevertheless, centuries of experience have taught us many valuable lessons in regard to the vagaries of our common human nature. Theories are all very well until we are confronted by actual conditions. Then we are forced to proceed along the lines of least resistance to our ideals, deeming it an advantage to be able to choose the lesser of two evils, and thus, by a slow but sure process of elimination, to arrive at last at our goal. This is the history of all the great movements that have blessed our civilization and our race. The temperance movement must adopt the same tactics or fail utterly.

Now, the question of the beer hall at Soldiers' Homes is expressive of a condition, and the condition is in men, not in things. The veterans of our wars are what they are—victims of circumstances. They remain with us as the wreckage of many storms, vanquished victors of a hundred battle fields, homeless, friendless, often poor, seldom otherwise than lonesome; all are old, all are dying; far removed from the nobler influences of their families; and the worst of it all is, there is no power on earth to change this condition of affairs.

The intemperate use of liquor has been the fruitful source of the misfortunes of many of those men who drink. Yet it must never be imagined that there are not a vast number of good, sober, industrious men among them, as is shown from the fact that but 12 per cent of the membership of the Home commit all of the offenses.

Notwithstanding the conditions thus truthfully outlined, it is greatly to the credit of the management of these Homes that there is so little

disorder of any kind. As long as Soldiers' Homes are not prisons, and as long as pensions will be paid—which I hope will be forever—the veterans will use their freedom and their money to suit themselves. All that can be done is to render their associations and surroundings wholesome. This is an absolute impossibility outside the Home grounds; therefore, let them have within the grounds, under proper supervision, the simpler and less harmful beverage; let us afford the men every reasonable means of enjoyment, and we will increase their happiness and further the interest of good order and discipline. Let us choose between the two evils knowing that whatever of evil that may be connected with the restricted sale of beer at the Home it is as nothing compared to the disorder, crime, and suffering that must necessarily ensue if these old men are forced to resort to the dives that infest the vicinity of all these institutions. There will be more drunkenness, because the men will use alcoholic liquor of the very worst quality more freely than they do at present. They will seek in many ways to smuggle this vile stuff in to their barracks or hide it in the unfrequented places all over our extensive grounds. The exodus that takes place on Sunday mornings when our beer hall is closed will be a matter of every day occurrence, and the results can not be otherwise than disastrous.

It is in view of these conditions that I hold the beer hall to be an advantage. Many and wise regulations have been thrown around the sale of beer in these halls and every objectionable feature has been restricted so that very little disorder or excess is ever noticed. The abolition of the beer hall therefore, it seems to me, is shortsighted, because it is playing into the hands of the saloon element. It will accomplish very little good and is certain to do much harm.

There are conditions existing at Soldiers' Homes that very few on the outside can fully realize. One of the most striking characteristics of the veterans is their intense individuality. They seem to wish to be alone, to sit alone, and to walk alone. Men are seen sitting by their bunks for hours at a time in every barrack playing cards alone. There is very little comradeship. It is one of the sad features of soldiers' home life. It is most depressing and sometimes ends in dementia. The beer hall is a dissolvent of this condition; it is the social center and is about the only place where members of the Home become acquainted with one another, where good cheer is unrestrained by the presence of the puritanical or debased by the evil associations of vile men and women.

What can be found to take the place of the Home beer hall? The question is important because the tedium and depression of barrack life is settling down on many like a nightmare. The insane ward is a poor substitute, and the nearby saloons are in some respects even worse. There is no doubt in my mind but that the board of managers and the officers in charge of these homes know best what is for the interest of this class—good men once and brave soldiers, but now the victims of circumstances over which we have now no control. The beer hall may be objectionable but the dives and saloons are far more so. It is beside the question to say that the United States Government should not be in the liquor business so long as there are bonded warehouses and taxes collected and laws enacted for the manufacture, the sale, and transportation of the same.

Personally, I can find under the circumstances of this case no strong argument for the abolition of the beer hall, whereas my experience of

the last twelve years leads me to hold that it will serve the best interest of all concerned to retain the hall. I would add to its attractiveness and make it even more homelike. I would continue the lunch counter and have music at stated times on its veranda, and thus under the supervision of the guards and the watchful care of the governor of the Home the evils arising from the unprotected and unrestricted use of intoxicants will be greatly reduced.

Respectfully,

THOMAS H. KINSELLA, *Chaplain.*

FRANKLIN MURPHY, Esq.,

PACIFIC BRANCH.

AUGUST 29, 1906.

SIR: Your communication referring to the beer hall, with several questions, reached me through the governor.

My limited observation of the workings of the beer hall, and having no experience or opportunity to observe the condition of the members without one, except for a brief two weeks recently, makes it difficult for me to intelligently answer your questions.

The men before the governor for discipline, as a rule, are not the beer drinkers, but those who violate the rule prohibiting bringing intoxicating liquors into the Home grounds or those who use them outside and become intoxicated.

I believe the beer drinker is generally satisfied with what he gets at the beer hall, and he is thus prevented from going outside to secure what his appetite demands and insists upon as a moderate drinker, thus making temptation to excess by treating or abusive treatment by designing liquor sellers impossible.

I doubt many frequenting the beer hall for sociability, as the restrictions on treating prevent the first step in that direction. Men are sociable there with those to whom they are sociable away from there. Amusements would cultivate more and a better type of sociability.

As to "the depression incident to barrack life" the readers, who by reading are temporarily drawn away from themselves, and those who find light employment, are least depressed. I am not sufficiently experienced to pass judgment on the question whether "the discontinuance of the beer hall would result in more or less drunkenness among the members."

Discontinuance would remove the beverage from some who might cease its use or substitute a lunch. The most of the drinkers are confirmed in the habit and continue until it proves fatal. Their advanced years and length of habit makes it exceedingly difficult to induce them to cease drinking when it becomes harmful. They yield to disease more rapidly than those who do not drink.

What effect the prohibition of the beer hall would have upon the character of service rendered the Home can better be determined by those who deal directly with the employed.

Respectfully, yours,

G. W. WILSON, *Chaplain.*

Hon. FRANKLIN MURPHY,

SEPTEMBER 30, 1906.

SIR: As you requested me to report the results of my observations of the beer hall in the Pacific Branch, I wish to state that on the whole its influence has been to the advantage of members of the Home for the following reasons:

That it restrains members accustomed to the use of alcoholic beverages from indulging in strong drinks.

That it promotes social acquaintance and relieves the tendency to oppression incident to barrack life.

In my judgment the discontinuance of the beer hall would result in more drunkenness among members of the Home.

Respectfully, yours,

JULY 25, 1906.

SIR: In answer to your letter of inquiry in regard to the beer hall in this Home I have the honor to report to you the following through the governor:

I will answer your questions seriatim.

1. Has the influence of the beer hall been to the advantage or disadvantage of the members of the Home?

I think it has been to the advantage of some of those members addicted to drinking, as it is less injurious to them to be supplied under the limitations of the beer hall than to get their supplies under the conditions that prevail on the outside of the Home.

2. Has it had any restraining effect upon members accustomed to the use of alcoholic beverages from indulging in strong liquor?

It has had a restraining effect upon some of the members of the class designated in the question. Others will have the strong liquor if they can get it.

3. What is the influence of the beer hall in promoting the social acquaintance of the members, etc.?

It appears that it does promote the social acquaintance of the members who patronize it, but it is on such a plane that I seriously doubt that it is of any real help to them.

4. Would the discontinuance of the beer hall result in more or less drunkenness among the members of the Home?

It is my judgment that it would result in more drunkenness.

Yours, very truly,

D. E. MYERS, *Chaplain.*

HON. FRANKLIN MURPHY,  
*President Board of Managers.*

JULY 19, 1906.

SIR: Replying to your favor of the 17th instant, I beg to state that in my judgment the presence of the beer hall in our midst is a decided advantage to the members of the Home. Here, under the guidance of

experienced and kindly authority, the members of the Home who so desire may indulge legitimately in the use of alcoholic beverages. They meet socially in the beer hall and thus the danger or temptation to strong drink, at least for the majority, is rendered very remote, and they are protected from harm and excess. The discontinuance of the beer hall would, I am persuaded, work a real hardship to the honored defenders of our country "who like their beer," and they are numerous in the camp. It would beget more drunkenness among them, and cast them at the mercy of unscrupulous proprietors of the "dens and dope houses," who, despite the law and vigilance, continue to conduct their nefarious business in the vicinity of the Home. I desire to be placed on record, humbly but firmly, as being first, last, and always for the continuance of the beer hall at the Home.

I am, respectfully, yours,

CHARLES E. McCABE, *Chaplain.*

DANVILLE BRANCH.

JULY 26, 1906.

SIR: In reply to your letter of inquiry concerning the advantages or disadvantages of the beer hall in the Soldiers' Home, Danville, Ill., I have the honor to say:

1. Having had opportunities to converse with many members of our Home, both in their barracks and out in their common haunts, I may confidently report to you that the canteen or beer hall has a wholesome effect in restraining the confirmed drinkers of liquor from over-indulgence in strong drinks. A decided majority of the members of this Home are strictly temperate; but there is a minority who seem hopelessly established in the passion and habit of drunkenness, and will indulge their love for alcoholic drink in some way, legitimate or illegitimate. Daily, at regular hours, they visit the beer hall, drink a glass or two of beer and seem satisfied. On account of a former pastor in the city of Danville I have facilities of seeing the reports from the police department. There has been a steady decline in the number of arrests of old soldiers for drunkenness. Fifteen months ago there were reported 175 arrests, but three months since the number was reduced to 19. Various causes contribute to this desirable result, but it is certain the Home canteen is an important factor in that result.

2. Also I may assure you that the beer hall furnishes a means in promoting the social side of life in the Home. Usually the old soldiers keep much to themselves. They do not seem disposed toward sociality. Hundreds pass and repass with neither a look nor word to one another. I have taken opportunity to pass through the canteen and found those therein manifesting a convivial spirit. They are limited in the amount of beer allowed, and do not become boisterous or profane, or offensive, and so far as my observation has gone they enjoy the society of one another.

3. In my judgment the discontinuance of the beer hall would increase the amount of drunkenness in this Home and largely add to the sum of arrests for consequent disorder, both in the Home court and the police court of Danville. I base this conclusion upon my observation and

knowledge of the fixed habits of many of these veteran soldiers. We can restrain them under the careful discipline of the Home government under the rules of the Board of Managers; but it seems too late in their lives to hope for the cure of the long-established habit of strong drink, except in those who adopt and steadfastly practice the Christian faith. When the beer hall was temporarily closed by the act of the late Congress we found many members of the Home who deeply resented it. They said the canteen belonged to them, and the indirect attempt of the United States Congress to abolish it had an injurious result. The visits to the Danville saloons increased and according to my limited observation the number of drunken soldiers notably multiplied.

To my thought we are compelled to choose one of two evils—the Home canteen or the liquor saloon; and from my standpoint we must accept the canteen, however reluctantly, as less productive of injury to the drinking members of the Home and of disorder in the Home.

Very truly,

THOS. A. PARKER, *Chaplain.*

HON. FRANKLIN MURPHY,  
*President Board of Managers.*

SEPTEMBER 25, 1906.

SIR: In reply to your inquiry made through Inspector-General and Chief-Surgeon W. E. Elwell, regarding the results of the beer hall as conducted at this Branch, I beg to submit the following report based upon personal observation and communication with members of the Home:

(1) However zealous one may be in the cause of temperance, an unprejudiced consideration of the case will convince one that the beer hall, under proper management, works to the advantage of the members, and even promotes temperance, by decreasing the number of cases of drunkenness. I know many members here who go to the beer hall once or twice a day, and who never become intoxicated, but who say they would in all probability were they to go to the city, and they declare that they would be likely to go to the city if they could not obtain beer in the Home. I have not seen any drunkenness around the beer hall, and I believe that the present system reduces the drink evil to a minimum.

(2) The beer hall seems to satisfy most of those addicted to the use of alcoholic drink, and thus keeps them away from strong liquor, though I have met some who declared that their craving for whisky was first excited by indulging at the beer hall.

(3) There can be no doubt about the fact that the beer hall contributes a great deal to relieve the monotony of barrack life, and promotes sociability among the large number of moderate drinkers who frequent the place. Of course it could hardly be justified on this score alone, but it is an argument in its favor.

(4) Experience here has convinced me that the operation of the beer hall makes for moderate drinking, and that its discontinuance would augment the number of cases of drunkenness in the Home.

Respectfully, yours,

STEPHEN N. MOORE, *Chaplain.*

HON. FRANKLIN MURPHY,  
*President Board of Managers.*

## MOUNTAIN BRANCH.

AUGUST 3, 1906.

SIR: Replying to your letter of July 17, 1906, touching the beer hall, I have the honor to say, in answer to the question, "Has the influence of the beer hall, on the whole, been an advantage or a disadvantage to the members of the Home" with a careful observation of fourteen months without the presence of the beer hall and nineteen months with it in existence and full operation, my judgment is that its influence is a disadvantage to the members.

To the question, "What, if any, effect has it had in restraining members accustomed to the use of alcoholic beverages from indulging in strong liquor?" will state a good per cent of the class above described content themselves with the use of beer, while there is another class anxious to break away from the drink habit and would, in my judgment, succeed but for the presence and influence of the beer hall in the Home.

Again, "What, if any, is the influence of the beer hall in promoting social acquaintance of the members and relieving the tendency to depression incident to barrack life?" In answer to this question, I feel sure that the presence and influence of the beer hall creates a fretful chasm between those who patronize the beer hall and those who do not, and thus hinders rather than helps sociability, while, with the age and decrepitude of those who patronize the beer hall, the habit seems to incline them to be more fault-finding, moody, and irritable.

Finally, to the question, "Would the discontinuance of the beer hall, in your judgment, result in more or less drunkenness among members of the Home?" I beg to say that it is my impression that its discontinuance would result in very much less drinking and considerably less drunkenness.

The question is one of difficult solution, and I devoutly trust that the agitation will continue until that which is wisest and best for the members of the Home is attained.

Respectfully,

J. A. RUBLE, *Chaplain.*

HON. FRANKLIN MURPHY,  
*President Board of Managers.*

AUGUST 10, 1906.

SIR: I have the honor to report the following observations on the beer hall:

The discontinuance of the beer hall will doubtless result in fewer cases of common, or plain drunks, but in a greater number of more aggravated debauches in strong drink.

As to a choice between the two evils, moralists seem to be agreed that the latter, as nearly always constituting a crime, are more productive of injury to society than the former, which, for the most part, are simply a vice.

Very respectfully,

WALTER F. GOTTWALLES, *Chaplain.*

HON. FRANKLIN MURPHY,  
*President Board of Managers.*

## REPORT OF THE SECRETARY.

---

THE NATIONAL HOME  
FOR DISABLED VOLUNTEER SOLDIERS,  
*Secretary's Office, December 6, 1906.*

SIR: I have the honor to forward herewith certain documents to accompany the annual report of the Board of Managers to Congress for the year ending June 30, 1906. They consist of—

- (1) The proceedings of the Board of Managers during the year.
- (2) The reports of the governors of the several Branches.
- (3) The record of members.

The proceedings of the Board of Managers at its various meetings exhibit in full everything that has been done by the Board in the performance of its duties. The reports of the governors show in detail all that is important to know as to their respective Branches.

The papers above referred to contain all the information that can be furnished in regard to the management of the Home.

Respectfully, yours,

C. M. ANDERSON,  
*Secretary Board of Managers,  
National Home for Disabled Volunteer Soldiers.*

FRANKLIN MURPHY,  
*President Board of Managers,

The report of the inspector-general upon certain irregularities at the Southern Branch was received and read. The president announced that he had decided to direct the removal of the chief engineer.

Upon motion of Mr. Murphy it was

*Resolved*, That the resolution passed at the meeting of the Board on May 11, 1905, authorizing the erection of a propagating house at the Southern Branch is hereby amended to read "one or more propagating houses."

The president of the Board announced that he had received and accepted the resignation of Capt. John H. Gifford, quartermaster of the Southern Branch, and that, under the authority heretofore conferred by the Board, he had appointed Maj. John T. Hume quartermaster of the Southern Branch. Upon motion, the action of the president in both cases was confirmed by the Board.

Upon motion, it was resolved that, when the Board adjourn, it be to meet at the Central Branch on Thursday, September 7, 1905.

Upon motion, the general treasurer was authorized to pay to Mrs. Rachel Graves, for certain lots required for the grounds of the Battle Mountain Sanitarium at Hot Springs, S. Dak., the sum of \$67.50 in addition to the amount allowed by the court in condemnation proceedings, the contract for the purchase and sale of said lots having been executed prior to such condemnation proceedings at a price mutually agreed upon. The lots in question were included in the condemnation proceedings merely as a precaution and for the purpose of quieting title.

Upon motion, there was appropriated from the post fund of the Central Branch the sum of \$1,354.04 for the construction of additional cement walks at that Branch.

Upon motion, there was appropriated from the post fund of the Western Branch the sum of \$2,000 for the construction of gravel walks around the lake and the sum of \$800 for the construction of granitoid walks in rear of the barracks at that Branch.

Upon motion, there was appropriated from the post fund of the Marion Branch the sum of \$500 for the purchase of the old laundry building at that Branch, and the sum of \$950 for the purpose of removing and relocating the same.

The Board thereupon, on motion, took a recess and proceeded to the Eastern Branch, where it reconvened on July 20.

---

#### EASTERN BRANCH, *July 20, 1905.*

The Board made the usual inspection of buildings, hospital and grounds, and heard the complaints of such members as desired to appear personally before it.

The representatives of the Augusta water district were given a hearing by the Board in relation to the water supplied by them to the Eastern Branch.

Upon motion, it was

*Resolved*, That there is hereby appropriated from the post fund of the Eastern Branch the sum of \$4,000, or so much thereof as may be necessary, for the purpose of building an addition to the greenhouse at that Branch.

The matter of an additional appropriation from the post fund of the Pacific Branch for the construction of the library building at that Branch was postponed until the next meeting of the Board.

At various times during its session the Board considered applications for admission and readmission and made the following orders:

EASTERN BRANCH.

APPLICATIONS FOR READMISSION.

The following applications are denied:

Martin A. Reckords, late A Company, Third Massachusetts Heavy Artillery.

William J. McElroy, late Eighth Massachusetts Battery.

