**ANNUAL REPORT OF THE BOARD OF MANAGERS FOR THE NATIONAL HOME  
FOR DISABLED VOLUNTEER SOLDIERS FOR THE FISCAL YEAR ENDING  
JUNE 30, 1919.**

*To the honorable the Senate and House of Representatives of the Congress of the United States.*

The Board of Managers of the National Home for Disabled Volunteer Soldiers, in obedience to law, present the following report of the institution under its charge for the year ending June 30, 1919:

By joint resolution of Congress, approved February 24, 1919, George H. Wood, James S. Catherwood, John C. Nelson, and Menander Dennett were appointed members of the Board of Managers, National Home for Disabled Volunteer Soldiers.

The affairs of the home have been administered in accordance with the laws and established regulations. All of the branch homes have been visited and inspected during the year by the board of managers, and in addition the president of the board has visited the majority of the branches and inspected them. On these visits members of the branches have been invited to appear and make requests or complaints and to offer suggestions for the improvement of conditions. All such requests, complaints, and suggestions were given consideration and such action taken as deemed impracticable. All of the branches have been regularly inspected by the inspecting officers of the home and efforts made to correct irregularities and faulty conditions.

During the year 25,034 members were cared for in the several branches of the National Home, a decrease of 3,152 compared with the year previous. The average number of members present in the National Home was 13,204, a decrease of 2,422 compared with the year previous; 15,035 members were cared for in the 31 State homes receiving Federal aid, a decrease of 1,720 compared with the year previous. The average present in State homes was 8,401, a decrease of 1,419 compared with the year previous. The whole number cared for in the national and State homes was 40,069, a decrease of 4,872 compared with the year previous. The average present in the national and State homes was 21,605, a decrease of 3,841 compared with the year previous.

The cost per capita for maintenance, general fund, was \$353.91, an increase of \$66.74 over that of the year previous. The cost of maintenance per capita, special funds, was \$6.05, a decrease of \$1.59 from that of the previous year, making a total increase in cost from both funds of \$65.15.

The Southern Branch, Hampton, Va., was turned over under authority of an act of Congress to the War Department during the present emergency and the Surgeon General of the Army has notified the Board of Managers that the Southern Branch will be returned to the board not later than June 30, 1920. Estimates have been pre-

pared and all preliminary work is being done incident to the reopening of the Southern Branch by the board on that date. The board feels that the branch should be returned as soon as possible on account of the universal prayer of the former members of the branch, who gave it up so freely as a war emergency, to be returned to their own home.

The great increase in the number of tubercular patients and the lack of proper facilities at the several branch homes for the care of this class of patients have been carefully considered by the board. A resolution was unanimously adopted by the board providing for the conversion of the Mountain Branch, Johnson City, Tenn., into a tubercular home and the estimates necessary for the same have been submitted to Congress. If this plan of the board is not approved by Congress the board feels that it will be necessary to request funds for the establishment of a tubercular home at some other point.

An opportunity was given, after due announcement, to members to appear before the board for the purpose of presenting complaints or requests. Such complaints and requests as were made were acted upon.

Application of Charles Watwood to be relieved of conditions of readmission was denied.

The board made the usual inspection of the grounds, barracks, hospital, and other buildings of the Marion Branch, and the written criticisms of the several members of the board were referred to the governor for appropriate action.

The board then proceeded to the Danville Branch to reconvene on September 4, 1918.

---

DANVILLE BRANCH, *September 4, 1918.*

Upon motion, it was ordered, in view of the need of conserving fuel, that the president of the board immediately instruct the several governors that wherever practicable companies be consolidated so as to keep barracks filled to capacity, and to close all unused barracks, cutting out heat, water, etc. A report in detail showing the number of barracks occupied, capacity, beds vacant, and number of barracks closed will be submitted to the president of the board by the 1st of November.

The president of the board submitted correspondence between the quartermaster of the Mountain Branch, the president of the board, and branch officers. After thorough consideration it was the unanimous opinion of the members of the board that the correspondence showed a lack of harmony and cooperation essential to the best interests of the branch, and that the quartermaster, after having been warned by the president of the Board of Managers, was not cooperating and working in harmony with the other officers of the branch. Upon motion, the president of the board was instructed to request the resignation of the quartermaster of the Mountain Branch.

Upon motion, it was ordered that in preparing the schedule of pay and allowance for the next fiscal year the position of clerk for the commissary of subsistence be discontinued.

An opportunity was given, after due announcement, to members to appear before the board for the purpose of presenting complaints or requests. Such complaints and requests as were made were acted upon.

