State Summary

Missouri

The Department of Veterans Affairs (VA) offers a wide variety of programs and services. Many Veterans use VA education programs, obtain VA guaranteed home loans, and receive VA disability payments. VA is undergoing a radical transformation in relating to Veterans through the MyVA initiative.

VA has made ending Veteran homelessness a top priority, undertaking a campaign to dramatically increase awareness of VA services available for homeless Veterans and Veterans at risk of becoming homeless.

VA provides a large health network of hospitals, outpatient clinics, Vet Centers, nursing homes, residential rehabilitation treatment programs, and comprehensive home care programs. VA also manages a network of national cemeteries, soldier's lots, and monument sites, and provides headstones and markers.