James T. Angus, late E Company, Third Connecticut Infantry.

The application of Charles H. Fifield, late M Company, First New Hampshire Cavalry, is referred to General Brown, local manager, with power.

There being no further business before the Board, upon motion, the Board adjourned, on July 24, to meet at the Central Branch on September 7, 1905, at 11 a. m.

C. M. ANDERSON, *Secretary*.

PROCEEDINGS OF THE BOARD OF MANAGERS OF THE NATIONAL HOME FOR DISABLED VOLUNTEER SOLDIERS, SEPTEMBER 7, 1905.

CENTRAL BRANCH, DAYTON, OHIO, *September 7, 1905.*

The Board met in regular quarterly session at 11 a. m.

Upon motion, it was resolved that when the Board adjourn it be to meet in Washington, D. C., on December 6, 1905.

Resolved, It was

Resolved, That the following sums are hereby appropriated from the post fund of the Central Branch for the following purposes at that branch, viz, \$250 for the purchase and putting in working order of catch basins in the gutters and along the streets and public places; \$100 for the purchase and putting in place of iron street signs bearing the names of the streets; \$1,000 (in addition to the sum of \$1,509.70 heretofore appropriated for that purpose) for the erection of the "Peter Fitzgerald Fountain;" \$5,000 for the construction of one span cement bridge to replace the old wooden bridge at the eastern entrance to the grounds; \$150 for the purchase and erection of a drinking fountain, and \$3,500 for the construction of a street or avenue through the south addition to the Deer Park, the said street to be constructed according to the plans prepared by the chief gardener.

Resolved, That the new street, extending from the cemetery road at the Central Branch west and southwest to near the western entrance of said branch grounds, shall be named "McMahon avenue," in honor of Gen. M. T. McMahon, president of the board; that the new street extending from near the front of the "Colonel Harris" barrack, and running westward of said barrack in a circuitous direction until its intersection with said cemetery road, shall be named "Brown avenue," in honor of Col. E. F. Brown, long the governor of the Central Branch, and, later, inspector-general of the Home, and that the sum of \$2,500 is hereby appropriated from the post fund of the Central Branch for the construction and improvement of said avenues.

The president of the Board reported that, upon opening the bids received, after due advertisement, in the office of the architect at Omaha, Nebr., for the construction of certain buildings at the Battle Mountain Sanitarium, it was found that all of the bids received were excessive, and they were accordingly rejected. Also, that there being an urgent necessity for the construction of the power house at an early date, in order that work in connection with the contract for heating the buildings might not be delayed, he had authorized Capt. Henry E. Palmer to secure informal proposals for such building, and that, this having been done and six bids received, award had been made to the lowest bidder, L. G. Larson, and that a satisfactory contract for the construction of the power house had been duly executed and approved. Upon motion, the action of the president was approved by the Board.

The president of the Board reported that Col. S. H. Allen, governor of the Eastern Branch, had tendered his resignation, to take effect on October 1, 1905; that he was seriously ill, and had been granted leave of absence until that date, and that Gen. John T. Richards, assistant inspector-general, had been detailed as acting governor of that Branch. Upon motion, the resignation was accepted, and General Richards was appointed governor of the Eastern Branch, the appointment to take effect on October 1, 1905.

The president of the Board reported that he had detailed Capt. Charles W. Wadsworth, adjutant and inspector of the Mountain Branch, as acting assistant inspector-general, to fill the vacancy caused by the detail of General Richards as acting governor.

Upon motion, Captain Wadsworth was appointed assistant inspector-general, the appointment to take effect on October 1, 1905.

Upon motion, Lieut. William B. Aiken was appointed adjutant and inspector of the Mountain Branch, to fill the vacancy caused by the promotion of Captain Wadsworth.

Upon motion, the new gate at the lake entrance of the Central Branch was named the "Anderson Gate."

The matter of the condition of the hospital at the Central Branch, especially as regards its administrative methods, was discussed, and it was resolved that the subject be referred to the president of the Board and the local manager, with power to take such action as, in the opinion of the Board, expressed in discussion, may be for the best interest of the Home.

Upon motion, Capt. William A. Tucker was appointed treasurer of the Battle Mountain Sanitarium, at a salary of \$2,062.50 per annum, the appointment to take effect upon his assignment to duty by the president of the Board.

The Board made its usual inspection of grounds, buildings, and hospital, and heard the complaints of such members as desired to appear personally before it.

The Board then proceeded to the Marion Branch, and reconvened on September 9.

---

MARION BRANCH, *September 9, 1905.*

The Board made the usual inspection of hospital, buildings, and grounds, and the complaints of members were heard.

Upon motion, the action of the president of the Board in approving the expenditure of \$4,200 from the post fund of the Marion Branch for the completion of the Home exchange building at that Branch, and of \$225 from the post fund of the Mountain Branch for the construction of a lion house and cage at that Branch was approved by the Board.

The president of the Board reported that he had received and accepted the resignation of Capt. S. F. Reber, quartermaster of the Pacific Branch, and that, under the authority heretofore conferred by the Board, he had appointed Capt. E. H. Parsons quartermaster of the Pacific Branch.

Upon motion, the appointment of Captain Parsons to take effect on October 1, 1905, was confirmed by the Board.

The Board then proceeded to the Danville Branch, and reconvened on September 12.

---

DANVILLE BRANCH, *September 12, 1905.*

The Board made the usual inspection of buildings, grounds, and hospital, and heard the complaints of members.

The Board then proceeded to the Northwestern Branch, and reconvened on September 14.

---

NORTHWESTERN BRANCH, *September 14, 1905.*

Upon motion, Dr. E. T. West was appointed surgeon of the Mountain Branch, at a salary of \$2,000 per annum, the appointment to take effect October 1, 1905.

After the usual inspection of hospital, buildings and grounds, and hearing the complaints of members, the Board proceeded to the Western Branch and reconvened on September 15.

WESTERN BRANCH, *September 15, 1905.*

Upon motion, it was resolved that such of the members of the Western Branch as are desirous of doing so, and are not undergoing punishment, may be excused for the purpose of participating in the parade in Leavenworth on "Military day."

The matter of the unsatisfactory pressure in the water supply at the Western Branch was presented and discussed, and, upon motion, it was—

*Resolved*, That the matter of the improvement of the water supply at the Western Branch be referred to the president of the Board, with power.

Upon motion, the following was adopted:

Whereas the general treasurer is required, in connection with the renewal of his bond to the United States, to transfer to the Treasurer of the United States on September 30, 1905, all funds for which he is accountable, and it being necessary that such funds shall again be procured from the United States Treasury in order to pay the outstanding liabilities of the several Branches of the Home and of the general treasurer for the current quarter, it is

*Resolved*, That the president of the Board is hereby authorized and directed to prepare an additional estimate under the several heads of expenditure of each Branch and for construction, clothing, salaries, out-door relief, and incidental expenses of the National Home, and for aid to State or Territorial Homes for the quarter ending December 31, 1905, and that the general treasurer be, and he is hereby, authorized and empowered to obtain from the Treasurer of the United States the sum so estimated, to receipt therefor, and to transfer and disburse said sum as authorized by law.

Upon motion, there were appropriated from the post fund of the Western Branch the following sums for the following purposes at that Branch, viz, \$1,500 for the erection of a flagstaff and \$1,000 for grading and excavating for the purpose of preparing a site for building along one of the avenues.

The president of the Board presented the application of an outside organization for the participation of the band of the Western Branch in a parade to be held in Kansas City, Mo., and the application for relief of W. C. Bishop, late K Company, Forty-fourth Missouri Infantry, a member of the Home, who complained that injustice had been done him some ten years ago in depriving him of a contract made by him with the then treasurer of the Home. Upon motion, both applications were referred to the local manager, with power.

The president of the Board presented correspondence had with the attorneys representing the Home as against certain railroads now entering upon and using the Home grounds for heavy through traffic, also a bill in equity drawn by the attorneys and submitted for approval. The president further reported that by authority heretofore conferred (printed minutes, vol. 3, p. 193) upon the president of the Board and the local manager he had replied to the attorneys, suggesting certain changes in form and substance in the bill as drawn. Upon motion, the letter of the president of the Board was spread upon the minutes as follows:

No. 6815.

August 18, 1905.

MY DEAR COLONEL: I have your letter of August 9 inclosing proposed bill in equity in the matter of our suit against the railroad companies. I fully agree with you that the bill itself is absolutely faulty, both in "logical sequence, brevity, and clearness of expression," and, further, that it absolutely gives away our whole case.

The suit should undoubtedly be brought against all the operating companies, and it should proceed upon this one statement of logic, which is law, and of law, which is

logic. The Home granted to two insignificant local companies certain privileges based upon conditions then existing.

These privileges consisted in the main of the right to enter the Home grounds for certain purposes incident to their business, viz: The transaction of local traffic which would not constitute in any sense either a nuisance or detriment to the Home.

For these privileges so intended to be granted the grantees were to comply with certain conditions, some of which they have not complied with. It was never intended by the Home or these two original grantees that the Home grounds should be thrown open for a class of traffic that not only constitutes a nuisance to the members of the Home, but was never contemplated or dreamed of by either party in the original contract. Paragraph 9 of the contract states that any other company or companies operating the roads of the original grantees were to be bound by the conditions of the contract. This clause can under no circumstances be considered as enlarging those conditions or conferring privileges not intended to be conveyed and which would never have been assented to by the Home.

From this it follows that the original grantees under the contract have attempted and are attempting to convey rights which they never owned and privileges which they never would have been permitted to own or exercise. It follows also that the intent of the parties to a contract apparent at the time of its making must control its construction.

Again, the contract itself provides that if there should be any disagreement between the parties thereto upon the construction of any clause in the contract or of the whole contract that the question should be submitted to arbitration and that such arbitration is to be absolutely final. No court in Christendom would ever hold that it has jurisdiction to determine questions as between parties, when by the absolute, explicit, and unmistakable terms of their agreements such questions are to be submitted to arbitration and such arbitration must be final.

The statement that the president of the Board of Managers and the Board of Managers had no authority in the premises to make any such contract is simply absurd and gives away our whole case. The Board of Managers has full and absolute power to make such a contract and has made many of them which have never been disputed.

We are not appealing to the courts on "sacred purposes" and for sympathy for the wounded and disabled soldiers; we are standing upon our naked absolute rights and nothing more, and the bill must be prepared in accordance with this view, to be submitted to the Board at its next meeting and passed upon.

The logic of the situation is this: A gives to B certain rights and privileges, for which B renders certain considerations. B then assigns to C, D, E, and the rest of the alphabet, if you like, rights and privileges which were never intended to be conferred upon him and which, as a matter of fact, were never conferred upon him, and if B, on the strength of this contract, proceeds to confer upon others or assign to others rights which he never had or claimed to have, A can appeal to the courts for relief in the nature of an absolute and final and permanent injunction. All of this is fully set forth in the decision recently made by the appellate division of the supreme court of the State of New York, copies of which I sent you.

Referring to my letter of March 14 you will find that I call attention to the fact that the prevailing opinion of the court holds "that where the easement is sought to be enlarged to cover that which the original grantor never intended to convey, and to burden him with additional servitude not included in the original grant, an injunction will lie if the privileges or easements can be so separated as to preserve the original rights acquired by the first grantee;" while Judge Morgan J. O'Brien, now the presiding judge of the appellate division, holds "that the easement itself is annulled and destroyed forever if the original grantee has complicated or overburdened it by additional servitude not intended by the first grant and not readily or conveniently separable from that conveyed and intended to be conveyed by the first agreement." This is our case precisely and the authorities stated fully sustain the judgment of the court.

Please have the bill redrawn from beginning to end on the views which you express in your letter and which I elaborate here. We seek to prevent not only a nuisance, but a gross attempt to overburden an easement by conditions that never were dreamed of when the easement was granted and which are simply intolerable. There is no necessity for resorting to sacred purposes and to sympathy for dead and dying soldiers. We stand simply on our absolute rights, but under no circumstances must the Home set up that it has no power to make any contracts which, in the opinion of the Board of Managers, is necessary and advisable for the due administration of the trust confided to it. Its powers in this respect are ample.

All of those portions of the bill which refer to the moneys expended by Congress and the value of property received by donation and otherwise to carry out the trust

are unnecessary; furthermore they are very inaccurate. A much greater sum has been expended than that stated in the bill. The value of the real and personal estate owned by the Home is not of importance nor is its consideration relevant. We have received millions of dollars worth of property which never came out of the Treasury of the United States.

Another consideration occurs to me which I would like you to think over. Had we not better take a more aggressive attitude and "let the other fellow do the walking?" That is to say, would it not be wiser for us to remove the tracks of the offending railroads after a reasonable notice and let them apply to the court for relief by way of injunction or otherwise? This would certainly bring up the whole question involved and secure a speedy hearing and the abatement of the nuisance of which we complain. Nothing need be done until the meeting of the Board, of course, but I would like to have you ready to make such suggestions as you may deem advisable on the points herein presented.

I will send copies of this letter and also of the bill to General Anderson, Judge Hammond, and Major Warner, who, I believe, are all learned in the law, as I do not wish that in a matter of such importance my opinion should prevail against the distinguished gentlemen who represent the Home in the courts.

Very truly yours,

(Signed) M. T. McMAHON,  
*President Board of Managers,  
National Home for Disabled Volunteer Soldiers.*

Col. SIDNEY G. COOKE,  
*Governor Western Branch.*

After full discussion, the action taken by the president and outlined in the foregoing communication was unanimously approved. None of the counsel appeared before the Board, but had communicated by letter their desire that the president of the Board should himself act as attorney and sign a new bill drawn on the lines indicated in his letter. The suggestion that the president of the Board act as its attorney was not favorably considered, and the Board directed that the counsel for the Home be so informed. The reply was accordingly prepared, and, upon submission to the Board, was approved, as follows:

NATIONAL MILITARY HOME,  
*Leavenworth County, Kans., September 16, 1905.*

GENTLEMEN: The question pending between the National Home for Disabled Volunteer Soldiers and the railroads was presented to the Board of Managers at its meeting here and fully considered in all its aspects, and I am directed by the president of the Board of Managers to say that the Board regretted not to have heard you personally, as it had hoped to do, and also that the Board is of the unanimous opinion that the line heretofore indicated to you in the letter of the president of the Board is the safer course to pursue, and it construes your letter of September 4, 1905, suggesting that the president of the Board appear as attorney in the case, as a request from you to be relieved from further connection with it and, therefore, in deference to your views, I am directed by the Board of Managers to secure other counsel.

After making the usual inspection of grounds, hospital, and buildings, and hearing complaints, the Board proceeded to the Battle Mountain Sanitarium and reconvened on September 18.

BATTLE MOUNTAIN SANITARIUM, *September 18, 1905.*

The Board thoroughly inspected the grounds of the sanitarium and the buildings under construction.

Upon motion, the Board authorized the employment at headquarters of a post-fund clerk, at a salary to be fixed by the president of the

Board, and to be paid by a pro rata assessment upon the post funds of the several Branches.

Upon motion, the president of the Board and the local manager were requested to set aside in the administration building at the Battle Mountain Sanitarium a suitable room for religious services, such room not to be in the basement of the building.

Upon motion, the matter of securing the services of a capable landscape gardener for the purpose of laying out and beautifying the grounds of the Battle Mountain Sanitarium was referred to the president of the Board and the local manager, with power.

Upon motion, the president of the Board was directed to prepare and submit to Congress an additional estimate for \$50,000 for the erection of a combination barrack at the Western Branch.

SAN FRANCISCO, CAL., *September 26, 1905.*

The Board reconvened at the Palace Hotel, on September 26, and gave a hearing to a committee of the trustees of the California Veterans' Home Association, consisting of President Backus, Colonel Kinney, and Colonel Patterson, who submitted a copy of the State act tendering the property of the association at Yountville, Cal., to the United States or its officers, viz:

CHAPTER CCCLXXXVII.

AN ACT To authorize and provide for the transfer of the Veterans' Home of California, its property, management, control and support, to the Government of the United States, its officers and authorities, to be conducted as a National Home under such laws as now exist or which may hereafter be enacted by Congress; and for the conveying of the property of said Home, both real and personal, belonging to the State of California, situate in Napa County, to the Government of the United States, for such purpose.

*The people of the State of California, represented in senate and assembly, do enact as follows:*

SEC. 1. Upon the enactment of appropriate legislation by Congress providing for the taking over of the property, real and personal, of the Veterans' Home of California, belonging to the State of California, situate in Napa County and described in that certain act entitled "An act to accept from the Veterans' Home Association the conveyance of and to vest the title in the State of California to the tract of land in Napa County known as the Veterans' Home, with the improvements and furnishings thereon, to make the same a State Home for United States soldiers, sailors and marines, and to provide for the government thereof by the State," approved March 11, 1897; and such other property and lands as the State of California, for said Home, may have since acquired; and providing for the management, control, conduct, and support thereof by the Government of the United States as a National Home; the board of directors of the Veterans' Home of California may, and it is hereby authorized to, convey all the property of said Home, belonging to the State of California, both real and personal, to the Government of the United States, or to its officers, and to transfer to the Government of the United States, its officers, the conduct, control, management, and support thereof.

SEC. 2. A deed, duly executed by the president of the board of directors of the Veterans' Home of California, thereunto duly authorized by said board, shall pass and vest title to said property in the Government of the United States.

SEC. 3. Upon the assumption of the conduct, control, management, and support of said Home by the Government of the United States, its officers, the terms of all the officers of said Home, and the terms of employment of all its employees, shall expire, and their salaries and wages shall cease, except the terms of the board of directors, its president, and vice-president, which shall continue for the period of six months thereafter and therefrom.

Sec. 4. Before the terms of the members of the board of directors shall expire, as provided in section 3 of this act, the said board shall make its report to the governor of the State of California, in the manner provided for the annual report in that certain act heretofore in this act referred to; and shall turn over to the treasurer of the State of California all moneys belonging to said Home, or to said State, except all moneys held by said board as pension moneys, which shall be returned to the respective pensioners who may be alive, and in case of their death, then to the officers or managers of the National Home, taking over the management of said Home, to be distributed by them in accordance with the present laws, rules, and regulations of said Veterans' Home of California.

Sec. 5. The board of directors of the Veterans' Home of California is hereby authorized and empowered to do and perform all acts which are or may be necessary in law or otherwise.