William L. Tyler, Company B, Ninth United States Infantry, who was dishonorably discharged from the Northwestern Branch, applied for permission to be cared for temporarily at post at the Danville Branch. His application was denied.

The board made the usual inspection of the grounds, barracks, hospital, and other buildings, and the written criticisms of the several members of the board were referred to the governor for appropriate action.

The board then proceeded to the Northwestern Branch to reconvene on September 6, 1918.

NORTHWESTERN BRANCH, *September 6, 1918.*

Whereas the service of the home must be maintained and the industrial conditions render it impossible to secure permanent employees and there are frequent changes and interruptions in the service, it is believed that during the present war the limitation as to age embodied in paragraph 122, Home Regulations, should be suspended, so as to permit of detailing, when necessary, a member of the home for any duty that he is physically able to perform. The board has full confidence that the members of the home appreciate conditions and will respond to the needs in the same truly patriotic manner that has characterized their response to the many other war demands made upon them. Upon motion, and by unanimous vote, it was

*Resolved*, That the limitation as to age in paragraph 122, Home Regulations, be suspended during the present war, and that the several governors be authorized and directed to detail members of the home for any service required in the operation of the branch, due regard being had for the physical condition of the member and his fitness to perform the service; that the president of the board be instructed to immediately send a copy of this resolution to each governor with explicit rules for the guidance of the governor and the surgeon in the examination of members detailed.

Whereas it having been demonstrated that light mental and physical work will help to occupy the minds of tuberculosis patients, is beneficial to their health, and stimulates the hope and desire for recovery, upon motion, and by unanimous vote, it was—

*Resolved*, That the governors of the several branches where tuberculosis members are being cared for be authorized and directed to detail them for such suitable work as the branch surgeon certifies they are able to perform.

The governor of the Northwestern Branch submitted evidence showing that Bernard F. Keenan, Company E, Sixth United States Cavalry, had been convicted in the district court of Milwaukee of embezzling a post-office money order for \$95, the property of Simon Stuart. Upon motion it was ordered that Keenan be dishonorably discharged from the home.

An opportunity was given, after due announcement, to members to appear before the board for the purpose of presenting complaints or requests. Such complaints and requests as were made were acted upon.

The board made the usual inspection of the grounds, barracks, hospital, and other buildings, and the written criticisms of the several members of the board were referred to the governor for appropriate action.

There being no further business before the board, upon motion, the board adjourned on September 7, 1918, to meet at the headquarters office, National Military Home, Ohio, on Wednesday, December 4, 1918, at 11 a. m., proceeding thence to the Mountain and Southern Branches and Washington, D. C.

The average present in the National and State homes was 25,446, a decrease of 1,435 compared with the year previous.

The cost per capita for maintenance, general fund, was \$287.17, an increase of \$46.85 over that of the year previous. The cost of maintenance per capita, special funds, was \$7.64, a decrease of \$2.80 from that of the year previous, making a total increase in cost from both funds of \$44.05.

On October 30, 1918, the Surgeon General wired requesting that, in compliance with the recent act of Congress, the Southern Branch, at Hampton, Va., be turned over to the Secretary of War for a war hospital and that the need was urgent. Arrangements were made and the members transferred to other branches of the home, and on November 8, 1918, buildings and property turned over to the War Department. The transfer of members was successfully effected.

JOHN O. NELSON,  
*President Board of Managers,  
National Home for Disabled Volunteer Soldiers.*

The president of the Board of Managers reported the result of his investigation of the charge of assault by Guard Sergt. Million upon Joseph W. Ozias, and submitted evidence taken. Also submitted report of the governor of the Western Branch, of the trial of Guard Sergt. Million, for the assault. Upon motion, it was ordered that Milton K. Million be dropped from the rolls of the home and that he be not readmitted to any branch of the home except upon order of the president of the Board of Managers.

The president of the board reported that the act of Congress transferring the Southern Branch to the Secretary of War for use as war hospital during the present war passed the latter part of October, and that on October 30 the Surgeon General wired stating that the need for immediate use was urgent and requested that arrangements be made to transfer as promptly as practicable. The work of transferring was taken up at once and completed in November 8, when all members able to travel left the branch. Forty-five members were left in the hospital to be cared for by the War Department; 450 members were transferred to the Central Branch; 32 to the Danville Branch; 28 to the Marion Branch; 35 to the Eastern Branch; and 1,007 to the Mountain Branch. The transfer to the Mountain Branch included 500 members absent on leave. The transfer was accomplished without mishap or any deaths en route.

Upon motion, the president of the board was authorized to use not to exceed \$1,000, general post fund, to advance necessary costs, attorney's fees, and expenses incident to foreclosure proceedings of the bonds of the Federal Consolidated Monumental Granite Co.

Upon motion, it was ordered that the plunge bath at the Battle Mountain Sanitarium be discontinued for the present.

An opportunity was given, after due announcement, for members to appear before the board for the purpose of offering suggestions, making requests, or presenting complaints. Such suggestions as were made were acted upon. No complaints were presented.

The board then proceeded to the Mountain Branch to reconvene on December 6, 1918.

#### MOUNTAIN BRANCH, *December 6, 1918.*

The president of the Board of Managers reported that, in compliance with the resolution of the board, September meeting, 1918, on September 19, he wrote to Capt. W. E. F. Milburn, quartermaster, Mountain Branch, quoting the resolution of the board, and requested that he forward his resignation as quartermaster of the Mountain Branch, effective October 20, 1918; that, having received no reply, on October 5 he suspended Capt. Milburn from duty as quartermaster of the Mountain Branch, without pay, for the reasons stated in the

resolution and for the further reason that he had failed to forward his resignation or otherwise reply to the request, and notified Capt. Milburn of the time and place of the next meeting of the Board of Managers and of his right to be heard; Capt. Milburn requested that he be given a hearing when the board visits the Mountain Branch, and his request was acceded to. Later, Capt. Milburn filed a printed brief commenting on certain correspondence and other matters connected with the management of the Mountain Branch. Upon motion, the action of the president in suspending Capt. Milburn as quartermaster, Mountain Branch, without pay, was approved.

Capt. Milburn, quartermaster, Mountain Branch, appeared before the board and was asked if he desired to make a statement or to introduce any further evidence, and stated that he rested his case upon the printed document he had submitted. After thorough consideration and discussion of the whole matter, it was the unanimous opinion of the members present that the best interests of the home would be served by severing Capt. Milburn's official relations with the Mountain Branch, and, upon motion, it was ordered that he be dropped from the rolls as quartermaster of the Mountain Branch, effective December 6, 1918.

It appearing that in the letter of the president of the Board of Managers of date October 5, 1918, suspending Capt. Milburn, he was ordered to turn over to Capt. Deadrick, acting quartermaster, all property and records in his possession, that in compliance with this order Capt. Milburn was engaged in checking and verifying property for approximately one month, upon motion, it was ordered that he be allowed pay as quartermaster for a period of one month from the date of his suspension as quartermaster of the Mountain Branch.

Upon motion, Capt. C. Y. Deadrick, adjutant and inspector, Mountain Branch, was promoted to quartermaster of the Mountain Branch effective December 7, 1918.

Upon motion, Capt. Luther M. Parker, adjutant and inspector, Southern Branch, was transferred to the Mountain Branch, effective December 7, 1918.

Capt. W. E. F. Milburn filed charges against Gov. R. B. Cooke, alleging that Gov. Cooke had used profane and abusive language in referring to Capt. Milburn. The board having heard the witnesses named by Capt. Milburn and statements of Capt. Milburn and Gov. Cooke, upon motion it was ordered that the charges be dismissed.

Upon motion, there was appropriated not to exceed \$1,000 to be paid from the general post fund for the purpose of remodeling attic room over the combination mess and fitting up as dormitory for the use of employees.

An opportunity was given, after due announcement, to members to appear before the board for the purpose of presenting complaints or requests. Such complaints and requests as were made were acted upon.

The board made the usual inspection of the grounds, barracks, hospital, and other buildings of the Mountain Branch, and the written criticisms of the several members of the board were referred to the governor for appropriate action.

The board then proceeded to the Southern Branch to reconvene on December 9, 1918.

*SOUTHERN BRANCH, December 9, 1918.*

The board visited the former members of the Southern Branch, who, owing to their physical condition, had been left in the hospital when transfer of the Southern Branch was made to the War Department, and noted provisions made for their treatment and care and consulted with the governor and other officers in relation to closing up the business affairs of the Southern Branch.

Upon motion, it was ordered that the headquarters of the Southern Branch be transferred to the National Military Home, Ohio, at as early a date as practicable; that if deemed necessary by the president of the board, one officer be kept on duty at the Southern Branch to care for members and applicants reporting there and otherwise look after the interests of the home.

The board then proceeded to Washington, D. C., to reconvene on December 11, 1918.

*WASHINGTON, D. C., December 11, 1918*

Report of the governor of the Western Branch in relation to the trial of member, Joseph W. Ozias, was received and considered, and, upon motion, the action of the governor, Western Branch, was overruled, and the president of the board was directed to order that the finding be expunged from the record of the governor's court, Western Branch.