Sec. 6. This act shall take effect and be in force in thirty days after its passage.

The Board then proceeded to the Pacific Branch, and reconvened on September 28.

---

PACIFIC BRANCH, *September 28, 1905.*

The Board made the usual inspection of hospital, grounds, and buildings, and heard the complaints of members.

The president of the Board presented the resignation of Dr. H. E. Hasse, surgeon of the Pacific Branch. Upon motion, the resignation was accepted, to take effect on November 1, 1905.

The president of the Board presented the resignation of Rev. C. D. Scott, acting chaplain of the Pacific Branch. Upon motion, the resignation was accepted, to take effect when his successor shall have been appointed.

Upon motion, the matter of the pay of both chaplains at the Pacific Branch was referred to the local manager for such recommendations as he may deem proper to make to the president of the Board.

Upon motion there was appropriated from the post fund of the Pacific Branch the sum of \$13,000 (in addition to the sum of \$12,000 already appropriated at meeting of March 3, 1903), for the erection of a library building and amusement hall at the Pacific Branch, said building to contain such other conveniences as may be agreed upon and to be for the entertainment of the members of the Home. The plans and specifications of said building to be immediately prepared and submitted to the president of the Board for approval.

The president of the Board presented the application of the West Los Angeles Water Company for increased pay for water supplied to the Pacific Branch. Upon motion it was

*Resolved,* That the matter of the water supply at the Pacific Branch be referred to the local manager and the governor for thorough investigation and for report to be submitted at the next meeting of the Board.

Upon motion the matter of oiling the roads and cement crossings at the Pacific Branch was referred to the local manager, with power.

Upon motion Dr. H. G. Burton was appointed surgeon of the Pacific Branch to fill the vacancy caused by the resignation of Dr. H. E. Hasse, the appointment to take effect on November 1, 1905.

At various times during its session the Board considered applications for admission and readmission, and made the following orders:

There being no further business before the Board, upon motion the Board adjourned, on October 5, 1905, to meet at the Arlington Hotel, Washington, D. C., on Wednesday, December 6, 1905, at 2 p. m.

C. M. ANDERSON, *Secretary*.

**PROCEEDINGS OF THE BOARD OF MANAGERS OF THE NATIONAL HOME FOR  
DISABLED VOLUNTEER SOLDIERS, DECEMBER 6, 1905.**

WASHINGTON, D. C., *December 6, 1905.*

The Board met in regular quarterly session at 2 p. m.

Present: The President of the United States; the Chief Justice of the United States; the Secretary of War; Gen. M. T. McMahon, president of the Board; Gen. Thomas J. Henderson, first vice-president; Gen. J. Marshall Brown, second vice-president; Gen. Charles M. Anderson, secretary; Capt. Henry E. Palmer; Col. Walter P. Brownlow; John M. Holley, esq.; Maj. William Warner; Hon. Franklin Murphy.

There were presented communications from Col. Henry H. Markham and Col. Edwin P. Hammond, explaining their absence.

The minutes of the last meeting were submitted. Upon motion, they were corrected to include an item of \$5,000 for maintenance at the Battle Mountain Sanitarium for the quarter ending December 31, 1905, making the total amount appropriated at meeting of September 7, 1905, \$1,227,686 instead of \$1,222,686. The minutes as corrected were, upon motion, approved.

The president of the board presented the estimates for the quarter ending March 31, 1906, which, after careful consideration, were agreed upon as follows:

Central Branch, general.....	\$172, 375
Northwestern Branch, general.....	82, 500
Eastern Branch, general.....	73, 500
Southern Branch, general.....	96, 175
Western Branch, general.....	107, 475
Pacific Branch, general.....	76, 950
Marion Branch, general.....	72, 325
Danville Branch, general.....	90, 150
Mountain Branch, general.....	92, 775
Battle Mountain Sanitarium, maintenance.....	11, 000
Clothing for all the Branches.....	75, 000
Salaries for officers and employees of the Board of Managers, outdoor relief, and incidental expenses.....	15, 736
Total.....	965, 961
Aid to State or Territorial Homes.....	268, 750
Grand total.....	1, 234, 711

Whereupon the following resolution was adopted:

*Resolved*, That the Board of Managers of the National Home for Disabled Volunteer Soldiers estimates and appropriates, out of the moneys which may be provided by law, the sum of \$965,961 as necessary to meet the expenses of the Branches and for construction, clothing, salaries, out-door relief, and incidental expenses of the National Home, and \$268,750 for aid to State or Territorial Homes, for the quarter

ending March 31, 1906; and that the general treasurer be, and he is hereby, authorized and empowered to obtain the sum of \$1,234,711 from the Treasury of the United States, to receipt therefor, and to transfer and disburse said sum as authorized by law.

Upon motion, it was

*Resolved*, That, if appropriation be made by act of Congress during its present session for deficiencies in the appropriations for the fiscal year 1906 and for prior years, under the various heads of expenditure, for building and appurtenances and aid to State or Territorial Homes, the Board of Managers of the National Home for Disabled Volunteer Soldiers estimates and appropriates, out of the moneys which may be provided by law, the total amount of such appropriation as necessary to meet the expenses of the National Home for the quarter ending March 31, 1906; and that the general treasurer be, and he is hereby, authorized and empowered to obtain such total amount, or so much thereof as may be necessary, from the Treasury of the United States, to receipt therefor, and to transfer and disburse said amount as authorized by law.

*Resolved*, That, it being considered necessary and advisable that funds for the support of the National Home for Disabled Volunteer Soldiers for the quarter ending June 30, 1906, shall be available for expenditure prior to the date fixed for the next meeting of the Board of Managers, the president of the Board is hereby authorized and directed to estimate, under the several heads of expenditure of each Branch and for construction, clothing, salaries, out-door relief, and incidental expenses of the National Home and for aid to State or Territorial Homes, for the quarter ending June 30, 1906; and that the general treasurer be, and he is hereby, authorized and empowered to obtain from the Treasury of the United States the sum so estimated, to receipt therefor, and to transfer and disburse said sum as authorized by law, a detailed report of the same to be submitted by the president to the Board at its next meeting.

The president of the Board presented the following draft of the annual report of the Board for the fiscal year ending June 30, 1905, which was read, discussed, and upon motion approved and ordered transmitted to Congress:

*To the Honorable the Senate and House of Representatives of the Congress of the United States:*

GENTLEMEN: The Board of Managers of the National Home for Disabled Volunteer Soldiers, in obedience to law, presents the following report of the institution under its charge for the year ending June 30, 1905:

The Board has performed its usual duties under the law, holding quarterly sessions, visiting and inspecting the several Branches, attending to the care and discipline of the members, and supervising contracts for the erection of buildings and purchase of materials and supplies and the arrangements for the proper distribution of stores. The buildings of the Home at the several Branches are in good condition, and are amply provided with modern heating and plumbing conveniences. The grounds have been attractively laid out in parks, lawns, and flower gardens, and are a source of pleasure not only to the members of the Home but to thousands of visitors. The members are well fed, comfortably clothed, and receive the best of medical care. They are, with but few exceptions, contented, and gratefully appreciate the care extended to them through the generosity of the nation.

While the law makes all of the members of the National Home subject to the rules and articles of war in the same manner as if they were in the Army, such rules and articles are not enforced with severity. The age and disabilities of the members are given consideration, and discipline is administered with such degree of mildness as is consistent with the maintenance of good order and the general welfare of the members. The military character of the Home has been preserved by a prescribed uniform for the officers and members; by the use of military signals for duty calls; music by military bands; appropriate daily ceremonies, and occasional parades. No member is, however, required to take part in any parade or ceremony when his condition of health or disability is such that possible injury might result, members being advised to report to the surgeon for examination in all cases of doubt. The several Branch Homes are provided with theaters and suitable halls for assembly purposes, and during the appropriate seasons of the year theatrical performances, lectures, and other entertainments are given free for the enjoyment of the members, the cost being defrayed from the post fund. Efforts are also made to interest the members in out-of-door sports and recreations.

During the year ending June 30, 1905, 34,053 members have been cared for. Of this number 21,097 were maintained throughout the year. The gains in member-

ship during the year by admission, readmission, etc., were 6,442; the losses during the same period from various causes were 5,976; a net gain of 466. In the State Homes, thirty in number, 19,677 members were cared for, 11,441 being maintained throughout the year. The whole number cared for in the National Home and in the State Homes was 53,730, an increase over the preceding year of 1,879. The following table shows the comparative statistics for the years ending, respectively, June 30, 1904, and June 30, 1905:

<sup>a</sup> Decrease.

The slight increase in the cost of maintenance per capita is due to some extent to expenditures incident to the equipment and occupancy of the Mountain Branch, which have now ceased, that Branch being at present upon the same status as other Branches in the matter of expenditures. There is, however, a constant increase in the cost of maintenance which can not be avoided on account of the increasing age and infirmities of the members which unfit them for employment in capacities where heretofore their services have been useful and necessitates the employment of an additional number of civilians. The same causes necessitate larger expenditures each year for medicines, hospital appliances, and medical care.

No serious losses by fire have occurred during the year.

The general health of the members has been good. The Home has not suffered seriously from epidemic diseases, although the prevalence of pneumonia at the Northwestern Branch during a portion of the winter approached an epidemic form. The number of deaths was 231 greater than in the previous year. The increase is, however, considered as normal and due to the advancing age of the members.

Col. S. H. Allen, governor of the Eastern Branch, died September 19, 1905. He was appointed governor of the Eastern Branch December 16, 1897, and performed the duties of governor efficiently and faithfully until he became disabled by failing health.

Under the provisions of the act approved February 26, 1881, as amended by act approved August 17, 1882, the treasurers of the several Branches have received from the pension agents during the year pension money belonging to members of the Home in the amount of \$3,454,752.58. During the same period \$2,624,417.53 has been paid to members present in the Home and \$786,369.45 sent at the request of the members to their families and dependent relatives, or sent to the members while on furlough residing with their families.

MOUNTAIN BRANCH.

The following is a statement of the condition of the appropriations for the construction of the Branch December 1, 1905:

	Liabilities and expenditures.	Appropriations to date.
Appropriations by Congress:		
Act approved Jan. 28, 1901 .....		\$250,000.00
Act approved Feb. 14, 1902 .....		350,000.00
Act approved June 28, 1902 .....		300,000.00
Act approved Mar. 3, 1903 .....		900,000.00
Liabilities and expenditures:		
Completed and existing contracts for construction and equipment, including architect's fees .....	\$1,725,188.43	
Incidental expenses, including services .....	73,587.51	
Total liabilities and expenditures .....	1,798,775.94	
Available for future expenditures .....	1,224.06	
Total .....	1,800,000.00	1,800,000.00

This Branch has been practically completed, the only building not yet taken over from the contractors being the memorial hall. This building is completed except as to its interior furnishings and a few other small details. The completion of this fine building will add greatly to the enjoyment of the members in affording a means of entertainment which has been heretofore lacking.

BATTLE MOUNTAIN SANITARIUM.

The following is a statement of the condition of the appropriations for the construction of the sanitarium December 1, 1905:

	Liabilities and expenditures.	Appropriations to date.
Appropriations by Congress:		
Act approved May 29, 1902 .....		\$150,000.00
Act approved Mar. 3, 1903 .....		350,000.00
Act approved Apr. 28, 1904 .....		75,000.00
Liabilities and expenditures:		
Existing contracts for construction and equipment, including architect's fees .....	\$523,104.54	
Incidental expenditures, including services .....	6,766.28	
Total liabilities and expenditures .....	529,870.82	
Available for future expenditures .....	45,129.18	
Total .....	575,000.00	575,000.00

By act approved March 3, 1905, additional appropriations for construction at the Battle Mountain Sanitarium were made as follows:

For officers' quarters .....	\$25,000
For conservatory .....	7,500

Total .....

32,500

No expenditures under these appropriations have as yet been made. Plans and specifications have, however, been prepared, and it is expected that contracts for the additional buildings authorized will be made during the month of January, 1906.

The construction of the sanitarium has not progressed as was anticipated when the last annual report of the Board of Managers was submitted. The weather at

Hot Springs, S. Dak., during the winter of 1904-5 was unprecedented in severity, and the work was at a standstill for several months. In the spring disastrous floods again interrupted operations. The contractors also state that much delay has been caused during the summer by the failure of railroads to deliver building material purchased in Oregon, their officers alleging the interruptions and disorders incident to the telegraphers' strike as an excuse. It appears now improbable that the sanitarium can be opened for the reception of patients before July, 1906. The buildings were inspected by the Board of Managers in September last and the work was found to be very satisfactory, the buildings, constructed from stone taken from the local quarries, being fine in appearance and of the most substantial character.

At a meeting of the Board held in San Francisco, Cal., September 26, 1905, a committee of the trustees of the California Veterans' Home Association came before the Board and submitted for its information copy of an act passed by the legislature of the State of California and approved by the governor March 20, 1905, as follows, viz:

"AN ACT To authorize and provide for the transfer of the Veterans' Home of California, its property, management, control, and support, to the Government of the United States, its officers and authorities, to be conducted as a National Home under such laws as now exist or which may hereafter be enacted by Congress, and for the conveying of the property of said Home, both real and personal, belonging to the State of California, situate in Napa County, to the Government of the United States, for such purpose.

" *The people of the State of California, represented in the Senate and Assembly, do enact as follows:*

" SEC. 1. Upon the enactment of appropriate legislation by Congress providing for the taking over of the property, real and personal, of the Veterans' Home of California, belonging to the State of California, situate in Napa County and described in that certain act entitled 'An act to accept from the Veterans' Home Association the conveyance of and to vest the title in the State of California to the tract of land in Napa County known as the Veterans' Home, with the improvements and furnishings thereon, to make the same a State Home for United States soldiers, sailors, and marines, and to provide for the government thereof by the State,' approved March 11, 1897; and such other property and lands as the State of California, for said Home, may have since acquired; and providing for the management, control, conduct, and support thereof by the Government of the United States as a National Home; the board of directors of the Veterans' Home of California may, and it is hereby authorized to, convey all the property of said Home, belonging to the State of California, both real and personal, to the Government of the United States, or to its officers, and to transfer to the Government of the United States, its officers, the conduct, control, management, and support thereof.

" SEC. 2. A deed, duly executed by the president of the board of directors of the Veterans' Home of California, thereunto duly authorized by said board, shall pass and vest title to said property in the Government of the United States.

" SEC. 3. Upon the assumption of the conduct, control, management, and support of said Home by the Government of the United States, its officers, the terms of all the officers of said Home, and the terms of employment of all its employees, shall expire, and their salaries and wages shall cease, except the terms of the board of directors, its president, and vice-president, which shall continue for the period of six months thereafter and therefrom.

" SEC. 4. Before the terms of the members of the board of directors shall expire, as provided in section 3 of this act, the said board shall make its report to the governor of the State of California, in the manner provided for the annual report in that certain act heretofore in this act referred to; and shall turn over to the treasurer of the State of California all moneys belonging to said Home, or to said State, except all moneys held by said board as pension moneys, which shall be returned to the respective pensioners who may be alive, and in case of their death, then to the officers or managers of the National Home, taking over the management of said Home, to be distributed by them in accordance with the present laws, rules, and regulations of said Veterans' Home of California.

" SEC. 5. The board of directors of the Veterans' Home of California is hereby authorized and empowered to do and perform all acts which are or may be necessary in law or otherwise.

" SEC. 6. This act shall take effect and be in force in thirty days after its passage.

Subsequently the board of directors of the California State Home, in accordance with an understanding reached at the conference with the Board of Managers, submitted for approval a deed prepared under the advice of the attorney-general of the State of California, by direction of the governor, transferring all the real estate and personal property pertaining to the State Home to the Board of Managers of the National Home.

While the Board has general authority, under the organic act approved March 21, 1866, to take and hold real estate for all the purposes of the Home, nevertheless it does not feel authorized to establish a new Branch of the Home on the Pacific coast or elsewhere without the express authority of Congress. Moreover, the Board is unwilling to advise as to the policy of accepting Homes now owned and maintained by the various States; and the acceptance of the Home at Yountville would be entering upon such a policy and establish a precedent which would be urged in regard to many lesser Homes in other States which maintain but a very small number of men, and would entail, if transferred to the Board of Managers of the National Home, a vastly disproportionate expense.

The property owned by the State of California at Yountville is well adapted for the purposes of a Home, and the number of men heretofore maintained there has averaged about 750. The water supply, which has been a source of great difficulty, worry, and expense at all the Branches of the Home, is not up to the standard required by the Board of Managers for the health of the men and the sanitary condition of the Home. Assurances have been given that it can be amply increased at moderate expense. Such assurances, however, touching water on the Pacific coast must always be received with caution.

The chief reason for acquiring the Home at Yountville would be because of its distance from any other Branch of the National Home, and of the natural climatic advantages which it presents. It is but three hours' travel from San Francisco, in the Napa Valley, and well adapted in every respect for the purposes of a Home if there could be had sufficient assurance of a plentiful supply of water. In this respect, however, the most important consideration is, will the Congress of the United States desire to enter upon the policy of acquiring the State Homes, and how far should it extend.

Should the Congress enter upon such a policy and decide to accept the Napa Valley Home as part of the system of the National Home for Disabled Volunteer Soldiers, it is suggested that, in view of the language of the California statute heretofore quoted, an enabling act be passed authorizing the Board of Managers of the National Home, as a corporation heretofore created by Congress, to take the title and accept the property for the general purposes indicated in the organic acts approved, respectively, March 3, 1865, and March 21, 1866.

(Signed)

M. T. McMAHON,  
*President Board of Managers,  
National Home for Disabled Volunteer Soldiers.*

The president of the Board presented certain revisions of the Home regulations, which were discussed.

Upon motion, the revisions were approved and their printing and issue authorized.

Upon motion, it was resolved that when the Board adjourn it be to meet at headquarters, in New York City, on April 18, 1906.

The president of the Board announced that he had received the resignations of Col. William Thompson, governor of the Southern Branch, and of Dr. D. C. Huffman, surgeon of the Central Branch; also that Dr. H. G. Burton, appointed surgeon of the Pacific Branch at the last meeting of the Board, had declined the appointment. The president further announced that under the authority heretofore conferred by the Board, he had appointed Dr. F. W. Roush surgeon of the Central Branch, Dr. O. C. McNary surgeon of the Pacific Branch, and Rev. G. W. Wilson chaplain of the Pacific Branch.