Capt. Nelson, Mr. Catherwood, and Mr. Black voting in the affirmative; Maj. Wadsworth voting no.

There being no further business before the board, upon motion the board adjourned on December 12, 1918, to meet at the Western Branch, Leavenworth, Kans., on Tuesday, March 18, 1919, at 11 a. m., proceeding thence to the Battle Mountain Sanitarium and Pacific Branch.

JAMES S. CATHERWOOD, *Secretary*.

**PROCEEDINGS OF THE BOARD OF MANAGERS OF THE NATIONAL HOME FOR DISABLED VOLUNTEER SOLDIERS, JANUARY 16, 1919.**

*WASHINGTON, D. C., January 16, 1919.*

The board met in special session at 9 o'clock a. m., pursuant to the following call issued by the president of the board:

A special meeting of the Board Managers, National Home for Disabled Volunteer Soldiers, will be held at the Bellevue Hotel, Washington, D. C., 9 o'clock a. m., Thursday, January 16, 1919, for the purpose of considering estimates for appropriations for support of the National Home, fiscal year 1920, and such other business as may require the attention of the board.

Present: Capt. John C. Nelson, president of the board; Maj. James W. Wadsworth, first vice president; Hon. James S. Catherwood, secretary; Col. George H. Wood.

After consideration and discussion of the estimates submitted for the support of the home, fiscal year 1920, the president of the board and the general treasurer were instructed to present to the Committee on Appropriations with recommendations for increases or decreases in amounts estimated as appear to be justified under present conditions.

Upon motion, and by unanimous vote, there was appropriated from the general post fund a sum not to exceed \$8,000 for the installation of elevators in barracks 1 and 6, Central Branch.

Upon motion, the president of the board was instructed not to present to Congress for reimbursement the amounts expended from the general post fund to meet obligations under the head of household, at the Eastern and Southern Branches, fiscal year 1918.

The president Board of Managers submitted the following statement in relation to the bonds of the Federal Consolidated Monumental Granite Co., owned by the home:

In July, 1915, Col. Fred J. Close, president of the Board of Managers, without the knowledge of any other member of the board, invested \$48,631.95 of the general post fund in the bonds of the Federal Consolidated Monumental Granite Co., Salida, Colo., of \$50,000 face value. When the board was informed of the investment, an investigation of the value of the securities was made immediately by some of the members of the board, and from reports obtained the board decided that it was not such an investment as met with its approval, and directed Col. Close to sell the bonds at the price paid by the home, or, failing to sell at price fixed, to submit to committee of the board best offer made. Col. Close failed to sell the bonds or to secure and submit to the committee named by the board any offer whatever. In March, 1916, the board visited and inspected the properties of the company at Salida, Colo., and made careful inquiries as to the standing of the company, its officers, and the value of the property, and secured all information possible on which to base an opinion as to the worth of the bonds. The interest payments on the bonds were met up to and including May, 1917, and are now in default for interest due November, 1917, May and November, 1918. Shortly after the board visited the quarry the company ceased operations on account of lack of funds. It is understood that there is an attempt at reorganization and a transfer of the property to a new company, which proposed to sell securities and redeem the outstanding bonds of the Federal Consolidated Monumental Granite Co. Nothing material came from the effort and the property remains inactive and unproductive. The home holds \$50,000 of the \$100,000 issue of bonds. There is outstanding and unpaid taxes covering several years constituting a prior lien to the bond indebtedness. The board has not been able to find sale for the bonds and has deferred instituting an action to foreclose the mortgage on account of the belief that a forced sale of the property would not realize enough to pay costs of proceedings, prior liens, taxes, etc., and a sufficient sum to be of any benefit to the bondholders. Several propositions have been made for the home to participate in a reorganization and to exchange its bonds for bonds in a new company. The interested parties were informed that the home would consider only a proposition to dispose of its holdings for cash. David Heaton, former treasurer of the Federal Consolidated Monumental Granite Co., has submitted a proposition to purchase the bond holdings of the home for \$10,000.

After consideration and discussion, upon motion and by unanimous vote the president of the board is hereby authorized and instructed to sell the \$50,000 bonds, face value, of the Federal Consolidated Monumental Granite Co., together with unpaid interest coupons owned by the home, at the price offered, \$10,000, and to deliver and assign to David Heaton, or as he may direct, without recourse on the home.

Capt. John C. Nelson tendered his resignation as president of the Board of Managers, effective January 31, 1919. Upon motion, the following resolution was adopted by unanimous vote:

Whereas at the time Col. Wood was commissioned in the Army, at the request and solicitation of the members of the board, Capt. Nelson agreed to accept the presidency, expressly stating that he would serve only such time as Col. Wood remained in the Army; and

Whereas Col. Wood has been discharged from the service;

*Be it resolved*, That in accepting the resignation of Capt. Nelson the board express its appreciation and thanks for his efficient service, his uniformly courteous and fair treatment of the members of the board, officers, and members of the home.

Upon motion, the board then proceeded, by ballot, to the election of a president. A majority of the ballots cast were for Col. George H. Wood; whereupon he was declared duly elected to said office, to take effect February 1, 1919.

There being no further business before the board, upon motion the board adjourned on January 17, 1919, to meet at the Western Branch, Leavenworth, Kans., on Tuesday, March 18, 1919, at 11 a.m. (the regular quarterly meeting of the board) and proceed thence to the Battle Mountain Sanitarium and Pacific Branch.

Upon motion, the secretary of the board was directed to cast the vote of the board separately for Gen. George H. Wood, president; Capt. John C. Nelson, first vice president; Maj. James W. Wadsworth, second vice president; and Hon. James S. Catherwood, secretary. This having been done, the aforementioned persons were declared duly elected to said offices.

Upon motion, the president of the board was authorized to invest not to exceed \$40,000 from the general post fund in the fifth issue of Liberty loan bonds.

The president of the board appointed as a committee to audit the special funds of the home in the hands of the president of the board, Capt. John C. Nelson, Hon. James S. Catherwood, Hon. George Black, to report at the next meeting of the board.

Upon motion, John L. Fryer, assistant surgeon, class 4, Western Branch was appointed surgeon, Western Branch; Maj. Arthur W. Bartel, surgeon, was appointed senior assistant surgeon, class 9; Dr. Oliver A. Menges, senior assistant surgeon, class 9, was appointed assistant surgeon, class 6; and Dr. Ellis E. Raikes, assistant surgeon, class 6, was appointed assistant surgeon, class 4. The above changes and demotions to be considered as temporary, pending the final readjustment of the medical staff of the home.

During the inspection of the Board of Managers, little irregularities and faulty conditions have been found that were not conducive to the comfort and welfare of the members of the home, and which could have been discovered and corrected if more thorough and searching inspections of the branch had been made by the branch officers. The responsibility of the governors for the conditions existing at their respective branches was discussed by the board, and, upon motion, the following resolution was unanimously adopted:

*Be it resolved*, That the president of the board direct the governors of the several branches to make, personally, careful, and frequent inspection of the condition of all messes, hospitals, barracks, and other places at the branch, reporting to headquarters at the end of each month the places, number of times and result of such inspections.

An opportunity was given, after due announcement, to members to appear before the board for the purpose of presenting suggestions, requests, or complaints. Such suggestions, requests, and complaints as were made were acted upon.

The board made the usual inspection of the grounds, barracks, hospital, and other buildings of the Western Branch, and the written criticisms of the several members of the board were referred to the governor for appropriate action.

The board then proceeded to the Battle Mountain Sanitarium to reconvene March 21, 1919.

#### BATTLE MOUNTAIN SANITARIUM, *March 21, 1919.*

An opportunity was given, after due announcement, to members to appear before the board for the purpose of presenting suggestions, requests, or complaints. Such suggestions, requests, and complaints as were made were acted upon.

The board made the usual inspection of the grounds, hospital, and other buildings, and the written criticisms of the several members of the board were referred to the governor for appropriate action.

Upon motion there was appropriated from the general post fund not to exceed \$1,000 for the purpose of constructing a ward for the insane members at the Battle Mountain Sanitarium; plans and specifications to be submitted to and approved by headquarters before any action shall be taken.

The board then proceeded to the Pacific Branch to reconvene March 24, 1919.

---

#### PACIFIC BRANCH, *March 24, 1919.*

The president of the board presented the following memoranda:

1. By the act of Oct. 6, 1917, all men who have served in the war with Germany and have an honorable discharge, are entitled to the benefits of the home, provided they come under the requirements laid down by Congress.

2. This makes admissible to the home over four million soldiers and presents a very grave problem to those in charge of the management of the home.

3. The beneficiaries of the home may roughly be divided into three classes by service and age:

First, the veterans of the Civil War with an average age of 75.

Second, the veterans of the Spanish-American War and Philippine and China service, with an average age of 50.

Third, the veterans of the German War, with an average age of 25.