Upon motion, the resignations of Colonel Thompson and Doctor Huffman were accepted and the following appointments confirmed: Dr. F. W. Roush, to date from November 1, 1905; Dr. O. C. McNary, to date from November 1, 1905, and Rev. G. W. Wilson, to date from October 25, 1905.

Upon motion, Col. Thomas T. Knox, inspector-general, was appointed governor of the Southern Branch to fill the vacancy caused by the resignation of Colonel Thompson, and Dr. W. E. Elwell, surgeon of the Eastern Branch, was appointed inspector-general to fill the vacancy caused by the appointment of Colonel Knox, both appointments to date from January 1, 1906.

Upon motion, the appointment of a surgeon at the Eastern Branch to fill the vacancy caused by the promotion of Doctor Elwell was referred to the president of the Board and the local manager, with power.

Upon motion, the president of the Board was authorized to estimate for the fiscal year ending June 30, 1907, for an "inspector-general and chief surgeon" at a salary of \$3,500 per annum, to take the place of estimates already submitted for an inspector-general at \$3,000 per annum, and a medical director at \$3,500 per annum.

Upon motion, the president of the Board was directed to prepare and submit to Congress additional estimates as follows: \$12,000 for the erection of a new chapel at the Eastern Branch, \$5,000 for the erection of chaplain's quarters at the Danville Branch and \$129,000 for the purchase of the 43 acres of land now leased by the National Home at the Southern Branch.

Upon motion, the president of the Board was authorized to direct the execution of contracts for the plumbing, heating, and electrical work in the additional buildings at the Battle Mountain Sanitarium, for which appropriation was made by the act approved March 3, 1905, without inviting proposals by public advertisement, such course being deemed for the best interests of the Home.

Upon motion, the salaries of all governors of Branches now receiving less than \$3,000 per annum were increased to \$3,000 per annum, such increase to date from July 1, 1906.

Upon motion, the following expenditures as recommended by the respective councils of administration, post fund, were authorized:

Western Branch: \$2,500 for chaplain's quarters. Pacific Branch: \$475 for artesian well, \$4,500 for chaplain's quarters, \$6,687 for an amusement hall and \$4,000 (in addition to \$25,000 already appropriated at the meetings of March 3 and September 7, 1905) for library building.

Upon motion, the president of the Board was authorized to submit to Congress an estimate for such sum as may be found necessary for dredging and filling, in connection with the reclamation of land at the Southern Branch.

At various times during its session the Board considered applications for admission and readmission, and made the following orders:

The application of Patrick McAuliffe, late E Company, Twenty-fifth Connecticut Infantry, for admission was referred to the president of the Board, with power.

#### EASTERN BRANCH.

##### APPLICATION FOR ADMISSION.

The application of Wilber N. Fisk, late K Company, First Connecticut Heavy Artillery, was approved, upon condition that applicant assigns three-fourths of his pension to his wife.

PACIFIC BRANCH.

APPLICATIONS FOR READMISSION.

The following applications were denied:

George Liddle, late I Company, One Hundred and tenth New York Infantry.

Frederick Fackner, late K Company, Twelfth New York Infantry.

There being no further business before the Board, upon motion, the Board adjourned, on December 9, to meet at headquarters, National Home Disabled Volunteer Soldiers, in New York City, on April 18, 1906, at 11 a. m.

C. M. ANDERSON, *Secretary.*

PROCEEDINGS OF THE BOARD OF MANAGERS OF THE NATIONAL HOME FOR DISABLED VOLUNTEER SOLDIERS, APRIL 18, 1906.

NEW YORK, N. Y., *April 18, 1906.*

The Board met in regular quarterly session at Headquarters National Home for Disabled Volunteer Soldiers at 11 a. m.

Present: The Chief Justice of the United States (joined at Washington, D. C.); Gen. M. T. McMahon, president of the Board; Gen. Thomas J. Henderson, first vice-president; Gen. Charles M. Anderson, secretary; Capt. Henry E. Palmer; Col. Walter P. Brownlow; John M. Holley, esq.; Maj. William Warner; Hon. Franklin Murphy.

There were presented letters from the Secretary of War; Gen. J. Marshall Brown, second vice-president; Col. Henry H. Markham, and Col. Edwin P. Hammond, explaining the causes of their absence.

The minutes of the last meeting were submitted and approved.

The president of the Board presented the following acts of Congress affecting the National Home for Disabled Volunteer Soldiers, which were read and ordered upon the minutes:

[PUBLIC—No. 28.]

AN ACT Making appropriations to supply urgent deficiencies in the appropriations for the fiscal year ending June thirtieth, nineteen hundred and six, and for prior years, and for other purposes.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That the following sums be, and the same are hereby, appropriated, out of any money in the Treasury not otherwise appropriated, to supply deficiencies in the appropriations for the fiscal year nineteen hundred and six, and for prior years, and for other objects hereinafter stated, namely:

\* \* \* \* \*

NATIONAL HOME FOR DISABLED VOLUNTEER SOLDIERS.

At the Western Branch, at Leavenworth, Kansas: For household, including the same objects specified under this head for the Central Branch in the sundry civil appropriation act for the fiscal year nineteen hundred and six, seven thousand dollars.

At the Danville Branch, Danville, Illinois: For household, including the same objects specified under this head for the Central Branch in the sundry civil appropriation act for the fiscal year nineteen hundred and six, four thousand dollars.

For hospital, including the same objects specified under this head for the Central Branch in the sundry civil appropriation act for the fiscal year nineteen hundred and six, three thousand five hundred dollars.

At the Mountain Branch, Johnson City, Tennessee: For transportation of members of the Home, three thousand dollars.

For completion of coal shed, one thousand dollars, and said coal shed may be constructed of steel or other suitable material.

At the Southern Branch, Hampton, Virginia: For dredging and filling, twenty-one thousand dollars.

STATE OR TERRITORIAL HOMES FOR DISABLED SOLDIERS AND SAILORS: For continuing aid to State or Territorial Homes for the support of disabled volunteer soldiers, in conformity with the act approved August twenty-seventh, eighteen hundred and eighty-eight, including all classes of soldiers admissible to the National Home for Disabled Volunteer Soldiers, on account of the fiscal year nineteen hundred and five, one hundred and eighty-eight thousand eight hundred and seventy-nine dollars and eighty-seven cents: *Provided*, That no part of this appropriation shall be apportioned to any State or Territorial Home until its laws, rules, or regulations respecting the pensions of its inmates be made to conform to the provisions of section four of an act approved March third, eighteen hundred and eighty-three, entitled "An act prescribing regulations for the Soldiers' Home located at Washington, in the District of Columbia, and for other purposes;" but the above proviso shall not apply to any State or Territorial home into which the wives or widows of soldiers are admitted and maintained: *And provided further*, That no part of this appropriation shall be apportioned to any State or Territorial Home that maintains a bar or canteen where intoxicating liquors are sold.

\* \* \* \* \*

SEC. 3. That section thirty-six hundred and seventy-nine of the Revised Statutes of the United States, as amended by section four of the deficiency appropriation act approved March third, nineteen hundred and five, is hereby further amended to read as follows:

"SEC. 3679. No Executive Department or other Government establishment of the United States shall expend, in any one fiscal year, any sum in excess of appropriations made by Congress for that fiscal year or involve the Government in any contract or other obligation for the future payment of money in excess of such appropriations unless such contract or obligation is authorized by law. Nor shall any Department or any officer of the Government accept voluntary service for the Government or employ personal service in excess of that authorized by law, except in cases of sudden emergency involving the loss of human life or the destruction of property. All appropriations made for contingent expenses or other general purposes except appropriations made for the fulfillment of contract obligations expressly authorized by law, or for objects required or authorized by law without reference to the amounts annually appropriated therefor, shall, on or before the beginning of each fiscal year, be so apportioned by monthly or other allotments as to prevent expenditures in one portion of the year which may necessitate deficiency or additional appropriations to complete the service of the fiscal year for which said appropriations are made; and all such apportionment shall be adhered to and shall not be waived or modified except upon the happening of some extraordinary emergency or unusual circumstance which could not be anticipated at the time of making such apportionment, but this provision shall not apply to the contingent appropriations of the Senate or House of Representatives; and in case said apportionments are waived or modified as herein provided, the same shall be waived or modified in writing by the head of such Executive Department or other Government establishment having control of the expenditure, and the reasons therefor shall be fully set forth in each particular case and communicated to Congress in connection with estimates for any additional appropriation required on account thereof. Any person violating any provision of this section shall be summarily removed from office and may also be punished by a fine of not less than one hundred dollars or by imprisonment for not less than one month."

Approved, February 27, 1906.

[PUBLIC—No. 62.]

AN ACT To set apart certain lands in the State of South Dakota, to be known as the Battle Mountain Sanitarium Reserve.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled*, That there are hereby reserved from settlement, entry, sale, or other disposal all those certain tracts, pieces, or parcels of land lying and being situate in the State of South Dakota and within the boundaries particularly described as follows: Beginning at the southwest corner of section eighteen, township seven south, range six east, Black Hills meridian; thence east to the southeast corner of said section eighteen; thence south to the southwest corner of the northwest quarter of section twenty; thence east to the southeast corner of the northeast quarter of

section twenty-one; thence north to the northeast corner of the southeast quarter of section nine; thence west to the center of section seven; thence south to the southwest corner of the southeast quarter of section seven; thence west to the northwest corner of section eighteen; thence south to the place of beginning, all in township seven south, range six east, Black Hills meridian, in Fall River County, South Dakota: *Provided*, That nothing herein contained shall be construed to affect any valid rights acquired in connection with any of the lands embraced within the limits of said reserve.

SEC. 2. That said reserve shall be known as the Battle Mountain Sanitarium Reserve, and shall be under the exclusive control of the Board of Managers of the National Home for Disabled Volunteer Soldiers in connection with the Battle Mountain Sanitarium at Hot Springs, South Dakota, whose duty it shall be to prescribe such rules and regulations and establish such service as they may deem necessary for the care and management of the same.

SEC. 3. That in all cases of unperfected bona fide claims lying within the said boundaries of said reserve, which claims have been properly initiated prior to September second, nineteen hundred and two, said claims may be perfected upon compliance with the requirements of the laws respecting settlement, residence, improvements, and so forth, in the same manner in all respects as claims are perfected to other Government lands: *Provided*, That to the extent that the lands within said reserve are held in private ownership the Secretary of the Interior is hereby authorized in his discretion to exchange therefor public lands of like area and value, which are surveyed, vacant, unappropriated, not mineral, not timbered, and not required for reservoir sites or other public uses or purposes. The private owners must, at their expense and by appropriate instruments of conveyance, surrender to the Government a full and unencumbered right and title to the private lands included in any exchange before patents are issued for or any rights attached to the public lands included therein, and no charge of any kind shall be made for issuing such patents. Upon completion of any exchange the lands surrendered to the Government shall become a part of said reserve in a like manner as if they had been public lands at the time of the establishment of said reserve. Nothing herein contained shall be construed to authorize the issuance of any land scrip, and the State of South Dakota is granted the privilege of selecting from the public lands in said State an equal quantity of land in lieu of such portions of section sixteen included within said reserve as have not been sold or disposed of by said State and are not covered by an unperfected bona fide claim as above mentioned.

SEC. 4. That all persons who shall unlawfully intrude upon said reserve, or who shall without permission appropriate any object therein or commit unauthorized injury or waste in any form whatever upon the lands or other public property therein, or who shall violate any of the rules and regulations prescribed hereunder, shall, upon conviction, be fined in a sum not more than one thousand dollars or be imprisoned for a period not more than twelve months, or shall suffer both fine and imprisonment, in the discretion of the court.

Approved, March 22, 1906.

[PUBLIC—No. 64.]

AN ACT To amend section thirty-six hundred and forty-six, Revised Statutes of the United States, as amended by act of February sixteenth, eighteen hundred and eighty-five.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled*, That section thirty-six hundred and forty-six, Revised Statutes of the United States, as amended by act of February sixteenth, eighteen hundred and eighty-five, be amended so as to read as follows:

“SEC. 3646. Whenever any original check or warrant is lost, stolen, or destroyed, the Secretary of the Treasury may authorize the officer issuing the same, after the expiration of six months and within three years from the date of such check or warrant, to issue a duplicate thereof upon the execution of such bond to indemnify the United States as the Secretary of the Treasury may prescribe: *Provided*, That when such original check or warrant does not exceed in amount the sum of fifty dollars the Secretary of the Treasury may authorize the issuance of a duplicate at any time after the expiration of thirty days and within three years from the date of such check or warrant.”

Approved, March 23, 1906.

The president of the Board reported that under the authority conferred upon him by resolution of the Board on December 6, 1905, he had made the following estimate of funds required for the support of

the National Home, and for aid to State or Territorial Homes for the quarter ending June 30, 1906:

Central Branch, general.....	\$125,600
Northwestern Branch, general .....	72,950
Eastern Branch, general.....	70,450
Southern Branch, general.....	87,150
Western Branch, general .....	88,950
Pacific Branch, general.....	71,300
Marion Branch, general .....	65,350
Danville Branch, general .....	78,200
Mountain Branch, general .....	79,500
Battle Mountain Sanitarium:	
Maintenance.....	18,100
Construction.....	200,000
Clothing for all the Branches.....	100,000
Salaries for officers and employees of the Board of Managers, outdoor relief, and incidental expenses.....	15,736
<hr/>	
Total.....	1,073,286
Aid to State or Territorial Homes .....	268,750
<hr/>	
Grand total.....	1,342,036

The Board then proceeded to the election of officers for the ensuing year. Upon motion Mr. Murphy was directed to cast the vote of the Board for Gen. M. T. McMahon for president; Gen. Thomas J. Henderson for first vice-president; Gen. J. Marshall Brown for second vice-president, and Gen. Charles M. Anderson for secretary, which was done, and the foregoing officers were declared duly elected to serve for the ensuing fiscal year.

Upon motion it was resolved that when the Board adjourn it be to meet at headquarters in New York City on June 27, 1906.

The president of the Board appointed General Anderson, Captain Palmer, and Mr. Holley a committee to audit the accounts of the special funds in the hands of the president. The committee subsequently presented the following report, which, upon motion, was ordered upon the minutes:

NEW YORK, April 18, 1906.

The undersigned have this day examined and audited the "special fund" accounts of General M. T. McMahon, president of the Board of Managers, N. H. D. V. S., up to and including April 18, 1906, and find the same correct and supported by proper vouchers.

The balance in his hands upon that date is six thousand and sixty-three  $\frac{3}{100}$  dollars (\$6,063.35) belonging to the "Western Branch improvement fund;" fifty-four  $\frac{8}{100}$  dollars (\$54.88) belonging to the "Settlement with the estate of General B. F. Butler;" twenty-six thousand seven hundred twenty-eight  $\frac{1}{100}$  dollars (\$26,728.86) belonging to the "Ward memorial fund;" thirty-two  $\frac{37}{100}$  dollars (\$32.37) belonging to the "Carnegie library fund," Mountain Branch, and two hundred and sixty-one  $\frac{1}{100}$  dollars (\$261.00) belonging to the "Post fund headquarters;" total, thirty-three thousand one hundred forty  $\frac{1}{100}$  dollars (\$33,140.46), divided as follows: Eight (8) State of Virginia and eight (8) State of Tennessee one thousand dollar three per cent bonds; one (1) Southern Railway one thousand dollar five per cent bond; cash on deposit with the Colonial Trust Co., New York, sixteen thousand one hundred twenty-five dollars  $\frac{4}{100}$  (\$16,125.40), and cash in office safe fifteen  $\frac{1}{100}$  dollars (\$15.06).

And we further certify that we have personally seen and examined the bonds and cash shown as on hand in these accounts and have found the same correct.

The president of the Board presented the matter of the disposal of certain cattle in the herd at the Western Branch, said cattle being affected by tuberculosis. Upon motion the following was adopted:

*Resolved*, That the president of the Board direct the inspector-general to prepare instructions to be sent to the governor of each Branch providing for the examination, at proper times, of any cows whose milk is used by the Home, and also to provide for the daily inspection of the milk used in the various Branches, whether procured from herds owned by the Home or purchased from outside parties, and that a record of the daily inspections be kept, the purpose being to guard against the use of any milk that does not respond to proper tests of purity.

Upon motion it was

*Resolved*, That the members of this Board have heard with greatest sorrow of the illness of their associate, Gen. J. Marshall Brown. They miss him from their meeting to-day and hope that in a short time he may be restored to perfect health and that many years of usefulness may still be spared him; and

*Resolved*, That the president of the Board be requested to transmit a copy of this resolution to General Brown.

The president of the Board, at the request of the Secretary of War, who was absent, presented the correspondence in the case of the candidacy for Congress of Col. George W. Steele, governor of the Marion Branch. The correspondence was read and ordered upon the minutes, after which the following was adopted:

*Resolved*, That it is the sense of the Board that the governor of any Branch shall not, while remaining the governor of the Home, become a candidate for an office if his nomination or election shall depend in any degree upon the votes of members of the Home.

MARION, IND., March 8, 1906.

MY DEAR GENERAL: I have this day forwarded request for leave of absence until March 30, 1906.

Grant County Republicans met in mass convention, filling every part of our court room to its utmost capacity, and adopted a resolution declaring that Grant County would have a candidate for nomination to the Sixtieth Congress and that I was to be that candidate. Two days ago I received notice from the chairman of the convention, couched in very agreeable terms, informing me of the action of the convention and asking me to give such expression as I cared to in regard thereto. I have this day prepared an answer wherein I agree to be the candidate. I shall not allow it in any way to interfere with my duties here. It looks as though I can be nominated without great trouble, but the real truth is, I do not wish to be. I prefer being governor of the Home to being a Member of Congress, and only consented to being a candidate because my friends, who stood so loyally by me, feel that I was unfairly treated four years ago, and desire to go to victory. I hope they will be satisfied if we can nominate another gentleman than the present incumbent, who was one of the three conspirators that encompassed my defeat. The other two are for me now.

I hope that you are very well.

I am, very respectfully,

Governor Steele, of Marion Soldiers' Home, has announced his candidacy for Congress in this district, authorities at Home declare he has been granted leave of absence until April 1 for this purpose. Please advise by wire collect whether this is true, also whether matter should be taken up with you or the President.