This makes three distinct large classes with different customs, habits, and lines of thought, and it is believed that it will be conducive to the comfort and pleasure of the members of the home if, as far as possible, the various groups were placed in separate barracks. The mere questions of ventilation, hours of sleep, etc., are just a few of the points wherein 75 and 25 would differ widely.

4. There is no disposition on the part of the board to make any violent upheaval in the present arrangement of members in barracks in the various branches of the home, but efforts will be directed toward the end suggested above by transfers where they can be made without friction and especially by assignment when men come into the home, so that in a comparatively brief space of time the Civil War veterans, generally, will be in barracks by themselves; the Spanish American War and Philippine Service men in the same situation; and, so far as the veterans of this new service are concerned, at the very beginning of their entrance into the home, there shall be set aside a ward in a barracks for those who are not actually hospital patients. If the number increases

so that they fill the ward, a barrack can then be set aside, it not being deemed wise nor just to place men in their twenties between men in their seventies.

5. In this connection it has been found that in some of the branch homes the comforts and added attentions of the so-called convalescent barracks are not being taken advantage of by the infirm members, who are entitled to such care and attention. The governors, therefore, will, in consultation with the surgeons, see to it that the convalescent barracks in the respective branches are filled and kept filled to at least 90 per cent of their present bed capacity. If any younger men are in such condition that they need the care of a convalescent barracks, they should be placed there, and the convalescent barracks is to be considered in the same light as hospital treatment.

6. Where younger men are employed in positions necessitating their being quartered in convalescent barracks, or barracks set aside for the older members, they will not be affected by these instructions.

7. This classification will not apply to the hospital nor tubercular wards where the usual medical regulations will apply.

After full consideration and discussion, upon motion, it was ordered that the above memoranda be placed on record in the proceedings of the board and the president of the board was instructed to take such steps as necessary to carry out the provisions and suggestions contained therein.

Upon motion, the following resolution was adopted:

Whereas it is deemed of the utmost importance and for the best interests of the Government and of the individual soldiers applying for admission to the home that admission be granted only to applicants who are suffering from wounds, disease, or bona fide disability to a degree that renders the applicant unable to earn a living; and

Whereas it is difficult to maintain a uniform standard as to degree of disability that entitles to admission under the present system of having the applications for admission and readmission submitted to headquarters and to the several managers: Be it

*Resolved*, That hereafter all applications for admission or readmission of applicants under 62 years of age be submitted, together with the certificate of the examining surgeon, in cases where the applicant applies personally to any branch home, to the president of the Board of Managers for consideration, and that in said certificates the examining surgeon set out specifically the disabilities found by him separate and apart from the disabilities that may be claimed by the applicant. In case application is made through the United States mail and the certificate of disability is signed by a surgeon not a member of the home staff, the application will be submitted for approval in regular course to the nearest manager, and when the applicant reports at the branch examination will be made and certificate forwarded to headquarters as provided above.

The president of the board presented the correspondence with John W. McMillan, attorney at law, Milwaukee, Wis., in relation to a proposed suit in equity by Sidney J. Cowen. After discussion and consideration, it was decided that the interests of the home required that arrangements be made to properly defend the suit, and, upon motion, the president of the board, Capt. Nelson, and Maj. Wadsworth were appointed as a committee of the board and authorized and instructed to employ counsel, and a sum not to exceed \$1,000 was appropriated from the ward fund to cover necessary expenses, counsel fees, etc.

Upon motion, the resolution of the board adopted at the September meeting, 1918, suspending the age limit referred to in paragraph 122, Home Regulations, was rescinded.

Upon motion, the following additional amounts were appropriated from the general post fund for amusement purposes for the current fiscal year ending June 30, 1919:

Central Branch.....	\$500
Northwestern Branch.....	400
Eastern Branch.....	400
Western Branch.....	500
Pacific Branch.....	500
Marion Branch.....	400

Danville Branch.....	500
Mountain Branch.....	400
Battle Mountain Sanitarium.....	200

Upon motion, the president of the board was instructed to submit to Congress an additional estimate for appropriation for the Pacific Branch for the fiscal year 1920 of \$10,000, for the purpose of installing an additional boiler, smoke stack, and necessary equipment.

Upon motion, the president of the board was instructed, if practicable, to submit an additional deficiency estimate for the Pacific Branch for the fiscal year 1919, under the head of hospital, for \$1,000.

Upon motion, the sum of \$8,000 was appropriated from the general post fund for additional tubercular facilities at the Pacific Branch. The above appropriation to be expended under the control of the president of the board upon plans approved by Col. H. H. Markham and the chief surgeon and inspector general.

The following resolution was unanimously adopted:

Whereas there exists some doubt as to the authority of the governors to direct payment of pension money standing to the credit of members classed as "incompetent," therefore be it

*Resolved*, That under paragraph 253, Home Regulations, the governor of the branch is authorized and should approve the payment of pension money to members classed as "incompetent" as follows:

First, to the surgeon in such small sums as may be necessary for the personal expenses of the member.

Second, to a dependent wife or other relative, upon the receipt by him of satisfactory evidence of relationship and dependency. This evidence will be filed with the first voucher approved.

Third, to pay taxes, insurance, or similar charges, when necessary to protect the interests of the member.

An opportunity was given, after due announcement, to members to appear before the board for the purpose of presenting suggestions, requests, or complaints. Such suggestions, requests, and complaints as were made were acted upon.

The board made the usual inspection of the grounds, barracks, hospital, and other buildings of the Pacific Branch, and the written criticisms of the several members of the board were referred to the governor for appropriate action.

There being no further business before the board, upon motion, the board adjourned on March 29, 1919, to meet at the headquarters office, National Military Home, Ohio, at 10 a. m., Tuesday, June 17, 1919, proceeding thence to the Eastern Branch.

Upon motion, General Orders Nos. 3 and 4, amending certain paragraphs of Home Regulations, were approved.

Upon motion, the following resolution was adopted:

Whereas it is the policy of the Board of Managers to protect the rights of officers and employees of the home who have gone into the active military service of the United States and who desire to return to the home service after their discharge; and,

Whereas the service of the home must be carried on and a fixed official family reached as soon as possible after the war; therefore

*Be it resolved*, That hereafter any officer or employee of the home who has entered the active military service of the United States, in order to preserve his equity in the home service, must make his application for reentry into the home service within sixty days from the date of his discharge from the active military service with the United States.

The president of the board presented to the board his letter of date June 2, 1919, addressed to Maj. H. Campbell, treasurer of the Northwestern Branch, in relation to coal dealings. The president's letter notified Maj. Campbell of his right to appear before the board or to offer any evidence that he cared to submit in explanation of the matters referred to in the letter. Maj. Campbell appeared in person before the board and submitted his explanation. After thorough consideration and discussion of the whole matter it was the unanimous opinion of the members present that the best interests of the home would be served by severing Maj. Campbell's official relations with the Northwestern Branch, and the president of the board was instructed to notify Maj. Campbell of the action of the board and requested his resignation as treasurer of the Northwestern Branch, effective July 24, 1919. The president reported to the board that he had notified Maj. Campbell of the board's action and that Maj. Campbell, in writing, declined to resign. Upon motion and by unanimous vote, it was ordered that he be dropped from the rolls as treasurer of the Northwestern Branch, effective June 30, 1919.

Upon motion, the sum of \$700 was appropriated from the general post fund for the improvement of the detention ward at the Central Branch.

Upon motion, it was ordered that hereafter all surgeons, assistant surgeons, and nurses before receiving their appointment in the National Home shall be examined as to their physical condition.

Upon motion, Charles M. Pearsall was appointed treasurer of the Northwestern Branch to date from July 1, 1910.

The board then proceeded to the Eastern Branch to reconvene June 19, 1919.

EASTERN BRANCH, *June 19, 1919.*

Upon motion the following resolution was unanimously adopted:

Whereas it appears that the emergency for which the Southern Branch was transferred to the War Department has passed; and

Whereas a branch organization will be required for the preliminary work incident to the reopening of the branch: Therefore

*Be it resolved,* That the present organization be retained.

Upon motion, the following resolutions were unanimously adopted:

Whereas on July 14, 1917, the Secretary of War requested that the Board of Managers, National Home for Disabled Volunteer Soldiers, turn over to the War Department the Southern Branch for the period of the war, basing such request on the use of the port of Newport News and the consequent need of the War Department for a hospital at that point, and further stating that after the period of the war it could be returned in good condition with such temporary buildings as would be added; and

Whereas in answer to this request the Board of Managers, National Home for Disabled Volunteer Soldiers, cheerfully turned over said Southern Branch, National Home for Disabled Volunteer Soldiers, to the War Department for the period of the war under an enabling act of Congress approved November 7, 1918; and

Whereas the former members of the Southern Branch have gladly given up their home where many of them were spending their last few years enjoying the genial weather and climate of that point and moved to other branches, considering this act on their part as their contribution to the carrying on of the war in which the country was engaged; and

Whereas the war is now finished and the use for which the transfer of the branch was asked is completed; and

Whereas the former members of the Southern Branch are now petitioning, almost unanimously, to be returned to their former home, the vast majority of them being men from the States near the Southern Branch and having their families and homes located in that section; and