WAR DEPARTMENT, WASHINGTON, *March 13, 1906.*

MY DEAR GENERAL: Mr. C. B. Landis, Member of Congress from Indiana, called on me this morning to complain that Major Steele, former member of Congress from Indiana, and now governor of the Marion Soldiers' Home, in charge of your Board, was about to engage in a contest for the Republican Congressional nomination in the district in which the Marion Home is situated, with the present Member, Mr. Frederick Landis, the brother of Mr. C. B. Landis. The basis of Mr. C. B. Landis's complaint is that there are in the Soldiers' Home at Marion upward of 3,000 soldiers who are entitled to vote in the Congressional district, many of whom are Republicans, and would take part in the primary contest for delegates to convention. He contends that the position which Major Steele occupies as head of the Home makes it improper for him to remain as governor of the Home and carry on a contest for the Congressional nomination because of the influence that he can exert as governor to secure the votes of those who are members of the Home. He says that he has been informed that Major Steele has been granted a furlough, which he has applied for, in order to enable him to carry on the canvass. He says, moreover, that in the last Congressional contest Major Steele was a competitor of Mr. Frederick Landis, and that at that time he was secretary of the Board having the Home under its control, and the very fact of his occupying that position enabled him to control the vote of the inmates of the Soldiers' Home. I have communicated these facts as stated by Mr. C. B. Landis to the President, and after a conference I am directed by the President to say that it seems to him improper for the governor of a soldiers' home to enter a Congressional contest of this character. It is inevitable that his position as governor would give him an undue weight in securing the votes of the inmates of the Home. If Major Steele is desirous of running for Congress in the district in which the Home is, he should resign his position as governor and relieve your Board from any embarrassment in the matter. The mere taking of a furlough is not sufficient to relieve the situation from the unfairness of it. I beg to assure you, my dear General, as you doubtless know, that the President and I have no desire whatever to interfere in Congressional nominations of this character, or to further the candidacy of anyone, but we do deem it our duty, as members of your Board, to protest against the use of the important position of governor of the Marion Home to promote the political fortunes of the individual who holds the place, or indeed for any other political purpose. It of course may be true that Major Steele has no intention to bring especial influence to bear upon the men of the Home, but the fact that he is governor will inevitably lead to influencing them in his behalf, and the Board should not permit this element to be present in the contest. The President hopes that you will advise Major Steele of the impropriety of his remaining governor of the Home if he intends to enter the contest for a Congressional nomination.

Very sincerely, yours,

(Signed)

NEW YORK, N. Y., *March 15, 1906.*

MY DEAR MR. SECRETARY: I have received your kindly letter in regard to our friend, Colonel Steele, governor of the Marion Branch of the Home, and have sent a copy to him for his consideration. Of course it would be a little out of place for me to advise him in regard to the situation in his Congressional district. He applied for a leave

of absence and was entitled to it under our rules and regulations. Mr. Landis thereupon telegraphed me intimating that he would appeal to the President unless I revoked the leave of absence. I sent him the following reply:

"Dispatch received. Governor Steele has applied for a leave of absence, and it has been granted him. I don't inquire into his purposes nor into his political or personal affairs."

I understood that Colonel Steele does not desire a nomination for Congress, and would prefer to remain as governor of the Home, but he states that the friends who stood by him two years ago when Mr. Landis secured the nomination are now insisting that he should be a candidate. Personally I would be very sorry to have him leave the service of the Home, as he is making an excellent governor and sustaining the high reputation which the Marion Branch has always maintained. I take it that there are local questions in that district which complicate the situation, but of course I have no right to interfere.

Let me say, however, that I do not agree with you in this: That, being a governor, or even a manager, helps a man politically or will secure for him the vote of the old soldiers under his charge. This I know from long experience as a member of the Board. Steele was a manager when Landis defeated him for the nomination.

WAR DEPARTMENT,  
WASHINGTON, *March 20, 1906.*

MY DEAR GENERAL McMAHON: I have your letter, and have submitted it to the President. In reply the President and I still adhere to the view that the candidacy of the governor of the Soldiers' Home for an elective office in the district where the 3,000 members of the Home may exercise their suffrages in a primary or at an election is very likely to secure an unfair advantage for him that ought not be countenanced by the Board. I call your attention to the fact that there are 75 civil employees in the institution immediately under the direction and control of the governor, and that there are 2,878 disabled volunteersoldiers enjoying the benefits of the Home and peculiarly subject to the influence of the officers and employees who have the comfort of the inmates more or less in their keeping.

But whether we are wrong in this respect or not, if a governor of a Home is successful in such a contest it certainly will be charged with great plausibility and force that the governor did use his position as the head of the Home for the purpose of furthering his political fortunes, and this can not but have a most deleterious influence upon the administration of the important affairs of the Board, and will seriously interfere with its usefulness for the purposes for which Congress has established those institutions.

If the governor is permitted while remaining governor, whether on furlough or not, to become a candidate for any office in the district where the inmates of the

Home vote the abuse which may arise if the governor uses the influences which are so easily at hand to secure his nomination or election can not but be a scandal and reflect on the management by the Board of the Home.

For these reasons, and without reference to any particular case, the President directs me to advise you that at the next regular meeting of the Board, at his instance a resolution will be introduced for the consideration of the Board, laying down the rule that the governor of any Soldiers' Home shall not while remaining the governor of the Home become a candidate for an office if his nomination or election shall depend in any degree upon the votes of the inmates of the Home.

MY DEAR COLONEL: I send you herewith a copy of a letter from the Secretary of War in answer to mine. As I said in my letter to him, personally I would greatly prefer if you would remain as governor of the home, and also that I believed you yourself did not desire a change. The letter, copy of which I now inclose, complicates the matter seriously, as you will see. Still, whatever you decide to do will meet, I think, the approval of your former colleagues on the Board. Brownlow has written to me and possibly to you a very kindly letter suggesting that in case you feel obliged to take the nomination for Congress you resign from the governorship, etc.

I inclose also a paragraph published in yesterday's New York Herald, which you may not have seen.

Gen. MARTIN T. McMAHON,  
President Board of Managers*The National Home for Disabled Volunteer Soldiers,  
New York Life Building, New York, N. Y.*

The president of the Board presented the schedule of pay and allowances for the National Home for the fiscal year ending June 30, 1907. Upon motion, the schedule was adopted, subject to such modifications by the president as may be found necessary.

The president of the Board reported that, under the authority heretofore conferred by the Board, he had appointed Dr. B. D. Ridlon surgeon of the Eastern Branch, Rev. Charles E. McCabe chaplain at the Marion Branch, and Capt. Frank E. Skinner commissary of subsistence at the Southern Branch, and that he had also designated Captain Skinner as superintendent of the post fund at the Southern Branch. Upon motion, the action of the president in each case was confirmed.

Upon motion, the application of the Kansas City Western Railway Company for permission to occupy a strip of land at the Western Branch for trackage purposes was referred to the president of the Board and local manager, with power.

The president of the Board presented the matter of the accountability under his bond of Capt. S. F. Rober, late quartermaster of the Pacific Branch, for shortages in his property accounts. After discussion, upon motion, it was decided that the recommendations of the board of survey appointed by Special Orders, No. 47, Pacific Branch, dated November 14, 1905, shall stand approved.

Upon motion, there were appropriated from the post fund of the Western Branch an additional sum of \$800 for the construction of chaplain's quarters and the sum of \$7,000 from the post fund of the Danville Branch for the construction of a store and restaurant.

Upon motion, the title of the chief executive officer of the Battle

Mountain Sanitarium was changed from "surgeon and superintendent" to "governor and surgeon."

The president of the Board presented the matter of the retention in the Home of members receiving pensions of \$30 per month or over. After discussion, it was decided that each case shall be decided upon its merits by the president after consultation with the local manager of each Branch.

The president of the Board reported that proposals having been invited by thirty days' advertisement and opened January 22, 1906, for the construction of a conservatory and three officers' quarters at the Battle Mountain Sanitarium, under the appropriation made for those objects by an act approved March 3, 1905, the lowest bid received was considerably in excess of the sums appropriated; that the bid of Reynard & Oak, the contractors for the main group of buildings, was the only one without such qualifications as to preclude its consideration, and that, believing it to be useless to advertise further, he had authorized such modifications of the plans and specifications as would bring the cost within the sums available and the execution of contracts for the construction of the several buildings with Reynard & Oak, based on their bid and the reduction in cost thus made. Upon motion, the action of the president was confirmed.

The Board then proceeded to the Mountain Branch, and reconvened on April 21.

#### MOUNTAIN BRANCH, *April 21, 1906.*

The Board made the usual inspection of grounds, buildings, and hospital, and heard the complaints of such members as desired to appear before it.

The Board received and considered an application of citizens residing near the Mountain Branch for the establishment of a thoroughfare through the grounds for their use. Upon motion, the application was denied.

Upon motion, the action of the president of the Board in conveying to the Southern Railway Company for trackage purposes a strip of land at the Mountain Branch was approved and confirmed.

Upon motion, the classification of both chaplains at the Mountain Branch was made the same, viz, second class, at \$75 per month, to take effect on July 1, 1906.

The Board gave a hearing to Mr. J. B. Cox, president of the Johnson City Water Company, who requested a modification of his contract for supplying water to the Mountain Branch and an increased compensation for such supply. He was directed to submit his proposition in writing, which he subsequently did. He was then informed that when certain changes increasing the efficiency of his plant should have been made to the satisfaction of the governor of the Branch, who was made the referee in the matter, his proposition would be accepted.

A recess was then taken.

#### MOUNTAIN BRANCH, *April 22, 1906.*

Information of the death of Gen. Martin T. McMahon, president of the Board, at New York City, at 6.30 p. m. on April 21, 1906, having been received, the Board directed that the sad news be communicated by telegraph to the governors of the several Branches and to the absent members of the Board. The Board then took a recess, to meet at the Arlington Hotel, Washington, D. C., on April 23, 1906.

WASHINGTON, D. C., *April 23, 1906.*

Upon motion, it was---

*Resolved,* That the Board of Managers of the National Home for Disabled Volunteer Soldiers have heard with deep regret and sorrow of the death of Gen. Martin T. McMahon, the highly esteemed and honored president of the Board, and we hereby tender to his sisters and other members of his family our sincere, heartfelt sympathy in their great bereavement.

*Resolved,* That the Board of Managers have lost in the death of Gen. Martin T. McMahon an invaluable and able member of the Board and that we will cherish his memory as such.

*Resolved,* That a copy of these resolutions be sent to his sisters and other members of his family.

On motion of Colonel Brownlow, Gen. Thomas J. Henderson, first vice-president, Gen. Charles M. Anderson, secretary, and Franklin Murphy were appointed a committee to prepare a suitable memorial resolution in regard to the death of Gen. Martin T. McMahon.

A recess was then taken.

WASHINGTON, D. C., *April 24, 1906.*

The Board met at 4 p. m. and proceeded to the Union Depot, where it joined the funeral party of its late president and proceeded to the Arlington National Cemetery, where the interment was made.

WASHINGTON, D. C., *April 25, 1906.*

Upon motion of Colonel Brownlow, the Board proceeded to the election of a president to fill the vacancy caused by the death of Gen. Martin T. McMahon, and Capt. Henry E. Palmer was unanimously instructed to cast the vote of the Board for Franklin Murphy for president. The ballot having been so cast, Franklin Murphy was declared duly elected president of the Board.

Upon motion, it was---

*Resolved,* That hereafter the list of members required to be prepared by the secretary, under the provisions of paragraph 24, H. R. 1906, shall be arranged alphabetically, giving name, rank, company, organization, length of service, what war, rate of pension, nativity (State or country), date of admission, age at admission, and status.

Upon motion, the purchase of the number of chairs and wardrobes heretofore estimated for at the Northwestern Branch was authorized, provided that funds for the purpose are available.

Upon motion, it was---

*Resolved,* That hereafter, when disabled veterans of the Mexican War and the civil war, who are 62 years of age or over, make application to a manager or agent of the Home and disabilities justifying admission to the Home are evident, a surgeon's certificate as to such disabilities will not be required. Upon the arrival of any member on original admission at a Branch Home, the surgeon will in such cases, after making the medical examination required by paragraph 53, H. R. 1906, fill out and sign the certificate of disability on the form "Application for admission."

The Board then proceeded to the Southern Branch and reconvened on April 26.

SOUTHERN BRANCH, *April 26, 1906.*

The Board made the usual inspection of the hospital, grounds, and buildings, and heard the complaints of such members as desired to appear personally before it.

Upon motion, there was appropriated from the post fund of the Southern Branch the sum of \$1,600 for the establishment of a telephone exchange at that Branch.

With reference to the construction of a conservatory at the Southern Branch, the matter was referred to the president of the Board, with power as to approval of plans and the amount to be appropriated from the post fund.

The application of the Chesapeake and Ohio Railroad Company for permission to extend a side track into the grounds of the Southern Branch was referred to the president of the Board for investigation and report.

Chaplain Bradley, whose resignation had been requested and tendered, and the acceptance of which had been deferred in order that he might have a hearing before the Board, appeared and made a statement in his own behalf. After carefully considering the same, a motion was unanimously adopted accepting the resignation of Rev. J. H. Bradley as chaplain of the Southern Branch, to take effect May 15, 1906.

Upon motion, Rev. J. Martyn Neifert was appointed chaplain at the Southern Branch, the appointment to take effect on May 15, 1906, or as soon thereafter as he shall assume the duties of the office.

The application of the Peninsula Pure Water Company for the privilege of laying pipe on the grounds of the Southern Branch was referred to the president of the Board, with power.

The matter of the proposed additional appropriations from the post fund of the Pacific Branch for the construction of a library building at that Branch was referred to the president of the Board, with power to appropriate a sum sufficient to cover the lowest bid received.

At various times during its session the Board considered applications for admission, readmission, and for effects of deceased members, and made the following orders:

DANVILLE BRANCH.

APPLICATION FOR READMISSION.

The application of Thomas Case, late D Company, Thirtieth Pennsylvania Infantry, is approved.

There being no further business before the Board, on motion the Board adjourned on April 26, to meet at headquarters, National Home Disabled Volunteer Soldiers, in New York City, on June 27, 1906, at 11 a. m.

C. M. ANDERSON, *Secretary.*

PROCEEDINGS OF THE BOARD OF MANAGERS OF THE NATIONAL HOME FOR  
DISABLED VOLUNTEER SOLDIERS, JUNE 27, 1906.

NEW YORK, N. Y., *June 27, 1906.*

The Board met in regular quarterly session at headquarters, National Home for Disabled Volunteer Soldiers, at 11 a. m.

Present: Franklin Murphy, president of the Board; Gen. Thomas J. Henderson, first vice-president; Gen. Charles M. Anderson, secretary; Capt. Henry E. Palmer; Col. Walter P. Brownlow; John M. Holley, esq.; Maj. William Warner; Col. Edwin P. Hammond.

The minutes of the last meeting were submitted and approved.

The committee appointed at the last meeting of the Board to prepare a memorial in relation to the death of Gen. Martin T. McMahon, late president of the Board, presented the following, through its chairman, General Henderson:

Gen. Martin T. McMahon, president of the Board of Managers of the National Home for Disabled Volunteer Soldiers, departed this life in the city of New York, on Saturday evening, the 21st of April, 1906, beloved by all the members of the Board over which he had presided for six years with great ability, fidelity, and integrity, and with untiring devotion to the highest and best interests of the Home.

General McMahon was a remarkable man and had a remarkable career. He was born in La Prairie, Canada, March 21, 1838, but came with his father to the United States at an early age, and was educated at St. John's College, Fordham, N. Y., from which he graduated in 1855, at the age of 17. He received the degree of master of arts, and in 1866 St. John's College conferred upon him the degree of doctor of laws. He filled many positions of honor and usefulness in civil life. In 1866-1868 he served as corporation attorney in New York City. He was appointed United States minister to Paraguay in 1869. He was receiver of taxes for the city of New York from 1873 to 1885. In 1885 he was appointed United States marshal and served as such until 1889. He was a member of the assembly of New York in 1890, and served as State senator from 1891 to 1895, and, at the time of his death, was judge of the court of general sessions in New York City, which office he had held for a number of years.

In military life General McMahon was a brave, gallant, patriotic soldier. He began his military service at the very beginning of the civil war, and served with distinction all through it, having been honorably mustered out of service on the 21st of February, 1866. He served as chief of staff of the Sixth Army Corps and participated in all the great battles of the Army of the Potomac. He was brevetted colonel of volunteers August 1, 1864, for gallant and distinguished conduct during the campaign before Richmond, Va., and more particularly in the battle of Vaughan Road, Virginia, and on the 13th of March, 1865, was brevetted major-general of volunteers for faithful and meritorious service during the war. He was awarded a medal of honor by Congress March 13, 1891, for distinguished bravery at the battle of White Oak Swamp, Virginia, where he voluntarily rescued a valuable train, which had been abandoned, and was covered by the enemy's fire.

General McMahon was elected by Congress a member of the Board of Managers of the National Home for Disabled Volunteer Soldiers for the term of six years, in 1880, and continued to serve as a member of the Board to the day of his death, having been reelected in 1886, 1892, 1898, and 1904. He was secretary of the Board from 1880 to 1898 and president from 1900 to 1906; and in whatever capacity he served, whether as member, secretary, or president, he was always able and faithful in the discharge of his duties, and no man could have been more devoted to his work and to the highest and best interests of the National Home for Disabled Volunteer Soldiers than was General McMahon, our lamented president, whose death we deeply deplore. He was so long and so intimately connected with the National Home, so familiar with its interesting history and with every detail of its management that he will be greatly missed in the deliberations of this Board and his place will be hard to fill.

Farewell, faithful friend, gallant soldier, true patriot, and noble, generous soul. Your life was a life of brilliant achievement and of great honor and usefulness and you left behind you a splendid record for ability and for patriotism to which your family and friends can ever point with pride. All hail and farewell.

The foregoing minute was unanimously adopted and ordered spread in full upon the minutes of the meeting.

Upon motion, it was resolved that, when the Board adjourn, it be to meet at the Central Branch on Wednesday, September 12, 1906.

The president of the Board reported that, in accordance with the action of the Board at its last meeting, he had caused to be issued to the governors of the various Branches instructions as to the inspection of the milk used by the Branches and of the cattle furnishing the same, whether owned by the Home or by outside parties.

Upon motion, it was—

*Resolved*, That, it being considered necessary and advisable that funds for the support of the National Home for Disabled Volunteer Soldiers for the quarter ending September 30, 1906, shall be available for expenditure prior to the date fixed for the next meeting of the Board of Managers, the president of the Board is hereby authorized and directed to estimate under the several heads of expenditure of each Branch and for construction, clothing, salaries, outdoor relief and incidental expenses, and for any and all other purposes for which appropriation may be made by Congress at its present session for the National Home, and for aid to State or Territorial Homes, for the quarter ending September 30, 1906; and that the general treasurer be, and he is hereby, authorized and empowered to obtain from the Treasury of the United States the sum so estimated, to receipt therefor, and to transfer and disburse said sum as authorized by law, a detailed report of the same to be submitted by the president to the Board at its next meeting.

Upon motion, the matter of the construction of roads and walks and improvement of the grounds at Battle Mountain Sanitarium, for which purpose the sundry civil appropriation bill now pending in Congress contains the item of \$40,000, was referred to the president of the Board and the local manager, with power.

The general subject of the removal of the headquarters office to Newark, N. J., was discussed and the matter was referred to the president of the Board, with power.

The president of the Board reported that, in the matter of the application of the Peninsula Pure Water Company for permission to lay water pipe on the grounds of the Southern Branch, presented at the last meeting and referred to him, with power, he had denied the application.

There was presented the application of the Public Service Corporation of Virginia for permission to lay gas mains on the grounds of the Southern Branch. Upon motion, the application was denied.

The matter of the appointment of a chaplain at the Battle Mountain Sanitarium was presented by Captain Palmer. After discussion, there appearing to be no immediate necessity for such appointment, the matter was indefinitely postponed.

Upon motion, the president of the Board was authorized to award a contract for the construction of the chaplain's quarters at the Western Branch, upon specifications so modified as to bring the cost within the amount available.

The president of the Board reported that, in the matter of the application of the Kansas City-Western Railway Company for permission to occupy a strip of land at the Western Branch for trackage purposes, presented at the last meeting and referred to him, with power, he had approved the execution of an agreement granting the desired right of way, subject to certain conditions.

Upon motion, the president of the Board was authorized to acquire the land at the Southern Branch now leased from the Hampton Normal and Agricultural Institute, and the general treasurer was authorized to pay therefor a sum not to exceed that appropriated for that purpose by Congress, it being understood that satisfactory title to said land shall first be furnished to the National Home and that no rent for the same shall be paid by the National Home from June 30, 1906.

The Board thereupon took a recess and proceeded to the Eastern Branch, where it reconvened on June 30, 1906.

EASTERN BRANCH, *June 30, 1906.*

The Board made the usual inspection of buildings, hospital, and grounds and heard the complaints of such members as desired to appear before it in person.

Upon motion, the president of the Board was authorized to employ an architect to prepare a plan for the improvement of the Southern Branch.

The Board gave a hearing to representatives of the Augusta water district in relation to their request for increased compensation for water supplied to the Eastern Branch. After discussion and upon motion, the president of the Board was authorized to approve the execution of a contract at the increased rate asked as soon as the Augusta water district shall have furnished the increased facilities promised by it and the quality and quantity of the water furnished shall be satisfactory to the governor of the Eastern Branch.

Upon motion, it was—

*Resolved*, That the Board of Managers, in session at the Eastern Branch, deeply regrets the absence from its meetings of Gen. J. Marshall Brown, local manager of the Branch. The members of the Board tender to him their sincere sympathy in his illness and trust that he may soon be able to resume his place at their meetings; and

*Resolved*, That the president of the Board be requested to transmit a copy of this resolution to General Brown.

At various times during its session the Board considered applications for admission and readmission, and made the following orders :

#### EASTERN BRANCH.

##### APPLICATION FOR READMISSION.

The application of James Duffy, late C Company, Second Massachusetts Heavy Artillery and U. S. Navy, is denied.

There being no further business before the Board, on motion, the Board adjourned on July 1, to meet at Central Branch on September 12, 1906, at 11 a. m.

C. M. ANDERSON, *Secretary.*

TABLE A.—*Date of organization and law authorizing each branch of the National Home for Disabled Volunteer Soldiers, acreage, and cost of land, buildings, and permanent improvements from organization to June 30, 1906.*

First. Date and reference to the law establishing each of the ten Branches of the Home and date when each was ready for use.

(1) The Eastern, at Togus, Me., purchased and opened for use in 1866. Authority for the establishment, section 4, act approved March 21, 1866. (Rev. Stat., sec. 4830.)

(2) The Central, located at Columbus, Ohio, in 1867, when it was ready for use, and, in the same year removed to the vicinity of Dayton, Ohio, where it now is. Authority same as above given.

(3) The Northwestern, at Milwaukee, Wis., purchased in 1867 and ready for use during 1867. Authority same as above given.

(4) The Southern, at Hampton, Va., purchased in 1867 and opened for use in the same year. Authority same as above given.

(5) The Western, near Leavenworth, Kans. This Branch was authorized by an act approved July 5, 1884, entitled "An act to authorize the location of a Branch Home for Disabled Volunteer Soldiers and Sailors in either of the States of Arkansas, Colorado, Kansas, Iowa, Minnesota, Missouri, or Nebraska, and for other purposes." It was ready for use September 1, 1885.

(6) The Pacific, near Santa Monica, Cal. This Branch was authorized by an act approved March 2, 1887, entitled "An act to provide for the location of a Branch Home for Disabled Volunteer Soldiers west of the Rocky Mountains." It was ready for use January 1, 1888.

(7) The Marion, near Marion, Ind. This Branch was authorized by an act approved July 23, 1888, entitled "An act to authorize the location of a Branch Home for Disabled Volunteer Soldiers in Grant County, Indiana, and for other purposes." It was ready for use March 18, 1890.

(8) The Danville, near Danville, Ill. This Branch was authorized by an act approved June 4, 1897, entitled "An act making appropriations for sundry civil expenses of the Government for the fiscal year ending June 30, 1898, and for other purposes." It was ready for use July 1, 1898.

(9) The Mountain, near Johnson City, Tenn. This Branch was authorized by an act approved January 28, 1901, entitled "An act to establish a Branch Soldiers' Home at or near Johnson City, Washington County, Tennessee." It was opened for use October 15, 1903.

(10) The Battle Mountain Sanitarium, at Hot Springs, S. Dak. This Sanitarium was authorized by an act approved May 29, 1902, entitled "An act for the establishment, control, operation, and maintenance of a National Sanitarium of the National Home for Disabled Volunteer Soldiers at Hot Springs, in the State of South Dakota." The opening of the institution has been delayed by the failure of the contractors to complete the buildings. It is now thought that patients can be received for treatment about January 1, 1907.

## REPORT OF THE INSPECTOR-GENERAL AND CHIEF SURGEON.

---

### THE NATIONAL HOME FOR DISABLED VOLUNTEER SOLDIERS, *December 11, 1906.*

SIR: I have the honor to forward herewith certain papers relative to membership and health of the National Home, to accompany the annual report of the Board of Managers for the year ending June 30, 1906. They consist of—

(1) Statement of percentage of members admitted from different States and Territories.

(2) Statement of average number present from date of organization.

(3) Charts showing average number present at different periods during the year since 1892.

(4) Statement showing average number of members present at Branches since their establishment: Total average present, average present and absent, whole number cared for, and percentage of increase.

(5) Statement of deaths and number of deaths per 1,000 of average present and absent and whole number cared for.

(6) Statement of ages at death and number of deaths per 1,000 to whole number cared for during year ending June 30, 1906.

(7) Statement of diseases and causes of death for year ending June 30, 1906.

(8) Returns of the National Home for year ending June 30, 1906.

The returns from all of the Branches show a smaller increase in the average number present than in former years and a continued growth in the proportion of sick and feeble members. The increase in the average present was but 8, while the increase in the average number sick was 73, and the increase in the number treated in hospital was 191.

Nearly one-half of the average number present (47.1 per cent) were cared for in hospital at some time during the year.

With the exception of a case of leprosy, no unusual development of communicable diseases occurred during the year. The isolation of contagious diseases of the ordinary acute variety can easily be accomplished at any of the Branch Homes, but leprosy, because of its duration and peculiar characteristics, is in a class by itself, for which no provision has been made. It is not possible to provide reasonable comforts and freedom for such cases in a thickly populated institution

without endangering the welfare of others. . The necessity for making special provision for the care of soldiers who have acquired this disease while in the service is therefore evident.

Good results have been obtained from the fresh-air treatment of pulmonary tuberculosis at some of the Branch Homes, and it is hoped that facilities can be provided at all Branches for this treatment before the end of the next fiscal year.

All of the Branch Homes have been inspected by the inspectors-general of the National Home during the year, and the reports of the Inspector-General of the Army have received careful consideration.

A high standard of excellence has been maintained in administering to the wants and necessities of the more than 34,800 members who have received the benefits of the Home during the year, and no irregularities affecting their comfort and welfare have occurred. The correction of minor defects by Branch officers, when attention has been called to them, has, as a rule, been made with promptness and a spirit indicative of an earnest devotion to duty.

Respectfully, yours,

W. E. ELWELL,  
*Inspector-General and Chief Surgeon,  
National Home for Disabled Volunteer Soldiers.*

HON. FRANKLIN MURPHY,  
*President Board of Managers,  
National Home for Disabled Volunteer Soldiers.*

Maj. A. S. GALBRAITH, Inspector.  
Rev. H. A. McDONALD, Chaplain.  
Rev. B. F. KUHLMAN, D. D., Chaplain.

CENTRAL BRANCH, *July 21, 1906.*

SIR: I have the honor to submit the following report of this Branch for the year ending June 30, 1906:

Average present.....	4,512
Average present and absent.....	5,072
Whole number cared for.....	6,974
Whole number receiving medical treatment.....	5,545
Average age of members.....	67
Average cost of daily ration.....	\$0.1532
Cost per capita per year.....	\$137.36

PERMANENT IMPROVEMENTS.

Under the general fund, the only new building erected during the year was the nurses' cottage, but much important work has been done under the head of "repairs," including extensive repairs in various hospital wards; the frescoing of the second and third story halls of the main hospital building; new roofing, floors, porches, etc., in the various barracks; a fireproof floor in laundry; a large amount of repair work in the various tunnels; two boilers for central boiler house and extensive contract repairs to the various avenues in the Home as well as many minor improvements.

Under the post fund should be mentioned the extensive repairs at the hotel, made necessary by the fire of May 3, 1905; the new concrete bridge; much work on the avenues, "McMahon," "Brown," and through the quarry at deer park; also several thousand feet of concrete walks, and the local telephone system, which has greatly facilitated the transaction of Home business.

HEALTH.

The general good health of the Home has continued through the last year, and while the number of deaths has slightly increased over the previous year (475 against 448), the increase is only normal when the increasing age and disabilities of the members are considered.

Very respectfully,

J. B. THOMAS, *Governor.*

Gen. CHARLES M. ANDERSON,  
*Secretary Board of Managers*  
*National Home for Disabled Volunteer Soldiers.*

*Statement of receipts and disbursements of Central Branch, National Home for Disabled Volunteer Soldiers, appropriation for fiscal year 1906, and prior fiscal years.*

RELIGION AND SOCIETIES.

The reports of the Branch chaplains to the governor are submitted herewith. In addition to conducting the usual religious services and officiating at funerals, the Central Branch chaplains have faithfully visited the sick in hospital and ministered to the spiritual and moral needs of the members of the Branch.

NATIONAL MILITARY HOME, June 30, 1906.

SIR: I have the honor to submit the following report for the year ending June 30, 1906:

The increasing number of those who are interested in spiritual things is indicated not only by the attendance upon the services of the church, but also by the manner in which the personal ministrations of the chaplain are received in the hospital and in the barracks.

While I am constantly on the lookout to become personally acquainted with new members, I have found among the many admitted during this year a gratifying number who voluntarily sought out the chapel and its services. All the chapel services have been kept up as heretofore and the attendance and interest are quite as encouraging as in any former year. Not in the least interesting and effective is my constant personal work in the hospital and in the barracks.

The service of praise, which is a prominent feature of our church, is greatly enjoyed by the men, and the organist and choir have brought to these services not only a skill but a spirit which is a blessing to all.

During the year I have received notices of 303 deaths and held services at the funerals of 260 members, the remains of 43 having been taken away.

Respectfully,

H. A. McDONALD, *Chaplain.*

Col. J. B. THOMAS,

*Governor Central Branch, National Home for Disabled Volunteer Soldiers.*

NATIONAL MILITARY HOME, OHIO,

July 16, 1906.

SIR: The chaplain of the Chapel of the Good Shepherd begs leave to report as follows for the last fiscal year:

Though the veterans are getting older and older, there seems to be no decrease in the attendance at the services, held every morning at 7, also at 9 a. m. Sundays and at 6.30 p. m. Sundays and Fridays.

The mission or spiritual revival at the end of last July induced over 300 to confess their sins.

The daily visits the chaplain makes to the hospital are lightened by the hearty welcome extended to him on all sides.

He administered the last rites to 92 soldiers, 79 of whom were buried in the Home cemetery.

The faithfulness and efficiency of the organist and choristers deserve all praise.

Respectfully,

B. F. KUHLMAN, *Chaplain.*

Col. J. B. THOMAS,

*Governor Central Branch, National Home for Disabled Volunteer Soldiers.*

SANITARY REGULATIONS.

The sanitary condition of the Branch has been good during the year. There was an abundant supply of water for all purposes, and during the greater part of the year no water was required from the Dayton waterworks. The number of baths taken during the year at the general bath house and in barracks was 192,144. The surgeon has made the regular quarterly sanitary inspections of the entire Branch.

**ANNUAL REPORT OF NORTHWESTERN BRANCH, NATIONAL HOME FOR DISABLED VOLUNTEER SOLDIERS, FOR THE YEAR ENDING JUNE 30, 1906.**

JOHN M. HOLLEY, Esq., La Crosse, Wis., Local Manager.

Col. CORNELIUS WHEELER, Governor.

Maj. J. E. ARMITAGE, Treasurer.	Capt. H. A. VALENTIN, Adjutant and Inspector.
Maj. OSCAR CHRYSLER, Surgeon.	Rev. E. P. WRIGHT, D. D., Chaplain.
Capt. W. W. ROWLEY, Quartermaster.	Rev. M. J. HUSTON, Chaplain.
Capt. CHARLES O. COLLINS, Commissary of Subsistence.	

NATIONAL HOME,  
*Milwaukee County, Wis., July 20, 1906.*

SIR: I have the honor to submit the following report of this Branch for the year ending June 30, 1906:

Average present.....	2,053
Average present and absent.....	2,643
Whole number cared for.....	3,070
Whole number receiving medical treatment.....	2,614
Average age of members.....	68.81
Average cost of daily ration.....	\$0.1703
Cost per capita per year.....	\$160.04

The discipline of the Branch has been good.

Although with an increased average age, the general health of the Branch has been better and the death ratio very much smaller than the previous year, owing to the fact that there was then a prevalence of pneumonia, which did not exist during the past year.

Respectfully submitted.

CORNELIUS WHEELER, *Governor.*

Gen. CHARLES M. ANDERSON,  
*Secretary Board of Managers,  
National Home for Disabled Volunteer Soldiers.*

RELIGION AND SOCIETIES.

REPORT OF E. PURDON WRIGHT, PROTESTANT CHAPLAIN.

I herewith respectfully submit my annual report for the year ending June 30, 1906, viz:

Divine services have been held without intermission except on the four Sundays when the chaplain is absent on vacation on Sundays, and on week days during the six months from November to May. The attendance has been about the same as the year preceding.

The hospital and quarters have been regularly visited almost daily.

The holy communion has been administered by me in public 16 times and in the hospital 12 times. There were 2 baptisms, 1 confirmation, and 105 burials.

REPORT OF M. J. HUSTON, CATHOLIC CHAPLAIN.

I have the honor to submit the following report for the year ending June 30, 1906:

Services were held in the Home chapel at 5.30 and 7.30 a. m. and 5.45 p. m. every Sunday throughout the year. Every week day has had its morning and evening devotion. Special services were held during Lent, on the first Sunday of each month, and on feast days and holidays of obligation.

Short sermons were preached or appropriate instructions given on all suitable occasions.

There were 47 deaths among the Catholics, 45 of whom were buried in the Home cemetery and 2 were taken away.

The chaplain is very much encouraged in his work by the ready cooperation of the officers and employees of the Home.

SOCIETIES.

The various societies at this Branch have a membership as follows:

Veteran Post No. 8, Grand Army of the Republic .....	43
Old Guard Post No. 211, Grand Army of the Republic .....	38
Veterans' Social Club .....	43
Total .....	124

SANITARY REGULATIONS.

Sanitary inspections are made daily by the adjutant and inspector and the officer of the day. The surgeon makes sanitary inspections regularly every quarter and at such other periods as directed by the governor.

All garbage is promptly removed twice daily, and no insanitary accumulations are allowed.

Members are required to bathe at least once each week. New arrivals and applicants for admission or readmission are at once given a bath and a change of clothing, their own clothing being subjected to sterilization when deemed necessary, and all

applicants for admission are required to be vaccinated. Members returning from furlough or absence of more than three days are required to bathe and have their clothing sterilized.

The clothing of all members discharged or going on furlough is turned in to the quartermaster and sterilized and renovated before reissue.

Every precaution against the spread of disease or vermin is used. There is in readiness good isolation quarters to be used in case of emergency.

The hot-water tank system for the purification of the beds and the steaming of the wardrobes is continued with success, and the bedbug pest is kept at a minimum.

The intermittent filtration system for sewage is still in successful and satisfactory operation.

The sanitary condition of the Branch is excellent.

## RELIGION AND SOCIETIES.

The Branch chaplains have very faithfully and conscientiously performed their duties the past year, attending the various religious services and funerals which have been held at the Branch. They have endeavored to be helpful to the moral and spiritual condition of the men connected with the Branch, and particularly to minister to those who were sick in the hospital.

The Protestant chaplain has held service in the chapel every Sunday forenoon, has attended the Sunday evening song service in the hospital, the Monday evening prayer meetings in the hospital, and the Wednesday evening prayer meetings at the chapel, and has assisted the Temperance Society in its work. He has made frequent visits to the sick in the hospital, and has taken great interest in and devoted much time to the library.