Whereas the Medical Department of the War Department is now converting the Southern Branch, National Home for Disabled Volunteer Soldiers, into a hospital for the treatment of nervous and mental diseases, the most permanent class of cases known to medical science, showing a disposition on the part of the Medical Department to change the use of the Southern Branch from a temporary to a permanent use of same, Therefore

*Be it resolved by the Board of Managers, National Home for Disabled Volunteer Soldiers,* That the attention of the Secretary of War be called to the matter and that the Secretary be requested to return the Southern Branch, National Home for Disabled Volunteer Soldiers, to the charge of the Board of Managers, the use for which said transfer was asked having been completed; and

*Be it further resolved,* That the president of the Board of Managers be instructed to send a copy of these resolutions to the President of the United States, the Vice President of the United States, the Secretary of War, the Speaker of the House of Representatives, and to the chairman of the Committees on Military Affairs of the Senate and of the House of Representatives.

The application for readmission of William L. Tyler, Company B, Ninth United States Infantry, to the home, was again submitted to the board and readmission was denied him.

An opportunity was given, after due announcement, to members to appear before the board for the purpose of presenting complaints and requests. Such complaints and requests as were made were acted upon.

The board made the usual inspection of the grounds, barracks, hospital, and other buildings, and the written criticisms of the several members of the board were referred to the governor for appropriate action.

The board then proceeded to New York City to reconvene on June 1, 1919.

NEW YORK, N. Y., *June 21, 1919.*

Upon motion, the following resolution was unanimously adopted:

Whereas it would be for the convenience of the members of the home to allow the superintendent of the post fund to receive and hold on deposit such funds as members care to deposit; and

Whereas such deposits would be covered by the bond of the superintendent of the post fund: Therefore

*Be it resolved*, That the superintendent of the post fund of each branch is authorized to receive and care for deposits of members of the home, such funds to be deposited in a special account in a United States depository. The president of the Board of Managers will issue instructions covering accounting details, etc.; and

*Be it further resolved*, That the surgeon of each branch is authorized and directed to deposit the surplus funds in his hands belonging to members with the superintendent of the post fund under such rules as may be prescribed by the president of the Board of Managers.

The president of the board submitted the estimates for the several branches for expenditures from the general post fund for providing amusements for the fiscal year 1920. After consideration, upon motion and by unanimous vote, it was ordered that the maximum amount to be spent for the purposes embraced in the estimates at the several branches be fixed as follows:

Central Branch.....	\$10,000
Northwestern Branch.....	8,000
Eastern Branch.....	8,000
Western Branch.....	9,000
Pacific Branch.....	9,000
Marion Branch.....	8,000
Danville Branch.....	9,000
Mountain Branch.....	8,000
Battle Mountain Sanitarium.....	3,500
Total.....	72,500

There being no further business before the board, upon motion, the board adjourned on June 21, 1919, to meet at the Marion Branch, Marion, Ind., on Monday, September 8, 1919, at 12 m., proceeding thence to the Danville and the Northwestern Branches.

TABLE O.—Ward memorial fund in the hands of the president of the Board of Managers.

This fund originated with the bequest in the will of Horatio Ward, of Virginia, who died in London, England, in 1867, of certain State bonds of face value \$100,000 and accumulated interest of \$11,155 at the time it was turned over to the Board of Managers in 1871. Some of these bonds of the States of Virginia, North Carolina, and Tennessee were compromised and refunded in 1901 and 1902 for \$30,908 less than their face value and were subsequently sold at a further loss. Expenditures from this fund and its increment have been made by the Board of Managers to erect chapels, amusement halls, and other objects to promote the comfort and welfare of the members of the several branches where no general appropriation was available. The following is a summary of the receipts and expenditures from 1871 to June 30, 1919:

All garbage is removed promptly. Manure from the stable is removed each morning to a screened receptacle, from which it is hauled daily, thrown in a pit, and subsequently deposited on the farm for fertilizer.

There are no breeding places for flies in the sanitarium or on the reservation. All garbage cans are inclosed by wire screens.

All patients are required to bathe on admission to the sanitarium, and at least once each week thereafter. Patients' clothing is fumigated on admission, if considered necessary.

All patients are thoroughly examined at the time of admission, and those that require it are vaccinated.

The sputum of tubercular patients is properly cared for, and all flasks and cups are disinfected daily with steam. In addition antiseptic solutions are used in these receptacles.

Soiled and infected clothing is sterilized with steam under high pressure before reissue, or held for condemnation if considered necessary. Pillows, mattresses, and blankets are systematically sterilized.