The Catholic chaplain reports that mass has been celebrated every Sunday, holy day, and each first Friday in the month. His visits to the hospital have averaged three a week, and he has faithfully attended every member of the flock intrusted to his care when death was imminent.

## SANITARY REGULATIONS.

Regular inspections of the buildings and grounds are made by the surgeon, reports of which are submitted in writing to the governor. Members are required to bathe regularly once each week and new members immediately upon arrival at the Home, at which time they are supplied with clean underclothes. All second-hand clothing is fumigated with formaldehyde and thoroughly renovated before reissue to members.

Daily examinations of milk are made in the laboratory as prescribed in General Orders, No. 4.

All members entering the Home, who are unable to show a satisfactory scar from recent vaccination, are vaccinated at the time of their medical examination.

Care is taken to prevent, so far as possible, the careless expectoration of tuberculosis patients, each patient being provided with sputum cup and disinfectant.

**ANNUAL REPORT OF SOUTHERN BRANCH, NATIONAL HOME FOR  
DISABLED VOLUNTEER SOLDIERS, FOR THE YEAR ENDING  
JUNE 30, 1906.**

Hon. FRANKLIN MURPHY, Local Manager.  
Col. THOMAS T. KNOX, Governor.

Maj. B. A. BEESON, Treasurer.		Capt. FRANK E. SKINNER, Commissary of Subsistence.
Maj. J. A. JOHNSTON, Surgeon.		Rev. J. MARTYN NEIFERT, B. A., Chaplain.
Maj. JOHN T. HUME, Quartermaster.		

SOUTHERN BRANCH, *July 27, 1906.*

SIR: I have the honor to submit the following report of this Branch for the year ending June 30, 1906:

Average present .....	2, 576
Average present and absent .....	3, 534
Whole number cared for .....	4, 224
Whole number receiving medical treatment.....	2, 779
Average age of members.....	67. 25
Average cost of daily ration.....	\$0. 1537
Cost per capita per year.....	\$142. 43

Since the last annual report several changes have occurred among the officers of the Branch. The present governor succeeded Col. William Thompson, Maj. John T. Hume succeeded Maj. John H. Gifford as quartermaster, Capt. Frank E. Skinner succeeded Col. Charles Candy as commissary of subsistence, and Rev. J. Martyn Neifert succeeded Rev. Joseph H. Bradley as chaplain.

The cost of the ration is \$0.1537, as compared with \$0.1571 for the last fiscal year. The per capita for the fiscal year is \$142.43, as compared with \$137.68. This increase is due in a considerable degree to the partial replacement of the very old equipment of barrack furniture.

A new sea wall has been constructed, 1,447 feet in length, which will reclaim nearly 7 acres of land. There has also been a revetment built in Jones Creek 750 feet in length, and when the filling behind this is completed there will be more than 1 acre additional reclaimed. The work of filling behind the sea wall and the Jones Creek revetment is under contract, and the filling is now in progress.

New ovens have been constructed in the bakery, which are very satisfactory; a dough cutter and molding machine have been added to the bakery equipment. These prove to be very satisfactory and reduce the cost of labor in the making of the bread.

An open-air ward has been constructed for the treatment of tuberculosis patients, and the surgeon anticipates good results.

A considerable portion of the steam lines has been renewed; a cold-storage room has been erected at the mess hall; the equipment of the mess hall kitchen has been improved; new plumbing has replaced the old in Companies I and L; three of the wooden barracks have been repainted.

This Branch, being among the oldest and many of the buildings being of frame and originally of light construction, makes the problem of repairs a constant one. The steam-heating system and plumbing require constant attention.

There has been no epidemic during the past fiscal year. The advancing age of the members increases the ratio of the death rate, which is greater than the last fiscal year, although the deaths in the Home differ by only one, while those dying outside of the Home were considerably greater in number. The sanitary condition of the Branch is good.

The discipline of the Branch has been fair, the total number of offenses being less than during the last fiscal year.

The question of drunkenness at this Branch is quite a serious one, compared with the other branches, owing to the fact that there is no limit law in Virginia, and the town of Phoebus, which contains many saloons, is just at our gate and offers many temptations to the members who are inclined to drink.

Respectfully,

T. T. KNOX,  
Governor.

Gen. CHARLES M. ANDERSON,  
Secretary Board of Managers,  
National Home for Disabled Volunteer Soldiers.

## RELIGION.

NATIONAL SOLDIERS' HOME,  
Hampton, Va., July 12, 1906.

DEAR SIR: I respectfully report the work done from May 16, 1906, to June 30, 1906. Daily visits and twenty specials have been made to the hospital. Have given Bibles, prayer books, and hymnals to those asking for them. Have found ready readers for the papers and periodicals taken on each visit.

There have been 32 funerals at which I have officiated, often adding a short address.

Have held weekly Sunday morning service with sermon, and evening song service with address. There are two religious societies and a Bible class in which I have taken active part.

Very faithfully, yours,

J. MARTYN NEIFERT, *Chaplain.*

Col. T. T. Knox.

DEAR SIR: I respectfully submit the following report of my work for the year ending June 30, 1906:

Seventy-two funeral services were held. Mass was celebrated as usual four times every week, including Sundays. The average attendance during the week was 200, on Sundays about 600. The hospital was attended as usual, six times every week.

Other services on the feast days of the church were held, and also the customary appointments for confessions and the monthly devotions of the two societies, the Holy Name and the Sacred Heart, observed.

I have the honor to remain, yours, sincerely,

W. A. FALLON, *Catholic Chaplain.*

Governor T. T. Knox, *National Soldiers' Home.*

## SOCIETIES.

The Ella M. Thatcher Temperance Society, auxiliary to the Woman's Christian Temperance Union, has 36 active members; 6 new members received during the year.

The Christian Endeavor Society meets weekly, with an active membership of 56.

Four Grand Army posts, two white and two colored, with a membership of 139.

One encampment, Union Veteran Legion, No. 91, with a membership of 38.

## SANITARY REGULATIONS.

Regular inspections of buildings and grounds are made by the surgeon, reports being submitted in writing to the governor. Members are required to bathe regularly once each week. All second-hand clothing is disinfected with formaldehyde and renovated before being reissued. The installation of a large filter at the hospital has been followed by beneficial results. The completion and opening of the open-air pavilion for tuberculous patients will be of the greatest sanitary benefit.

Maj. J. L. FRYER, Surgeon.		Capt. JAMES M. PAYNE, Chaplain.
Capt. U. B. PEARSALL, Quartermaster.		Capt. THOS. H. KINSELLA, Chaplain.

LEAVENWORTH COUNTY, KANS.,  
*July 27, 1906.*

SIR: I have the honor to submit the following report of this Branch for the year ending June 30, 1906:

Average present.....	2,708
Average present and absent.....	4,119
Whole number cared for.....	5,300
Whole number receiving medical treatment.....	3,988
Average age of members.....	66
Average cost of daily ration.....	\$0.1599
Cost per capita per year.....	\$156.53

**IMPROVEMENTS.**

Under special Congressional appropriations an addition to the nurses' cottage has been constructed, which greatly contributes to the comfort and convenience of the women nurses, and the radiating surface in barracks and mess hall has been renewed, adding much to the comfort of members in cold weather.

**GENERAL CONDITIONS.**

Personal orderliness, cleanliness, and neatness are general. It will be noted by attached schedule that offenses were committed by less than 12 per cent of the entire membership, 4,680 members committing no offenses. The fact that most of these offenses are of a minor character and result from the weakness of age rather than from viciousness is a striking commentary on the high character of these veterans.

Farm and garden operations were in a high degree successful. Lawns were kept at all times in a neat condition. Flowers and vegetables were produced in abundance.

The existence of tuberculosis was discovered in the dairy herd, and under directions of the State veterinarian and by authority of the president of the Board of Managers has, it is thought, been stamped out.

Sanitation receives constant and careful attention, and unfavorable conditions are promptly corrected when found.

Recommendations for construction of buildings and other permanent improvements are submitted in annual estimates.

#### WATER.

During the year there have been many periods of defective water pressure in barracks and fire hydrants. This has been several times brought to the attention of the contracting company. The company has employed a hydraulic engineer to ascertain the causes for this condition, but as yet has made no improvement in service.

Very respectfully,

S. G. COOKE, *Governor.*

Gen. CHARLES M. ANDERSON,  
*Secretary Board of Managers,  
National Home for Disabled Volunteer Soldiers.*

RELIGION AND SOCIETIES.

SIR: I have the honor to make the following report for the fiscal year ending June 30, 1906:

Sermons delivered .....	52
Prayer and praise meetings .....	108
Christian Endeavor Bible reading .....	51
Temperance meetings .....	49
Funerals attended .....	205

I have made daily visits to the hospital. All services above indicated were attended by me personally.

Very respectfully,

JAMES M. PAYNE, *Chaplain.*

SIR: I have the honor to report that all usual religious functions have been carried out during the past year. Our chapel services have been held on all week days as well as Sundays. A special course of lectures was given by a clergyman from the outside, and extra services have been held in Lent and at other stated times.

As is the custom the hospitals are visited daily, and my share of the funerals are attended, while from time to time the barracks are visited in a social way and thus pleasant relationships are sought to be maintained. The Rosary Society has about 120 members and the League of the Sacred Heart 60 to 70 members.

Very respectfully,

THOMAS H. KINSELLA, *Chaplain.*

SANITARY REGULATIONS.

*Garbage.*—Garbage is collected after each meal in the hospital, and after breakfast and dinner at the general mess hall. It is taken away from the grounds in a closed cart.

*Bathing.*—Members are required to bathe once every week, and a record is kept by the captain of each company to show that the rule is complied with. Men newly admitted to the Home are required to take a bath, except when too infirm. In such instances they are bathed at the hospital.

*Vermin and disease.*—Constant care is exercised by the use of hot water and chemicals to exterminate vermin and to prevent the spread of disease.

*Linen.*—Linen is changed once every week throughout the Home, and towels in wash rooms one or more times each day.

*Soiled linen.*—Soiled linen is sent to the laundry once each week, but may be sent more frequently if badly soiled. Special precautions are taken at the hospital.

*Ventilation and heat.*—The ventilation provided for throughout the Home is direct or indirect, and is, as a rule, good. The heat furnished in winter has been good.

*Milk and food.*—The character and quality of food and milk are tested from time to time by the hospital corps.

*Inspections.*—The regular weekly inspection of barracks, hospital, etc., is supplemented by a quarterly report by the surgeon to the governor.

*Vaccination.*—All members must show a scar of not greater than two years' standing or undergo operation for vaccination.

*Wash list.*

SANITARY REGULATIONS.

Regular sanitary inspections of the Home have been made by the surgeon and written reports of same made to the governor. All members admitted or readmitted are at once vaccinated. Regular bathing of the members is compulsory. No epidemics have visited the Home during the past year.

On March 31, 1906, Xavier Ruez, member of the Home, was bitten by a small dog suffering with hydrophobia. By telegraphic authority of the president of the Board of Managers this member was sent at once to the Pasteur Institute at Chicago, Ill.,

for treatment, taking with him the brain of the dog. Examination of this brain showed the dog to have been rabid. Ruez was discharged from the institute cured, without untoward symptoms, April 21. Three dogs, six horses, and some hogs were also bitten by this dog. The dogs were soon after killed. The other animals were quarantined. April 18, a hog showed symptoms of the disease and was killed. April 20 another died in convulsions, giving very evident symptoms of the disease. May 7 two of the horses developed the disease and were killed. Everything coming in contact with these animals, after rabies developed was burned. No further evidences of the disease have appeared.

RELIGION.

Public worship is held every Sunday morning in the Protestant chapel by the chaplain. During his absence with leave, April 9 to May 9, a substitute was furnished.

The chaplain attended 111 funerals, visited hospital 141 times. The congregations steadily increase, and a marked spiritual tone is present. The spiritual and moral condition of the Home is excellent. The temperance meetings held each Saturday at 1.30 p. m. by the Christian Temperance Union are helpful and interesting.

The Catholic chaplain has held 84 services besides daily services conducted by an assistant, held 69 funerals, and visited the sick in the hospital 125 times.

**ANNUAL REPORT OF MARION BRANCH, NATIONAL HOME FOR  
DISABLED VOLUNTEER SOLDIERS, FOR THE YEAR ENDING  
JUNE 30, 1906.**

Col. EDWIN P. HAMMOND, Lafayette, Ind., Local Manager.  
Col. GEORGE W. STEELE, Governor.

Maj. JOHN Q. ADAMS, Treasurer.	Rev. D. E. MYERS, Chaplain.
Maj. HARRY MILLER, Surgeon.	Rev. CHARLES E. McCABE, Chaplain.
Capt. J. W. SANDERSON, Quartermaster.	

MARION BRANCH, *July 25, 1906.*

SIR: I have the honor to submit the following report of this Branch for the year ending June 30, 1906:

Average present.....	1,804
Average present and absent.....	2,396
Whole number cared for.....	2,991
Whole number receiving medical treatment.....	2,558
Average age of members.....	66.32
Average cost of daily ration.....	\$0.1612
Cost per capita per year.....	\$150.56

After the occupancy of this Home for sixteen years, with comparatively light expense for repairs, it is now plainly evident that the expenditure under this head must be increased.

In the hospital, owing to the advanced age of the members, more expensive diet must be procured, and the expense of keeping attendants correspondingly increased, as well as that of keeping the hospital in sanitary condition.

Better facilities should be provided for bathing by hospital patients, which, so far as I can observe, can only be done by extending additional corridors leading from the several wards of the hospital, on the east side, to where new bath houses should be constructed.

Many of the cement walks in front of the barracks and hospital and those leading to the several portions of the Home grounds were constructed at a time when very few people of this community understood how the work should be done. On account of which they are in a bad condition; some broken down in the center, forming gutters for the water to stand in or run through; others had only a thin layer of cement on top of "poverty filling," which, owing to the uneven expansion and contraction by heat and cold, has buckled up and broken, leaving only the softer portion of the walk, which soon gives way.

Roads and streets constructed of gravel, from year to year, of poor quality are a source of increased expenditure.

We must lay out a new cemetery within the year, with the attendant construction of streets.

The bandmaster is now and has been for several years occupying rooms in the headquarters building, which is an inappropriate place for a man with a growing family. Quarters in a desirable portion of

the grounds would cost \$3,000 to \$3,500. A set of quarters should be furnished for the head dairyman, which can be done for \$1,000.

It is altogether desirable that what is known as the clerks' mess should be removed from the basement of barrack No. 1, from whence the stench of cooking goes through the barrack, and is not agreeable, to speak in no harsher terms.

The health of the Home has been better than usual during the past year. Its good order and contentment have materially increased since the installation of our canteen on January 9 last, and the cooperation of the police force of the city of Marion, under instructions of the present police board, with our Home guards. Early in 1903, when the law prohibiting the sale of intoxicants within a mile of the limits of the Home was enacted, there was a wholesome fear of its violation, but one violation without punishment led to another and then to another until in 1905 conditions had become so very bad as to make the establishment of a canteen in this Home seem imperative. A desperate attempt was made on the part of the violators of the law, beginning about a month after the canteen was established, to regain lost customers by the sale of not only beer but stronger intoxicants to members of the Home at low prices, on time, and in convenient bottles, whisky bottles especially, on account of which successful appeal was made to the present police board of Marion for cooperation, although it had been denied when a similar application was made to a former board, which, as before suggested, has led to a much better condition of affairs in the Home.

I am, very respectfully,

GEO. W. STEELE,  
*Governor.*

Gen. CHARLES M. ANDERSON,  
*Secretary Board of Managers*

## SANITARY REGULATIONS.

Special stress is laid upon cleanliness as the primary sanitary measure. Linen is changed regularly and nurses are warned of the danger of permitting sputa or other infected dejecta to remain on clothing of patients, the linen, or the floor. Spit cups are subjected to sterilization by hot water. Carbolic-acid solution is kept in these cups, and patients are ordered to expectorate in this fluid. Nurses and patients are made to understand the danger from dried sputa.

In the matter of ventilation, the air is changed in the ward as often as the comfort of the patients will permit.

The new regulation hospital beds recently installed are splendidly constructed and are highly appreciated by patients and nurses.

Better bathing facilities could be had by having the bathrooms separated from the water-closets.

The issue of individual towels to all members of the Home would be in the interest of sanitation.

HARRY MULLER, *Surgeon.*

RELIGION AND SOCIETIES.

DANVILLE BRANCH, July 6, 1906.

SIR: I have the honor to submit to you the following report for the year ending June 30, 1906:

Two services have been held in the Catholic chapel every Sunday and special religious exercises observed during Lent. All these exercises were well attended. Calls to the hospital have been answered promptly and frequent visits made to the sick.

Respectfully,

STEPHEN N. MOORE, *Chaplain.*

SIR: I submit this report for the year ending June 30, 1906:

Number of sermons preached during the year .....	52
Number of lectures delivered.....	7
Religious meetings held .....	130
Visits to the hospital .....	156
Funeral services held .....	121
Christian League membership.....	225
Temperance Club .....	600

The preaching services, held at 2 o'clock Sunday afternoons, are well attended. Prayer meetings are held Saturday evenings at 6.30 o'clock; concert of song and Bible study, Sunday evenings at 6.30 o'clock. Sunday afternoons, together with our

chapel choir, I have conducted religious services in the different wards of the hospital. I also have visited the members of the barracks, conversing with each one on religious topics. The Temperance Club steadily increases in numbers and good influence.

I gratefully acknowledge your assistance, the cordial cooperation of the hospital authorities, and the courteous treatment received by me from all officers, employees, and members of this Soldiers' Home.

SANITARY REGULATIONS.

Semimonthly sanitary inspections of the buildings and grounds are made by the surgeon and written reports filed by him. There is a disinfecting and fumigating room in connection with the renovating shop, and also a disinfecting room and shower bath in the basement of the receiving barrack, and all members coming into the Home for admission, readmission, or returning from furlough are required to take this bath and have all their clothing fumigated before being assigned to quarters. All persons being admitted or readmitted are required to be vaccinated after taking the bath mentioned and before being assigned to quarters. All members are required to bathe at least once each week, and to wear clean underclothing. An old frame farmhouse in the southeast corner of the Home grounds, and at least a quarter of a mile from any of the other Home buildings, is used for a pesthouse. The isolation of persons sent there is complete. Brick paving and concrete walks have been substituted for many yards of unsanitary cinder roadways and board walks.

Memorial Hall, nurses' cottage, dairy barn, oil house, and two public toilets were completed and turned over to the Branch during the year. A coal shed is in course of construction.

Discipline has been fair; the general health of the members has been good; there has been no epidemic of contagious disease; sanitary conditions have been excellent; the sewage disposal plant continues in satisfactory and successful operation.

The available water supply is inadequate in time of drought. Work has not commenced on promised additions intended to increase the supply.

Very respectfully,

JOHN P. SMITH, *Governor.*

Gen. CHARLES M. ANDERSON,  
*Secretary Board of Managers,  
National Home for Disabled Volunteer Soldiers.*

RELIGION AND SOCIETIES.

SIR: I have the honor to submit the following report on religion for the fiscal-year ending June 30, 1906:

The chapel (north) has been completely furnished and decorated for the proper celebration of divine services, at a cost of \$1,400, without expense to the Home.

The regular daily morning service has been held and a very considerable number of men visit the chapel during the day. The special evening services were held during the seasons of Advent and Lent. A "mission" conducted in February has quite doubled the Sunday attendance and the reception of the church's ministrations.

Respectfully,

WALTER F. GOTTWALLES, *Chaplain.*

Col. JOHN P. SMITH, *Governor.*

SIR: I have the honor to submit the following report for the year ending June 30, 1906:

Preaching services every Sabbath during the year except one. A part of the time we have held two preaching services on Sunday, but for most of the time only one. Owing to the age and decrepitude of the members, we find the single preaching service on Sunday decidedly preferable. A series of meetings was held during the early winter with satisfactory results. A midweek prayer meeting is held regularly. During the year a few song services have been held in the hospital.

We are happy to note a marked increase in the attendance upon the preaching services; in fact now most of the time the chapel is practically full, and in a few instances has proved insufficient to accommodate those who desired to hear the word of life.

Funerals conducted. All requests for attendance to sick in hospital are promptly answered. Triweekly visits are made to the hospital and occasional visits through the barracks.

Very respectfully,

J. A. RUBLE, *Chaplain.*

Col. JOHN P. SMITH, *Governor.*

SANITARY REGULATIONS.

The sanitary condition of the Branch has been good during the year. Regular inspections of the grounds and all buildings have been made and written report submitted to the governor.

Rules relative to airing of bedding and baggage are observed. All members are required to bathe at least once each week and new members on arrival. Second-hand clothing is fumigated and thoroughly renovated before reissue. All members arriving at the Branch are required to report to the hospital for vaccination. There have been no cases of smallpox or any epidemic disease during the year.

**REPORT OF INSPECTION OF STATE SOLDIERS AND SAILORS'  
HOMES FOR THE YEAR ENDING JUNE 30, 1906.**

HEADQUARTERS NATIONAL HOME FOR  
DISABLED VOLUNTEER SOLDIERS,  
*New York, N. Y., December 1, 1906.*

SIR: I have the honor to submit herewith the annual report of the inspection of 30 State Homes for Disabled Volunteer Soldiers and Sailors that have received the Government aid of \$100 a year for each legally qualified inmate.

All of these Homes have been inspected twice by the inspectors-general of the National Home during the fiscal year ending June 30, 1906, and the returns verified by an examination of the books and records, and an actual muster of the members present at the time of inspection.

None of the pension money of inmates is used for the support of the Homes except those that care for the wives, widows, and mothers of soldiers and sailors, and army nurses.

In no instance is a canteen maintained.

As a rule, good quarters are provided in comfortable buildings, and the clothing and food supplied is sufficient and of satisfactory quality.

The sick are well cared for, usually by resident medical officers, and frequently trained women nurses are employed.

The services of members whose labor is largely relied upon in all departments is beginning to be unsatisfactory because of their increasing age and infirmities, and it is apparent that it will soon be necessary to fill their places with younger employees.

A few instances of unintentional overreporting of membership and failure to strictly comply with the provisions of the law relative to eligibility of inmates have occurred, necessitating disallowances amounting to \$2,188.42 during the year, but on the whole the Homes have been intelligently and successfully administrated in accordance with the provisions of the act of Congress of August 27, 1888, as amended by act of April 28, 1904.

No new Homes have been established since the last annual report, and the increase in the whole number cared for during the year was but 106, which is 759 less than the increase for the previous year.

The following comparative statement shows the increase under different heads during the period covered by this report:

*Comparative statement of average present, average present and absent, whole number cared for, and average cost per capita of the State Soldiers' Homes, years 1905 and 1906.*

Average present during the year ending June 30:	
1906.....	11,709
1905.....	11,441
Increase.....	268

Average present and absent:	
1906.....	14, 162
1905.....	13, 961
Increase.....	201
<hr/>	
Whole number cared for:	
1906.....	19, 783
1905.....	19, 677
Increase.....	106
<hr/>	
Average cost per capita:	
1906.....	\$209. 01
1905.....	206. 64
Increase.....	2. 37

I submit herewith summaries of the reports of inspections of all the State Homes, which show everything of importance relative to their qualification for the Government aid.

Respectfully, yours,

W. E. ELWELL,  
*Inspector-General and Chief Surgeon.*

Hon. FRANKLIN MURPHY,  
*President Board of Managers,  
National Home for Disabled Volunteer Soldiers.*

Average present during year ending June 30:	
1906.....	764
1905.....	730
Increase.....	34
Average present and absent:	
1906.....	891
1905.....	805
Decrease.....	4
Average cost per capita, \$178.11.	

The Home was last inspected by Col. W. E. Elwell, inspector-general and chief surgeon, National Home for Disabled Volunteer Soldiers, March 22, 1906, and the muster on that date showed:

Total number members present.....	771
Absent.....	77
Aggregate present and absent.....	848

*Eligibility of members.*—Inmates are eligible in accordance with the provisions of law.

*Women.*—No women are maintained at this Home.

*Pensions.*—Proper methods are in use for the care and disbursement of the pension money of inmates, except that in the case of nine members who were receiving more than \$12 per month, disbursement of a portion of it was, for a short period, irregular. This was promptly corrected when attention was called to the matter.

*Canteen.*—No canteen is maintained, and the sale or introduction of intoxicating liquors on the ground is prohibited. A post store where soft drinks, fruit, candies, and tobacco and small articles are kept on sale, is maintained.

*Buildings and grounds.*—The buildings are in a fair state of repair, no additions or changes of importance having been made since the last report. The grounds are attractive and well cared for.

*Care of members.*—The inmates are well cared for. The ration is sufficient and of good quality, well cooked and served. Members are required to wear a uniform furnished by the Home when present.

*Medical care.*—The new hospital is a comfortable building, but is not large enough for the requirements of the Home and is not well equipped with modern sterilizing appliances. Trained nurses are employed and special diet is furnished to the sick.

The Home was last inspected by Gen. N. M. Curtis, assistant inspector-general National Home for Disabled Volunteer Soldiers, April 30, 1906, and the muster on that date showed:

Total number members present.....	473
Absent.....	86
Aggregate present and absent.....	559

*Eligibility of members.*—All members on the muster rolls of the Home are eligible.

*Women.*—No women are admitted or maintained.

*Pensions.*—No part of the pension money of inmates is taken by the Home.

*Canteen.*—No canteen is maintained.

*Buildings and grounds.*—Some of the buildings are old, but all are made comfortable and supplied with suitable beds and bedding. The grounds are kept in fine condition and made attractive by numerous flower beds and trees.

*Care of members.*—Good clothing and ample food of good quality, well cooked and served, is provided. A library and one billiard room is maintained, as is also a chapel in which religious services are held weekly by clergymen having charges in the vicinity, and the Young Men's Christian Association.

*Medical care.*—The hospital is well arranged, the medical staff satisfactory, and special diet furnished the sick.

Aggregate present and absent.....	494

*Eligibility of members.*—All members on the muster rolls were found to be eligible.

*Women.*—This Home cares for the wives and widows of soldiers who served in the Mexican and civil wars.

*Pensions.*—As women are cared for, the legal restriction relative to the use of pension money of inmates does not apply to this Home.

*Canteen.*—No canteen is maintained.

*Buildings and grounds.*—The buildings are erected in a grove from which enough trees have been removed to admit light, and on either side of the parade ground comfortable seats are furnished under the shade of the trees.

*Care of members.*—The members are quartered in barracks varying in capacity from accommodations for two families to six or eight families. Most of the members come for their meals to the general mess hall, but the older ones are furnished meals in the barracks where quartered. The Home is well managed, and the members are kept clean, comfortable, and happy.

*Medical care.*—The hospital is exceedingly well cared for by a competent physician and trained nurses, assisted by young women receiving instruction in the training school conducted in this Home.

*Eligibility of members.*—No members were found on the rolls who were not eligible, but there were 16 members sleeping out on date of inspection. They get their meals and answer roll calls at the Home, but are given the privilege of sleeping out with their families.

*Women.*—This Home cares for women.

*Pensions.*—Members draw their pensions and deposit them with the commandant, who sends them to the dependent relative upon the request of the pensioner. There is no restriction as to the amount that may be paid to pensioners, and no part of the pension is taken by the Home.

*Canteen.*—No canteen is maintained.

*Buildings and grounds.*—The buildings are good, substantial, well heated, and kept in good order.

*Care of members.*—Good and ample clothing is furnished free to members. The rations are well cooked and served, and the general management of the Home is satisfactory.

*Hospital.*—Patients are well cared for in a good and commodious hospital, which is under the charge of a surgeon, assistant surgeons, and female nurses.

Total number members present .....	205
Absent .....	31
Aggregate present and absent .....	236

*Eligibility of members.*—No members not eligible were found on the muster rolls.

*Women.*—Wives, widows, and children under 15 years of soldiers and sailors are admitted and maintained. There were at the time of the last inspection 114 women and 130 children present.

*Pensions.*—Single members without dependent relatives who draw more than \$10 per month and married members who draw more than \$15 per month are required to pay the excess to the hospital fund of the Home. Pension money is not deposited with the commandant.

*Canteen.*—No canteen is maintained.

*Buildings and grounds.*—There have been no changes in the buildings and grounds since the last report, which are on the whole maintained in a satisfactory condition. Some of the cottages were found neat and in good order, while in others the condition was not entirely creditable.

*Care of members.*—Good and sufficient uniform clothing is furnished free to all members. The ration is good and ample in quantity. Part of the members mess in the general mess hall, while others do their own cooking in cottages, drawing their rations weekly.

*Medical care.*—A small hospital is maintained which is considered sufficient for the requirements of the Home, as members of families receive medical care in their quarters. The mixed population of this Home, embracing as it does such a large number of women and children that require more medical care than the same number of men,

besides being scattered in cottages over a wide area, makes the medical care of this Home very difficult, and while the surgeon is doing all that he can do, the work is too much for any one man to properly attend to.

*Eligibility of members.*—No members were found on the rolls that were not eligible. There are 14 members in the Home with Indian war service but are not carried on the rolls. No members sleeping out.

*Women.*—Women are not maintained at present. A new building is under construction which, when completed, will be used for the care of women.

*Pensions.*—Pension money is deposited with the commandant and sent to relatives upon the request of the pensioner. If not sent away it is paid to the pensioners at the rate of \$4 per month, but no part of the pension money is taken for the benefit of the Home. Each member is provided with a pension deposit book in which all payments are entered.

*Buildings and grounds.*—The buildings are good, substantial, and well heated, and are kept in good order.

*Care of members.*—Good and sufficient clothing is furnished free to members, and the ration is ample, well cooked, and served. The general condition of the Home indicates good management.

*Eligibility of members.*—All members were found to be eligible except 26, who, although carried as members, did not reside in the Home. They came to the Home occasionally for meals, but were not required to report at any regular or definite time, and were clearly not provided for in a manner to entitle the Home to the Government aid on their account. They were therefore dropped from the post returns.

*Women.*—Wives and widows of soldiers and sailors are cared for.

*Pensions.*—Pensions are drawn by the inmates, and are not deposited with the commandant. No part of the pension money is taken by the Home.

*Canteen.*—There is no canteen at this Home.

*Buildings and grounds.*—The buildings are good and comfortable, but are not kept in very good condition. At the time of the last inspection the general conditions and appearances indicated that the organization and management of the Home was not up to the standard of the State Homes generally.

*Care of members.*—Ample and sufficient clothing is furnished to nonpensioners. Members receiving pensions are required to purchase shoes, hats, and underclothing. The ration furnished appeared to be fairly good.

*Medical care.*—The sick are cared for by a nonresident surgeon and members detailed as nurses.

Average cost per capita, \$211.72.

The Home was last inspected by Gen. N. M. Curtis, assistant inspector-general, National Home for Disabled Volunteer Soldiers, April 26, 1906, and the muster on that date showed:

Total number members present.....	58
Absent.....	6

Aggregate present and absent..... 64

*Eligibility of members.*—All members on the muster rolls for whom credit is taken were found to be eligible.

*Women.*—This Home cares for the wives and widows of soldiers, sailors, and marines.

*Pensions.*—None of the pension money of inmates is taken for the support of the Home.

*Canteen.*—No canteen is maintained, and no spirituous liquors of any kind are allowed to be sold on the grounds.

*Buildings and grounds.*—One large stone building furnishes accommodations for the officers and members and all of the departments and operations of the Home. All the rooms are occupied, and the legislature at its last session appropriated \$50,000 for the purpose of increasing the capacity of the building. Grounds are well cared for and attractive.

*Care of members.*—The inmates are comfortably provided for, and have ample rations of good quality and varied, well cooked and served. Suitable rooms properly furnished for a man and his wife permit of the married inmates living together. Widows are quartered two in a room except in a few instances.

*Medical care.*—The sick receive proper care and are supplied with all necessary medicines, special diet, etc. Fruits and vegetables are supplied from the Home garden in the summer season.

Total number members present.....	1, 687
Absent.....	500
Aggregate present and absent.....	2, 187

*Eligibility of members.*—All members reported on the muster rolls were found to be eligible. The Home cares for soldiers and sailors who served in the Mexican and civil wars.

*Women.*—Women are not admitted or cared for in anyway by this Home.

*Pensions.*—None of the pension money of inmates is taken for the support of the Home.

*Canteen.*—No canteen is maintained.

*Buildings and grounds.*—The barracks are in good condition, but four of them are three stories high and the old members find it difficult to walk to the upper story. Grounds are well laid out in lawns, walks, and drives. A dairy, pigs, and chickens are kept and a large garden is devoted to the cultivation of vegetables.

*Care of members.*—With the exception above noted, quarters for members are comfortable and equipped with good beds and bedding. Clothing of good quality is issued in sufficient quantity, and is kept in fair condition. The food furnished is abundant, well cooked, and served in a comfortable mess hall. The Home has a large amusement hall, a good library, and there are facilities for indoor and outdoor amusements.

*Medical care.*—A hospital is provided for the care of the sick, which is under the charge of a surgeon and two assistant surgeons. No

private rooms or small wards are available in the hospital for those whose sufferings disturb other patients. The smallest ward contains eight or ten beds. Trained male nurses are employed, and special diet is furnished as necessary.

Total number members present.....	157
Absent.....	87
Aggregate present and absent.....	244

*Eligibility of members.*—No inmates not eligible are borne on the rolls of this Home. There are two soldiers who had Indian war service receiving the benefits of the Home, but these are not included in the returns on which the Government aid is based.

*Women.*—Women are not admitted to membership, the laws of this State making no provision for their care, but there are 12 wives residing on the Home grounds in cottages with their husbands, who are inmates. These wives are furnished rations by the Home, but not clothing. They are in no sense members, and are maintained simply by courtesy.

*Pensions.*—Pensions are drawn by inmates and deposited with the commandant.

*Canteen.*—No canteen is maintained.

*Buildings and grounds.*—The buildings are generally in fair condition, and their slight location makes them a conspicuous landmark of all the surrounding country. The grounds are naturally attractive, and their high location provides good natural drainage.

*Care of members.*—The ration is good, sufficient in quantity, well cooked and served. Uniform clothing is furnished free to members.

*Medical care.*—A few rooms are set apart in the main building for a hospital, but they are not especially well adapted to the purpose. A competent resident surgeon is in attendance, but is greatly hampered in his work by lack of trained nurses. At present only members of the Home are provided for this duty, and they are becoming so aged and feeble that their services to the sick are not at all satisfactory.

Aggregate present and absent.....	340

*Eligibility of members.*—No members not eligible were found on the rolls. There are five inmates who had Indian war service only but they are not carried on the returns. The records of this Home were in bad condition on date of inspection as to membership. Morning reports seemed to be very inaccurately kept, with resulting over reporting.

*Women.*—No women are admitted or maintained.

*Pensions.*—No part of the pension money of inmates is taken for the support of the Home. Pensions are drawn by inmates and deposited with the superintendent, and individual ledger accounts are kept.

*Canteen.*—No canteen is maintained.

*Buildings and grounds.*—A new heating and lighting plant has been established, and an addition has been made to the hospital. Otherwise there are no changes in the buildings since last report.

*Care of members.*—The uniform clothing furnished to members is of good quality, but many members on date of inspection were without uniforms. The ration is ample, of good quality, well cooked and served.

*Medical care.*—A hospital is provided for the care of the sick, who are attended by a resident surgeon.

*Eligibility of members.*—With one exception all members on the rolls were found to be eligible.

*Women.*—Wives and widows of soldiers and sailors and army nurses are cared for. There were 304 present on date of inspection.

*Pensions.*—Pensions are drawn by the members. Single members are required to pay to the Home all in excess of \$8 per month; married members all in excess of \$12 per month. The fund derived from this source is used to provide amusements. Besides this all pensioners are required to pay into the clothing fund \$4 each quarter.

*Canteen.*—No canteen is maintained.

*Buildings and grounds.*—The buildings are good and well kept. The grounds have been improved by putting down cement walks.

*Care of members.*—No clothing is furnished free to inmates who have pensions, but nonpensioners are supplied with good clothing. The ration is ample, well cooked and served. The general appearance of members and their quarters indicates that the Home is well and ably managed.

*Medical care.*—A good hospital is provided which is under the charge of a resident surgeon. Seven female nurses are employed and patients are supplied with all necessary drugs and articles of special diet. They seem to be well cared for.
